ACTIVITY FROM SK ALSO SEA

Planes of Both Great Britain and Germany Resume Operations Today

LONDON, March 1—There was considerable activity again today in aerial warfare both by Great Britain and Germany. For the third time, Royal Air Force planes flew over Berlin as well as over Hanover, Bremen, Kiel and Heligoland. German planes resumed their attacks with bombs and machine guns on North Sea shipping and fishing vessels.

A Berlin news agency stated that numerous British war vessels and armed merchantmen ships in company had been successfully attacked by German bombers with several reported sunk.

British sources said, however, that the enemy had been driven off.

Several Ships Lost

An Italian vessel, Mirella, 5,340 tons, struck a mine and sank in the North Sea, one member of the crew being killed with eleven missing. Fourteen members of the crew reached the Suffolk coast.

Bitter Warfare

In the bitter air and sea warfare between Great Britain and Germany neutral vessels went down with belligerents.

The German planes attacked British shipping from Yorkshire to the Thames estuary, an authoritative British source saying that a convoy had been attacked but no ships hit.

The British liner Pyrrhus, 7,418 tons, was sunk by enemy action off the West Coast and eight men were lost.

The Norwegian steamship Brott, 1,331 tons, was bombed from the air and listing badly was escorted into an east coast port.

The French reported the loss of the cargo boats P.M.L. 15 and P.M.L. 25 by submarine and mine action.

WAR AND OUTCOME

P. H. Linzey Tells Rotary Club and Chamber of Commerce of British Israel View

Hard Times Coming

Eventually Allies Will Triumph With Final Battle in Palestine Says Speaker

The present war situation, as viewed by an exponent of British-Israeli, is following out the Bible prophecy and the expectations of all who have studied the situation in the light of the past, according to P. H. Linzey, in an address to a joint meeting of the Prince Rupert Rotary Club and the Prince Rupert Chamber of Commerce at its luncheon meeting yesterday afternoon in the Commodore Cafe, W. R. Devenish, general manager Canadian National Railways, being the guest of honor.

OPENS HIS CAMPAIGN

Capt. Black Favors Alaska Highway and Opposes Merger of Yukon and British Columbia

DAWSON, March 1: (CP)—Support of the Alaska Highway and opposition to annexation of the Yukon by British Columbia were expressed by Hon. George Black in formally opening his campaign as National Government candidate in the Yukon.

Capt. Black said that, if Canada accords the highway access to Canada, the Dominion should be granted similar concessions across the Alaska Panhandle to the Yukon.

SITDOWN IS OVER

Miners Come Out of Pioneer Mine in Orderly Fashion After Inspector Reasons With Them

PIONEER MINE, March 1: (CP)—Forty-one miners, members of the International Union of Mine, Mill and Smelter Workers Union of the Congress on Industrial Organization, ended their sixty-hour sitdown strike in the Pioneer Gold Mine yesterday. Provincial police said that the men returned to the surface "in a perfectly orderly manner" following negotiations between police and mine officials.

Inspector John Shirass, who reasoned with the men, said that nothing less than an explosion could have forced the men out since he had barricaded the shaft to prevent the mine lift reaching them. There were no arrests and Inspector Shirass said there would be none. It was not admitted that the company had met the men's demands.

The men's food supplies were running short.

HIS BODY COMES UP

Remains of Walter Cory, Who Fell in Harbor Just Before New Year, Comes to Surface

Floating in the harbor off Albert & McCaffery's wharf, the body of Walter Cory of Wantage Road, who fell from the dock of F. E. Hunt Ltd. on the slippery night of December 30 last, was recovered and identified yesterday afternoon. Several persons saw the body from the wharves and the police, being notified, proceeded to the scene and took it in charge. It had evidently been caught somewhere below and, on being released, came to the top. There was an inquiry this morning, it being established that the circumstances of the affair were entirely accidental. Ray Rapp and Walter Hansen, companions of Cory, saw him fall off the dock and disappear in the water, reporting to the police who instituted unsuccessful dragging operations at the time. Cory had been around Prince Rupert for some time. He came originally from New Brunswick where it is understood there are relatives. He was about forty years of age.

PROMINENT NORTHERNER

H. W. M. Rolston Knew This Part of Country As Did Few Others

Herbert William Rolston, well known editor and publisher of the Stewart News, whose death occurred suddenly at Stewart Wednesday night, was an outstanding figure in Northern British Columbian affairs.

Besides his paper, Mr. Rolston was actively interested in the insurance business and in mining and promotion of mineral properties. He was a past president of the Stewart Board of Trade and the Stewart branch of the Canadian Legion, an active member of the Anglican Church and Masonic Lodge and was an indefatigable worker for the advancement of his community and the development of Northern British Columbia.

Few residents of British Columbia had as complete a knowledge of the northern interior of the province as had Mr. Rolston. Among his recent activities was presentation of a brief before the British Columbia-Yukon-Alaska highway commission.

He is survived by his parents, Mr. and Mrs. W. G. M. Rolston of Victoria, and sister, Mrs. R. A. Lort, 911 Nicola Street Vancouver.

Mr. Rolston was fifty-four years of age.

BAR GOLD LONDON, (CP)—The Montreal price of bar gold on the London market was unchanged today at \$37.54 per fine ounce.

German Towns Are Evacuated

BRUSSELS, March 1: (CP)—All German towns and villages within eighteen miles of the Belgium and Netherlands frontiers have been ordered evacuated, it was reported today as the closure of the borders to the low countries were closed today by the Reich. A small German troop concentration was scattered on the western front today and there was German-French exchange of scouting flights.

Conservative Name Is Being Dropped

Term "National Government" Will Be Used in Describing Dr. Manion's Candidates

TORONTO, March 1 (CP)—In view of statement Wednesday at Sault Ste. Marie of Hon. Dr. R. J. Manion that candidates of the Conservative party would be supporters of the National government movement and that he preferred them to be described as "National Government" candidates, the Canadian Press announces that Conservative candidates will henceforth be designated as "national government" candidates.

TODAY'S STOCKS

British Soldiers Land in Finland

HELSINGFORS, March 1: (Canadian Press)—About five hundred British volunteers, including among them were several Canadians, arrived in Finland Wednesday to join in the war against Soviet Russia.

RAIL CHIEF PAYS VISIT

W. R. Devenish Refers to Shipbuilding at This Point and Desire to Promote Tourist Travel

At the joint luncheon of the Prince Rupert Chamber of Commerce and Rotary Club yesterday afternoon W. R. Devenish, general manager of the western region of the Canadian National Railways, was welcomed on the occasion of his first visit to Prince Rupert since his appointment to succeed the late A. E. Warren. President W. M. Watts, who took charge of the meeting following an address by P. H. Linzey, thanked the visitor for his interest in planning this visit so soon after his appointment. The Chamber appreciated it very much. On its behalf he welcomed the visitor and also the new local superintendent, James Clark.

After acknowledging the genial welcome of the President of the Chamber, Mr. Devenish referred feelingly to the loss the company and the west sustained in the recent death of Mr. Warren. He explained that railway officials were men trying to do their jobs in the best possible way. As the years rolled by nature took its toll.

Mr. Devenish then referred to the men Prince Rupert had turned out. There was N. B. Walton, now vice-president of the largest railway system in the world. W. H. Tobey had gone to be general manager of the Pacific Great Eastern. If the same influence continued it was not safe to predict what position Mr. Clark might some day hold. He bespoke co-operation with the new superintendent. The interests of the railway and the people of Prince Rupert were definitely allied and each could assist the other. It was to the interests of the railway to assist in developing this community in the hope that it might benefit thereby.

The new general manager suggested that, while Prince Rupert would seem to be far removed from the scene of hostilities, it was not so. The requirements of war were brought clearly to attention here by the plan to build certain vessels in the local shipyards.

On his trip to the coast, Mr. Devenish said, he had been greatly impressed with the scenery and the tourist possibilities on this route. He planned to promote the line for this purpose and increase traffic here.

In conclusion the visitor explained that his visit this time must necessarily be brief but he hoped if any members of the Chamber of Commerce were in Winnipeg at any time they would drop in and call at his office.

CUT OFF DEALINGS

Trade Negotiations Between Italy and Great Britain are Suddenly Terminated

LONDON, March 1 (Canadian Press)—Negotiations between Italy and Great Britain, which have been proceeding for some weeks with a view to reaching a trade agreement, have been suspended. It had been planned that Italy should obtain coal from Great Britain in return for which Great Britain would get war materials. Apparently, serious difficulties have arisen in the negotiations.

Now it appears that Premier Mussolini intends to obtain coal from the United States and to dispose of war materials to neutral nations. He is reported to have already ordered three million tons of coal from the United States. Meanwhile, the British Navy has been ordered to extend its blockade on German exports to apply to coal to Italy which, during the trade negotiations, had been allowed to pass.

There are insufficient railway facilities to handle by the overland route all the coal required by Italy from Germany. It is urgently required that the deficiency should be met in some way.

Bulletins

SIEGE OF VIIPURI HELSINGFORS

HELSINGFORS—The fate of Viipuri, Finland's strategic second city, rests in the balance as the Russians lay siege to it on three sides with the Finnish defenders still resisting stubbornly, having braced themselves, they say, in stronger positions. The Russians claim to be only about a mile distant while the Finns say they are at least four miles away. In Soviet quarters it is declared that the collapse of Viipuri's defence is only a matter of hours removed. A Finnish communique today reported unusually heavy air activity yesterday with fourteen Russian and four Finnish planes shot down in fierce battles. Many Finnish towns were bombed with severe loss of life.

NAZI WARSHIP SEEN

MONTEVIDEO—A radio report says that a German pocket battleship, a submarine and a large merchant vessel have been observed off the coast of Brazil. Two French and three British warships are also reported in the vicinity.

ARROW AT 10 DOWNING

LONDON—A steel-tipped arrow was shot through a window at No. 10 Downing Street yesterday and narrowly escaped a cabinet minister. A young man in a green jacket, Robin Hood style, was arrested and admitted firing the arrow which carried a message: "End Hitlerism. Make Britain Debt free. Social Credit is the only solution." The young man received a light sentence.

GERMAN PEACE OFFER?

LONDON—A German peace offer, which is not given much credence here, has been received via Dublin. It would provide for an independent and reconstructed Poland, a reconstructed Czechoslovakia, a reformed League of Nations, all around disarmament and return of some, if not all German colonies.

"WIN WAR" IS MOTTO

PRINCE ALBERT—Speaking here last night as he accepted a unanimous renomination as Liberal candidate in the federal election, Prime Minister W. L. Mackenzie King said that spring time might bring an offensive in the war which would be attended by great agony of spirit. Winning the war was the all important task now. Unless that was accomplished, nothing else would matter. Advocacy of monetary reform should wait until after the war so as not to becloud the main issue of winning the war.

FLOOD DEATH TOLL

SAN FRANCISCO—The west coast flood death toll has reached nine—five in California, three in Oregon and one in Washington. Flood waters are now receding except in the Sacramento Valley which is the most severely hit.

CANADIAN PLANE OVER

LONDON—The first Canadian Hurricane fighting plane has arrived for the Royal Air Force. A number more are coming.

SMUTS ENDORSED

CAPETOWN—General Smuts' South Africa party government received a good endorsement from rural South Africa when the government candidate in a Transvaal by-election was given strong support to defeat a Hertzog neutrality candidate.

CANADIAN BOND SALE

OTTAWA—Finance Minister Ralston announces the sale of \$40,000,000 of five year two and a half per cent bonds at 99 with cost of 2.13 to the government. They will be used in redemption of \$63,000,000 of five year three per centers.

ROMANSHORN, Switzerland

March 1 (CP) People were startled by what sounded like an air raid on the old Zeppelin works across Lake Constance near Friedrichshafen, Germany.

BLAST FROM RIBBENTROP

Demands End of British "Domination" and Insists on Germanic Victory—Threatens Decisive Blow

BERLIN, March 1—All hope of peace in Europe is futile unless Great Britain abandons her world monopoly and throws open trade routes to all nations, Foreign Minister Joachim von Ribbentrop told United States Under Secretary of State Sumner Welles today.

The central theme of the talk was believed to have been that Germany was not prepared to discuss peace unless Britain's "stranglehold on economic life of the world" was broken.

The German Army, von Ribbentrop said, awaits a single word to strike a decisive blow, the magnitude of which would overshadow anything previously known in military conception.

Germany was determined to continue the war until there was a Germanic peace and British domination had been ended.

The Allies could not defeat Germany either militarily or economically, von Ribbentrop declared.

Neutral nations, the Nazi foreign secretary said, would be ill-advised to fall for British lures, particularly in view of the solidarity of German and Russian collaboration.

Mr. Welles arrived in Berlin early today and was met by Alexander Kirk, United States charge d'affairs and representatives of the German Foreign Office.

In addition to Chancellor Adolf Hitler and Foreign Secretary Joachim von Ribbentrop, Welles will confer with Vice-Chancellor Herman Goering at his country estate.

Mr. Welles has made it clear that the conferences he is to hold are for informative purposes only. His visit is of an informal nature and no state entertainment is desired.

Welles will meet Hitler tomorrow.

LOG SCALE RUNS HIGH

Timber Production in This District Running Double that of 1939

Log scaling in Prince Rupert forestry district for the month of February this year was just double that of the same month last year, while the log production for the first two months of 1940 is nearly three times that of January and February last year. The log scale for this February was 1,617,108 board feet as compared with 809,260 board feet in February 1939. The scale for the first two months of this year has been 3,152,652 board feet as against 1,195,167 board feet in January and February of 1939. The output of forest products in the interior is also running away ahead this year over last. In February this year the production of poles and piling was 189,840 lineal feet as compared with 76,128 lineal feet in February 1939. For the first two months of this year the output is 407,128 feet in comparison with 156,930 lineal feet in January and February last year. The pole and pile output of 189,840 lineal feet this February consisted of 188,853 lineal feet cedar and 987 lineal feet hemlock.

The log scale this February per species was as follows: Fir, 69,222 board feet. Spruce, 1,155,042. Cedar, 303,887. Balsam, 16,291. Hemlock, 65,181. Jackpine, 7,485. Ten cords of wood were counted this February in comparison with eighteen a year ago.

No piles were scaled this February whereas there were 7,655 in February last year.

NEW YORK COPPER

NEW YORK, March 1.—Copper prices were .01c higher to .03c lower on the New York metal market today with May at 10.57c per pound.

TIGHTENS HER BELT

France Finds it Necessary to Lessen Her Consumption and Increase Her Production

PARIS, March 1: (CP)—A cabinet meeting, with President Albert Lebrun presiding, yesterday approved the institution of food rationing cards, lower quality bread and generally reduced consumption, accompanied by increased production, in order to shoulder the war's financial burden.

Finance Minister Paul Renaud said that this was an economic war and, while France was maintaining a sound position financially without turning to inflation to check rising prices, the nation had been slipping economically, principally by reason of the fact that consumption was maintaining the pre-war level while production was less. Therefore, it became necessary to decrease consumption and increase production.

Among the measures to be invoked in tightening the nation's belt are closing of pastry shops three days a week, curtailment of petrol sales, restriction of consumption of alcohol and greater use of bean meal in coarsening ordinary bread.

More women will go to work in French munition plants in order to release men for farm work. M. Renaud announced that fifty billion francs was being added to the French war chest—thirty billion by revaluation of the gold content of the franc and twenty billion by loan from the Bank of France without interest.

TALK ON ENGINES

Gyro Club Hears Why Diesel Motors are More Economical Than Gas

Why a diesel engine is more economical than a gas engine was explained to the Prince Rupert Gyro Club in an interesting manner by Lieut. Cecil Fitzgerald of Second Searchlight Battery who was the speaker Wednesday afternoon at the club's weekly luncheon. Lieut. Fitzgerald said that the principal reason for the efficiency of the diesel engine over the gas engine was that diesel fuel had a much greater compression ratio than gasoline before detonation became apparent. The compression ratio of gasoline before detonation had at first been four to one and, with the use of tetra-ethyl-lead, this had been raised to 6 to 1. On the other hand, the diesel engine, using fuel oil, had a compression ratio of 14 to 1 before detonation.

In discussing compression ratio, Lieut. Fitzgerald explained how a steady push was more effective as a moving force than a sudden blow as by a hammer. The more perfect the compression and the less the tendency to detonate, the more efficient and smooth was the driving force.

Diesel fuel, in addition to being cheaper, obtained more miles per gallon than gasoline despite the fact that it possessed less thermal units. Lieut. Fitzgerald delved briefly into the history of the internal combustion engine. In 1650 a Dutchman had used gun powder as a driving agency. Later, in turn, had come natural gas, coal gas, benzine and gasoline, each bringing a greater compression ratio and consequent increase in efficiency. Lieut. Fitzgerald predicted that the day was not far distant when diesel engines would be used in automobiles.

Lieut. Fitzgerald, who opened his talk with the humorous description of a mock funeral at sea for moving picture when he was at Alert Bay, was thanked for his discourse by the president, G. A. Hunter. There was a good turn-out of Gyro members with guests in the persons of R. B. French of Vancouver and E. G. Southby and Len Cripps of Prince Rupert.

EDITORIALS

BOOKS FOR SOLDIERS

Some time ago a Prince Rupert citizen donated fifty dollars to enable the soldiers at the old hospital to purchase a piano. Now we are asking people to donate books for the soldiers' library. Most people have at least a few volumes that they do not require. The soldiers could use them and they would be passed on from one to another more than they would in any other place. If it is not convenient to leave them at the hospital, just drop them in at the Daily News office and we will see that they reach the right people. If desired, we will let them know the names of the donors.

THREE CANDIDATES

There are now three candidates in the field from which the electors of Skeena will select one to represent them at Ottawa. The first in the field was George Weaver of Nanaimo, a very estimable gentleman who once before contested this constituency in the provincial arena but was defeated. He is the representative of the Socialist group known as the Co-operative Commonwealth Federation. He is pledged to support a Socialist program.

The most recent nomination is that of George F. Cameron, Conservative, a Vancouver barrister, who has a claim to local interest in that his father was temporarily in Prince Rupert as Presbyterian minister. We are told that he is a very suitable person to represent Skeena in the Federal Parliament. He would support Dr. Manion.

The other man is our tried and tested old friend, Olof Hanson, who walked into the Skeena district before the railway was built without even a gunny sack in which to carry his clothes. He fought his way up and by hard work and untiring industry managed to reach a place where he could fight the election without drawing on campaign funds. The first time he was chosen as candidate he was elected and once since he has been re-elected. He is now well known to the Prime Minister and the other members of the Dominion cabinet as a man on whom they can rely. Even Prime Minister Bennett often sought his advice on important matters of state. He knows every corner of the district and tries to deal fairly with everyone. He is the man that we know. His record is before us.

It should be an easy matter to choose a man from these three.

PT. SIMPSON WAS WINNER

Defeated Touring Kitkatla Basketball Teams in Two Games This Week

PORT SIMPSON, March 1.—The Young People's Educational Association basketball team scored victories over a touring Kitkatla Excelsior Club team in games played here on Tuesday and Wednesday nights of this week. The first game ended in a score of 81 to 48 for Port Simpson and the second 59 to 55.

Individual scoring in the second game was as follows:

Kitkatla—W. Innes 13; A. Innes 3; S. Lewis, 28; G. Douglas, 4; A. Innes; E. Jackson, 5; J. Nelson, 2; total, 55.

Port Simpson—R. Sankey, 9; Arthur Wesley, 19; R. Johnson, 19; H. Ryan, 7; William Johnson, 2; W. Cooper, 5; H. McKay; total, 59.

RETURN TO LEADERSHIP

Savoy Hotel is Back on Top in Commercial Bowling League Standing

Savoy Hotel regained the leadership of the Commercial Bowling League last night by scoring a clean sweep three games to nil victory over the long-suffering Canadian Scottish. Angus Apartments rolled their end of the second fixture of the evening, play of their opponents being deferred. High average scorer for the evening was Scoop Bury of Angus Apartments with 191.

BACK FROM METLAKATLA

Port Simpson Athletic Club Basketball Party Here Overnight Enroute Home

The Port Simpson Athletic Club basketball party, numbering some forty persons, arrived in Prince Rupert last evening aboard the boats Norma W. and Mary D. after a week's visit to New Metlakatla, Alaska, during which two games were played, new Metlakatla winning both, the first by a score of 47 to 33 and the second 37 to 31. Both were close matches, particularly the first one, a final quarter burst of scoring building up the New Metlakatla score. The Port Simpson team found the New Metlakatla Hall a little too warm to be comfortable but report that the gymnasium there is a splendid one.

Throughout their visit, the Port Simpson party was splendidly entertained at New Metlakatla. They took part in rededication services of the renovated Christian Church in the Alaska town last Sunday. On Monday there was a banquet in the Town Hall by the church choral society, the place being filled, visitors from Ketchikan, among others, being in attendance. The games were played Tuesday and Wednesday.

Led by David Musgrave, president of the Port Simpson Athletic Club, Allan and Paul Price, manager of the basketball team, the Port Simpson people left Prince Rupert this morning aboard their two boats for home where they are due to arrive early this afternoon. Mr. Price said that the Port Simpson Athletic Club was interested in meeting the Standard Oilers of Prince Rupert and they might be expected to be heard from later. Among those making the trip were Rev. T. C. Colwell, pastor of the Port Simpson United Church, who participated in the rededication services at the New Metlakatla Church.

Anglican Tea And Sale Was Good Success

The home of Mrs. J. G. Johns, Fourth Avenue West, was the scene yesterday afternoon of a delightful tea and sale of home cooking by the Women's Auxiliary of St. Andrew's Anglican Cathedral. There was a large turn-out and the affair was very successful. The rooms were beautifully decorated for the occasion with spring flowers and foliage and the guests were received by Mrs. Johns and the vice-president of the Auxiliary, Mrs. C. V. Eviitt. Mrs. W. J. Greer was general convener.

Miss R. M. Davies O.B.E. and Mrs. R. L. McIntosh poured and the servers were Mrs. Robert Bartlett, Mrs. C. E. Cullin, Mrs. F. A. MacCallum, Mrs. William Cruickshank and Mrs. J. H. Nordan. Mrs. H. S. Meadows was cashier and Mrs. George Grosvenor assisted in connection with the tea room. Mrs. Lawrence Lambly and Mrs. Fred McLeod were in charge of the home cooking table.

Miss Margaret Clarke, who has been visiting here with her parents, Mr. and Mrs. A. C. Clarke, Bowser Street, sailed last night by the Prince George on her return to her nursing duties in Victoria.

LOCAL NEWS NOTES

Cecil Brind is sailing tonight on the Cardena for a trip to Vancouver.

For prompt and courteous service Phone 13 Taxi.

J. MacWilliams of Stewart was a passenger aboard the Prince George last evening going through to Vancouver. He will visit Edmonton and Winnipeg.

Mrs. S. E. Sunbury of Georgetown sailed last night on the Prince George for a trip to Vancouver.

Norman McGlashan is sailing tonight on the Cardena for a holiday trip to Vancouver.

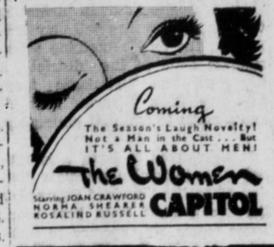

Mrs. M. C. Madill sailed last night on the Prince George for a business trip to Vancouver and elsewhere in the south.

Mrs. E. O. Kvale of Stewart was a passenger aboard the ss. Prince George last night going through on a trip to Vancouver.

Mr. and Mrs. W. P. Armour sailed last night on the Prince George for a trip to Vancouver and Seattle. They expect to be away for a couple of weeks.

Lieut. E. G. English of the Canadian Scottish here sailed last night on the Prince George for Vancouver enroute to his home at Chemamus, Vancouver Island, for a visit.

T. G. Simpson of Ottawa, auditor for the Department of Indian Affairs, who is on a tour of the district on official duties, sailed last night on the Prince George for Bella Coola after spending several days here on official business. While here he paid a visit to Port Simpson aboard the departmental cruiser Naskeena.

George W. Cripps, provincial assessor, and A. J. Lancaster, provincial collector, returned to the city on the Princess Adelaide this afternoon from a trip to Ocean Falls on official duties.

Local offices of the Canadian National Railways have been advised from Montreal that the special trip first class fare between here and Vancouver for men on active service will be \$36 and not \$37 as previously announced from Winnipeg.

George F. Cameron, Conservative candidate for Skeena in the forthcoming federal election, arrived in the city from Vancouver on the Princess Adelaide this afternoon. Mr. Cameron is a Vancouver barrister.

The fire department had a call at 11:30 last night to a small house on Eighth Avenue West owned by James Hampton where there was a chimney fire which caused no damage.

Mrs. R. G. Johnston, who has been visiting here for several weeks with her son-in-law and daughter, Mr. and Mrs. Jack Durran, Fifth Avenue West, sails by the Princess Adelaide tonight on her return to her home in Victoria.

Mr. and Mrs. F. R. Wilson and family of Inverness are sailing tonight on the Princess Adelaide for Vancouver. They expect to take up future residence in the south, possibly on Vancouver Island. Mr. Wilson for years has been storekeeper at Inverness cannery. Mrs. Wilson is the daughter of Mr. and Mrs. H. T. Cross of this city.

If Your Child Has A NASTY COLD

Relieve the Misery Without Dosing

Rub chest, throat and back thoroughly with Vicks VapoRub at bedtime. Right away, VapoRub goes to work... two ways at once.

VapoRub acts on the skin like a warming stimulating poultice. At the same time it gives off medicinal vapours that are breathed direct into irritated air passages. This direct, double action continues for hours after restful sleep comes. Often by morning most of the misery is gone.

Why risk increased discomforts by drastic "dosing"—relieve misery externally with **VICKS VAPORUB**

PRIZES ARE PRESENTED

Annual Smoker of Smithers Curling Club is Held

SMITHERS, Mar. 1.—The annual smoker for the presentation of prizes won in the various curling tournaments and bonspiels was held by the Smithers Curling Club in the rooms of the Canadian Legion Monday evening when the curling enthusiasts turned out in force for the occasion.

Vice-President Dando officiated as chairman in the absence of President Percy Davidson and, after the gathering had been elaborately addressed by J. G. Stephens who was master of ceremonies for the occasion, the prizes were presented by the chairman.

There were prizes for every rink entered in the bonspiel so that none were overlooked but the shield and first prize went to the rink skipped by J. G. Stephens and they will have their names engraved on it for 1940. The first prize in the Intermediate competition went to the rink skipped by T. A. Simpson who had nosed out the McEwen rink in this contest. The first prize in the consolation contest was won by Ward Carey's rink which defeated Wiggs O'Neill. The R. C. Davidson rink was runner up for the shield.

The Hanson Cup which had been won by Bill Duff's rink early in the winter, was then presented and was promptly filled by the members of the rink and circulated among the curlers.

The balance of the evening was spent in a very enjoyable manner by all those present.

It is intended to continue with the sport as long as the present favorable weather continues and a

SPORT CHAT

Ben's News Stand intermediate basketball team, leaving for Port Simpson tonight, consists of B. Roma, capt., B. Barton, scorekeeper, H. MacDonald, Terry Grimble, Percy Knutson, Bill Hale, E. Clauson, Pete Byrne and Frog Letourneau.

These boys, conquerors of the High School in their last meeting with the scholars, are confident they will return with a victory. If they are successful in defeating the Simpsonites they will play Metlakatla, the only remaining intermediate team in the district. A win from the Metlakatla team will give them victories over all and a claim to seasonal supremacy.

It is planned to have a knock-out series in the Intermediate division when the Standard Oilers play the Ocean Falls team here soon. Three teams are expected to compete, namely the High School, Ben's and Metlakatla.

mixed bonspiel of teams composed of two men and two ladies will get under way immediately. This will be followed by the "Lucky Lager" competition which will probably finish up the season.

A new feature of this season was a short competition between four teams of high school boys which ended Monday evening and resulted in the team skipped by Mr. McKague being the winner. Prizes will be awarded to these rinks.

The one noticeable deficiency in this winter's curling was the absence of a rink skipped by Billy Little of Woodcock who has generally managed to get to Smithers for these occasions. He was greatly missed at the bonspiel.

NEW STAR OF SONGS

Presenting an interesting new singing actress in the person of Gloria Jean, who shares starring honors with Robert Cummings and Nan Gray, "The Under Pup," a new type of family picture, came to the screen of the Capitol Theatre here last night and is repeated tonight, being double-billed with "Personal Secretary," a bright comedy drama with strong cast of favorites including Joy Hodges, William Garagan, Andy Devine and Ruth Donnelly.

Gloria plays the title role of a poor little girl from the east side of New York who wins a trip to an exclusive girls' camp where her troubles begin. Faced at first with the animosity of the wealthy girls, Gloria Jean, nevertheless, wins not only their friendship but their envy through her loveable personality. It is a very human story and one that will stir all. The cast also includes such favorites as Beula Bondi, C. Aubrey Smith, Margaret Lindsay, Billy Gilbert, Ernest Truex, Raymond Walburn, Paul Cavanagh, Virginia Weidler and Dickie Moore.

"Personal Secretary" is a murder-mystery-comedy with swift action and all the elements of satisfactory entertainment of a light yet intriguing character.

NAVIGABLE WATERS PROTECTION ACT

R. S. C. 1927, Chapter 140.—The British Columbia Packers Limited hereby give notice that they have, under Section 7 of the said Act, deposited with the Minister of Public Works at Ottawa and in the office of the District Registrar of the Land Registry District of Victoria at Victoria, B. C., a description of the site and plan of the addition to the existing wharf proposed to be constructed on Block A of Water Lot 1541, Range 2, Coast District at Namu, British Columbia.

And take notice that after the expiration of one month from the date of the first publication of this notice, the British Columbia Packers Limited will under Section 7 of the said Act apply to the Minister of Public Works at his office in the City of Ottawa, for approval of the said site and plan, and for leave to construct the said addition to the existing wharf. Dated this 2nd day of February, 1940. BRITISH COLUMBIA PACKERS

MINERAL ACT

Notice To Delinquent Co-owners To John W. Alden and Gunder Birkenland of Seattle, Washington, U. S. A.
