No Help From Reich For Italy

Germany Not Planning To Go To Rescue Of Duce It Is Intimated

Fascists Hordes Turn Toward Sea in Retreat From Advancing Greeks—Winter Takes Grip

ROME, November 26: (CP)—Well informed sources claim that no German military action against Turkey is imminent and that the Nazis intend to leave the Greek front to the Italians. Meantime, according to Salonika reports, advices from various parts of the Albanian battle-front indicate that all Italian units are seeking to turn toward the Adriatic Sea in retreat from the Greeks. Winter took a strong grip today with cold rain in the valleys and lowlands and snow on the mountains.

WU-KA IS OBSOLETE

Be Far Outclassed By New British Co-operation Plane Now Coming Out

LONDON, Nov. 26: (CP)—Great Britain is developing a new type of army co-operation plane which, it is said, will make the German dive bombers look obsolete. Great Britain is making elaborate plans for co-ordination of the Royal Air Force and the army in land operations looking to the day when the offensive can be taken on the continent.

Britain Pays For Internees

Australians Reassured They Are Not Taxed For Their Hospitality

MELBOURNE, Nov. 26: (CP)—The cost of transportation and maintenance of enemy aliens sent from Britain to Australia for internment is being borne by Britain. They will be repatriated to the country of their origin after the war. This was stated by the Minister of the Army in reply to a question which, he said, had been circulated alleging that the cost was being defrayed by the Australian Government, and internees might compete with labor. "Both these suggestions are utterly false," Senator McBride said. "These internees have been brought to Australia at the request of the British Government because of the difficulties which might arise in the event of an invasion of Great Britain."

PINKS FOR PEACE

ALDENHAM, Eng., Nov. 26: (CP)—Major Sir Jocelyn Lucas, Master Fox Hounds of the Aldenham Park, like other military masters in wartime England, now leads the hunt in uniform, instead of in "pink."

ALL QUIET IN LONDON

First Night Since Blitzkrieg Began That There Have Been No Air Raids

LONDON, Nov. 26.—For the first time since the blitzkrieg began, except on October 6, London had no air raid alarms last night. The important west coast port of Bristol was bombed again in the early evening but the attack was light and of brief duration. Elsewhere throughout the country there were no night attacks. It has been denied that the attacks on Bristol have been in any sense as effective as were those on Coventry, although there is no denying that it was hard hit in the Sunday night raid.

Weather was unfavorable for an attack upon London last night. A heavy mist is believed to have held aircraft down.

Early this afternoon London had its first air raid alarm in twenty-four hours. A few minutes later the all clear signal came. No incidents were reported in the London area.

A southeast coast resort town had a few bombs dropped on it by planes which passed up the Thames estuary, turning back after dropping some bombs in the water.

During the quiet night Londoners took the opportunity to stroll around the city. The most of the people, as usual, went to the shelters, taking no chances with a surprise raid.

The bombing of Bristol last evening, while of brief duration, is believed to have caused a few casualties, some fatal.

Gardiner, minister of war services, announced yesterday. He told a press conference that 30,536 men had reported at training centres on November 22 against the objective of 29,600.

"Off The Record" Chat With "Mike" Caused Beard To Lose His Ship, 'Tis Suggested

VICTORIA, November 26: (CP)—The possibility that the retirement of Commander Charles T. Beard of H.M.C.S. Prince Robert might be due to an "off the record" chat with newspapermen being recorded by the Canadian Broadcasting Corporation was advanced in the Legislature yesterday by Harold Winch, C.C.F. member for Vancouver East.

"The people of British Columbia are entitled to know if the C.B.C. is becoming a sort of Gestapo," Winch said. "I am told that a C.B.C. employee sat next to Commander Beard with a microphone and, when the 'off the record' chat took place, the C.B.C. man did not turn off the microphone. I am given to understand that the entire conversation was mailed east and might have resulted in Commander Beard being retired."

War News

GREEKS STILL ADVANCING

ATHENS—Greek troops were reported today to be continuing their advance against the Italians at all points, having occupied a number of positions of importance. Thousands of Italian troops are being brought up, it was reported, in the effort to establish a third line of defence. Another report was that Greek forces had been landed on the Adriatic coast of Albania and had cut off communications behind the Italian lines.

'XMAS ARMISTICE REJECTED

LONDON—Prime Minister Winston Churchill told Parliament today that Great Britain was not prepared to agree to any Christmas armistice. The Prime Minister's answer to a Labor member's proposal to approach Rome with a view to bringing about such an armistice was a flat "No." Any such proposal by a neutral state would be rejected, he declared.

ROYAL AIR FORCE ATTACKS

LONDON—The Royal Air Force last night carried out attacks on military objectives in Germany proper, big gun emplacements on the Channel coast and airbases in Holland. Dockyards at Wilhelmshafen, Kiel and Hamburg were struck. Many tons of incendiary and high explosive bombs were dropped. One British plane is missing.

NEW OFFENSIVE IN CHINA

TOKYO—The Japanese are launching a new offensive along a 160-mile front from Hankow against central China with a view to finally vanquishing the forces of Generalissimo Chiang Kai-Shek, it is stated here. Large quantities of fighting equipment are being taken in and a big push is planned. Naval bombers will co-operate with land forces.

CROSS CHANNEL BATTLE

DOVER—German Big Berthas and British Long Toms exchanged salvos across the Straits of Dover yesterday. The British guns laid down shells around Cap Gris Nez while the German shells landed near Dover. No serious damage was done on this side in the duel which lasted 3 1/2 hours. The Germans fired again for two hours today.

CORFU IS BOMBED

CORFU—Italian planes bombed Corfu for nine hours yesterday and dropped four hundred bombs in various towns and villages. Little damage was done and there were few casualties.

FOR HELP OF BRITAIN

WASHINGTON—Although London officials denied that Great Britain had made any request or demand for three capital ships, six cruisers and one hundred destroyers to carry on the war against Germany and Italy, Washington officials are giving serious consideration to the warning of Lord Lothian, British ambassador, that Britain must have more fighting ships. Secretary of War Henry Stimson announced today that the United States War Department had appealed to the priorities board to halt expansion of commercial air services on the ground it would interfere with war plane production for the United States and Great Britain.

FURTHER FOOD RESTRICTIONS

PARIS—Further food restrictions are being imposed by the Nazi authorities in occupied France.

GENERAL SUICIDES

LONDON—An Italian general in Albania is reported to have committed suicide.

MUSEUM READING ROOM

LONDON, Nov. 26: (CP)—The reading room of the British Museum has been reopened. It was closed while measures were being taken to safeguard the books. Most were removed to a spot "where there is more adequate protection," said officials.

Bulletins

SUNKEN VESSEL SALVAGED

Having succeeded in salvaging the New England Fish Co.'s cannery tender Oregonian, which struck a rock and sank below the surface in seven fathoms of water in Seaforth Channel on October 29, Armour Salvage Co.'s power tugs Pachena and Daly arrived in port early this afternoon with the vessel which will be placed on the local dry dock for repairs. The Oregonian had been abandoned after the sinking. She is a vessel of 70 feet length equipped with a 75 h.p. Atlas-Imperial engine.

LORD ROTHERMERE DIES

LONDON—The Press Association announced today that Lord Rothermere, noted British publisher and financier, died in Bermuda today. Lord Rothermere, who was 72 years of age, had been in ill health for some time. He was a brother of the late Lord Northcliffe. His papers were the Daily Mail, Daily Mirror and Evening News.

TOKYO

Tokyo newspapers gave warning today that Japanese and American relations could not improve unless United States recognized Japan's determination to establish a new order in Asia. One newspaper said: "Conflict of ideas between United States and Japan is inevitable as long as the United States clings to the open door idea."

NEW RUMANIAN 'QUAKES

BUCHAREST—There were two new earthquake shocks in the Rumanian oil fields last night but damage was stated today to have not been serious.

REFUGEE SHIP EXPLODES

HAIFA—The steamer Patria, laden with 1800 Jewish refugees who were to be moved from Palestine to another British colony, keeled over and sank yesterday soon after a mysterious explosion. Most of those on board were rescued.

NAZIS DOWN NEAR HOME

British Spitfires Chase Invaders Across Channel To Their Bases

LONDON, Nov. 26: (CP)—Three times within one week Spitfire pilots have chased German raiders across the English Channel and shot them down within range of their own anti-aircraft guns. "We chased fifty Messerschmitt 109's from over London and came into range halfway between Dover and Cap Gris Nez," the Air Ministry News Service quoted one pilot as saying. "As we approached the French coast we continued to attack. The enemy were in a ragged looking formation. One of our chaps got the first one. I got the second."

Before returning to his base the same pilot spotted a Heinkel 111 lying in the water just off the French coast. A second Heinkel and eight Messerschmitt 109's were circling it. He attacked the circling Heinkel and sent it into the sea to join the first.

Scots Wha Hae!

A Scottish fighter squadron chased 15 Messerschmitt 109's from Ramsgate to Dunkerque and shot down three of them. Two were shot down into the sea during a dogfight and the third crashed on the same sands where the men of the British Expeditionary Force had stood waiting to embark for England during their heroic withdrawal from France. The Scottish airmen reached home without a loss.

BULGARIA RELIEVED

People Rejoice at Prospect of Not Having to Hook up With Axis

BRITAIN'S BID

LONDON, Nov. 26: (CP)—Great Britain made a bid today for Bulgarian neutrality with the promise that Britain will strive to ensure Bulgaria's integrity and independence in any eventual peace settlement. This pledge by the Foreign Secretary, Lord Halifax, was read to the House by Richard A. Butler, under secretary for foreign affairs. Britain would do its best to this end provided Bulgaria did not join or assist the Axis or attack Great Britain or any of her allies.

SOFIA, Bulgaria, Nov. 24: (CP)—Belief that Bulgaria has won the struggle to avoid being pushed into signing the Axis pact until the Greek-Turkish - Russian situation has been clarified was expressed in official circles here yesterday. There was rejoicing apparently based on an official German statement that a Bulgarian delegation was not expected in Berlin in the near future.

The non-co-operation of Bulgaria brings the Axis diplomatic offensive to a sudden, if temporary, halt.

In Berlin it is stated that a cabinet reorganization in Bulgaria is imminent and that Bulgaria will then be brought into the axis.

Considerable importance is attached to a conference which King Boris of Bulgaria has held with representatives of Soviet Russia here.

Late Judge Lampman . . .

The passing of the late Judge Lampman of Victoria came in the ordinary course of nature. He had gone beyond three score and ten years so it is useless to suggest that his death was a loss to the community. In his life work, however, as a county court judge, "Pete" Lampman was an extremely human adjudicator. His sympathies with the hard pressed debtor were well known and his judgments were influenced more by the right and wrong of the case than by precedent or legal argument. He tried to place himself in the position of the person sued and judge how it might appeal to him if he were the one affected. All his judgments were based on a broad humanity. In this he set a splendid precedent.

Home For Holidays . . .

A great many soldiers wish to go home for the holidays. Some of them have been thrifty and saved enough money to pay their fares. Others have not and cannot go unless their fares are paid. Other young men have been conscripted and sent away for training but their fares home are being paid by the country. That seems like discrimination against the men who volunteered for active service.

Several hundred men in Prince Rupert are hoping to rejoin their families for the festive season. They are hoping and expecting that they will be given return tickets good for that occasion. It seems like a reasonable request that should be granted.

Japanese Oranges . . .

The Provincial Council of Women in session at Victoria recently asked that a ban be placed on the importation of Japanese oranges. It was said that last year half a million dollars was expended on this fruit. One member expressed the hope that the exchange board would not make exchange available for any imports from Japan. Members of the council were asked not to purchase Japanese oranges this year.

SPORT CHAT

"Don't run away with the idea that softball is a pit-pat pastime for young ladies," wrote "Twelfth Man" in the London Evening News, introducing the popular Canadian playground game to British readers. "Twelfth Man" devoted a column to the game thousands of people play on corner lots and backyards from Halifax to Vancouver. Canadians might be a bit muddled by some of his descriptions but they're right up the Englishman's alley. "The name is rather misleading," he wrote. "Softball is a Canadian game and like all Canadian games, it is pretty fast. Remember the hockey and you will realize how fast Canadian athletes move when they get going at a game they really enjoy."

"Softball is a kind of baseball, played with one outside ball on a 'diamond' rather smaller than the baseball pitch. Teams are nine-a-side and the pitcher is only allowed to deliver under-arm balls. 'Unlike batting in cricket, the ball is hit before it strikes the ground but with a ball of such dimensions—as big as a small melon—a cunning pitcher can make it do aerobatics after it leaves his hand and the batsman, whose bat is very little thicker than a cricket stump, needs a quick eye and a supple wrist. The catcher wears neither the protective armor nor the mask used in baseball and the fielders wear light pumps for they have plenty of sprinting to do."

Are Now Sharing Lead In Hockey

VANCOUVER, Nov. 26.—Vancouver Lions defeated Seattle Sea Hawks by a score of 5 to 4 in the Pacific Coast Hockey League Saturday night and, as a result, the Lions went into exclusive possession of league leadership after having been tied with the Portland Buckaroos. The Buckaroos lost a chance to get back on to the top rung Sunday night when they yielded a four goal shut out to give Spokane its first victory of the season but last night they defeated Vancouver 4 to 3 to get back into the lead again.

The league standing to date is as follows:

SAVOY WINS OVER Y.M.C.A.

Service Men, However, Gave Good Account Of Themselves In Basketball

Savoy Hotel won its second straight Senior League basketball victory of the season last night by defeating the new Y. M. C. A. team by a score of 60 to 28. While somewhat outclassed on its first appearance by the hotel men who represent practically the cream of senior hoop talent in the city, the service men, nevertheless, gave a creditable account of themselves and may be expected to prove an aggregation to contend with as the season advances. Although Savoy were in full command of the situation throughout the game, leading 23 to 9 at half time it was an interesting encounter to watch and was fully appreciated by a good crowd. Holkestad of Savoy, was high scorer for the match. The Y. M. C. A. team consists for the main part of new players here although Tippitt was a member of the Premier team which played unsuccessfully against the Standard Oilers here in 1939 for the Northern British Columbia title. The individual scoring was as follows:

Savoy—Campbell, 6 (foul, 1); Holkestad, 24 (2); MacPhee, 10; Stiles, 4 (1); Morgan, 4; Dominato, 12; total, 60.
Y. M. C. A.—Guelpa; Brown, 2; Stogren, 4 (1); Oliver, 2 (1); Sutherland, 7; Lawford, 8 (1); Arney, 5 (1); Tippitt, total, 28.

High School won over Scythians by a score of 27 to 18 in a well-contested and fast Intermediate encounter which was a highlight of the evening. The first half was a ding-dong spirited period which ended ten all but the High School staged a scoring spree and ran away with the verdict.

High School—Diehdal, 6; Santerbane, 4; Scherk, 4; Alec Bill, 2; Bussey, 7; Oland, 4; total, 27.
Scythians—Eastman, 8; Montasano, 6 (2); Morin, 4; Dunlop (1); McDonald; H. McDonald; Lundquist; total, 18.

The Junior game was a hard fought, close and exciting affair which resulted in a 33 to 29 victory for Fraser Street over Bea's.

Basketball Buzz

The Petersburg, Alaska, basketball team, coming to Prince Rupert December 4 and 5 for a series of games with the locals, will be the furthest north hoop team ever to visit Prince Rupert. More than usual interest will attach itself to the announcement made today that the Alaskans are coming here. Prince Rupert will be short of such stellar players as Sonny Beynon, Jack Lindsay and Jim Currie, who are now away for military training but will be bolstered up by players drawn from the military and naval service. Don Arney and Bob Houston will be on hand at guard and outside of Beynon, the same first string front line will be floored.

Meantime the local all-star team should be able to give a good account of itself on Saturday night of this week when it meets up with Port Simpson. Word of the visit of the Port Simpson team was received over the week-end from Paul Price.

News Stand, Arney ran away with scoring honors, making nineteen points.

Fraser Street—Arney, 19; Long, 10; Jones; Pavlikis, 2 (1); Vuckovich, 2 (1); Gurvich; Postuk; Alexander; total, 33.

Bea's—Hollby, 12; Halde; Eby, 4; Lee, 7 (1); Parsons; Davies; Anderson, 1 (3).

Ladies' League
High School doubled the score of Fraser Street and won the Ladies' League game by a count of 18 to 9. High School made twelve points in the first half when Fraser Street was able to make only one counter on a penalty shot.

High School—M. Yamanacka, 2 (1); Feasby; E. Yamanacka, 2; McKay; Winslow, 12; Clapp, 2; Murray; Owens; total, 18.

Fraser Street—Payne; B. Ritchie; Sherman; Postuk; Hingston; Currie; Arney, 1; Bill; total, 1.

Johnny Comadina refereed the senior game; Walter Ferguson, the ladies', and Joe Lawford, the intermediate and junior.

Britain Has Most Credit

Freezing of Assets Would Facilitate Rather Than Impede War Material Shipments

WASHINGTON, D.C., Nov. 26.—Total credits of European belligerents in the United States, which it is proposed to freeze, total an estimated \$3,500,000,000, the preponderance of which are British. Freezing of these assets, it is said, would not impede, but would rather facilitate, shipments of war materials from the United States to Britain. There would be a system of licensing such shipments.

Plain water is plain-spoken when it is mixed with whisky. Only the smoothest, kindest whiskies dare submit themselves to the challenge of the water test.

Every drop of Seagram's is distilled, aged and blended to meet this one all-searching test. Seagram Whiskies demand nothing more than plain or sparkling water to give you a truly delightful drink.

International Fisheries Commission Coming Next Week—Herring Not Schooled Up Yet—Week-end Shipping Activity.

The International Fisheries Commission, of which L. W. Patmore K. C., formerly of this city, is chairman, will be in Prince Rupert on December 3 to confer with committees of boat owners and fishermen in regard to proposed regulations for the 1941 season. The Commission will be making a tour of the coast on its own boat and from here will proceed to Ketchikan, Juneau and Sitka. Included in the party will be Dr. W. F. Thomson, former director of scientific operations for the commission; Dr. H. A. Dunlop, the present director, and N. L. Freeman. The Canadian Halibut Owners' Association had a meeting here Sunday to discuss questions which will be taken up with the Commission at its session. Capt. Ole Stegavig presided in the absence through illness of the president, Capt. J. M. Morrison.

Capt. Chris Jensen was out prospecting in the harbor for herring during the week-end with his new seineboat Anna M. Plenty of signs of fish were seen but they have not schooled up sufficiently as yet to permit of seining.

SPITFIRE FUND

Editor, Daily News:
Referring to your editorial regarding "Spitfire Fund."

Personally, I would be glad to donate the equivalent of one day's pay to this worthy cause.

As this patriotic gesture on the part of the Prince Rupert Daily News is in its infancy, I presume you would be open to suggestions. You state in your editorial that it would be a fine thing if it could be done without canvassing. I quite agree with you on this point. Donating a Spitfire to the British Isles is a very serious matter. Men, women and children are being blown to pieces. Anything to be done by the patriotic citizens of Prince Rupert on behalf of these victims, calls for speed.

Why not pick one day, say in the second week of December and call this day "Prince Rupert Spitfire Day." All those who wish to show their appreciation of the splendid courage displayed by the people of Britain, could donate one day's work to build a Spitfire. Although they were working at their own avocation, they would feel that they were building a Spitfire plane that day.

Those receiving a small salary would be donating as much as those drawing larger salaries, as each would contribute one day's labor to this cause.

The head of each department and business would supervise the payroll deductions, eliminating the necessity of canvassing.

Of course, this patriotic venture would not be successful without the ladies contributing their share.

Each person donating one day's work would have their name placed on a nominal roll published in the Daily News and be given a certificate which would entitle them to a banquet to be held on a given night.

This is where the ladies would contribute their share to the cause.

And who knows, Prince Rupert might donate a Spit for Hit? and a Hurricane for Muss?

S. J. P. W.

If you want something, advertise for it. Hundreds of people get what they want that way. (ff)

Bishop H. L. Foss Addresses Congregation of St. Peter's

The theme used by Rev. H. L. Foss, Bishop of the Pacific Conference of the Lutheran Church in his sermon to an Alaska convention congregation at St. Paul's Church here Sunday morning, was the story of Christ and the three disciples on the Mount of Transfiguration. In the sermon, the bishop gave a review of the discussion carried on during the convention, connecting it with the text for the day. The aim had not been to entertain or to create a temporary emotional stir but, through God's Word, to bring all to see themselves as God knew them and to realize that the supreme need was the saving and restoring grace of God. That power of salvation and restoration that honored God and was a blessing to humanity came from Christ. The climax of the sermon was based in the last verse in the text—"But when they lifted their eyes, they saw no one except Christ only." The supreme need today in the solution of the real problems was to have Christ in the heart of the individual, in the homes, in the churches in the varied activities of life, in business and in work.

Several of the pastors and delegates from Alaska left Sunday afternoon by steamer while the rest of them, together with choir members, left by fishing boats Monday morning.

Bishop Foss left for Ketchikan and Petersburg and will stop in Prince Rupert on his return trip to Seattle Thursday of next week. While in the city Bishop Foss, who is a friend of the local pastor and his wife, Rev. and Mrs. J. H. Myrswang, was entertained at their home.

Other pastors, delegates and singers were the guests of Elias
