Provides Very Useful Propaganda Against Nazis-Berlin Says He Has No Secrets-Bevin Speaks

PREMIER RESERVES STATEMENT LONDON, May 15: (CP)-Prime Minister Winston Churchill told that he would report at the first duty. opportunity on the incident of Rudolph Hess' landing in Great Britain from Germany but he

would "be guided in the selection of that opportunity" by the publ-

lie interest. Meanwhile Rt. Hon. Ernest Bevin, minister of labor. declared his belief that Hess flew to Scotland with the full knowledge of Chancellor Adolf Hitler." "From my point of view Hess is a murderer." Bevin said. adding that he was not going to be deceived by a flight which he

had tried over and over again by "totalitarian gentlemen and communists." The aims and obects of the "murderous mission" had not vet been disclosed. Bevin said. Hess was a murderer that no man should negotiate with.

The affair continues to be a principal topic of discussion and peculation. A new report today was that Hess had left Germany with the full knowledge of Adolf Hitler. Another theory was that he had broken away as a hopeful messen- ger of peace, thinking that, with the assistance of his friend. the Duke of Hamilton, on whose estate he landed, he might be able to successfully bring about a negoti- ated peace between Britain and Germany. Three months ago, it is now dis- closed, He is wrote to Hamilton by way of Lisbon urging that an end be brought to "this lunatic war."	Force bombing has been causing much distress in the Reich and there i great privation among the civilian population. Hess' wrecked plane is being reassembled and will be exhibited in London next week. "Something Tremendous" In Berlin it was said today that "something tremendous" was about to happen which would completely blot out the Hess incident. High German sources were in- clined to dismiss the whole af- fair, saying that Hess was a "poli- tical incompetent" although neith- er a traitor or turncoat. Official Berlin disavowed any peace pro- posals Hess might make in Britain. At least one British cabinet of- ficial has already seen Hess. Means No Good A highly placed American in London declared today that. what- ever the purpose of the Hess flight, it is a threat to Great Britain. Another highly placed United States "ource was quoted by As- sociated Press as saying the Hess incident had created the possibil- ity of false optimism which might	Fernland, .01½. Francoeur, .38.
