News office to consult with us regarding local material for an article he was writing dealing with the Pacific Coast and the war. Now his article, well written and profusely illustrated in the manner of the publication, has appeared in National Geographic Magazine. Prince Rupert receives due mention, suggesting the part we, in our position, are playing the war. "Wartime in the Pacific Northwest" makes an interesting item for local reading.

Another illustration that Prince Rupert is at last "on the map."
