Possibly we will have to put on a few extra tallymen to count his score in October.

Coldwell Expected - - -

M. J. Coldwell, leader of the C.C.F., is expected to visit British Columbia and campaign for the party a few weeks prior to the provincial election. We hope he comes to Prince Rupert. We have great respect for Mr. Coldwell and, while we may not always agree with his views on public questions, he seems to be a fairly sane leader.

Think City Beautiful - - -

A number of recent visitors from various parts of the world have been expressing the opinion than Prince Rupert is a beautiful city. It is beautiful in spite of its imperfections. It has a splendid setting and might be even better if all residents co-operated to improve it. Gardens, boulevards, and lawns might be made to fit in with the surroundings and better kept. All that is needed is for each to take a keen interest in his own and his near neighbor's frontage.
