work for the veterans.

Major General G. S. Pearkes,

was then introduced and gave a very interesting talk. He spoke of the marvellous spirit being displayed by the people over in the Old Land where everybody was doing something in the line of war work. Nothing was too much for them and they had only one this province which, as everybody knows, was supposed to be the one likely to be attacked first, if Canada was to receive an attack. He stressed the need of every person, whether man or woman, getting in at once and preparing themselves for some kind of useful war work. He spoke of the work of actual fighting the enemy hand to hand and also stressed the value of the A.R.P. and kindred associations. These, however, would be no good to anyone unless the personnel were fully trained and that at once, not tomorrow or the next day.

Col. D. B. Martyn, D.S.O., M.C., who is taking over the command of this area from Col. Johnston, also spoke a few words in which he referred to the splendid work done by Col. Johnston. He hoped with assistance, which he was promised, to carry on the good

work. At an executive meeting of the Legion business of a general routine nature was transacted.

With Father working harder than ever these days and the kids back at school and their spare time occupied, Mother will, no doubt, welcome the day when the postmen start to work in Prince Rupert and save her a trip to the Post Office.

Col. Johnston . . .

In the departure today from Prince Rupert of Col. Cleveland S. D. Johnston, M.C., V.D., who has been area command- Detroit ant here since the start of the war and has personally Chicago guided the growth of the military establishment at this Washington important centre, there will be general regret. However, it is satisfactory to know that, in his new staff post, Col. Johnston will still be actively associated in an inspectorial; capacity with the defences of Prince Rupert and we shall see him frequently. He has been a good soldier both in the last war and this and a good and esteemed civilian; and businessman between times. We join with his many friends in wishing him continued success in his new and important duties, coupling with this wish the hope that the day may not be far removed when the war will be over, peace will have been restored and he will be back here again to renew his permanent home and the normal associations.

So to Col. Johnston we say "au revoir" and not "Good Bye."

ANCIENT FLUTE

EVERY CITIZEN SHOULD BE WELL-INFORMED CONCERNING DOMINION GOVERNMENT'S PLAN FOR WAR RISK INSURANCE

In the following Questions and Answers may be found information, in part-but every Citizen, Property Owner, Director of a Company, Trustee, is urged to seek full particulars regarding the Government War Risk Insurance Scheme.

- Q. THE PURPOSE OF THE SCHEME?
- A. To implement the Government's responsibility to the people of Canada. The Scheme provides a means of insurance at low ratesin the case of War Damage to Property.
- Q. DOES THIS GOVERNMENT PLAN COVER PERSONAL INJURY?
- A. Not at all. It is confined only to Property.

munitions.

- Q. WHAT IS MEANT BY "WAR DAMAGE"? A. In brief-damage by, or because of, enemy action, and by accidental explosions of
- Q. IS NOT THIS ENTERPRISE ONE THAT COULD BE UNDERTAKEN BY THE FIRE INSURANCE COMPANIES OF CANADA?
- A. No. This type of War Risk is not being sold by private insurance companies, because of the magnitude of the risk involved."
- Q. IS THIS WAR RISK INSURANCE AVAIL-ABLE TO ALL PROPERTY OWNERS?
- A. Yes. The Government has established a national scheme to make it possible for each citizen in Canada to purchase the sense of security that comes from knowing that if his property does suffer war damage (and the war has come much closer to Canada in the last twelve months) he can call on the resources of Canada to help him make good his property loss.
- Q. HOW DOES A PROPERTY-OWNER GO ABOUT SECURING THIS GOVERNMENT WAR RISK INSURANCE?
- A. To save costs of Administration, and to avoid setting up an extensive organization, the Government has accepted the services and facilities of the organized Fire Insurance Companies and their Agents, on a non-profit
- Q. I UNDERSTAND THERE IS A PROVISION FOR FREE COMPENSATION IN CERTAIN CASES OF WAR DAMAGE. WHAT KIND OF PROPERTY IS INCLUDED IN THIS CATEGORY?
- A. War Damage to owner-occupied homes-and to the chattels of householders and others.
- Q. WHAT IS THE AMOUNT OF "FREE COMPENSATION"?
- A. Up to \$3,000 for owner-occupied homes; \$800 to a householder for chattels (personal effects); \$400 for those of his wife; \$100 for those of each child under 16; \$200 for others.
- Q. IS AN INSURANCE POLICY NECESSARY TO QUALIFY FOR FREE COMPENSA-
- A. No. Such home-owners and citizens are insured automatically for the Free Compensation feature.

- Q. BUT SUPPOSE THE AMOUNT OF "FREE" COMPENSATION IS NOT DEEMED SUF-FICIENT TO COVER THE DAMAGE?
- A. Then the property-owner should contract with the Government now for an additional sum at a low rate of Premium.
- Q. WHAT ABOUT OTHER PROPERTY-NOT BEING OWNER-OCCUPIED HOMES?
- A. Owners of Factories, Stores, Offices, Farm Buildings (other than the Farm House) Stock in trade, etc., may contract for Government Insurance at low rates.
- Q. IS THERE ANY DIFFERENCE IN RATES IN DIFFERENT TERRITORIES-SAY AS BETWEEN THE COAST AND CENTRAL REGIONS?
- A. No, this is a National matter-a risk undertaken by the Government for all Canadian citizens across Canada. The rate is the same for similar properties in any part of the Dominion.
- Q. IS INSURANCE OF PROPERTY COM-PULSORY UNDER THIS GOVERNMENT SCHEME?
- A. No. The Scheme merely sets up the plan and provides the opportunity for property owners · to secure this Government Insurance.
- Q. THEN DIRECTORS OF COMPANIES OWE IT TO THEIR SHAREHOLDERS TO PRO-TECT THE PHYSICAL PROPERTY OF THEIR COMPANIES UNDER THE GOV-ERNMENT SCHEME?
- A. Yes, as the Insurance Companies cannot jeopardize their financial strength by undertaking so unpredictable a risk-and as consequently it has become the Government's obligation, it is surely unwise for Directors to jeopardize their own assets by inaction on this important matter.
- Q. THEN THE SAME INJUNCTION WOULD APPLY TO TRUSTEES AND GUARDIANS TO INSURE THE PROPERTY FOR THOSE WHOM THEY SERVE IN TRUST?
- A. Yes, if they do not insure they might be wrong; if they do insure, they can't be wrong. You see no Country, or person, can foresee the future or be sure of immunity from enemy attack. The world-wide spread of war zones in the last twelve months proves this.
- Q. I SUPPOSE ALL PROPERTY OWNERS AND CITIZENS SHOULD GET ADVICE FROM THEIR INSURANCE AGENTS RIGHT AWAY?
- A. Yes-every Citizen should consult his Fire Insurance Agent immediately and get fully informed about the Government War Risk Insurance. There are definitions of property, exceptions, rates and so on, that cannot be dealt with in this space.

It will be seen from the above that, simple and direct as are the provisions of the Scheme, it is in the interests of every citizen to enquire how it affects him, or her, personally. Your Fire Insurance Agent or Company will gladly acquaint you with details.

The information given above is not intended to be a complete resumé of the Scheme. Full information regarding conditions, exclusions, etc. is available elsewhere.
