EMPIRE DAY

This is Empire Day and the pupils of the city schools are celebrating it in appropriate manner. Inspiring addresses are being given, songs sung and other exercises carried out. All this is designed to help weld our young people of varying nationalities with a view to making of them all good Canadians.

When it is considered that a very considerable part of the population of this city is of some other than British origin, it becomes clear how necessary it is to weld them all into a cohesive group. It is to be presumed that all came here because they felt they could live life better or easier here than elsewhere. Those who came from Europe must have expected to better their condition and most of them became Canadian citizens or in other words citizens of the British Empire, swearing allegiance to the King and deciding to throw in their lot permanently with the country. To some of these Empire Day means a great deal and to others it means little or nothing.

There are a few people who would like to be Canadians but not British. They cannot be that. Canada has been British since Wolfe climbed the banks of the St. Lawrence, took the enemy by surprise and defeated Montcalm on the Plains of Abraham. While in matters of local concern we are all Canadians, when it comes to matters of concern to the world at large, we are British. When war was declared we had the right to stand aside and take no part but Parliament decided that Canada could not stand aside and that action was endorsed by the people at a later general election. Today we are in the war for all we are worth and must stand or fall with the British Empire.

Ours is a new country. One hundred years ago few white men had been seen on these coasts. Our capital city, Victoria, was founded less than one hundred years ago and that is the oldest city in British Columbia. Many people came to the province and some went away. The majority of those who remain are here to make more or less permanent homes. It is for them to adapt themselves to the conditions of life they find here. In doing this the education of the children to British ideals is very important. That is the chief object of Empire Day.

SPORT CHAT

The Mobley Cup, city championship, football competition, with a schedule of twelve games extending from now until early July, opens this evening at Acropolis Hall Grounds with Royal Canadian Naval Volunteer Reserve meeting Dry Dock.

Teams are announced as follows:

Navy— Morgan; Murray and Borland; Veitch, Davies and Ronalds; Campbell, A. Smith, Ferguson, R. Smith and Scherk.

Dry Dock— T. Smith; R. Kelsey and Preulx; T. Bussanich, G. Howe and Bury; J. Lindsay, J. Campbell, L. Gillies, C. Bantle and S. Curtis Soares, J. Woods and E. Webster.

The Dominion Day Cup semi-final scheduled for Tuesday evening between Irish Fusiliers and Velvet was postponed on account of rain and will take place on Sunday. The winners will qualify to meet Navy in the final on July 1.

In tomorrow's baseball game between the married and single men of the city, Big Bill Lambie on the mound throwing them to Dido Gurvich for the married men. At first will be a newcomer to ball circles here in the person of Cummings of the Irish Fusiliers who looks as though he has been around the ball parks a little more than the average and should hold down this position with ease. George Howe, veteran of many baseball games here since his school days, will again be called upon to stop them around second. Scoop Bury, usually in the outfield, has been called in to cover the hot spot at third and the hard hitting Benny Winkle will, as usual, take the other infield position at short. In the outfield slow but sure Doug Stalker, who seems to just get under them in time yet never too late, is slated for the difficult left field. In right field Jack Nelson, formerly a city league

Borden Street Soccer League

Neither Team Able To Score In Yesterday's Game

In the Borden Street Football League Wildcats and Panthers Wednesday afternoon played their third game which was so strongly contested that neither team scored.

The line-ups were as follows:

Panthers— Carl Johnston (capt.), Jack Parks, George Kadowaki, Torjorn Skog, Sidney Youngman (goalie), Buddy Beesley, Frank Hirston, Rupert Clapp, Bobby Currie, Buddy Morris, Charlie Currie.

Wildcats— Eddie Ciccone (capt.), Donald Hartwig, Kazuo Kadanaga, Masa Hamasaki, Earl Lesford, Iro Akagi, Koshi Akagi, Oscar Steinberg, Tommy Boulter, Jimmy Thompson, Bob Gill (goalie), Robert MacArthur, John Thompson.

pitcher before migrating to Premier where he has been for the last few years, will be asked to watch the southpaw hitters. Center field will be divided between Mike O'Neill, formerly of Smithers and now in the Army, and Bill Lambie should he not go the limit. Mike is a very capable pitcher, as some of our boys found out last season when they lost so badly to the agricultural experts around Smithers and will take Lambie's place if necessary on the mound.

The single boys will take the field with Herb Morgan and Don Arney slated for the catching position. Jack Lindsay, the capable local product, will be on the mound, to be relieved by Sonny Stiles if necessary. Stiles will play first and, if a switch is necessary, it is likely Lindsay will take his place. On the remainder of the infield will be Ernie Santerbane at second and Sonny Beynon at third with Walter Johnson in his usual shortstop position. In the outfield hard-hitting Doug Kerr of Smithers, Al Simonsen, better known as Miner and Jack Campbell makes up the trio. Kerr will play left, Miner center and Campbell right.

It's the cumulative effect of advertising that counts.

OBSERVING EMPIRE DAY

Children Of Primary Schools Assemble At Theatre—High School Observance

A demonstration of loyalty to the British Empire at this time when it is engaged in a titanic struggle for its very existence, today Imperial Order, Daughters of the Empire, is holding its annual observance of Empire Day in the Capitol Theatre, the use of which has been donated, the pupils of all the primary schools assembled this afternoon and participated in a patriotic program.

After saluting the Flag and singing "O Canada" the children were welcomed by the Municipal Regent, Mrs. H. L. Landrey. Choruses were sung by the pupils of the Annunciation, Borden Street and King Edward Schools with a stage performance by the latter. The song "Land of Hope and Glory" was sung by Mrs. H. N. Brocklesby, accompanied by Mrs. C. E. Cullin.

An inspiring address on the Empire entitled "The Plan and the Action" was given by Capt. R. H. C. Durnford, chaplain of Prince Rupert garrison area.

With the co-operation of D. G. Borland, manager, and the staff of the Capitol Theatre an appropriate picture, "The Atlantic Patrol," portraying part of Canada's war effort, was shown. With a few remarks by the Regent and the singing of "God Save the King," the program was brought to a close.

In the forenoon the pupils and teachers of Junior High School assembled in the Booth Memorial School Auditorium to observe "Empire Day." The program included a patriotic drill and patriotic choruses by the pupils, a solo by Miss Marie Lock and solos by J. A. Teng, accompanied by Miss Frances Moore. Rt. Rev. G. A. Rix, Bishop of Caledonia, gave the students a stirring address on the Empire and what it stood for. The program concluded with the singing of the National Anthem.

In the afternoon another observance of Empire Day was held in the Booth Memorial School Auditorium by the students of Senior High School. A program similar to that given in the morning was rendered by the students and Miss Marie Lock while Mrs. H. N. Brocklesby was the guest singer on this occasion. Capt. G. R. Davidson of the Royal Canadian Army Service Corps gave the students a rousing talk on the Empire.

On all three occasions Mrs. Landrey, the Municipal Regent, presided and was accompanied on the platform by the Regents of the primary chapters and the four standard bearers. The programs were arranged by the I. O. D. E. educational secretaries with the co-operation of the principals of the various schools.

A reception at Bishop's Lodge at the invitation of the Bishop of Caledonia this afternoon is the concluding function of the proceedings.

STORY OF ADVENTURE

"Swiss Family Robinson" is Feature Picture on Screen of Capitol Theatre

Paralleling today's situation in Europe, the problem of a father who takes his family with him and flees from the wartime old land in the early nineteenth century to seek a new life across the seas forms the theme of "Swiss Family Robinson," film presentation of the noted adventure story, which is showing tonight and Friday at the Capitol Theatre.

Bound for Australia, the Robinsons find themselves the sole survivors when their vessel is wrecked on a tropical island. Their thrilling adventures and escapes, along with an electrical storm which devastates the island, bring high speed action in the film. The father's dogged efforts to convince his rebellious family that he was right in leaving London make for gripping emotional drama.

Settings of the picture are said to be exceptional, the locale being the South Sea Islands with forests of equatorial trees, luxuriant vegetation and clouds of tropical birds.

Thomas Mitchell and Edna Best head the notable cast which includes Freddie Bartholomew, Terry Kilburn, Tim Holt and Baby Bobby Quillian.

A special short subject of exceptional interest being presented with this program is "Atlantic Patrol" describing the life of the Royal Canadian Navy in patrol and convoy service out of Canada's eastern ports during war.
