Germany Now Faltering

Nazis Are Still Being Forced Back by Strong Counter-Offensive

Soviet Claim to be Holding Front Everywhere—Waiting For German Drive to Crack

MOSCOW, August 1.—A Soviet high command communique reports that Russian counter attacks have forced back the Nazis in the Smolensk area, inflicting heavy casualties. Heavy fighting is also reported from the Leningrad and Ukraine fronts. It is said that the Russians are holding firm at all important points. Nazi troop and tank concentrations have been heavily attacked by Red forces. Several waves of Nazi planes, attempting to attack Moscow last night, were said to have been driven off by anti aircraft fire, only one or two penetrating the defences and dropping incendiary bombs which did little damage, setting a few houses on fire. Russia is waiting for the Germans to crack so as to launch a great counter-offensive. At Berlin the official German news agency reports that Russian infantry and tanks, including units from Siberia have launched fresh counter attacks against German positions south of Vyazma and east of Smolensk. The agency claimed that all the Russian attacks had been beaten off with heavy losses and that Soviet efforts to extricate their encircled forces in the Smolensk area had failed.

THIRD DIVISION ARRIVES

AT A BRITISH PORT—Under command of Major General C. B. Price, a section of the Third Canadian Division arrived safely in Great Britain today after a speedy Atlantic crossing. They will join the Canadian Corps which is now one of the most powerful military formations in Britain. The ocean was like a mill pond all the way across as Canadian and British warships again proved their sea mastery to bring a second large Canadian troop convoy within a month through the Atlantic danger zones without incident.

THREATEN THAILAND

PNOM PENH—The first detachment of Japanese forces of occupation arrived yesterday in Pnom Penh, which is the capital of Cambodia, French Indo China, adjoining Thailand upon which demands for concessions have been made. Additional troops are expected today. Numerous buildings were requisitioned for use of the Japanese military forces. Traffic with Saigon over interior roads was halted to facilitate the Japanese troop movements.

TROUBLE AT ALESUND

STOCKHOLM—Scandinavian radio reported last night it had received information of a clash between German marines and civilians in the Atlantic coast port of Alesund, Norway. It said that the incident occurred when Norwegians in the port tried to hold up deportation of about seventy hostages collected in the city and environs. Nazi marines were stoned and beaten with umbrellas until one of the hostages, who was a prominent citizen, appealed for order.

HONOR FOR MCNICHOLL

Presentation at Farewell Dinner to Retiring Railway Official

VANCOUVER, B.C., Aug. 1.—In recognition of more than 52 years of service with Canadian National Railways extending back to Grand Trunk and Grand Trunk Pacific Railway days, George A. McNicholl, who retired on superannuation Thursday, was honored at a dinner and presentation last night. Guests were present from as far east as Montreal and south from Los Angeles.

Chairman of the banquet was W. T. Moodie, general superintendent, British Columbia district, who congratulated Mr. McNicholl on attaining his sixty-fifth birthday, climaxing a successful business career, and expressed the hope that he would continue to have many more.

Messages of congratulation were received by Mr. McNicholl from all parts of the Dominion and the United States. These included best wishes from S. J. Hungerford, chairman, Canadian National Railways, R. C. Vaughan, president, N. B. Walton and Alister Fraser, vice-presidents and W. R. Devenish, general manager, western region.

J. M. MacRae, assistant freight traffic manager, Winnipeg long associated with Mr. McNicholl, proposed the toast to the guest of honor, recalling many interesting experiences in the life of the beloved "dean of Pacific Coast passenger ben."

Highlight of the evening was the presentation to Mr. McNicholl of a walnut buffet set, fitted with English crystal, a gift from his railway associates in all parts of the system, and made of their behalf by C. W. Johnston, general passenger traffic manager, Montreal, who is now visiting the coast. With the gift was included an illuminated address inscribed with the names of hundreds of officers and employees participating in its presentation.

Mrs. McNicholl was also remembered by the railway men and on their behalf W. E. Dobbs, general passenger agent, Winnipeg, made the presentation of an Aeropack travelling case.

In his speech of thanks Mr. McNicholl told many stories of his interesting experiences during a railway career that has extended into half of Canada railway history.

W. Stapleton, who succeeds Mr. McNicholl as general passenger

Land Turned Over . . .

Now that the land has been formally turned over to the government for the purposes of building houses for the dry dock workers, it is safe to say that the project is really going ahead and that very soon there will be over one hundred more workers housed in Prince Rupert with their families. This is a very satisfactory outcome of a movement initiated by the Prince Rupert Chamber of Commerce and effectively aided by the representative of the provincial government in Ottawa and the member for the district. After it is said that the Chamber of Commerce is useless but it is really a very useful organization, always ready, willing and able to forward the interests of the city. Every business and professional man in the city should be a member.

There are still a number of problems to be solved and a number of projects to be forwarded. Members of the Chamber of Commerce each pay a fee of ten dollars to finance the work and usually all they get in return is plenty of criticism if they are active. If they are not active the fees are helpful. Prince Rupert might well have two hundred members in order to carry on even more effectively than in the past.

Big Carnival Coming . . .

The big carnival is this month. It promises to be a great event. It should serve a double purpose, that of providing amusement for the people of Prince Rupert and visitors and that of raising money for the civic centre which is so sorely needed now that the Moose Hall is being used for Y.M.C.A. purposes. Why not concentrate on the carnival and make it the biggest yet?

ENLARGE PROGRAM

Y.M.C.A. is Increasing Activities in Prince Rupert

As a result of recommendation of T. H. Hutchinson, area supervisor in British Columbia for Y.M.C.A. National War Services and Mr. Pipher, secretary of the National War Services Fund, the trustees of the fund and the Department of the National Defence have sanctioned the expenditure of money necessary to enlarge a scope of its activities. The citizens of Prince Rupert, the Y.W.C.A. and the Y.M.C.A. will co-operate in the interests of the soldiers and their wives.

The Moose Hall has been secured and is being altered and furnished in preparation for the anticipated opening on August 22nd.

A local committee consisting of Mr. P. H. Linzey, chairman, Mrs. R. M. Winslow, secretary, Mrs. Neil Carter, R. M. Winslow, R. G. Hopkins, O. C. Young, J. S. Wilson and Capt. Durnford are acting as board of directors for the new Y.M.C.A.

Cliff Leslie, formerly of the 9th Armored Regiment, First Armored Division and latterly in charge of Y.M.C.A. work at Work Point Barracks, Victoria, will be the executive head. The Y.W.C.A. is sending in a secretary to take care of the women's side of the program.

The Y.M.C.A. hopes that all the citizens, who have helped it up till now, will continue to give their loyal support to this new project. We also wish to pay our tribute to Toc H and its various committees and assistants who pioneered the Auxiliary Services work in Prince Rupert and whose members are carrying over their interest in the board of directors and for the enlarged program.

CUT DOWN ON GAS

The new gasoline regulations, and the request that Canadians cut down the use of gasoline, are not taken lightly by oil company executives, who are in a position to know that the situation is serious. P. M. Fowle, president of Shell Oil Co. of Canada, Ltd., for three days has been travelling from his home on Huntley St. in Toronto to his office on Adelaide St. by bicycle. He hadn't ridden a wheel for 20 years—not since he was in India—up until now, but he manoeuvres through traffic without much difficulty.

Westview Loses For First Time

Seal Cove Comes to Life in Gyro Playground Softball League

Seal Cove Gyro Playground softball team has definitely come to life. This was demonstrated Thursday morning at Acropolis when they overwhelmed the league-leading Westview team 19 to 8. It was Westview's first defeat of the season.

Bill Davis and Dick Schaeffer were the big guns in Seal Cove's victory, the former scoring four runs. Westview made many errors in the outfield and even their usually reliable infield played sloppily. Constant bickering among themselves contributed to their defeat, poor sportsmanship being displayed especially by Gus Kadanaga and Frank Hingston.

Batteries were: Seal Cove—D. Schaeffer and D. Murray. Westview—T. Pilfold and F. James.

In soccer Saturday McClymont will play Westview.

GATHERING CANADIAN JUNK

Everything from alarm clock wheels to old baling wire is gathered by junk merchants on the Pacific Coast in the salvage campaign and pressed into bales. A pile of this material, awaiting shipment, is shown at right. At left is a carload of rails, their life on Canadian Railways over but still useful in war. Much of the junk must be handled piecemeal as that at upper right, a slow and costly business.

Mr. Bridgett sang acceptable solos.

SMOKER FOR RANGERS BY CAN. LEGION

One of the several farewell affairs held in connection with the departure from Prince Rupert of the Rocky Mountain Rangers regiment was a smoker by the Canadian Legion. There was a large attendance. An informal program including piano accordion duets by Bob Townsend and Mike Colussi as well as other numbers was much enjoyed. Refreshments were served in abundance.

H. A. Breen, president of the Legion, was in the chair and, expressing regret at the departure of the regiment, introduced the officer commanding, Col. J. E. Wood.

Col. Wood thanked the Legion not only for the smoker but for its generous hospitality and numerous courtesies which had been accorded to the unit and its members. This had done much to make their stay in Prince Rupert a happy one and one with which would be associated many pleasant recollections. Neil Cameron was in charge of general arrangements for the smoker.
