Canadian

A wage dispute involving certain classes of workers is the issue at the Prince Rupert dry dock.

Sumner Welles declared today in discussion of Berlin statements that Americans "have never been impressed by what they regard as bluster or threats."

Mr. Hull made the statement in reply to queries concerning the attitude of the United States on a German spokesman's threat that any ship carrying contraband to Great Britain would be sunk.

Mornings and Nights Crowded With Work, Hence Demand in Shops For Afternoon Frocks

By ALISON SETTLE

LONDON, June 14: (CP)-To the Englishwomen the choice of afternoon frocks is something for more exciting than the choice of her tweeds or topcoat. And this excitement is emphasized by the recent clothes rationing orders of the government, applied not only as a "problem of material" but also "a problem of factories and plants which we have to turn over from the necessities of peace to the necessities of war."

Sweet Caps are your

best cigarette buy!

Yes Sir, your best cigarette buythe greatest value for your money! That's a big claim. But it's backed by my own experience and the fact that more Canadians smoke Sweet Caps than any other brand. They buy them because they get an extra measure of pleasure. So do I. So will you. That's why -- since you smoke for pleasure-Sweet Caps are your best cigarette buy!

SWEET CAPORAL Cigarettes

"The purest form in which tobacco can be smoked"
