## HOSPITAL ACTIVITY REVIEWED

Local Institution 1 Work and Keeping Others, Says President Report

Measured by Service to the sick our hospital has done excellent work during the year and our deficit is infinitesimal compared with other hospitals in the province," said the annual report of the President of the Prince Rupert General Hospital Association submitted at the annual meeting last night by Frank Dobb in the absence of G. P. Tinker. "We are trying to keep pace with hospital improvements and bring about a better feeling, a better understanding and a better co-operation between the public and the medical and nursing professions. I do not know of any matter that affects the great masses of the people more than the question of hospital work and hospital administration.

"Today there is unnecessary poverty, war and insecurity. People need medical aid and care. Our government deny responsibility so the poor individual suffers. As a result of the war there will now be a broader viewpoint. Insofar as public health is concerned this broader viewpoint has been slow in emerging but there is no doubt that it will come about."

"During the year the new hospital was completed and formally opened by the Provincial Secretary, Mr. Weir, on July 14, upwards of 500 persons being present. Transfer of the patients, furniture, etc. from the old hospital to the new building was made on September 2.

"At the last annual general meeting the chairman advised you that a large number of details crop up during construction which could not be foreseen at the time the contract was awarded. Such was the case during the past year. Numerous matters developed necessitating unexpected expenditures for improvements which could not be foreseen. Among the more costly items were:

"The building of an incinerator (\$75).

"Alterations and additions in the kitchen, including shelving.

"Cupboards, engineers' and orderlies' quarters, etc. (\$1100).

"New cooking range (\$400).

"Electric dumb waiter (\$1775).

"Laundry in basement of Nurses' Home (\$375).

"Grading of grounds in front and rear of building.

"Decorating of private and semi-private wards to harmonize with furnishings.

"The total cost of the new building and furnishings to date amounted to \$120,877.89.

**Grants Less**

"Turning to the balance sheet it will be seen that apart from depreciation there was a net loss on operating accounts of \$1262.87. When the statement is read you will notice that the grants are less by \$725 in 1939 as compared with 1938. Both government and city grants are decreased in round figures by \$1258 and \$1162 respectively. Last year the full effects of the method of computing hospital days by the Provincial government was felt as compared to six months in 1938. Our expenditures in connection with the new building referred to in this report necessitated the borrowing of \$16,000 from the bank at five per cent interest against which bonds to the value of \$15,000 have been hypothecated.

"Due to increased hospital costs and the revised system of computing hospital days by the government, we have been compelled to follow the action of other hospitals in the province by increasing our ward rates. As a matter of fact I may tell you that, since the increase, the cost of hospital supplies is still mounting and is likely to continue on account of the war.

**Credit is Given**

Great praise is due to members of the Ladies' Auxiliary who have contributed so much to the welfare of our hospital, not only in supplies

## BIG GUNS ARE USED

Russian Offensive Against Mannerheim Line Fiercer Yet But Finns Claim To Be Holding Fast

HELSINGFORS, Feb. 13.—The Russians have unleashed a fierce new offensive against the Mannerheim Line, using 8 to 12 inch guns for the first time in the war, the heaviest to date having been 3 to 6 inch. Three hundred thousand Soviet troops are crowding the line.

Despite Russian claims that advance positions of the line have been penetrated, the Finns claim they are still holding fast. Shells from the big Russian guns have fallen as far back as Viborg, twenty miles behind the lines. The Soviet still is reckless of the number of men being sacrificed and it is said that another division is faced with annihilation.

Seven hundred foreign planes from Great Britain, France, Italy and other nations are reported to have reached Finland.

## NEW DEMO MOVEMENT

Will Contest Seats In Coming Election Where Electorate Is Ready, Says Herridge

OTTAWA, Feb. 14: (CP)—In the forthcoming general election the New Democracy movement will confine its candidates to constituencies where the "electorate is ready for it," Hon. William D. Herridge, leader of the movement, announces. Mr. Herridge himself will contest Kindersley seat in Saskatchewan.

## War News

HELSINGFORS—After thirteen days of bitter fighting the Finnish military authorities announced tonight that all positions of strategic importance on the Karelian Isthmus had been won back by counter attacks. The Finns acknowledged for the first time that they had "withdrawn" late Sunday from some positions in the Summa sector.

RECRUITING MORE FISHERMEN  
LONDON—The admiralty announced today that it was recruiting ten thousand additional fishermen for naval patrol duty to meet the menace of German mine-laying aircraft and magnetic mines. It was disclosed also that the Royal Air Force is expanding swiftly. Ten thousand fishermen have already entered the naval service and three hundred more are being recruited weekly.

JAP-DUTCH FACT  
TOKYO—The Japanese Foreign Office announces that necessary steps have been taken to terminate a Japanese-Netherlands treaty on judicial settlement, arbitration and conciliation. A new pact will be negotiated. There is no political significance, said both Japanese and Netherlands officials.

SUSPEND BROADCASTING  
OTTAWA—All political parties have agreed on suspension of broadcasting political campaign speeches over the national Canadian Broadcasting Corporation network until after the funeral of the Governor General, Lord Tweedsmuir.

NEW ALASKA STATIONS  
WASHINGTON—The United States War Department announced that two new Army air corps stations will be located at Fairbanks and Anchorage if Congress appropriates sufficient funds.

TWO WERE SUNK  
LONDON—Reuters agency today reported from Oslo that the Norwegian motorship Snestad, 4,144 tons, was sunk by a mine or torpedo on Sunday. The crew was saved. Survivors of the British trawler Togimo, 290 tons, were landed on the southeast coast of Ireland and reported that the vessel was shelled by a German U-boat and sunk.

WATCHING SOVIET EMBASSY  
PARIS—The foreign ministry announced that a special police watch had been installed over the Soviet embassy here in disregard of its diplomatic immunity because of its relations with the outlawed French communist party.

DRIVE ON WOMEN  
LONDON—Scotland Yard and military authorities have started a drive on women spies and against gossiping which might lead to the enemy obtaining information of importance.

## VOTING IN PR. RUPERT

Returning Officer Announces Details of How Polling Will Take Place

In further explanation of the announcement made yesterday that all federal election voting by civilian electors of Prince Rupert in the forthcoming federal election would take place in the Moose Hall on March 26, Returning Officer T. W. Brown stated today that there would be fifteen or sixteen polling booths, covering the various divisions of the city, in that hall.

Voters of the watershed of Prince Rupert Harbor and Metlakatla Passage outside the city, including marine station, wireless station, Dodge Cove, Tucks Inlet and the north shore, will vote at Digby Island.

At Galloway Rapids there will be a poll for the people resident in the watershed from Seal Cove to Zenardi Rapids outside the city limits.

Soldiers and sailors who lived in the city before enlistment and are still here will vote as civilians in Prince Rupert if they are of full age.

Soldiers and sailors who have been moved here since enlistment or have been moved away since enlistment and all soldiers and sailors under twenty-one years of age will cast their ballots at Royal Forces polls.

Wives of soldiers and sailors who have been moved here and have themselves taken up residence in the city (not merely for short visits) will be entitled to vote at the civilian polls.

Five Fire Calls  
In January With  
No Damage Listed

During the month of January there were five fire alarms in Prince Rupert, no damage being recorded in any case. In January last year there was but one fire alarm. So far in February there has been only one call, that being at 4:55 a.m. February 4 when the ignition system of an automobile took fire on the Canadian National wharf.

## AIR BASE PROGRESSES

Good Headway is Being Made By Contractors With Seal Cove Work

Good progress is being made by the E. J. Ryan Contracting Co. with the levelling of the parade ground for the new airport at Seal Cove. The contractors are now taking out a strip of rock adjoining the Canadian Fish and Cold Storage Co. property and, as soon as this is completed, they will transfer their activities to the other side of the cove where a very extensive levelling operation is to be carried out. Retaining walls also have to be built in that neighborhood.

Newcombe's restaurant is being moved to a site just across the road from where it now stands in order to make room for the administration building which is to be erected there. On the other side of the parade ground from it will be the barracks and on the island where the sawmill stood will be the officers' mess. Contracts have not been let for these buildings.

A new bridge is being built with creosoted timber across the gap in the old railway grade leading to the slips and the radio station. The airport is gradually taking shape and, if the work continues steadily, the general layout should be clear to all observers by early summer.

## Work Of Building Committee Lauded

Vote Of Appreciation To Frank Dobb And His Colleagues Passed At Hospital Annual

Expressions of appreciation were voiced at the annual general meeting of the Prince Rupert General Hospital Association to Frank Dobb and his building committee which had carried out such a fine job last year in directing the construction of the new hospital building. F. A. MacCallum spoke fittingly along this line, referring to Mr. Dobb's invaluable work, and a vote of thanks was tendered the committee on motion of Mrs. F. S. Walton and N. Mussallem.

Hitler and Mussolini

## HOSPITAL DEFICIT

Financial Statement Shows Net Operating Loss During Past Year of \$1,262.87

The operating loss of the Prince Rupert General Hospital for the year 1939, according to the financial statement given to the annual meeting of the Hospital Association last night, was \$7,907.92. The auditor explained, however, that this took into account depreciation, excluding which the net deficit would have been \$1,262.87.

During the year there had been a net increase in expenditures of \$3060. The expenditures had totalled \$63,979.70, principal items of expenditure being: salaries and wages, \$26,404.93; supplies, \$18,104.42; services, \$8,233.90; depreciation, \$6,645.05.

The total of revenue was \$56,071.78 including \$32,875.63 net revenue from patients which was an increase over last year and \$19,720.85 from government and municipal grants which was a decrease.

## BOSTON IS NEAR TOP

NEW YORK, Feb. 13: (CP)—Boston Bruins crept up to within two points or one game of the New York Rangers in the National Hockey League Standing Sunday night by defeating New York Americans while the Rangers were being blanked three to nothing at Chicago by the Black Hawks. All scoring in the Rangers-Chicago game was in the first two periods, the third being scoreless. In the third game on Sunday the cellar-dwelling Montreal Canadiens had a 3 to 2 overtime victory over the Red Wings at Detroit. In Toronto Saturday night the New York Rangers and Maple Leafs played to a four-all overtime deadlock.

Tonight Detroit and Boston will play at Boston.

## CAMPAIGN GOES OVER

Canadian Legion Hears Satisfactory Reports Regarding Canvass

Reports of the first day's canvass of the city in connection with the financial campaign of the Canadian Legion to raise \$500,000 for the War Services Incorporated educational and personal program, as presented at the regular executive meeting of the local branch of the Canadian Legion last evening, indicated a very sympathetic and substantial response. Advice from provincial headquarters also indicated that many places are "going over the top" in the first appeal the Legion has made to the general public.

Letters from the superintendent of Essondale Mental Hospital thanked the local branch for its contributions to Christmas Cheer for patients of the hospital who were formerly members of the branch. A letter of thanks from Captain T. D. Johnston also contained appreciation of supplies provided for units at Frederick Point.

Four applications for membership were received and these will be presented at the regular meeting on Wednesday evening when, in addition to general business, there will be a showing of moving pictures by School Inspector Alex Turnbull, an ex-service man himself. Also refreshments will be served.

Brigadier Stockwell, officer commanding, Military District No. 11, who visited the branch recently, had been very appreciative of the efforts of the local veterans to provide entertainment and other help for the troops in town. He was also very enthusiastic over the educational and personal service to be provided through the Canadian War Services and had been much impressed by addresses given by Brigadier General Alex Ross, K. C., Dominion chairman of the campaign.

During the year there had been a net increase in expenditures of \$3060. The expenditures had totalled \$63,979.70, principal items of expenditure being: salaries and wages, \$26,404.93; supplies, \$18,104.42; services, \$8,233.90; depreciation, \$6,645.05.

## BRITAIN'S WELCOME

Chamberlain Announces United States Delegate Will Be Taken Into Full Confidence

LONDON, Feb. 13: (CP)—The British government will take Sumner Welles, personal representative of President Roosevelt of United States, who is to visit London, Paris, Italy and Berlin shortly on a survey of international conditions, fully into its confidence. Speaking in the House of Commons today, Prime Minister Neville Chamberlain said: "It is hardly necessary for me to say that His Majesty's government will welcome President Roosevelt's representative and will take him fully into its confidence to aid him in forming an estimate of the situation."

Premier Chamberlain's statement was greeted with loud cheers in the House.

### EDITORIAL

#### LATE LORD TWEEDSMUIR

Many Prince Rupert people will have pleasant remembrances of the visit to the city of the famous writer who was Governor General of Canada. They will remember his unassuming ways and his charming personality. That was John Buchan, Lord Tweedsmuir, who died at Ottawa Sunday. He came accompanied by a lady of great charm who captured the hearts of all the ladies who met her. That lady today has our sympathy in the loss of a wonderful husband.

Primarily Lord Tweedsmuir was a writer. As such he is known to the world and was known long before he became Governor General of Canada. By his books he will be remembered for many a day.

#### THE NEXT GOVERNOR

It will now become the duty of the Canadian Prime Minister to advise His Majesty the King who to appoint as his representative in Canada following the death of Lord Tweedsmuir. We hope he will advise the appointment of Mr. Bennett or some other prominent Canadian. However, it is Mr. Mackenzie King's job to make the selection and, doubtless, he will satisfy some of the people in so doing.

We may repeat here what we have pointed out on a previous occasion. The Governor General does not represent the British government. He represents the King on purely Canadian matters. In other words he is the Empire representative. The man who really does the work as between the British government and the Canadian government is the British High Commissioner at Ottawa.

#### A MAGNIFICENT GESTURE

The landing of thirty thousand troops from Australia and New Zealand at a point near Suez, evidently for service in the Balkans or Syria or somewhere around that part of the world, was a magnificent gesture. It is an assurance to the people of the Balkan States that the British are prepared to back them if Germany or Russia or both together put on undue pressure. The huge allied army of over half a million men will be expected to defend the oil fields of Iraq, the Suez waterway and other important features of the British Empire in that section of the world and also to protect the Balkans against any international bandits who may essay to add to their territory at the expense of their neighbors.

### SPORT CHAT

The Ketchikan basketball club, in a wire received over the weekend, informed the locals that they will be here next Wednesday and Thursday night and that they will be carrying their strongest line-up. They realize that they are down fourteen points going into the third game of the series and that they have great odds to overcome on their visit here.

Ketchikan this year has a six team league in full swing all season and from this league they have picked an All-Star team to represent the First City. It is made up of stars in every division including the leading scorers on each team.

The team is led by a colored boy named Harris who is by far the finest player Ketchikan has sported in a number of years. This boy played in Seattle until this year and carries a thorough knowledge of the fundamentals of basketball. He can pass faster than anyone seen here in the last few seasons and is the playmaker of the team. Standing around the six foot mark and weighing more than 200 pounds, he will give Prince Rupert boys something to think about when he starts to roll. Also on the team is George Northrup, former all-Alaskan and at present the high scorer of the Ketchikan city league.

The locals, who will have the hometown advantage over the visitors, are still practising diligently and last evening tangled with the Old Men's team who have been cleaning up on the intermediate teams in the past few weeks. This tested the strength of the Oilmen who were the annual victims of the New Metlakatla team on their trip north and, through lack of competition, have not been able to iron out their faults.

### Canadian Legion Billiard Tourney

The billiard tournament now being run at the Canadian Legion rooms for members is providing a considerable amount of pleasure and the handicappers have done a good job in making the contest anybody's chance.

So far Neil Cameron has won from Lionel Holtby; Harry Thrupp from Hugh Smith; R. C. Mutch from Charlie Youngman; Leslie Parkes from George Abbott, and George Dawes from John Bulger.

In the last fixture Bulger was 147 and Dawes was 148 when the latter finally got the necessary two points to win. If games turn out as expected R. C. Mutch should meet Neil Cameron in the final.

### HOSPITAL ACTIVITY REVIEWED

(Continued from Page One)

they have given but in the creation of the spirit of goodwill in the minds of the public towards hospitals. In addition to their assistance at the opening of the new building, they financed the cost of two refrigerators amounting to \$335 and donated \$85 towards the cost of blanket warmers. I cannot stress too highly their valuable work throughout the year. They are in a position to explain the running of the hospital in relation to its charges and the service it renders. The Auxiliary has a much greater value than sewing garments or in raising money. It can make the public "hospital-minded" and forms a tie between the hospital and the public.

"Our private and semi-private wards have been favorably commented upon and, on behalf of the Board, I wish to thank the Ladies' Auxiliary, Eastern Star, Canadian Legion, the Ladies of the St. Andrew's Society for furniture and furnishings; the Queen Mary Chapter, I.O.D.E. for supplying buffers, casters, curtains and an over-bed table; the Hill 60 Chapter and Gyo Club for curtains and new furnishings. I want also to acknowledge the following additions to our equipment:

"The Shrine Club a portable swing-o-ray operating room lamp; "A Stokes Electric Distilled Water Sull from Ormes Ltd.; "Cash donation towards expenses in connection with the preparation

of a garden from Mr. and Mrs. R. L. McIntosh;  
"Gas oxygen tank from Dr. W. T. Kergin;

"Automatic suction and pressure unit donated by the Prince Rupert Medical Association;

Donation of \$250 was received from Premier T. D. Pattullo.

"I wish to express thanks to the business men, Daughters of the Empire, Ladies' Auxiliary, Fishermen's Union and individuals for furnishing comforts to the patients at the Christmas season. I want also to thank Mr. Birch and Miss Harrison and her staff for their loyal co-operation, the press and all those who have in any way promoted the welfare of the hospital.

"I cannot conclude without reference to the services rendered the Association by two members of the board who are now in His Majesty's service. I refer to Sergt. Major W. M. Brown and Quarter Master Sergeant G. V. Wilkinson. The former served the board for over 15 years and the latter over 12 years. We regret the cause of their resignation from the board and trust that time is not far distant when they will be with us in civilian life again."

## KING SCOUT IS CREATED

Honor For Harold Nordan—Tribute  
Paid To Chief Scout In  
Death

Last evening a special program  
was arranged in place of the regu-  
lar weekly meeting of the First  
Prince Rupert troop of Boy Scouts.  
The meeting opened with the  
flag raising ceremony. The Union  
Jack was raised to half mast out  
of respect to the late Lord Tweeds-  
muir, Chief Scout for Canada. This  
was followed by a short period of  
physical drill under Dave Riddell  
of the Royal Canadian Army Medi-  
cal Corps.

Dr. N. M. Carter, president of  
the Prince Rupert Boy Scouts As-  
sociation, then paid tribute to  
Lord Tweedsmuir. He said that  
when he was in Ottawa last month  
the late Chief Scout had shown  
great interest when he learned  
that scouting had again become  
active in Prince Rupert since his  
visit here three years ago. Lord  
Tweedsmuir was a true Scout, said  
Dr. Carter. He loved to travel in  
the woods, was courteous and kind  
to everyone he met, no matter  
what the station in life.

The Scouts then enjoyed a num-  
ber of games after which four  
badges were presented to Patrol  
Leader Harold Nordan. Company  
Quartermaster Sergeant McLaugh-  
lin of B Company, Sixteenth Cana-  
dian Scottish, presented the Am-  
bulance Badge, Duncan Miller  
presented the Fireman's Badge,  
Dean J. B. Gibson presented the  
First Class Badge and Dr. Carter  
presented the King Scout Badge.  
Harold Nordan is the fifth Scout  
in Prince Rupert to earn this  
coveted award. Duncan Miller was  
the first Scout to become a King  
Scout. He was followed in 1931,  
two years later, by his brother,  
Victor. Walter Smith and Leslie  
Wilson, J. H. Nordan, Secretary of  
the Prince Rupert Boy Scout As-  
sociation was present to see his  
son honored.

The Scouts then worked on their  
usual line of advancement work  
before the meeting was brought to  
a close with prayers, the flag low-  
ering ceremony and one minute's  
silence as a tribute to the late  
Canadian Chief Scout.

Company Quartermaster Ser-  
geant McLaughlin and Dave Rid-  
dell are at present assisting the  
Scoutmaster, E. W. Meadows, by  
teaching First Aid to the Scouts.

Recent recruits to this troop in-  
clude Edward Capstick, Jim  
Spence, Raymond Olsen and  
George Willett which brings the  
strength of the troop up to  
twenty boys.

### Women's Auxiliary Of Hospital Raised \$1,034 During Year

During the year 1938 the Women's Auxiliary of the Prince Rupert General Hospital raised a total of \$1,034.60 for use in hospital work. It was shown in the report of the secretary of the Auxiliary, Mrs. Doris E. Teng, presented at the annual meeting last night of the Prince Rupert General Hospital Association. Of this \$85 had been expended on blanket warmers, \$326.14 in ward furnishing

### Red Cross Moves To New Quarters

Police Court Room in City Hall  
To Be Utilized Every Afternoon  
By Local Ladies

The Red Cross ladies have been very busy this morning moving their work room from the site at the corner of Sixth Street and Second Avenue to the first floor upstairs in the City Hall where they will occupy the police court hall, the room being open every afternoon from 2:30 to 5.

It was found that the room which has been in use was not at all suitable for the purpose. The police court room is seldom used and when it is necessary to hold court upstairs the council chamber can be utilized for the purpose. This will mean that the ladies will always have a warm place to work and this will tend to increase the output of garments for the soldiers.

lines and \$335.08 for two electric refrigerators as well as in other ways including the provision of cheer to the patients at Christmas.

### Tremendous Task Of Maintaining Walls Of Church

The "Tremendous Task" (Nehemiah 4) of building and maintaining the walls of the church of God, already scarred by sin and indifference, was the subject of Rev. H. G. Punston at morning service in First Presbyterian Church Sunday. There might seem to be insuperable odds but Christians must not shrink on that account from doing their duty. Each church should realize that it had its own part of the wall on which to work and, while attending to its own, should not be unheeding of the hole. There might be breaches elsewhere with which it should assist. Mr. Punston did not hold with those who suggested that the work of the church should be suspended for things that might be considered more important at this time. If this was done what would there be to fight for? Even with the sword in one hand, the work of maintaining and building the wall of God's Church must proceed.

### Thousand Were Hospitalized

During the year 1938 a total of 1221 patients were treated in the Prince Rupert General Hospital, according to the report of the lady superintendent, Miss Jean Harrison R. N., presented at the annual meeting last night of the Hospital Association. At the beginning of the year there were 52 patients in the hospital including four babies. A total of 1049 had been admitted and there had been 120 births. There had been a total of 13,705 hospital days. During the year 1126 patients had been discharged. Fifty-three had died and there were 42 remaining in the hospital at the end of the year.

Miss Harrison reported a total of 472 operations during the year of which 151 were major and 321 minor. There had been 467 x-ray examinations. Miss Harrison acknowledged co-operation of the President and members of the board as well as members of the staff and there was special acknowledgement to the doctors for medical service to the staff.

### PRETTY WEDDING

Miss Marie Martin Becomes Bride  
Of Paul Dvornek

The marriage took place at the Church of the Annunciation at 3 o'clock Saturday afternoon of Miss Marie Martin and Paul Dvornek. The ceremony was performed by Father Lantagne, a large gathering of friends being in attendance.

The bride was beautiful in a gown of white satin and Spanish lace and wore a matching turban and veil. Her shower bouquet was of pale pink roses and pink and white carnations with streamers.

Miss Rose Montesano was maid of honor, wearing a lovely pale pink silk taffeta gown, with matching hat and gloves, and carrying a bouquet of pink and white tulips and carnations.

The charming bridesmaids were Miss Erma Bussanich, in turquoise blue silk taffeta with pink shoulder length veil and white gloves, carrying a bouquet of pink and white carnations and Miss Olga Karashewsky, in wild rose silk crepe with pink shoulder length veil and white gloves, also carrying a bouquet of pink and white carnations.

The bride was given in marriage by her father, Louis Martin, and Joe Martin, brother of the bride, was groomsmen.

Ushers were Marie Bussanich and Albert LeBlanc.

Organ selections during the ceremony were beautifully rendered by Miss Frances Moore.

Following the marriage ceremony, a wedding dinner was held at the Boston Cafe for the bridal party, followed by a reception in the Metropole Hall.

The guests were received by the bride's mother, wearing a gown of navy blue silk crepe with corsage of pink rosebuds.

There was a large gathering of friends to tender congratulations and best wishes to the bride and groom who received under a beautiful white wedding bell in an archway of pink and white roses and streamers.

The toast to the bride was proposed by Dr. L. W. Kergin and suitably responded to by the groom.

The bride's table, covered with a lovely lace cloth, was tastefully decorated with pink tapers in silver sconces and centred by a three tier wedding cake, which was duly cut by the bride. Midnight luncheon was served and dancing continued until the early hours of the morning to the strains of music by Mike Colussi's Orchestra. T. Elliott was master of ceremonies. Earlier in the evening accordion selections by Mario Bussanich, accompanied by H. Worsfold were much enjoyed.

Numerous beautiful and useful gifts testify to the popularity of the couple who will reside in the city.

### INDIA IS DEPICTED

"The Rains Came," Picturization of  
Great Novel, is Showing Here

Fascinating, strangely assorted humans, cut off from the world in a colorful, mythical city of India, with all restraint swept away as angry forces of nature make life a fading hope and love a desperate longing, are brought to life in "The Rains Came," picturization of the famous novel of the same name, which is the feature on the screen of the Capitol Theatre for the first half of this week.

It is a powerful tale of human emotions running riot against a background of terrible natural catastrophes. There is a stirring romance led by Myrna Loy, as an amorous titled woman, and Tyrone Power, as a high caste Hindu who is destined to become a potentate.

The picture is spectacular both in architectural and natural settings. A tremendous flood and the havoc it wreaks makes a feature while an ambitious climax is the colorful crowning of a maharajah. Music is traditionally Hindu.

The cast also includes George Brent, Brenda Joyce, Nigel Bruce, Maria Ouspenskaya, Joseph Schildkraut, Jane Darwell, Marjorie Rambeau, Henry Travers and H. B. Warner.

## Help the creator of "The Dumbbells" to MAKE OUR SOLDIERS LAUGH

CAPT. "MERT" PLUNKETT  
organizer of "The Dumbbells" during the last war.  
Now supervisor of Concert  
Party Work for Canada's  
Overseas Forces, under the  
auspices of Canadian  
Legion War Services.

1916! A ruined barn or hall in France... packed with Canadian troops. On the crude stage the lights go on. Scene follows scene... the audience rocks with laughter. Strange happiness comes to lonely hearts. 'Tis like a breath from home, this evening of gaiety amid war's tragedy.

Concert parties such as those which played to capacity houses behind the lines in France during the last war, are essential again to the morale of the Canadian troops. The task of organizing and training such concert parties has been undertaken by the Canadian Legion War Services. Capt. "Mert" Plunkett, organizer of "The Dumbbells," who is in charge of this work, is now in England organizing and training the men who will entertain our troops in England and France.

The Legion needs your help to finance this great work, to purchase costumes and equipment for these parties. Other vital needs of the troops which the Legion has undertaken to supply are as follows:

#### Home-like Facilities for Our Men Overseas

The Legion is establishing leave centre hostels in England and France. Here the men will be provided with beds and meals at nominal cost. Recreation and reading rooms will be available free of charge. Travel bureaux will be operated to assist men on leave.

#### Personal Services

Through its representatives in the field and its 1100 branches all over Canada, the Legion will help the men on service in the solution of worrying problems of a personal or business nature.

#### Educational and Vocational Training

In collaboration with the Canadian Association for Adult Education, an organization with a distinguished record, the Legion has undertaken a plan whereby Canadians on service may continue their training to fit them to take their places successfully in civil life after the war.

#### HELP WIN THE WAR!

Here is how you can do your bit. Your contribution to the Legion drive for \$500,000 will help to keep up the morale of our men and will contribute to the happiness, comfort and future success of our boys overseas. Give to the Legion's new cause—today!
