ATTACK ON BRITAIN LIGHT LONDON—German bombers attacked an East Anglian town last night, killing seven persons and injuring a number of others.

ADVANCING SPEECH IS ON BAGDAD IMPORTANT

Fighting Will Continue In Iraq, However, As Long As Nazis Control Oil Fields

ANKARA, May 27:—British forces are continuing their steady advance from Basra towards Baghdad, the capital of Iraq, and they were reported last night to be only fifteen miles away.

The Prime Minister said that in the battle for Crete, the British Mediterranean fleet had suffered the loss of two cruisers and four destroyers.

Mr. Churchill added that reinforcements were being rushed to General B. C. Freyberg the British commander in Crete.

The Prime Minister predicted that the new Nazi cruiser Prince Eugene, accompanying the Bismarck, would be intercepted.

Torpedo planes from the aircraft carrier Ark Royal, backed by ships of the Atlantic fleet, sent the Bismarck to the bottom at 11 a.m. today in stern revenge for the sinking of H.M.S. Hood.

The Bismarck sank with some 1300 men, the German Admiral Gunther Luetjens and about one-quarter of Germany's known capital ship strength.

The coup de grace was delivered after the Bismarck was severely damaged by torpedo after torpedo had been hurled into her vitals by fleet air arm planes, said the First Lord of the Admiralty, Rt. Hon. A. V. Alexander, in a luncheon address.

Hon. J. G. Gardiner Quits National War Services To Devote His Entire Time To Agriculture

BRAMPTON, Ontario, May 27: (CP)—Hon. James G. Gardiner announced today at a war auction sale his retirement as minister of national war services to devote his entire time to the federal department of agriculture.

Weather Forecast

General Synopsis—A rather weak disturbance northwest of the Queen Charlotte Islands is moving southeastwards. It has been mostly cloudy and mild on the coast with light showers in the north.

WORLD AWAIT'S MOMENTOUS TALK BY PRESIDENT FRANKLIN ROOSEVELT THIS EVENING

WASHINGTON, D.C., May 27: (CP)—On the eve of a momentous pronouncement of governmental policy in regard to the European war situation President Franklin D. Roosevelt today asked Congress for \$3,000,000,000 in appropriations for additional airplanes.

A statement issued today by Stephen P. Early, presidential secretary, indicated that President Roosevelt would put the United States government on final and decided record in regard to the war.

The speech will probably be the most important the chief executive has ever made.

Among other things, more full and more effective aid for Great Britain is expected to be demanded.

The President had been at first scheduled to speak for half an hour but the time has been extended from half to three-quarters of an hour.

The time of the President's speech will be from 6:30 p.m. until 7:15 p.m. Pacific Standard Time.

Follow The Torch . . .

Prince Rupert has sent a torch to Great Britain promising that she will do her part in providing the sinews of war for the present year. Next week canvassers will be out taking applications for Victory bonds designed to provide the money with which to pay for the building of ships, airplanes, tanks and ammunition and quantities of other war material and food for the use of the people in Britain and for the Canadian army, navy and air force.

This week all those who have money in savings banks and current accounts are asked to consider carefully how much they can possibly devote to purchase of bonds. On these bonds the government will pay twice as much interest as the banks are paying and, if it becomes necessary to raise money at any time, the bonds can be sold on the market or used as bank collateral.

Most people will be anxious to help the cause in such an easy way. They will buy to the limit. Some few will try to find excuses why they should keep the money in the bank.

Sinking Of H.M.S. Hood . . .

While the sinking of the battle cruiser Hood will prove to be a loss to the British navy the sinking of the vessel in waters contingent to the American continent is likely to help arouse the American people to the dangers of the present situation. If Germans can send their warships into American waters in such a time as this what may they not do if their present opposition is absent?

We are not suggesting that there will come a time when there will be no European opposition to Germany. We believe that the American nation will steadily increase its support to the allied cause until it eventually goes all out against Hitler. We have no idea that we shall lose this war. We believe we shall win and probably within a year from now. All we suggest is that the sinking of the Hood will prove to be one of the strongest arguments in favor of United States help to Britain.

Spinach Spooky About Weddings

BOSTON, May 27: (CP)—Don't serve spinach at a wedding, because "greens are food for pixies and forest sprites make mischief at weddings."

This is one of many bridal superstitions and stories gathered by Claudia de Lys, who is compiling an encyclopedia of folk-lore.

The wedding ring she says, is the symbol of eternity—a circle. The diamond was first used in the betrothal ring because its mysterious sparkle was thought to be the fire of love. Also the diamond never wears out.

CARDINALS WIN AGAIN

St. Louis Going Strong In National League With Brooklyn Dodgers—Two-and-Half Games Behind

CHICAGO, May 27: (CP)—St. Louis Cardinals, continuing their long winning streak, edged out with a 12 to 11 victory over Chicago Cubs in eleven innings yesterday. The runner-up Brooklyn Dodgers won over the Phillies and are now two-and-a-half games behind the Cardinals. The Cincinnati Reds, now leading the second division and not far below the Chicago Cubs, defeated Pittsburgh Pirates in a night game.

In the only American League game yesterday the Detroit Tigers held on to third place by beating the league-leading Cleveland Indians.

Yesterday's Big League scores:

National League
St. Louis 12, Chicago 11 (11 innings)

Go To Ball Game? First Read This

Don't Embarrass Your Boy Friend By Calling It A "Touchdown"

NEW YORK, May 27: (CP)—You will be a lot better company at the baseball game if you can talk baseball with your escort, especially if he is a real baseball fan, says "Common Courtesy" writing for women.

That means calling a shortstop a shortstop, and a single a single. Hit-or-miss talk won't make the grade. You can pick up a working knowledge of baseball terms by listening to fans around you, or by reading the sports pages.

If you must be an attention-getter, try to find some way other than by injecting alien subjects into the baseball talk, by jumping up from your seat at the lightest excuse, by waving furiously at a friend a hundred seas away, or by wearing your lovely, mile-wide picture hat.

The woman who draws favorable attention at baseball games follows the plays, yells at the right time, dresses sensibly and makes her escort and his neighbors feel that he is a lucky guy to have such an enjoyable companion.

Usually Brides Help Buy Rings

About 75 Per Cent Get Engagement Rings These Days, It Seems

NEW YORK, May 27: (CP)—Sentimental June weddings are likely to be a bit more expensive than the casual kind, what with lacy veils and diamond rings and multiple

bridesmaids, but nobody seems to mind.

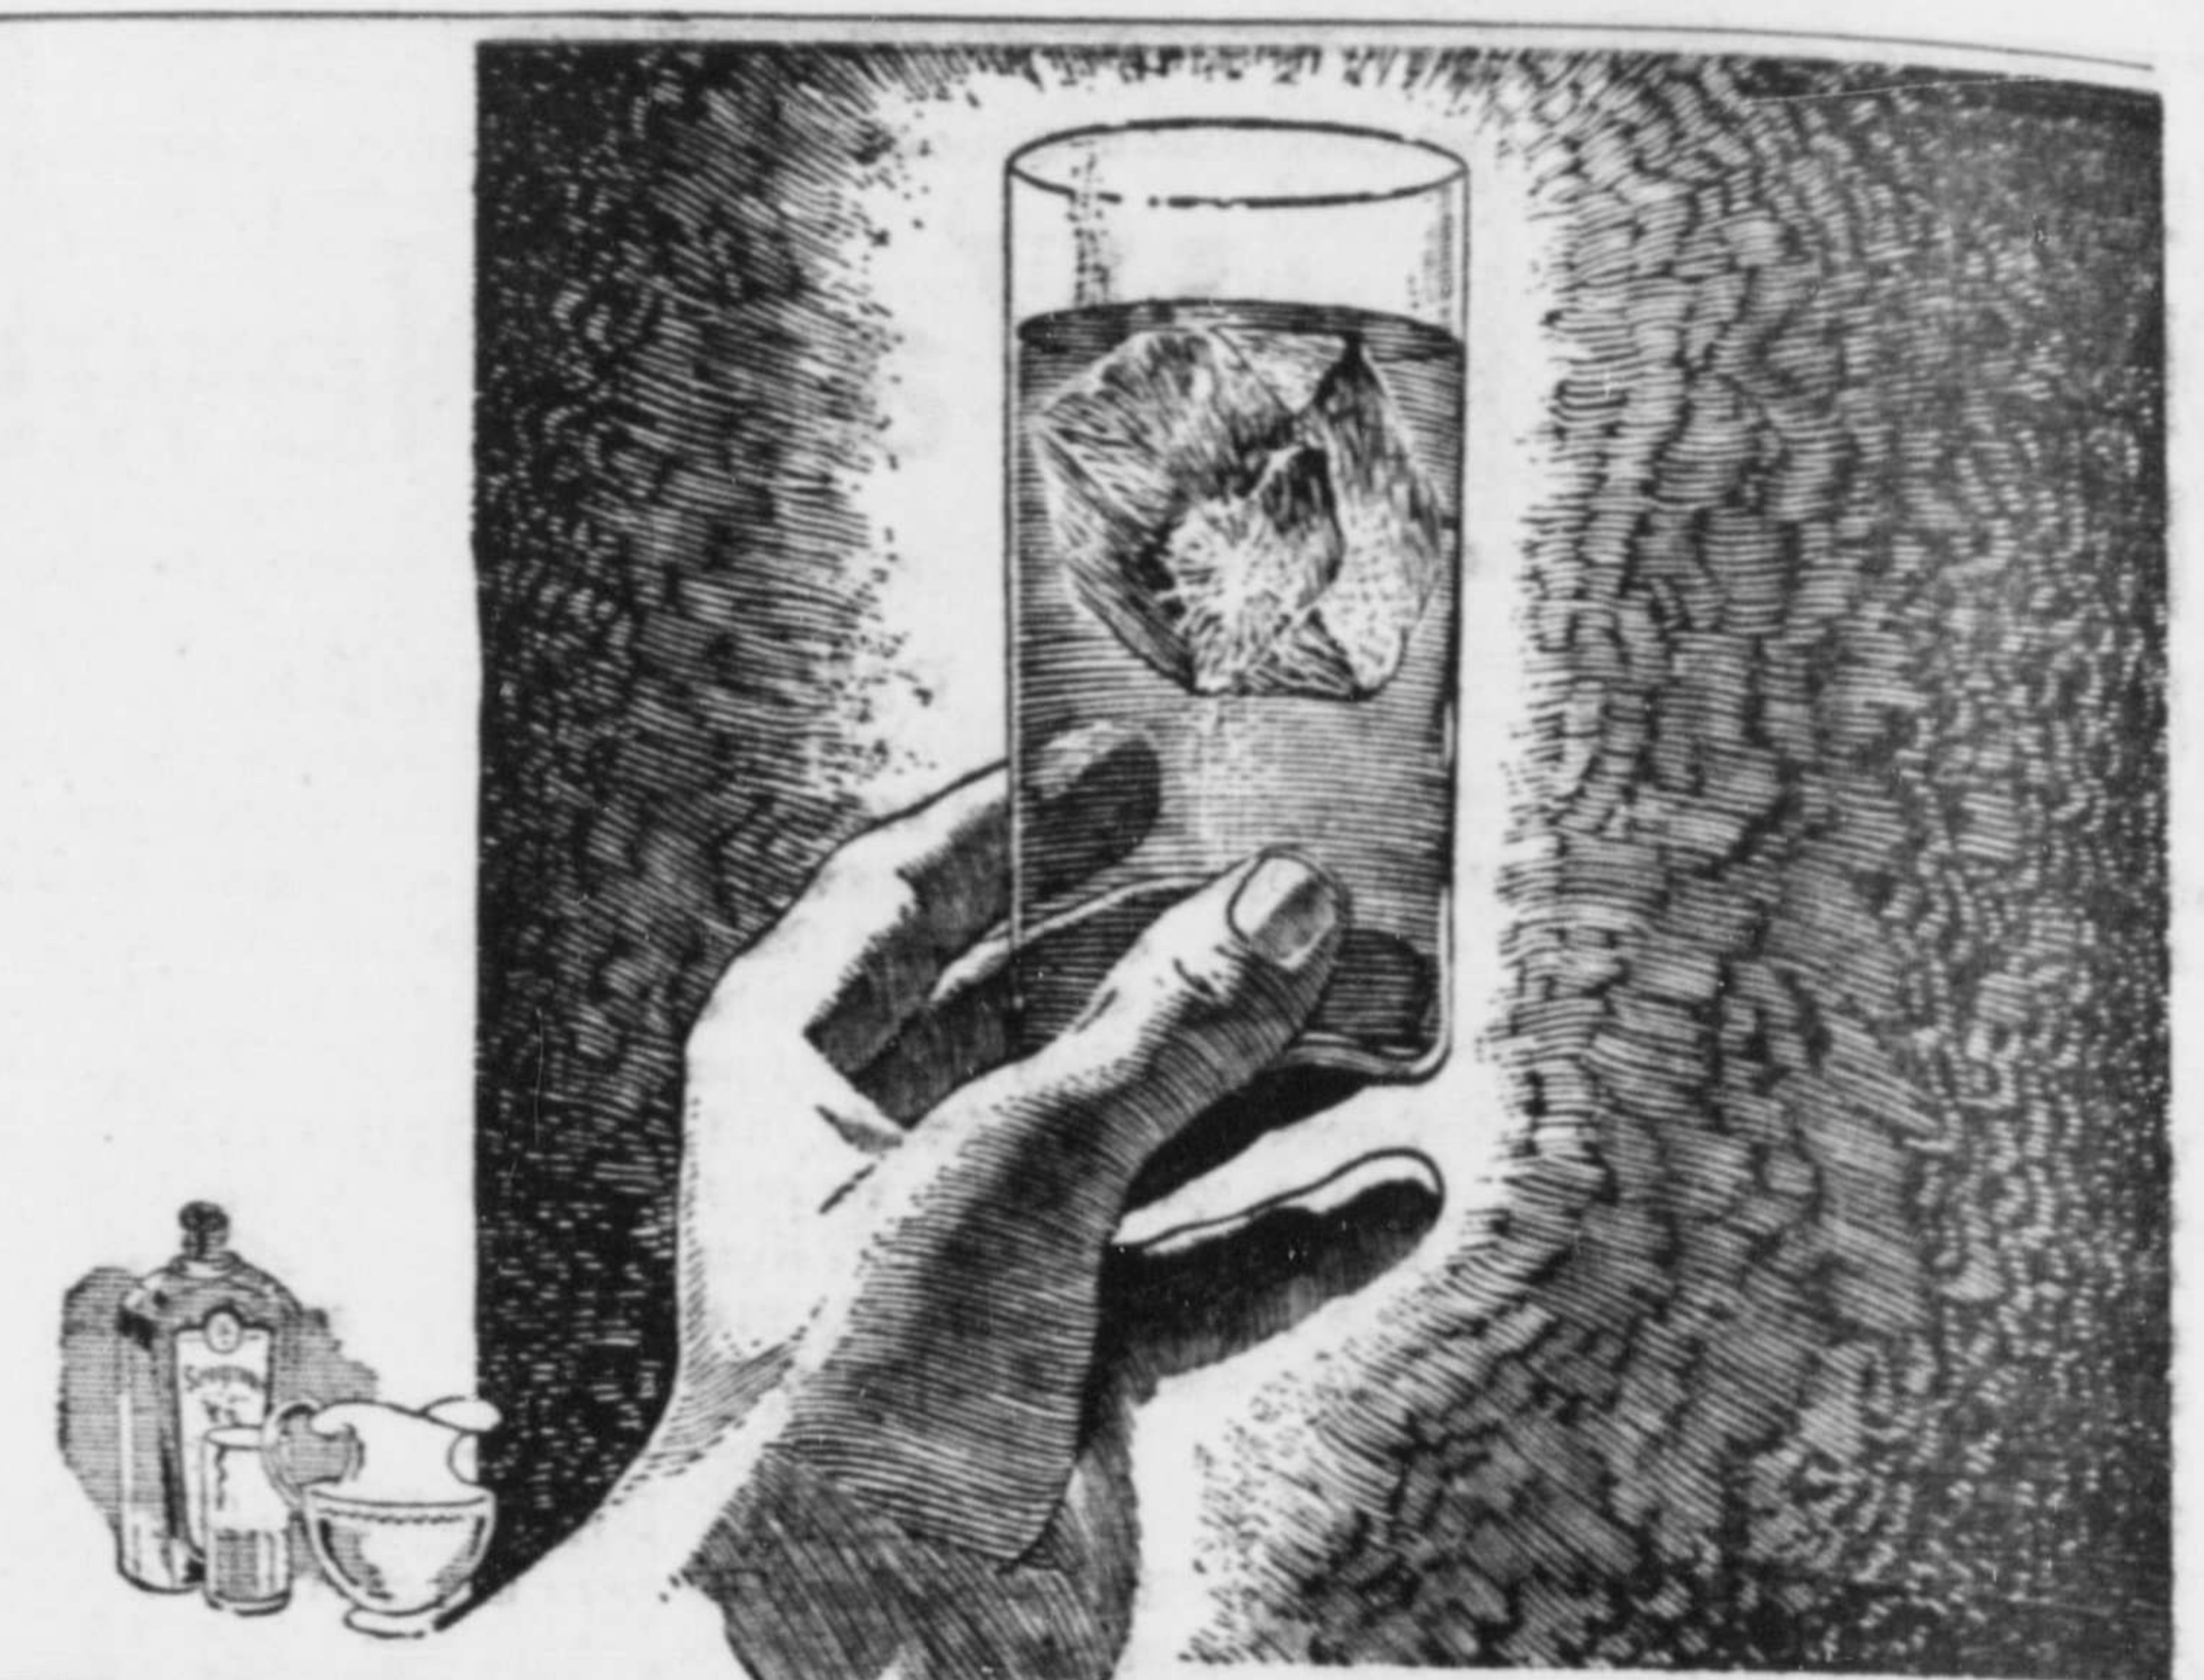

About 75 per cent get engagement rings. The engagement ring isn't necessarily expensive. A survey of jewelers shows that about half of all engagement rings are priced at \$50 or less. Only once in five years do the jewelers find a bridegroom willing and able to buy a \$100,000 ring.

Wedding bands, too, are sentimental once again after about ten years of severity in styling. New ones, made of gold or platinum, are

elaborately carved and often with diamonds. Engagement rings and wedding band often are selected at the same time, in related styles—and usually the bride helps with the selecting.

BAND IS ON TOUR

Rocky Mountain Rangers Musical
Organization Visiting Number
Of Interior Points

To carry out a tour of the Kamloops and North Okanagan area in support of the Victory Loan campaign, the Rocky Mountain Rangers band left on last evening's train for the interior.

The itinerary of the band's trip is as follows:

Leave Prince Rupert, via Cana-

dian National, at 6 p.m. on Monday, May 26.

Arrive Prince George at 4:50 p.m. on Tuesday, May 27, and remain there until 5:00 p.m. on Thursday. (The longish stay at Prince George is required because train service on the Red Pass-Prince Rupert line is on a tri-weekly basis).

Arrive Kamloops at 10:40 p.m. on Friday, May 30 to take part in the Riverside Park patriotic service on Sunday, June 1.

Leave Kamloops at 5:15 a.m. on Monday, June 2.

Arrive Kelowna at 10:40 a.m. Monday.

Leave Kelowna at 5 p.m. on Monday or Tuesday. (This depart-

Election Of Government Supporter

ADELAIDE, South Australia, May 27: (CP)—The election of the government candidate, Dr. Grenfell Price, to Boothby seat in the Australian House of Representatives has been confirmed after a by-election which attracted nationwide interest because it determined whether or not the government should retain a majority in the House.

FUNERAL HELD TODAY

The funeral of the late Gerald Alfred Johansen, fisherman of many years standing here, who died Sunday, took place this afternoon from chapel of B. C. Undertakes to Fairview Cemetery, Rev. J. H. Myrswang, pastor of St. Paul's Lutheran Church, officiated and Mrs. Myrswang presided at the organ to accompany the hymns.

Arrive Vernon at 6:30 p.m. on Monday or Tuesday.

Leave Vernon at 6:35 p.m. on Tuesday or Wednesday, June 3 or 4.

Arrive Kamloops at 10:30 p.m. on June 3 or 4.

The schedule is tentative insofar as the Okanagan tour is concerned.

There is no information as to how long the band would remain in Kamloops after its return from the Okanagan and before its departure for its station at Prince Rupert.

Q. C. CITY

Dr. and Mrs. Duncan McGill returned home at the end of the week from a short trip to Vancouver. Accompanied by their small daughter, Heather, they had left on the Camosun the previous Sunday.

The Ladies' Auxiliary to the United Church held a business meeting recently in the church. Renovating of the Manse adjacent to the church is being carried out prior to the arrival of the newly appointed minister. The house was inspected and found to be badly in need of repair and papering. It was decided to engage A. Roberts to do the necessary repairs to the walls and ceilings and to hold a bee to do the painting and kalsomining. The setting of the date for the bee was left until the next meeting of the Auxiliary. To raise funds for this work and material the ladies served tea and sold novelties at a celebration at Second Beach on May 24.

Mrs. Andrew Christensen was hostess to the Rug Bee Club last Thursday. Tea was served at the dainty table decorated with spring flowers. Members of the club include Mesdames Christensen, Harry Beaven, Emily Sze, B. A. Munro, George Chastaney, Gordon Joliffe, Ed Olsen, Bert Roberts, George Pitt Turner and Oscar Hill.

Mrs. Len Longacre was hostess recently at a tea in honor of the wives of employees of the Pacific Mills camp. Her guests included Mesdames George Blomgren, James Carstairs, George Fife, G. Wilcox, W. Nyblom, Oscar Hill. Assisting in serving was Mrs. Longacre's mother, Mrs. Overington of Vancouver, who is making her home with her daughter.

Mr. and Mrs. Mike Anderson had a jolly housewarming party in their new home last week. There were guests from Queen Charlotte, Skidegate and Skidegate Mission. Mr. Anderson who is a successful troller, will be leaving for the fishing grounds in the near future.

Mrs. M. H. McLean and sons of Port Edward called this afternoon on the Catala for a visit to Vancouver.

F. T. Applewhaite of Stewart is having a brief business visit to the city. He arrived on the Catala today from the north and will return to Stewart on the Prince Rupert tomorrow afternoon.

WOULD BAR JAPANESE

Queen Charlotte Fishermen Would Exclude Them From Industry

QUEEN CHARLOTTE, May 27.—A meeting of fishermen held on Thursday last at Queen Charlotte City protested the influx of Japanese in the fishing industry. A resolution as follows was passed:

"Whereas a large number of Japanese fishermen has come to the Queen Charlotte Islands and has commenced fishing in the waters adjacent to the aforesaid islands for dogfish and halibut;

"And whereas we are led to believe that a crew of Japanese laborers and carpenters will soon arrive at Skidegate to build a fish cannery and later to be employed as cannery workers;

"And whereas the greater number of resident fishermen who have fished in the aforesaid waters for the last thirty years are the pioneers who have developed the commercial fishing industry and have established their homes and communities on the aforesaid islands with the firm belief and faith that these fisheries will belong to the people of Canada and that the security of the aforesaid fishermen will be safeguarded according to our democratic way of life;

"And whereas in the past six seasons the white fishermen and the Indian fishermen have found it difficult to earn an adequate living in an already overcrowded and overfished industry;

"And whereas the salmon catches have fallen off fifty percent and the fishermen have, therefore, been forced to go into halibut fishing, dog fishing, clam digging or to find part-time employment in the logging industry, or even to be reduced to dependence on relief;

"And whereas this meeting views this additional influx of Japanese fishermen as a serious threat to an already overcrowded industry which will further lower the earnings of the white and Indian fishermen or perhaps force them to abandon the fishing industry altogether;

"Therefore be it resolved that this meeting shall suggest that the duly authorized authorities to demand immediate attention to the enactment of regulations which will preserve the fisheries of Canada for Canadian people;

"And further be it resolved that this meeting be issued for all branches of fisheries and that the aforesaid licenses be limited to British subjects who are actively engaged in the fishing industry and thus that no Japanese be permitted to fish or to settle on or around the Queen Charlotte Islands.

IN THE SUPREME COURT OF BRITISH COLUMBIA IN PROBATE

In the Matter of the Estate of John William McKinley, Deceased, late of the City of Prince Rupert, British Columbia, who died on December 1st, 1940.

Pursuant to the provisions of Section 26 of the Trustee Act of the Province of British Columbia I hereby give notice that on the 25th day of April 1941 my appointment as Executor of the Estate of the late John William McKinley, Deceased, was confirmed by Letters Probate issued out of the Supreme Court of British Columbia, and that all persons indebted to the said Estate are required to pay the amount of their indebtedness to me forthwith and all persons having claims against the said estate are required to file them properly verified with me on or before June 15th 1941 failing which distribution shall be made having regard only to claims which are in my hands.

PREMIER CONTEST

Officials Back in City After Attending First Aid Competitions There at Week-End

James Dickson chief inspector of mines for British Columbia, Charles Graham, inspector of mines at Prince Rupert, and G. G. Edwardson of Victoria, provincial secretary of the St. John's Ambulance Association, arrived in the city on the Catala today after having been at Premier in connection with the annual competition of the Portland Canal First Aid and Mine Safety Association. Mr. Dickson is going through to Victoria on the Catala. Mr. Graham and Mr. Edwardson disembarked here. The latter will proceed to Hazelton and other interior points on Wednesday evening's train.

It was in this competition at Premier that the Prince Rupert team won the novice event and came a close second in the senior. The local team made the trip north on the service boat P. H. Phippen, returning home at 10:15 Sunday night.

The judges were H. Lane, S. Reid, G. G. Edwardson, E. T. Applewhaite, Dr. W. S. Kergin, Dr. Cook and James Dickson with Charles Graham as timekeeper.

The local novice team consisted of Gordon Blank, captain, H. Wallace, Hugh Mackenzie, N. S. K. Brewer and S. A. Cheeseman.

The Prince Rupert senior team comprised Thorndyke, Graham, Captain, Gordon Blank, H. Wallace, Hugh Mackenzie and S. A. Cheeseman.

The third event in the Stewart competition was that for junior boys in which Premier was first and Stewart second.

Contests at Premier

The contests were held at Premier mine on Saturday afternoon and competing teams were entered by Premier, Big Missouri and Stewart. The entry of Prince Rupert marked the first occasion since Anvok closed in 1935 that a team outside of the Portland Canal district had taken part in the competition at Premier.

The competitions opened with the Junior boys' event which was won by Premier with Stewart coming second.

Then the novice event was staged in which Prince Rupert won the Asseltine Cup with Premier coming second.

After a mine rescue team gave an exhibition of its work, the senior event for the Department of Mines Cup was held. This was very closely contested and was watched with interest by a large crowd. Premier No. 2 team took first place to capture the trophy. Prince Rupert being a very close second.

A novel item was the rescue of a

Well Entertained
The local team reports accorded a hearty welcome. Premier, the reception being appreciated. The visitors were conducted on a tour of the shaft mill. A splendid banquet was served the members of the teams in the mine mess hall. Winners being announced and prizes presented at this time. Speeches much to the point given by the judges who analyzed the work of the competing teams, giving praise where due as well as offering constructive criticism. The judges and stressed the point that a real knowledge of first aid was necessary to men and women in walk-of-life. First aid saves their efforts, prevent many and save lives. The speakers for that next year women's would also be entered in competition. Apart from the trophies were cash prizes in the form of savings certificates.

Members of the Prince Rupert team acknowledge that their measure of success in the competition at Premier was largely due to instruction of Angus Macdonald and to Thorndyke, Graham, team captain and coach, who voted much time to perfect transportation arrangements supervising the preparatory work of the two teams.

WOULD YOU GET ME THIS C.C.M. NOW, DAD, AND IF I DON'T PASS YOU MAY TAKE IT BACK

BOYS here's a sporting offer to put up to your Dad and ten chances to one he'll accept it and Presto!—you'll have a brand new C.C.M. Bicycle right away.

This is a real good proposition for both you and your Dad because it will be the means for your Dad to encourage you to study hard and to pass and it will make you really want to study.

Get a C.C.M. Catalogue as soon as you can and, after looking it over and deciding which model you want, proposition your Dad like the boy in the picture.

Be sure you go to a C.C.M. dealer as he is authorized to operate this sporting offer. Then, too, a C.C.M. is the make of bicycle every boy and girl wants because they are so smooth riding and easy to pedal. They last much longer, too, because of the great accuracy used in the machining and fitting of the fast-moving parts—the front hub, the main sprocket-hanger and the C.C.M. Coaster Brake.

In the catalogue you will find illustrated several models from which to choose, from the sturdy C.C.M. delivery to the beautiful lightweight road racer.

All C.C.M. Models have tubular steel frames! rustless steel spokes, bright parts chromium-plated over C.C.M. 20-year nickel and Dunlop Tires.

Boys, try this on your Dad and here's good luck!

- C.C.M. STRONG FRONT HUB**
Built of hardened steel with stout axle and accurately machined and hardened ball-races to give years of smooth and easy running.
- C.C.M. COASTER BRAKE**
An improved brake by C.C.M., faster in forward clutch-action, more powerful in its smooth, quick stop than any of its predecessors. Built of super-strong, hardened steel to meet the needs of today's cyclist.
- C.C.M. HANGER**
The parts of this most important section of a C.C.M. bicycle are machined, hardened and finished with extreme accuracy so that you may get the most out of your pedalling action.
