Everybody-Berlin Says German Patience Has **Reached Breaking Point**

BELGRADE, April 1: (CP)- Government circles said today that the YugoSlav government was seriously considering joining Soviet Russia and Turkey in a neutrality declaration. Such a declaration is said to have been proposed by the Soviet but ignored by Regent Prince Paul who was ousted last week for his activities in endeavour-

FD ing to tie the nation up with the

It was stated in high official circles today that Premier Dusan Simovic was endeavouring to maintain peace with his neighbors, particularly Germany. At the same time he was still moving to heal the rift between Croats and Serbs. Output Far Ahead Of Last Year An official communique by the YugoSlav government expressed regret at recent anti-Axis demonstrations. Meantime there is no
