Observer Describes Big Day in Cabinet Minister's Visit To Canadian Army In Training Overseas

By WILLIAM STEWART (Canadian Press Staff Writer)
SOMEWHERE IN ENGLAND, Oct. 23 (CP)—One of the high-spots of any prominent Canadian's visit to wartime Britain is a tour of busy Canadian Army camps and training grounds. Such a visitor sees Canadian soldiers running through assault drills, route-marching, working out under live ammunition. Nowadays he sees

DESPERATE FIGHT FOR STALINGRAD

Germans Hurling Huge Force Against Key Russian City in Order to Beat Winter

MOSCOW, Oct. 23.—With the Germans still using twenty-two divisions as they try desperately to win the city before winter finally sets in, the siege of Stalingrad is in its sixtieth day today. The Russians continue to regain the initiative as the Nazis endeavour to barricade themselves in ruined buildings.

Marshal Simeon Timoshenko's forces are reported today to have taken an important position north-west of the city.

Newspaper Red Star says the Germans are using fifteen infantry divisions, four tank divisions and three motorized divisions—all numbering about 250,000 men—in the effort to bring about the fall of Stalingrad. Five hundred tanks, 193 machine guns, one hundred trench mortars and 700 to 800 planes have been thrown into the onslaught by the Nazis.

The enemy have lost from sixty-five to seventy-five percent of the men and machines with which they started in on Stalingrad but have brought up reinforcements.

BACKS LIFE WITH STAKE

Jimmy Jones, Young Trapper and Herder of Northland, Now in Navy Here, Puts Another \$1,000 in Victory Bonds

James Lee Jones, in civilian life a trapper in the Eskimo Lake country of the Northwest Territories, one hundred or so miles north of Aklayik, and now serving in the Navy out of Prince Rupert, called on D. G. Borland, manager of the Capitol Theatre and one of the Gyro Club's canvassers in the Third Victory Loan campaign, to make a \$1,000 subscription for bonds. It was one of the most interesting bond applications that has so far come to light. The circumstances were somewhat unique.

Hearing of the Japanese attack on Pearl Harbor December 7 last by means of radio news bulletins, the twenty-four year old Jimmy Jones decided it was time for him to leave the northland and get into the fight. Born in the Athabasca country, he had been outside only twice before in his life. Cleaning up his season's catch of furs, he came out of the north by plane and enlisted in Vancouver. In the Victory Loan campaign of last spring which coincided with the time of his enlistment, he took out \$2,000 in Victory Bonds.

Thus he backs up his personal services for his country with his own cash, accepting it as the sensible and obvious thing to do.

During his lifetime in the north, Jimmy, as fine a specimen of manhood as to be seen in His Majesty's services, has been reindeer herder as well as trapper.

Mrs. Roosevelt Is In Britain

LONDON, Oct. 23 (CP)—Mrs. Eleanor Roosevelt has arrived in Great Britain as the guest of the King and Queen "in order to gain first-hand knowledge of British women's war activities and to visit United States forces in Britain," it was officially announced today.

OFFENSIVE IS SEIZED

Tide of War Between China and Japan Turned, Chungking Suggests

CHUNGKING, Oct. 23.—The war with Japan is turning from the defensive to the offensive as far as the Chinese are concerned. Supplies are now rolling into China from her allies by new roads replacing the Burma route.

BIG NAVY UNIT OUT

Powerful British Battle Squadron Is Said to be in Indian Ocean Now

LONDON, Oct. 23 (CP)—The presence of a powerful British battle squadron in the Indian Ocean, including at least three battleships and the aircraft carrier *Illustrious*, was disclosed authoritatively today as a sequel to General Sir Archibald Wavell's declaration that Burma must be retaken from the Japanese.

The squadron was said to consist of the battleships *Warspite*, *Royal Sovereign* and *Resolution*, presumably in addition to a large force of cruisers and destroyers, all under command of Admiral Sir James Somerville, formerly commander in the western Mediterranean.

QUANTITY CUT DOWN

United States Now Stressing Quality and Strength of Tanks and Planes

WASHINGTON, D.C., Oct. 23 (CP)—President Franklin D. Roosevelt disclosed today that the administration, in the light of battle experience, is cutting down on the volume of tanks and planes so far as the number is concerned to emphasize greater power and strength.

Tank production, the President said, is falling short of the goal set for 1942 but the same amount of steel is going into these land fighters.

Similarly, the goal of 60,000 planes this year will not be reached but there is great emphasis on their hitting power and range. New production figures are a military secret.

STALINGRAD HOLDS AMID NAZI-MADE FIRES

This photo of a section of Stalingrad on fire, reached this country in a round-about way. It was taken from a Nazi bomber high above the city, and shows something of what the stout-hearted Russians are facing in their defence of the Volga city. It is one of the first pictures to show Stalingrad under siege. It pictures the Volga at the top with much of the city hidden under a pall of smoke.

Steamer Cardena Badly Damaged In Collision Down Coast With Tug; Gaping Hole in Port Side

VANCOUVER, Oct. 23 (CP)—The Union Steamship Co's liner *Cardena* limped into port today with a gaping hole in her port quarter following a collision with the coast near Port Hardy with a tug. All passengers had to be removed in lifeboats but arrived here unhurt aboard another vessel.

The bows of the tug were damaged and the *Cardena's* quarter was badly punctured in the collision which took place Wednesday night on the inside channel between Vancouver Island and the mainland.

The *Cardena's* crew, none of whom were hurt, remained aboard as a boat came out from shore and towed the passenger-filled lifeboats ashore.

The passengers will proceed north on another ship.

POST-WAR RELATIONS

Thoughtful and Interesting Address Delivered Before Prince Rupert Rotary Club

Permanent solution of the great problems that will follow the war must be based on fundamental principles of human relations, declared Rev. John Wright, president of the convention of Baptist Churches of British Columbia, who was the speaker yesterday at the weekly luncheon of the Prince Rupert Rotary Club. Mr. Wright's subject was "Vision Splendid." He discussed problems that might be expected to arise after the war and cited some outstanding public men and writers and their views. The address proved of much interest.

A. S. Nickerson was in the chair in the absence of President George C. Mitchell.

Winner of the weekly raffle of a War Savings Certificate for the Queen's Fund was Norman A. Watt.

Victory Loan Looks Better

OTTAWA, Oct. 23 (CP)—Victory Loan subscriptions reached a total of \$196,682,600 during the first four days of business up to Thursday night—\$22,020,450 more than the same period of the Second Victory Loan last February.

LIE MILL KEPT BUSY

Rome Says Idaho Crew Landed at Gibraltar—No Confirmation—No Truth in Convoy Sinkings

ROME, Oct. 23.—Rome radio reports that the survivors of the United States battleship *Idaho* have reached Gibraltar. Axis sources reported the *Idaho* to have been sunk on October 6 but there has been no confirmation of this report in any Allied quarters.

Meanwhile it is officially announced now that persistent Axis propaganda reports of late that the *Idaho's* transport had been torpedoed and sunk in the Atlantic were "totally unfounded."

RAID ON MORESBY

Enemy Did Not Have Much Success in Attack on New Guinea Port—United Nations Hit—Bougainville

MELBOURNE, Oct. 23.—Three Japanese bombing planes raided Port Moresby yesterday but the attack was a failure, no damage or casualties being caused. Meanwhile Australian land forces are still pushing the enemy out of the Owen Stanley Mountains and have taken another village only five miles from Kokoda.

In the Solomons United Nations planes staged another raid on Bougainville where enemy navy and air strength is concentrated. An ineffective feeler attack was made by the enemy on land towards Guadalcanal but it was pushed back.

German Plane Over Iceland

REJKAVIK, Oct. 23.—A German plane was again over Iceland yesterday but it met with heavy anti-aircraft fire and probably was shot down.

27 YEARS AFTER

YNSEWL, Wales, Oct. 23 (CP)—Mrs. Gumm, 84, of this Glamorganshire village, has just received a file'd postcard written 27 years ago informing her that her son Frank was wounded in a base hospital in France and would recover. He did and today he is working in a canteen in this war.

GENOA IS ATTACKED

Giant British Bombers Make First Flight Across Alps Since Last April to Strike Italian Port

LONDON, October 23 — Four-motored Lancasters and Stirlings, greatest bombers of the Royal Air Force, flew across the Alps last night to make their first raid since last April on the Italian port of Genoa—Axis supply base for North Africa and site of important airplane parts and munitions works.

It was the eighth time that Genoa has been raided.

Brilliant moonlight favored the 1500 mile round trip flight and not a single British plane failed to return.

Such was the weight of the explosives with which Genoa was hit that even Rome conceded "great damage" after the mighty bomber arm of the Royal Force had reached across the Alps to strike the Italian homeland with its heaviest air blow of the war.

In addition to Genoa, Turin, arsenal city in northern Italy, was also hit but, apparently, the chief assault fell on the harbor and industries of Genoa.

The Air Ministry mentioned a "strong force of aircraft" but did not disclose how many.

An Italian communique spoke of the "notable dimensions" of the assault.

Hitler's Axis partner now, apparently, has sampled the fiery devastation with which the four-motored bombers of the Royal Air Force have been scourging the Reich.

LOAN STILL MOVING UP

Prince Rupert Has Exceeded Forty Percent of Objective in First Four Days

The weekly half holiday yesterday slowed up the Third Victory Loan canvass somewhat yesterday but, nevertheless, subscriptions amounting to about \$16,000 were taken in Prince Rupert, bringing the total for the first four days of the campaign up to \$218,900 or about forty-one percent of the objective of \$530,000.

Reports from Victory Loan headquarters are still to the effect that subscriptions generally are running heavier than in the last campaign.

FLIGHT OF VICHY MEN

London Hears They May Take Refuge in Dakar in View of Growing Unrest

LONDON, Oct. 23.—There are reports current here that the Vichy French government may take refuge at Dakar in view of the growing wave of indignation and disorder throughout the country against the policy of enforced French labor for Nazi Germany. Vice-Premier Admiral Jean Darlan is still at Dakar.

Mitchell Hepburn . . .

Being a man of action and bold expression, Premier Mitchell Hepburn, who has suddenly relinquished government leadership of Ontario in a typically spectacular manner, had many critics. Many disagreed with things he said and did. He was criticized for his impetuosity and inconsistencies but all admit that he was able, through the very force of his nature and compelling personality, to get things done. He may not have been one of Ontario's sagest or soundest premiers but certainly his regime was not an unconstructive one.

Despite his critics and his enemies, and he had them in powerful places, there is no denying that Hepburn had and probably still has a strong hold on the people not only of his own province but elsewhere in the Dominion. He had among his severest critics also some of his strongest admirers.

Hepburn has resigned as Premier of Ontario but we hesitate to accept any suggestion that he has retired permanently to the sidelines of public life. Hepburn, we should say, will be heard from a good deal yet.

Luxurious Manpower Waste . . .

British Columbia's principal war industries are suffering from a severe shortage of manpower, observes the Vancouver Province. The shipyards, by reason of relatively high scale of wages, are adequately manned, but lumbering in all its phases, the vitally important base metal mines, and many minor war industries are gravely handicapped by shortage of labor.

The recent desperate effort to find loggers for the airplane spruce operations on the Queen Charlotte Islands is one illustration of this condition. So is the action of the government in taking over the Britannia and Granby base metal mines to get greater production. Production has been lagging because men have been lacking.

There are approximately 4,000 Japanese males in the interior settlements. The Vancouver Daily Province has said over and over again that it would be better from every standpoint to have them working rather than sitting idle—better for the men themselves, better for the security of the province, better for our production of war materials. It should not be beyond the capacity of the authorities to find means of getting them to work in some essential industry.

Four thousand pairs of idle hands is a luxury we cannot afford at present.

If we have any doubt as to the wisdom of putting these Japs to work, let us ask ourselves what Germany would do with them in similar circumstances. And Germany knows something about war time efficiency.

Smithers Victory Loan Rally Held

SMITHERS, Oct. 22—A Victory Loan rally was held in the Reg Theatre at Smithers on Monday evening when a free picture show was exhibited and short speeches were made by several speakers who urged the hearers to buy bonds to the utmost of their financial ability.

The pictures shown were two war subjects entitled "The Road to Tokyo" and "Food, the Weapon of Conquest." These pictures gave graphic impressions of the results of war as carried on in the modern style.

The speakers during the interval between the two reels were L. H. Kenney, J. W. Turner, Bishop Rix of Prince Rupert and Frank Dockrill of Telkwa. Roy W. Calderwood was chairman of the meeting.

Nurse Bride-Elect Honored

Dinner and Theatre Party For Miss Mary Boyco

An interesting gathering of Prince Rupert General Hospital nursing staff took place last evening in honor of Miss Mary Boyco, who is soon to be united in marriage to Corporal Vernon Seymour of Royal Canadian Air Force.

The bride-elect was guest of honor at a dinner held at the Boston Cafe. The table, appropriately decorated for the occasion, formed the setting of an enjoyable reunion away from their duties for "the ladies in white" with the seats of honor being held by the honoree and her chosen bridesmaid, Miss Elsie Frye.

At the close of the dinner Miss Hood presented Miss Boyco with a lovely gold dresser set, the gift of her associate nurses.

Immediately following this enjoyable affair, the entire gathering again entertained the honored guest at a theatre party at the Capitol Theatre thus bringing to a close a memorable evening for all.

Among those uniting to wish Miss Boyco future happiness were the bridesmaid, Miss Elsie Frye, and the Misses Ellen Cain, Merie McLaughlin, Ida Nelson, Maureen Shirriff, Molly Fletcher, Eileen Worth, Betty Hood, Aleta Young, Thelma Edwards, Elsie Moseley, Nancy Bloomquist, Margaret Robinson, Mrs. Betty Olson, Mrs. Mary Forbes.

FIGHT SONS ARE IN WAR

Six Sons and Two Sons-in-Law of Calgary Man Serve Overseas Or in Canada

TORONTO, Oct. 23:—Non-commissioned officer in the Salvation Army, Envo Thomas Mundy, and the late Mrs. Mundy of Calgary brought up six sons and two daughters. Today, four of the ten are in uniform and both sons-in-law are in uniform. Envo Mundy is visiting his children in Ontario this fall.

Sgt. Albert Mundy, one of the sons, bandmaster of the South Saskatchewan Regiment, was at Dieppe and was one of seven Canadians for this unit to return to England alive after the operation. Salvation Army Sunday School superintendent in civil life, he was awarded the Military Medal for his work at Dieppe.

Brigadier Thomas Mundy, another son, is supervisor of all Canadian Salvation Army War Services in England. Major Fred Mundy was for some time at the Salvation Army's "Red Shield" centre at Camp Borden, and is now in charge of the centre at the Hamilton (Military) Trade School.

Capt. Sid Mundy is a Red Shield supervisor with a Canadian unit overseas. Clifford Avery, husband of Envo's daughter, is in the Royal Canadian Medical Corps overseas, and Charles Dutton, husband of Eva Mundy, is in the Royal Canadian Ordnance Corps, stationed at Edmonton.

Incidentally, all six sons are or were Salvation Army officers or active workers. The fifth son, Major George Mundy, is the Corps officer at Brantford, and the sixth, Reginald, is in Calgary.

British Tailors Fear Extinction

Withdrawal of Labor and Uncertainty of Supply Main Difficulties

LONDON, Oct. 23:—The difficulties of conducting a tailoring business during a war are such that British tailors are sending a delegation to the Board of Trade to prevent what they say is a possible "extinction of their craft." Their troubles include serious withdrawal of labor and the uncertainty of supply of non-utility materials.

TROOPS PRACTISE GUNS IN BARRAGE OF SHELLS

(Continued from page 1)

W. G. Wells, Chicoutimi, showed Col. Mulock the guns of his platoon.

Matched Artillery

Gen. Crerar and the Minister lunched at headquarters of a Canadian Infantry Brigade, chatted with a major-general and then travelled to an artillery range on Southern England's Downs. Seated on a hillside with Brig. P. C. Tees, Col. Mulock watched the men of an artillery regiment move up a long slope spread out below on the heels of live shell-fire.

Before the start of the exercise, an officer explained over loud speakers the object was to show the gunners exactly how infantry felt operating under a protective barrage. As the men started forward in three waves, there were dull explosions to the rear of the party on the hillside. A second later shells could be heard, first whining overhead and then plunging into the soft earth with fresh explosions that threw the dirt high. The barrage moved gradually away up the valley slope with gunners scrambling along behind it until they were almost out of sight.

Gen. Crerar apologized for having to return to his headquarters. He climbed in behind the steering wheel of a Jeep, and pipe in his mouth, drove himself bounding down a steep hill from the range to his automobile.

Col. Mulock travelled farther inland to the Canadian area to visit the camp of the Calgary Tank Regiment where Lieut. Hector MacDonald of Toronto took him for a ride in one of the tanks. The Postmaster rode up and down a street in the wireless operator-gun loader's seat and then escorted by Maj. Fred Jenner of Olds, Alta., inspected gunnery classes and chatted with tankmen who took part in the Dieppe operation.

Col. Mulock wound up his tour with a late-afternoon visit to headquarters of a Canadian Army Tank Brigade accompanied by the lieutenant-colonel commanding the Three Rivers Tank Regiment. After having tea with officers of the tank brigade, he motored back to London reaching his hotel in time for dinner.

Funeral Rites Under Masonic Auspices For Late H. W. Butler

With Tye Lodge, A.F. & A.M., in charge of the rites, the funeral of the late Herbert W. Butler, Government Telegraphs agent at Alice Arm, who died at Port Simpson last week-end, took place yesterday afternoon, many friends and sympathizers turning out to pay final tributes of sympathy and respect.

The Masons paraded from the Temple to the Grenville Court chapel of B.C. Undertakers where the service was conducted by Rev. James A. Donnell, pastor of First United Church. Mrs. Lois Vaughan presided at the organ to accompany the hymns which were "Lead Kindly Light" and "Abide With Me."

Tye Lodge had charge of the committal rites in the Masonic Plot at Fairview Cemetery. The service was conducted by R. M. Winslow, the worshipful master, and George Hill, the chaplain. Friends of deceased from Alice Arm acted as pallbearers. They were Jens Larsen, Ole Evidsen, Mike Cranley, George Casey, Morris Peterson and Barney Turbitt. There were many beautiful flowers.

Responsibilities GO WITH RIGHTS

In no other country in the world do citizens enjoy more wholly the privileges and rights of free democracy than do we in Canada. But the very nature of democracy that creates those rights, creates the responsibility of maintaining them.

HUNDREDS of thousands of young Canadians have decided that Canada is worth fighting for. We other hundreds of thousands at home MUST decide that Canada is worth WORKING for—SAVING for—LENDING for.

Hitler and Hirohito have Great Plans for Canada

• Yes, all Canada's great resources . . . her wheat fields, her forests, her factories . . . could be put to wonderful use by the ruthless bully-boys from Germany, by the polite little savages from Japan.

And Canada's boundless acres would provide plenty of living room . . . for the Germans and the Japs.

But what of the Canadians? The answer is simple when you think what happened and is still happening to the Poles, the Greeks, the Yugo-Slavs—and all the others . . . in terms of slow starvation, slave labor, mass executions.

Every time a hard-working Canadian man or woman buys a Victory Bond, the plans of Hitler and Hirohito receive a set-back. The more you save and lend . . . the more certain you help make it that our enemies shall never put their greedy claws on Canada.

HOUSOLDIERS—Attention!

Here's the Answer to Your Question

If you cannot get Crown Brand Syrup from your favourite grocer now and then, here is the reason. Because "Crown Brand" in addition to its other uses is being very generally used to help supplement the supply of sugar in Canadian Homes, the demand has increased tremendously.

Though there has been a much greater amount of Crown Brand syrup produced this year, even this increased supply cannot cope with the shortage of millions of pounds of sugar.

Don't hoard . . . buy normally . . . we are making every effort to supply the increased demand, and your grocer will do his best to fill your needs.

ACTIVITIES OF Y.M.C.A. AND Y.W.C.A.

By DOROTHY GARIBUT, Hostess

The Service Wives Club, which meets each Thursday in the family lounge at the Y, held a winter party and bridge yesterday afternoon. So satisfactory was the success of this affair that it has been decided to make every second meeting a bridge whist. The prizes were war savings stamps and the winners were M. A. Polce at bridge and Mrs. Ashman at bridge. Dinner was served by Mrs. Fuge and Mrs. Cameron.

October has been baby month in the forces and congratulations accordingly go out to Yeoman of Signals Jim (Tug) Wilson whose birthday was celebrated on October 11, just the day after his birthday. Staff Sergeant Mrs. Girardet of the R.C.O.C. announced the birth of a baby daughter (Blanche Elizabeth) on October 20, and to Sergeant and Mrs. of the R.C.A.F. upon a son born to them on October 18 just before the Pop performed in the Victory Loan concert. The very latest arrival is just a little over four months old as I write and a little boy born to LAC, Mrs. Donald of the R.C.A.F. The nurse sounded a bit cross when I phoned for information at the late hour but you know this is the later the news the better. "Up-to-the-minute Garrison" they call me—when they think of anything else.

Good news for song-song fans—Ma Smith, that grand little lassie who comes down to the hut every second Friday, has volunteered to come every Friday and sing for a song feast. She knows every song as ever was and is so willing withal. Many thanks. Tomorrow night the Garrison servants are holding a dance to which they invite all junior hostesses. Red Cross Corps members and Cambrai Chapter of the I.O.D. will meet as usual at the Y at 8:30. Y.W.C.A. chaperones will be Mrs. Black and Mrs. Grimsson. The new mess deck at the naval barracks saw action station yesterday when Ivan Mallett put on the first of a regular showing of Y.M.C.A. movies to an appreciative audience.

RESTRICT BRASS HATS

HARVEST IS OVER

Fine Crop in Bulkley Valley Is Now In

SMITHERS, Oct. 23—With fine weather having continued throughout the fall, the farmers are now about finished with their fall work and threshing is nearly completed. Fine crops have been harvested

in nearly every line. Timothy seed is now pouring into the cleaning plants and the seed growers' plant at Telkwa is already filled to capacity.

Unsettled weather can now be expected until the winter weather arrives to stay. The mountain tops, which were bare of snow this year than ever seen here before, are now again covered with new snow.

OLD CHALDEAN CUSTOM

The sun dial originated in ancient Chaldea.

SMITHERS

F. W. Dobson, manager of the local branch of the Royal Bank, is enjoying a few weeks' holiday which he is spending cruising around the Bulkley Valley. He is being relieved during his absence by Gordon Armour of Vancouver.

Mr. and Mrs. Phillip Smith, who have resided in Prince Rupert for the past two years, spent two weeks visiting with Mr. and Mrs. L. H. Kenney at Smithers but have now

left for their home in Vancouver. Mr. Smith was employed by the E. J. Ryan Co. at Prince Rupert and is a brother of Mrs. Kenney.

S. J. Woodman, who has been farming near Telkwa for a number of years, has decided to quit farming and to get back into the game of war. At an auction sale held at his farm last week he disposed of all his stock and equipment at a well attended sale. He expects to leave shortly to join the Veterans Guard. Mr. Woodman was a very young man at the start of the

THERE'S A GREAT FUTURE FOR YOUR BOY IN CANADA

if we win the war and IF you have been working and saving for Victory.
The college education that Victory Bonds will buy for your boy. The new opportunities in aviation and dozens of new Canadian industries. That new home with labour-saving gadgets that make housework all play. And there'll be holiday jaunts in amazing new cars and even airplanes.
Pipe dreams? No sir. These are the rewards of victory for people who do without today. But don't forget those two big IFs—IF we win the war and IF we save for the peace.

We can help win the war right here in Canada. We can help win it *now*, today, by buying a share in victory. We can speed the flow of munitions to fighting men by working harder and longer; by saving more and lending more to our country.

CANADA NEEDS \$750,000,000 NOW!

You will be laying up for yourself the best of all investments—VICTORY BONDS are backed by all the resources of the Dominion of Canada; they yield a fair rate of interest; you can borrow against them; and they are readily saleable when you need the cash.

**Miss Ruby Mah
Shower Honoree**

Mrs. J. T. Mandy Was Charming
Hostess Last Night

Miss Ruby Mah was the honored guest at a shower on Wednesday night at the home of Mrs. J. T. Mandy. The bride-to-be entered the room to the strains of the "Wedding March" from Lohengrin which was followed by a "shower" song by the assembled friends.

Master Joseph Mandy, dressed in Chinese costume, transformed the words of the song into reality in his entry with a rainbow and flower-bedecked wagon filled with gifts. Miss Mah, escorted to a colorful Chinese silk draped chair, opened the gifts on a lace covered table artistically decorated by Mrs. H. T. Lock with mauve and yellow streamers and a lovely nosegay as a centre of beauty. Miss Mah and her mother were presented with corsages and her father with a boutonniere, all designed and made by Mrs. Lock.

A setting of Chinese prints, chop sticks and embroidered silks gave a delightful oriental note. Bouquets of Michaelmas daisies and dahlias created a festive atmosphere. A reading, "Courtship Under Difficulties," by Mrs. Mandy

**St. Peter's Evening
Branch Tea Sale**

Successful Affair Held Yesterday Afternoon at East End Church

A very successful tea and sale of novelties was held at the home of Mrs. J. P. Allan yesterday afternoon by St. Peter's Anglican Church Evening Branch of the Woman's Auxiliary. The guests were received by Mrs. J. P. Allan and Mrs. William McLean, president of the W. A. who also acted as cashier. The rooms were tastefully decorated with autumn flowers and patriotic flags adorned the walls.

Mrs. J. B. Gibson and Mrs. W. Farlick presided at the teas and the serviteurs were Mrs. K. Taylor and Mrs. P. Neilson. The household fish pond was in the capable hands of Mrs. R. Craig and the novelty stall was efficiently attended to by Mrs. D. Hart and Mrs. E. Wardale. The kitchen was in charge of M's W. Barbe and Mrs. Wilfrid McLean.

and a competitive romance contest featured the bridal theme. Refreshments were climaxed by a pre-view of Miss Mah cutting a wedding cake, fittingly decorated with a miniature bride and groom and a tiny cloisonne vase filled with American Beauty rosebuds.

Friends gathered to honor Miss Mah and her mother and father were Mesdames H. T. Lock, Claccone, Krievsky, Santerbane, Wilding, Barclay, Donnell, R. Cameron, Foote, Petroft, Irvine, Miss Sharp and Dr. and Mrs. Mandy.

The evening ended with a reiteration of friendship in the singing of "Blest Be The Tie That Binds" and an organ rendition of Mendelssohn's "Wedding March."
