## MUCH FIS- IS HANDL

Co-Op Sells Over Two and  
Million Pounds—Sold \$127,221  
Of Merchandise

The North Island Trollers Co-Operative Association in 1939 produced 1,514,022 pounds of all classes of fish which were sold by auction to the various fish dealers on the Pacific Coast. The Prince Rupert Co-Operative Association produced a total of 1,103,796 pounds of all classes of fish, the majority of the production being sold to local fresh fish dealers and canneries. The Association operated a mild cure plant, curing a portion of the production and also froze some of the small king salmon production. Both Associations experienced the poorest season since they began operation. These facts were disclosed at the first annual general meeting of the Prince Rupert Fishermen's Co-Operative Association, formed by the amalgamation of the North Island Trollers Co-operative and the Prince Rupert Fishermen's Co-Operative Association.

Mike Anderson presided over the meeting and Alex Sinclair was elected as recording secretary.

The provisional Board of Directors gave a report to the meeting on the 1939 operations of the co-operative associations. The turnover of arm stores operated for the year amounted to a total of \$127,211.49. The North Island Co-operative also handled gasoline service stations at Seven Mile and North Island, sales of the combined stations amounting to \$24,894.71. Both Associations shared purchase dividends on oil and oil purchases.

The membership of the combined associations, making allowances for resignation, was given to the meeting as 480 members.

The board reported the construction of the new co-operative store at Cow Bay, Prince Rupert which was hoped to be in readiness early in March. The building was very necessary for the now combined business of the two associations and the increase in business with the halibut fleet.

The Association had also made application for membership in the recently chartered B.C. Co-operative wholesale. Much interest was taken in the development of the wholesale.

**Future Policies**  
A great deal of time was given by the meeting to the discussion of the future policies of the new association. A motion was passed giving members the same dividend privileges on store purchases as members in view of the fact that the Association still restricted its membership to fishermen and employees of the Association. The cycle for payment of the purchase-dividends was decided on as a minimum of three years.

The meeting elected the first board to consist of H. Newsom, J. Jenkins, F. Keith, J. Deane, J. Knudsen, D. Crocker and A. Hansen. J. H. Wenden of Vancouver was elected the official auditor of the Association and M. Anderson, M. Haapala and L. H. C. Phillips were elected as auditing committee.

A resolution was passed protesting the indiscriminate taking of herring for reduction purposes. A resolution passed at the recent Fishermen's Co-operative convention held in Vancouver pointed out the effect of overfishing on the West Coast of Vancouver Island. For some years past the quota for the West Coast had been 40,000 tons. For the past three years the quota had not been attained and for 1939 only 37.7 per cent of it had been taken. Scientific investigation showed that the average size of the herring was smaller which was a sign of overfishing. Other areas of the coast which were very heavily fished, if not at present, would soon show the same signs of depletion.

Resolutions were passed requesting the Department of Public Works of the Federal government to improve the harbors at Whiah Point and Qlawdzet. The Department of Transport was also asked to install a fog horn at the entrance of Whiah Point harbor and a light on the eastern end of Lucy Island, Parry Pass and Langara Island, a mark-

## HOMICIDE CHARGED

Preliminary Trial of Two Men, Al-  
leged to Have Killed Constable  
in Winnipeg, Commences

WINNIPEG, Feb. 29: (CP)—John Andrusiak and John Barnett were charged yesterday with murdering Constable John McDonald on February 10. The coroner's jury found that Mike Atamonchuk, who committed suicide before being captured, fired the gun and that Andrusiak and Barnett were associated with him in the crime.

## WILL PLAY FOR TITLE

Hoop Series With Ocean Falls Ar-  
ranged for Middle of Month

The stage is all set for the defence of the Northern British Columbia title by the Standard Oilers against Ocean Falls, starting March 13 and 14 in Prince Rupert.

Sonny Stiles, now in Vancouver, completed negotiations personally on his way south and relayed the word to Art Murray yesterday. According to Stiles, the paper men are set upon lifting the title from the Rupert boys this year as restitution for the lacing they took here a few seasons back. They have about two thousand men to pick from at the mill and most of them are from the south.

Whether or not they are from much larger cities than this, confidence is being displayed by the local boys and, just as soon as they had showered after taking Ketchikan in two straight games, they were asking when the next practice was being held and they really meant it. On Monday night they had their regular practice at the Exhibition Building. Tuesday they played one of the Army teams and last night their regular practice night they turned out at the Exhibition Hall to help their younger buddies get into shape for a Port Simpson invasion this week-end.

The Ocean Falls team will arrive on the Prince George on March 13 and play Wednesday and Thursday nights with the Oilers boarding the same steamer to return south with the visitors for the two remaining games of the series. They will leave Thursday night after the game.

No word has been heard until now as to whether Port Simpson intends to challenge for the cup. They are believed to be of the opinion that their team may be a little too small for the Oilers and, consequently they probably do not care to enter the competition. The locals are just aching to polish off the Simpsons here at home so that their supporters will have no scruples as to their supremacy in the district.

## PETERSBURG FISH MEET

Arnold Wasvick Elected President  
of Annual Curtailment Confer-  
ence—Local Men There

PETERSBURG, Alaska, Feb. 29: (CP)—Arnold Wasvick of Petersburg, agent of the Deep Sea Fishermen's Union, was elected president and Harold Lokken of Seattle, secretary of the Halibut Vessel Owners' Association, was elected secretary by delegates to the annual halibut curtailment conference in session here yesterday. Twenty boat owners' and fishermen's union representatives, including those from Prince Rupert, were in attendance.

R. C. St. Clair, district forester, left on last evening's train for a trip to the Burns Lake district on official duties.

er at the entrance of Goose Cove, Dundas Island was also asked for. The Queen Charlotte Island members of the association were officially represented by David Crocker.

BUCHAREST, Roumania—In a dilemma between the demands of Germany, on one hand, and the Allies, on the other, in regard to her oil and other resources, Roumania is considering calling an additional 200,000 men to the colors besides the 1,400,000 already under arms.

## FRONT NOW LIVENS UP

Increased Aerial and Patrol Activity Leads to Suggestion That  
More Intensive Warfare is  
Coming

## Frenchmen Killed

Germany Closing Borders to Belgium and Netherlands Tomorrow

PARIS, February 29 (Canadian Press)—Increased aerial and patrol activity led a French communiqué last night to suggest that intensive action might be expected soon on the western front. Infantry patrols combed no-man's land along a wide front yesterday. Opposing aircraft have been more active than at any time since last fall.

Death of at least four Frenchmen in hand to hand fighting in a patrol clash is reported by a German news agency.

At Berlin a German communiqué reported that a strong enemy and infantry assault, supported by artillery, in the region of Perle, east of the Moselle River, had been successfully resisted.

Some observers believe that Germany may start a drive, possibly through Flanders, in late March or early April when weather is improved.

### Reich Closing Frontiers

Without any reason being given, the German-Belgian and German-Netherlands frontiers will be closed on the Reich side beginning tomorrow, Havas News Agency at Eupen, Belgium, quoted reliable sources as stating.

Increased activity of German troops was observed today along the Luxembourg and Netherlands frontiers. The significance was still not clear but indications were that the Germans were strengthening the Westwall.

## PRESERVING DEMOCRACY

United States Takes Lead to Prevent  
Autarchy, Regimentation  
and Totalitarianism After  
War

WASHINGTON, D.C., Feb. 29: (CP)—Secretary of State Cordell Hull of the United States said yesterday that conversations were under way between United States diplomats and foreign governments all over the world in the interests of preventing the forces of autarchy, regimentation and economic totalitarianism from gaining control after the war.

The Secretary of State refused to discuss the reaction of the governments already communicated with except to say that his preliminary impression was that the reaction was favorable.

Mr. Hull let it be known, however, that favorable responses had been received from a number of neutral governments which had been communicated with in regard to problems of trade and finance after the war. He did not disclose which governments had been heard from.

Such discussion is reported to be proceeding between British and United States authorities.

## GAVE TALK FOR WOMEN

Mrs. F. J. Rolston, President of  
Vancouver Canadian Club, is  
Heard Here

Mrs. F. J. Rolston, president of the Women's Canadian Club of Vancouver, was a charming speaker to a large number of members of the Prince Rupert Canadian Club at a dinner in the Boston Cafe last evening. Mrs. Rolston's address was "Women's Responsibility."

The speaker outlined from earliest history the part played by women in every day life and how they came into public life. The French Revolution had had effect on women's rights.

The first responsibility of the women of Canada was to the home. The children should have proper Christian teaching.

Another responsibility was that the facts of this war should be made clear to the children. Home nursing classes for emergencies were also mentioned. The soldier's families also became a responsibility of the women of Canada.

Women should become interested in the government of Canada. In 350 years Canada had had two elective representatives.

The women of Canada should strive to preserve unity in Canada by hearing the view points of speakers from other provinces.

Mrs. J. D. Fraser, president, who was in the chair, proposed a vote of thanks to the speaker.

## LOAN TO FINLAND

Advance of \$20,000,000 to Finland  
For Purchase of Goods Finally  
Authorized

WASHINGTON, D.C., February 29 (Canadian Press)—By a vote of 168 to 51, the House of Representatives yesterday approved a loan of \$20,000,000 to be used for the purchase of civilian goods in the United States. The measure went to the Senate, where it was approved today. Congress rejected various proposals which would have lifted restrictions and permitted the purchase of war goods.

The loans were provided for by the completion of congressional action on a bill to increase the capital of the export and import bank from \$100,000,000 to \$200,000,000.

A similar loan of \$20,000,000 to China is also thus made possible.

Ole Welle left on last evening's train for Rochester, Minnesota, to receive treatment at Mayo Clinic.

## POLICE GO INTO MINE

Take Steps to Remove Sitdowners  
From Pioneer Gold

PIONEER MINES, February 29 (Canadian Press)—Inspector John Shiras and Sergeant S. D. Woods-Johnson of the British Columbia police, on instructions from the Attorney General, today moved to eject from the Pioneer Gold mine forty men—members of the International Union of Mine and Smelter Workers—who are on a sitdown strike there on the 2400-foot level, having declared their intention of remaining until there is a satisfactory settlement of their five-month strike for higher wages and union recognition. There was the possibility that the men might resist being evacuated. They could play hide and seek with officers in the workings.

Dr. Howard T. James, managing director of the mine, said that one of the main pumps in the mine had been broken and that electric power was being shut off in the 2400-foot level to prevent further damage.

Women picketed the shaft head yesterday with food to be sent to their men below.

Inspector Shiras and his men returned today at noon from a descent into the mine but made no statement on the situation. Provincial police reinforcements have arrived from the surrounding district in answer to Premier T. D. Pattullo's orders to force the strikers out, about fifteen now being on hand.

The men have been below since early Tuesday morning and still declare they will remain there until the company grants their demands.

## FLOODS IN CALIFORNIA

Vast Sections Inundated and Many  
Homeless—Rains Are Con-  
tinuing

## Huge Toll

Five Dead, Thousands Homeless,  
and Millions of Dollars  
Damage

SAN FRANCISCO, February 29: (Canadian Press)—Vast sections of northern and central California are flooded deeply and thousands are homeless in the wake of a three-day rainstorm which the United States Weather Bureau says will continue in some parts at least for another twenty-four hours. Five deaths is so far attributed to the flooding.

Late reports today indicated that the rain and wind storms had brought greater disaster to many sections of Southern California. Oregon and Washington than had at first been anticipated, leaving in addition to the dead and homeless, property damage estimated in the millions.

The town of Gerber Tehama in the northern Sacramento Valley is practically submerged and many other sections of California are inundated.

## LIONS ARE MOVING UP

Have Now Assumed Commanding  
Lead in Pacific Coast Hockey  
League Standing

SEATTLE, Feb. 29: (CP)—Vancouver Lions further improved their margin of leadership in the Pacific Coast Hockey League last night by scoring a seven to five victory over the Seattle Sea Hawks last night in an exciting overtime contest. The Lions are now leading the second place Portland Buckaroos by seven points or three and a half games.

## FINNS ARE HOLDING ON

Planes Strike at Russian Com-  
munications and Troop Con-  
centrations on Karelian  
Isthmus

## Huge Red Losses

Defenders Being Driven Before  
Large Scale Offensive in  
Far North

HELSINGFORS, February 29 (Canadian Press)—The Finnish army's new positions between the Bay of Viipuri and the Vuoksi River are being subjected to "continued enemy pressure," a communiqué said today. The Reds also attacked at the eastern end of the Isthmus front in "great force" at Tapaste. Helsingfors had three air raid alarms this afternoon.

HELSINGFORS, February 29 (Canadian Press)—Finnish bombing planes continue to strike at Russian communications and troop concentrations while land forces have repelled continued red attempts to follow up their advantage on the Karelian Isthmus, a communiqué said yesterday.

Karelian Isthmus fighting is believed to be raging undiminished in intensity with Russia continuing relentless steam roller pressure. Finland has hurled reinforcements into the lines near Viipuri while 175,000 fresh Russian troops reinforced with artillery and full mechanized equipment, have been sent into the attack there. The Reds seem determined to move along the coast to the Gulf of Finland.

Russian losses in men and equipment continue enormous before the defensive fighting of the Finns. Weak ice on Lake Viipuri collapsed under the weight of the Russian forces, men, guns, and tanks plunging to their doom.

The Finns are still standing firm at Taipale, another Mannerheim Line key position.

Norwegian observers said that a new Soviet offensive in the north had reached Naustli, seventy-five miles south of the Arctic in the Petsamo district, after driving the Finns back eight miles.

## ENGLISH SCHOOLS

The regular monthly meeting of the Prince Rupert Parent Teachers' Association was held last evening in the Borden Street School with Mrs. George Hill presiding.

The meeting expressed its deep sympathy with Mrs. Arthur Sutton and family and a sense of a loss through the death of one who was so interested and active in parent-teacher work. The secretary was instructed to express these feelings to Mrs. Sutton and also to write Mrs. R. M. Winslow who had recently suffered bereavement in the death of her father.

Discussion took place regarding the advisability of changing the time of the meeting to the afternoons but the meeting was almost unanimous in its decision not to make a change at present in the time.

It was decided to hold the Easter candy sale in all the schools on Thursday, March 21. Conveners were appointed as follows: Borden Street School—Mrs. F. Barber.

King Edward School—Mrs. R. Wood and Mrs. H. Perkins. Booth Memorial High School—Mrs. Andrew Thompson and Mrs. M. M. McLachlan.

Seal Cove School convener to be appointed later. S. A. Cheeseman was unanimously appointed press correspondent.

Your Breakfast  
ought to make you say

**BOY! THIS  
MAKES MY  
MOUTH WATER**

...or you won't get the  
food values you need!

These days there are three things breakfast ought to do, if you're to keep on top of your form: First, it must be tempting enough to wake your sleepy appetite. Second, it must release quickly the energy you need to start "in high." Third, it must help sustain you for hours.

Kellogg's Corn Flakes are the answer! They're proven first in flavour! And they're jam-packed with carbohydrate energy. Time-saving, too! 30 seconds and they're ready, with no messy pots to clean.

Order several packages tomorrow. And when you breakfast out, ask for the wax-wrapped individual package. Made by Kellogg's in London, Canada.

**FLAVOUR EXPERTS SAY** what housewives have always known, that Kellogg's Corn Flakes are first for flavour—Canada's most popular ready-to-eat cereal. In a recent Dominion-wide survey, housewives were asked: "What ready-to-eat cereal is the favourite in your family?" Kellogg's Corn Flakes were named first choice more than FIVE TIMES as often as the next brand of corn flakes. After a blindfold test of all four brands of corn flakes, John A. White, Chief Taster of the Chateau Cheese Company, declared: "I certainly had no difficulty in picking the sample which had the finest flavour... the sample which later proved to be Kellogg's."

**ECONOMICAL, TOO!** Canada's favourite cereal costs only a few pennies for the whole family's breakfast, or supper. Have you tried the new family-size package? Ask your grocer to-morrow.

## HOOP GAME WAS CLOSE

Metlakatla Won From Canadian  
Scottish by Narrow Margin of  
67 to 65

A team representing the Six-  
teenth Canadian Scottish Regiment  
visited Metlakatla to play basket-  
ball with the senior team of the  
neighboring village, the result being  
67 to 65 for the natives after a nip  
and tuck contest. It was a good,  
fast game and kept the crowd  
pleased all the way. Play was clean  
and few fouls were called. The vic-  
tors were fully deserving of their  
win. After the game there was a  
dance and refreshments were serv-  
ed.

The players and scoring:  
Metlakatla—A. Prevost, 26; R.  
Robinson, 9; A. Leighton, 6; D. Pre-  
vost, 14; F. Auckland, 8; H. Leigh-  
ton; R. Nelson, 2; J. Auckland, 2;  
totals, 67.

Canadian Scottish—J. Cathy, J.  
Knight, 22; R. Dyer, 15; Raystad, 4;  
B. McVickers, W. Leighton; J. Nim-  
mo, 24; totals, 65.
