NORTHERN AND CENTRAL BRITISH COLUMBIA'S NEWSPAPER

Vol. XXX, No. 42.

PRINCE RUPERT, B.C., WEDNESDAY, FEBRUARY 19, 1941.

PRICE: 5 CENTS.

SINGAPORE REINFORCED

SINGAPORE—The fighting strength of the Singapore base was reinforced today by thousands of men and such great numbers of bombers and fighters that neutral observers believed the balance of air power in southeastern Asia had turned in Great Britain's favor. Arrivals of the Australians made the Malay Peninsula a veritable power house of military energy and increased confidence that the Empire is now ready to meet any threat of extension of the war to the South Pacific.

ETHIOPIAN TOWN TAKEN

CAIRO—The strategically important Ethiopian village of Njabara, approximately 150 miles northwest of Addis Ababa, has been captured by British forces along with many prisoners, general headquarters announced. There were many casualties among the Italians. Elsewhere north of Addis Ababa, the British continue mopping up operations. In Italian Somaliland operations are progressing along the Yuba River with the Royal Air Force continuing bombing of Italian objectives. In Eritrea the siege of the important railway town of Cheren goes on.

NO PEACE WITHOUT VICTORY

LONDON—The government informed the House of Commons today that it had received a special message from Japan offering to mediate in the war and also accusing the United States and Great Britain of warlike preparations in the Pacific. Authoritative London quarters said that Britain would not entertain peace proposals until complete victory had been gained.

ENEMY SHIPS SUNK

CAIRO—Royal Air Force dive bombers have sunk a 4,000-ton German vessel in the Mediterranean. It was being used as a supply ship by the Italians and is the first Nazi vessel to be sunk in the Mediterranean. The Air Force damaged three other Italian ships including an auxiliary cruiser.

ONLY FIT MEN NEEDED

OTTAWA—Only men in A, B1 and B2 medical categories will be affected by the first call to the colors of twenty-one year olds under the new fourth month training plan, it is announced. Under the call it is estimated that 6,000 men will report for training on March 20.

READY FOR INVASION

First Lord of Admiralty Warns That Great Assault by Hitler is Due

LONDON, Feb. 19.—Rt. Hon. A. V. Alexander, First Lord of the Admiralty, last night warned Britons against over-confidence and urged them to be prepared for a supreme struggle. It should be realized, he said, that Adolf Hitler had been preparing for a formidable attack backed by his great military machine and with the element of surprise. In other words, Britain should be ready to meet a large scale invasion attempt.

Predicting victory eventually under grand leadership and through the strong will of the people, Alexander said that "we now hold the initiative in the Mediterranean and shall continue to maintain it."

AIR MAIL CONTRACT

Renewal Is Announced — Three Trips Daily Between Montreal And Vancouver Planned

OTTAWA, Feb. 19.—The federal government has renewed the air mail contract with TransCanada Air Lines. The Montreal-Vancouver service is to be increased from two to three trips daily.

United States In War or Nearly So

Secretary of Commerce Asks His Comments to be Stricken from Records

WASHINGTON, D.C., Feb. 19.—Speaking before the House banking committee yesterday, Secretary of Commerce Jesse Jones made the remark that United States "is in the war or nearly in it." Later he asked that these words be stricken from the records.

BRITISH TO BE TRAPPED?

"Vast New Developments" In Mediterranean Forecast By Fascist Newspaper

ROME, Feb. 19.—"Vast new developments" in the Mediterranean area are forecast by the authoritative Fascist newspaper Vax Popolo. The British may find themselves trapped in North Africa. This is supposedly taken to mean a blow in the western Mediterranean, possibly against Gibraltar. More Italian troops have been called to the colors.

Hard Surfacing Of All Roads In Province Asked

VANCOUVER, Feb. 19.—After hearing an address by Hon. W. J. Asselstine, minister of mines and natural resources, who stated that some \$2,000,000 would be spent on roads this year, a local road and tourist organization asked that all arterial highways in the province be hard surfaced as soon as possible.

Wendell Willkie To Visit Coast

VICTORIA, Feb. 18.—Wendell Willkie is expected to visit Victoria in May for the Rotary International convention. The Vancouver Board of Trade is inviting Mr. Willkie to Vancouver.

Ships And Planes Are Being Banned

WASHINGTON, D.C., Feb. 19.—President Franklin D. Roosevelt last night issued a decree forbidding commercial shipping or aircraft to enter United States defense outposts in Alaska, Hawaii and elsewhere in the Pacific area.

AUSSIES IN THOUSANDS FOR MALAY

Great Contingent Of Forces Arrive At Singapore—Ready For War With Japan

LONDON, Feb. 19.—Powerful contingents of Australian troops arrived at Singapore yesterday enroute to the Malay Peninsula to protect that quarter with its rich rubber and tin resources from possible attack. The number was not revealed although it is known there are thousands. They are mechanized units, fully and heavily equipped. Great grey transports, conveyed by naval vessels, brought them.

Great numbers of bomber and fighter planes have also been brought and may well give the British balance of air power in southeast Asia.

Meanwhile, heavy Japanese naval forces are reported to be massing in the Gulf of Siam, having come from Formosa.

It is authoritatively stated here that both Great Britain and the Dutch East Indies are ready for a showdown with Japan on the basis of declared war after the first overt act by Japan. Expectation is that there will be United States co-operation although no formal assurance of this has yet been given. All defenses of Singapore and Malay are ready. Preparations have been made to disperse centres of population if necessary.

As for Japan's offer yesterday to act as mediator in present wars the answer of both Great Britain and United States appears to be that these nations are interested in deeds and not words as far as Japan is concerned.

Bulletins

OTTAWA — Well informed sources have said an increase of ten cents a day in pay is under consideration for recruits called up for four months military training. It would bring the pay of the recruits to \$1.30 a day, the scale of the active army.

EXPORTS RESTRICTED LONDON—The British government is prohibiting exports from the United Kingdom to the South American countries of Chile, Brazil, Colombia and Peru except on special permit.

B.C. EXPENDITURES VICTORIA—The British Columbia budget will require \$33,000,000 for expenditures during the coming year, it is estimated. The increase is due to assuming new relief cost responsibilities following the withdrawal of the federal government.

LEADER IS CRITICAL

Hon. R. B. Hanson Thinks Government Should Cut Down Expenditures

OTTAWA, Feb. 19.—A measure of inflation may become necessary later in the war but at present it would be a false move, the Opposition leader in the House of Commons, Hon. R. B. Hanson, declared in the House of Commons today. He expressed disappointment at the small reduction of the ordinary costs of government, saying that in 1941-42 the civil estimates showed a deduction of some eighteen million dollars against the current year but in this figure fifteen million was represented by the fact that no provision was required for the Canadian National Railways deficit.

Mr. Hanson suggested that the taking of the decennial census arranged for this year, should be postponed as an economy measure.

LONDON, Feb. 19.—Bar silver is unchanged at 23 1/4 pence per ounce on the London metal market today.

STARVING TO DEATH

People Of Dodecanese Islands In Bad Way From British Blockade

ATHENS, Feb. 19.—According to word reaching here the people of the Italian Dodecanese Islands are starving because of the British naval blockade. They are dying at the rate of five to ten persons daily.

'LEASE-LEND' OPPONENTS

Wheeler Would Make Outright Cash Available—Willkie Under Republican Fire

WASHINGTON, D.C., Feb. 19.—Opponents of the "lease-lend" aid to Britain bill were heard in the Senate yesterday.

Senator Burton K. Wheeler said that, if United States really wanted to help Britain, the best way would be to make available two to five billion dollars in cash.

Senator Arthur Vandenberg and Senator Gerald P. Nye, Republicans, criticized Wendell Willkie, who was Republican candidate in the last presidential election, for his active support of the "lease-lend" measure. Both were sarcastic. Vandenberg called Willkie President Roosevelt's "clipper ambassador." Nye scornfully dubbed him "the great expert on European affairs."

TAKES HALF OF INCOME

Minister of Finance Gives an Idea Of Huge War Cost

OTTAWA, Feb. 19: (CP)—Finance Minister J. L. Halsey told the House of Commons yesterday that the Canadian people would have to meet war and normal government costs in the fiscal year 1941-1942 amounting to more than half the estimated national income of all the people of Canada which is estimated at five billion three hundred thousand dollars. He estimated Canada's expenditures during the present fiscal year at \$875,000,000.

WILL MILK YUGOSLAVIA

Reich To Get Larger Share Of Balkan Nation's Agricultural Production

BELGRADE, Feb. 19.—In addition to consent to move German troops through Yugoslavia, Chancellor Adolf Hitler, at his conference with the prime minister and foreign minister of Yugoslavia, received, it is reported, assurance that Germany would get a larger share of this country's agricultural production.

Canadians Urged To Leave Orient

Suggested That All Those Who Do Not Have To Stay Return to Dominion

OTTAWA, Feb. 19.—The Canadian government is urging all Canadians whose affairs do not make it imperative for them to remain there to return home from the Orient.

Food Parcels To Prisoners Being Doubled

VANCOUVER, Feb. 18.—Norman Somerville K.C. of Toronto, here for the British Columbia Red Cross convention, states that parcels of food for British prisoners of war in Germany will be doubled from the present 10,000 per week.

Hitler Funeral; Berlin Bombing

NEW YORK, Feb. 19.—Recently the German radio invited suggestions from United States as to what kind of programs Americans might like to hear from the Reich. Some of the fans answered that they would like to hear Adolf Hitler's funeral. Others would like to hear the bombing of Berlin. The German radio did not air these suggestions.

FUEL LACK WILL LOSE NAZIS WAR

California Oil Expert Predicts That This Will Settle Issue Against Germany As It Did Against Italy

SAN FRANCISCO, Feb. 19.—H. P. Bostoff, California oil expert, predicts that a fuel shortage will bring about the defeat of Germany as it contributed to that of Italy.

Germany was dependent for her raw fuel supplies on Rumanian and Polish wells, Bostoff said. Should these be destroyed by British bombing, then Germany would have to depend upon her inadequate synthetic oil production within the Reich or upon what might be obtained from Russia.

PREMIER IS HERE

Mr. Pattullo in City to Meet Constituents and Address Public Meeting

Paying one of his periodical visits to his constituency, Hon. T. D. Pattullo, Premier of British Columbia and Member of the Legislature for Prince Rupert, arrived in the city on the Prince Rupert this morning from Victoria, accompanied by his secretary, Ben Hethy. Mr. Pattullo will address a public meeting tonight and will sail Thursday night on his return south.

Choosing to reserve public statements for the meeting he will address tonight, Premier Pattullo would not be drawn out this morning in regard to the imminence of a provincial election. He would make no statement as to when it was likely a contest would be held.

As for local road work, the Premier expressed the belief that construction of the Skeena River highway might soon be undertaken as a national undertaking. It was the intention of the province to give attention this year to Queen Charlotte Island roads.

PEACE IS DEMANDED BY HITLER

Wants Italy And Greece To Lay Down Arms—If Not, Invasion Threatened

BELGRADE, Feb. 19.—Chancellor Adolf Hitler of Germany, according to information in authoritative quarters, has demanded that Italy and Greece stop fighting at once. Failing to comply, Greece is threatened with invasion. German planes are already reported to be flying daily over Greece.

Through Germany, according to reports, Italy has already begun overtures to Greece for peace. With Nazi troops already approaching her northern frontier by way of Bulgaria and Yugoslavia, Greece may have little alternative but to accept unless the British send an expeditionary force now that Turkey has agreed with Bulgaria to stay out of war.

Several weeks might be required, it is said, before the British could send forces from North Africa.

Meanwhile German war materials are reported to be moving through Yugoslavia and Bulgaria. Istanbul, Turkey, newspapers praise the Turko-Bulgarian non-aggression treaty as assuring peace for the Balkans, the only danger to this peace now being the concentration of German troops in Rumania.

SEA LOSS IS LOWER

Enemy Got Only 29,000 Tons During Week Ending February 9

LONDON, Feb. 19.—British shipping losses by enemy action during the week ending February 9 were less than half of the average at 29,000 tons, it is announced. At the same time it is announced that German shipping losses since the war began have amounted to two million tons.

Not To Be Trusted . . .

It is becoming more and more evident as time passes that the Russian government is not to be trusted. The Oriental mind of Stalin works in devious ways, not always quite understandable to the Western European.

It looks to us as if the Russian dictator became worried at the British successes in Africa and the Greek successes in Albania and decided that this must be checked. It would not do to have the war end until both sides were really worn out and no longer a danger to Russian interests. So he encourages Germany to proceed with the conquest of the Balkans.

Bound To Be Bad Days . . .

So far as war news is concerned, there are bound to be bad days. We cannot expect to have all the advantages. Germany is a strong foe, full of strategy and absolutely without conscience. To deal with such a foe we have to be just as resourceful as they are and we must have the modern mechanized implements of war or we are bound to fail. This costs money and the money must be provided by the countries engaged in the war. That is why Canada is asked to do its part.

We shall have to get used to the pinch of war, something we have scarcely felt so far. The first pinch is the paying of heavy income tax. This may be followed by other taxes. At any rate the taxes will be continued more or less indefinitely so the only thing to do is pay and look pleasant.

Persistent Rumor . . .

The rumor persists that the British naval authorities are likely to swap the new battleship King George V. for a number of smaller craft more useful just now for acting as convoy vessels. It is only now and then that a battleship gets a chance to go into action and the big ships have to be protected against torpedoes by destroyers. It is also true that the United States navy is in need of a few more of these big ships so some action along the lines of a trade is not at all unlikely.

Helping To Pay . . .

The Canadian government is trying its best to get American tourists to visit Canada this coming summer and help us pay our war bills. If a million visitors cross the line to get a share of Canada's summer coolness they will bring a good many millions of dollars with them, thus helping to balance the exchange and at the same time leave us some money for war material. Prince Rupert people who happen to be writing to friends in the United States can help a little by letting the people know that war restrictions on tourists are almost nil.

TIES GAME IN HOCKEY

Boston And Toronto Fail To Break Deadlock In Crucial Contest

BOSTON, Feb. 19: (CP)—Boston Bruins extended their record for unbeaten games to twenty-two last night by playing a two-all overtime draw with the Toronto Maple Leafs in a crucial leadership contest. The Bruins, as a result, retain their single point advantage over the Maple Leafs. Jackson scored twice for Boston and Apps twice for the Maple Leafs.

In the second scheduled game last night New York Rangers defeated New York Americans five to two, the Rangers, as a result, assuming exclusive possession of fourth place ahead of the Chicago Black Hawks with whom they had been tied.

Tomorrow night Montreal Canadiens will meet the Maple Leafs at Toronto and Chicago Black Hawks will play the Americans and New York.

SMITHERS BONSPIEL

Major Curling Events Completed At Interior Town—Prince George Represented

SMITHERS, Feb. 19:—The Smithers Curling Club bonspiel came to an end on Monday evening when the rink took the lead in the finals for the shield and the District competitions, the Simpson rink winning the former and a Prince George rink the latter. The consolation contest had been settled during the afternoon when the rink skipped by R. C. Davidson defeated the J. P. Downey rink in that contest.

The rink skipped by Art Simpson met the Percy Davidson rink in the final for the shield and first prize, and the Simpson rink was victor in this game, which made four times that Simpson had won this trophy.

The Kollas rink from Prince George met the rink skipped by Len Evans of Smithers in the finals of the Intermediate which resulted in a win for Prince George, his rink putting on a fine exhibition of curling.

Altogether there were sixteen rinks in the contest, two of them being from Prince George, skipped by the old veterans Peckham and Kollas, and one from Telkwa skipped by Frank Doerkill, while the remaining rinks were all local.

Billy Little of Woodcock was missed from this year's contest for the first time in some years as he was not able to attend.

At the finish of the bonspiel the curlers all gathered in the Canadian Legion rooms where a smoker was held and presentations were made to the winning rinks of the Hanson Cup, the shield and the many other prizes that had been donated for presentation to the various winners.

This year's bonspiel marked the thirteenth annual event for the local club and was one of the most successful.

The ice was in perfect condition and the weather was just cold enough to keep it that way although it was bright, warm and sunny outside.

The visiting curlers departed for home on Tuesday morning expressing themselves as being very pleased and satisfied with the excellent sport and all round good time they had enjoyed during their short stay in Smithers.

Prince George Hockey Squad At Smithers

SMITHERS, Feb. 19:—The Prince George Hockey team is expected to arrive in Smithers this week to play a return engagement with the local team after the visit made recently by Smithers to Prince George.

The Smithers puck chasers were very successful in their trip to the interior, having collected two wins and a draw out of the three games played on pretty heavy ice.

It is hoped that the weather will hold fairly cold until the coming series here has been completed.

Licence Plates Being Collected

The Imperial Oil, on behalf of the Canadian Red Cross Society, is collecting old automobile licence plates for the utilization of waste material in Canada's war effort. The Motor Carriers' Association of British Columbia is picking them up in each city and town and sending them to steel and metal mills to be used in manufacture of bombers and fighting equipment. Cast-off licence plates may be left at any downtown garage.

PROGRESS REPORTED

Committees in Charge of War Savings Campaign Active and Preparing For General Canvass

At a meeting in the City Hall last night of the general committee having in hand the arrangements for the War Saving Certificate selling campaign optimistic reports were received. A sub-committee, consisting of Frank Derry and W. R. McAfee, reported that good progress was being made with the firms who are collecting through their employees. The work

is being continued and most gratifying results are being obtained.

W. M. Watts, general chairman, announced that canvassers of the business section were being chosen from the Senior and Junior Chambers of Commerce and from the Rotary and Gyro Clubs and the canvass would be completed before the house to house canvass commenced.

There would be a general meeting of all canvassers or helpers on Thursday of next week to arrange

definitely for the residential canvass.

Following the general committee meeting there was a meeting of the publicity committee under the chairmanship of P. H. Linzey at which arrangements were made for three minute-talks between shows at the theatre during the first week in March. Publicity cards are to be distributed and various publicity stunts are being planned. A prize of \$10 worth of certificates will be donated to the merchant putting in the best win-

dow display during that week. This prize is donated by a member of the committee as no deductions are allowed to be made from the money subscribed.

It was suggested that the canvass should be easy as people were not being asked to give anything. All they were asked was to invest their money at a good rate of interest.

If you want something, advertise for it. Hundreds of people get what they want that way.

APPEAL IS FUNDAMENTAL

An appeal which involves the fundamental basis of provincial taxation has been brought before the provincial court of revision of which John Dybavn of this city is judge by the Porter-Idaho Mining Co. Ltd. Citations are made of Court of Appeal rulings in the cases of the First Narrows bridge at Vancouver and the Queenstown Heights bridge over Niagara Falls in Ontario in which it was decided that, for purposes of taxation, such bridges came under the "scrap iron rule" by which they can be taxed only for such portion of their actual structural value as lies within the taxation districts concerned and not on the basis of a going concern as a whole. The mining company claims that its position is parallel, its property on the Marmot River near Stewart lying in two districts. The hearing of this appeal has been adjourned until March 11. W. O. Fulton is acting for the appellant and T. W. Brown for the defendant.

This was one of sixteen appeals before the provincial court of revision on this occasion. The others were merely of a routine nature and adjustments were made.

Terrace United Church Ladies' Guild held a tea and sale of work on St. Valentine's Day. It was well patronized. The weather was bright and sunny and numbers of ladies took opportunity to patronize the affair which was held in the Orange Hall.

WOMAN TO BE MEMBER

Mrs. Beatrice Rathbone, American Born, Expected to Get British Seat in Succession to Dead Flier Husband

LONDON, Feb. 19.—Another American-born woman is expected to be elected to the British House of Commons. She is Mrs. Beatrice Clough Rathbone who has been nominated as Conservative candidate to succeed her husband who was killed in action by anti-aircraft fire while serving with the Royal Air Force over Germany last December. The seat is that of Southeast Cornwall. In line with wartime policy, Mrs. Rathbone is expected to be returned unopposed. She was born in Boston and has lived in England for ten years.

Actress Seeks Arrest of Her Husband

HOLLYWOOD, Feb. 19.—Lillian Roth, well known screen actress, has asked for the arrest of her estranged husband, Eugene Reiner, on a charge of assaulting her with a deadly weapon. She alleges that he threw a telephone at her.
