NORTHERN AND CENTRAL BRITISH COLUMBIA'S NEWSPAPER

SOFIA-Reports were current here today that Russia, Bulgaria and Turkey would combine if any attempt were made by Germany to invade Bulgaria. Today had been rumored as the deadline for German troops to enter Bulgaria but it passed without any such entry.

COMBINE AGAINST GERMANY

RUMANIAN CIVIL WAR

LONDON-Reports are leaking out of serious internal disorders in many parts of Rumania approaching the proportions of civil war against Nazi domination. German military forces, it is expected, will be employed to quell the trowble. This is now believed to be the reason for the cutting off of communications out of Rumania during the past few days. Iron Guards are reported to have declared virtual war against the regime of Premier Antonescu.

GREEK NAVY AT VALONA

ATHENS-Greek warships entered the Adriatic, "Mussolini's sea," yesterday without meeting any Italian opposition and shelled the Albanian port of Valona. After pouring sixty rounds into the town, the Greek ships departed and returned to their home port uninterrupted. The Royal Air Force also pounded Valona again while on the various land fronts the Greeks scored fresh victories and took new positions, capturing further large quantities of food and materials. Thirty-five thousand Italian sick and wounded are reported to have been taken from Valona. Italian planes bombed Koritza today and killed or wounded 100 persons.

GERMANY NOT INTERVENING

ATHENS-Germany will not intervene in the Italo-Greek war nor does the Reich intend to alter the present peaceful relations with Greece, Premier John Metaxas is reported to have been advised officially from Berlin.

LITTLE BOMB DAMAGE

OTTAWA-An observer arriving in Ottawa from England says that damage to war industries in England by German bombing has been surprisingly small, averaging not more than five per cent. The aircraft manufacturing industry has not been interefered with any more than ten per cent.

DAYLIGHT BOMB RAIDS

LONDON-London, during daylight yesterday, had its most destructive Nazi air attack in weeks. It was of unusual length and severity. Not only did the enemy drop bombs but the planes also swooped low and engaged in machine gunning. However, the people took it very calmly and the attack did not interfere with Prime Minister Winston Churchill and First Lord of the Admiralty A. V. Alexander proceeding with an inspection of the damage. The city had a quiet bomb-free night last night as it did the night previous. Liverpool and Midlands towns were also visited by enemy raiders yesterday.

LONE RAIDER

LONDON-Two persons were killed, several injured and number of houses were damaged in an East Anglian town today by a lone German raider returning to the assault of Britain after the cold snowy weather balked both British and Nazi operations for the second successive nig.ht. Additional raiders were reported near Liverpool in the afternoon.

BRITISH RAIDED ELBASANI

ATHENS-British bombers raided the mid-Albanian base of Elbasani today through snow, sleet and rain, dropping heavy explosive and incendiary bombs on military supply buildings.

AUXILIARY VESSELS

HONOLULU-The Honolulu Star Bulletin said it had information that the Canadian-Australian liners Awatea and Aorangi were being withdrawn from the transPacific service to serve for military purposes. The paper said the Awatea was being converted into an auxiliary armed cruiser.

TRAIN EXXPLODED

BUDAPEST-The Explosion of a German munitions train, which crashed into another train on one of the three main lines from Hungary to Rumania damaged a large part of the town of Berettyo Ujfalu today and wrecked the tracks. The repairs will probably take weeks.

FENCE WITH HUGE ESTIMATED DEFICIT AT END OF YEAR—AID TO BRITAIN TO COME IN LATER MESSAGE

WASHINGTON, January 8.— President Roosevelt today asked Congress for seventeen and a half billion dollars in an unprecendented peacetime budget. He allotted ten billion dollars exclusively to national defence.

The President estimated the deficit for the year beginning in July 1 at nine billion dollars and foretold that the public debt would be pushed up to a record of \$58,000,000,000 by June 30 1942.

The budget made no provision for the cest of aid to Britain, Greece and China, this program to be covered in a subsequent appropriations request. Congressional leaders said the cost of this alone might eventually total ten billion dollars.

MOUR MOORE TAX

HOW? WHEN? WHERE?

MHO 3 HOM WACH 3

THIS YEAR, almost every man and woman in Canada will share the burden of paying for the war. A million new taxpayers will pay who never paid before. A personal budget payment plan is available to old taxpayers who are faced with substantially increased income taxes.

Canadians are asked to shoulder their share of the war effort cheerfully and willingly. By paying your income tax regularly you help to speed the production of war material, and bring the day of victory closer. Figure out how much tax you will have to pay, and arrange to pay promptly when due.

Pay by instalments-the easy way-and save interest.

Cut out this page and keep it for future reference.

WHO PAYS INCOME TAX?

> If you are a single person without

dependents, and your income in 1940 was more than \$750.00 you pay general-income-tax.

If you are a married person without dependents, and your income in 1940 was more than \$1500.00 you pay general-income-tax.

If you are a married person with children, you are allowed \$400.00 exemption for each dependent child or grandchild, in addition to the \$1500.00 exemption.

NOTE: In addition to the general-income tax you pay National Defence Tax on your total income without any exemption if you are single and your income goes over \$600 or if you are married and your income goes over \$1,200.

HOW DO YOU PAY?

Your income tax may be paid in the following ways-

1. The Present Method: At least one-third of the tax to be paid by April 30th, the balance, with interest at 5% from April 30th, to be paid by August 31st. On any balance unpaid after August 31st, the interest rate will be 8%.

2. The Proposed Method: In 8 monthly instalments without interest. To take advantage of this new way of paying, the first instalment must be paid on or before January 31st. You must pay at least one-third of the estimated tax in four equal monthly instalments, in January, February, March and April, i.e. 1-12 of the estimated tax in each of the said 4 months. The remaining two-thirds must be paid in four equal monthly instalments in May, June, July and August, i.e. 1-6th of the estimated tax in each of the said 4 months. (This will be in the amended law.)

3. The Recommended Method: This method will not be found in the law but it is a simple method, namely, in eight equal monthly instalments, without interest, commencing in January.

To take advantage of the monthly payment plan without interest each payment must be made on or before the due dates. Otherwise interest will be charged on the total balance remaining unpaid after April 30th.

If your estimated tax is \$60.00 you pay one-third of the tax (\$20.00) in four in-

Before Before Before Before Before Before Jan. 31 Feb. 28 Mar. 31 April 30 May 31 June 30 July 31 Aug. 31

However it is recommended that you pay your tax

Income Tax.

Your net taxable income is the amount left after you deduct exemptions

will ensure accurate and proper allocation of your payment. However, you can send in your instalments by ordinary letter with your name and address plainly stated thereon, clearly indicating the division between / Provincial and Dominion Tax payments.

HOW MUCH DO YOU PAY?

The general-income-tax is payable on your net income less exemptions.

If you are single, your exemption is \$750.00. Thus if your total income is \$1,000.00 you must pay tax on \$250.00.

The exemption for a married person is \$1,500.00 plus \$400.00 for each dependent child or grandchild. Thus if you are a married man with two children and a total income of \$2,600.00 your total exemptions are \$1,500.00 plus \$400.00 for each child, or \$2,300.00 in all. So you pay tax on \$300.00.

Payment: You may send a cheque, Post Office or Money Order in payment of income tax by mail, to the Inspector of Income Tax for the District in which you reside, made payable to the Receiver General of Canada. Write plainly, and give your name in full, so that mistakes in crediting may be avoided. Do not send money or postage stamps in envelopes.
