thought that someone will do it—it will get done somehow.

Right now there is an opportunity and obligation for everyone to do his part in our supreme war effort. Many are in the armed forces, risking their all—their lives—that Canada may survive as a free land. Those at home have their responsibility — to supply everything our fighting forces need to give themselves an even break with the enemy.

Every dollar invested in Victory Bonds does its bit

possible dollar into Victory Bonds. Any self-denial we make is more than a duty—it is a privilege. People in axis and occupied countries have no choice in the matter—whereas we loan the money at a fair rate of interest and on the soundest security in the world.

WORK-SAVE and LEND to the limit of your ability. Don't wait for George to do it - he may be waiting for you. Get ready to buy the new Victory Bonds!
