Large and Lively Frolic Held by Gyro Club in Moose Hall Last

So large was the crowd attending the Hallowe'en hoedown dance of the Prince Rupert Gyro Club last night that it became necessary to turn people away owing to the legal limit of the Moose Hall's capacity having been reached. Well over five hundred were in attendance and it was a lively party, younger people being largely in the predominance. The affair was staged to raise funds for the providing of an incubator for the Prince Rupert General Hospital and it is assured that ample money will have been netted to fulfil the objective.

The evening was given over largely to dancing from 10 p.m. until 2 a.m. with spirited music by Mrs. Jean de Carlos's Orchestra which kept the big crowd swinging throughout. Refreshments were served from stands and there were carnival features. The hall had been decorated with bales of hay, wagon wheels and harness equipment to give a rustic atmosphere. There were also Hallowe'en adornments in the seasonal colors. Caps and noisemakers were distributed.
