"Brother Rat and a Baby," At Capitol Theatre, Makes Excellent Entertainment

"Brother Rat and a Baby," sequel to last year's comedy success, "Brother Rat," is the feature picture for tonight and Thursday on the screen of the Capitol Theatre

The characters of last year are brought together with the lapse of one year's time. Last year's picture, showed Wayne Morris. Eddie Albert and Ronald Reagan graduated from military college. Albert and Miss Ryan were the proud parents of a newly born baby boy with Morris and Reagan still engaged to Priscilla Lane and Jane Wyman. The story is picked up this year with Albert, Miss Bryant and the baby (Peter B. Good) in New York to see about a better of the family. The other two couples also arrive in New York where many complications ensue, due largely to the enemies of the baby. Everything, however, comes to a happy ending in a surprise finish and the whole picture furnishes uproarious entertainment,

The cast also includes Arthur Treacher, Moroni Olsen, Jessie Busley, Larry Williams, Berton Churchill and Nana Bryant.

Interesting short features on the current program include another of the "Canada Carries On" series entitled "Wings of Youth," sidepicting the Commonwealth air training scheme and a news reel showing bombings of London and Ghungking and Canadians and South Africans arriving in danger

Here's How to Relieve MISERY of COLDS Without Dosing

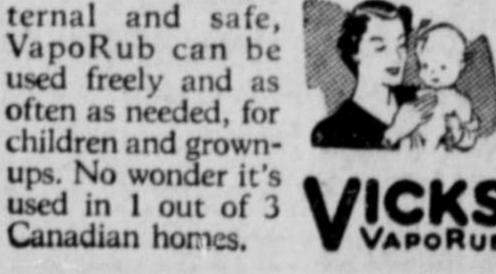

There's nothing to swallow. Massaged on throat, chest and back, Vicks Vapo-Rub acts two ways at once to relieve misery of colds.

FIRST: VapoRub acts on the skin, stimulates like a warming poultice. SECOND: At the same time, VapoRub gives off soothing medicated vapours that are breathed direct into irritated air passages.

THIS DIRECT, 2-WAY ACTION loosens phlegm, clears air passages, checks tendency to cough—also relieves muscular tightness and soreness. Because it's ex-

VapoRub can be used freely and as often as needed, for children and grownups. No wonder it's
used in 1 out of 3
Canadian homes.
