The electrical requirements by industries in Cobourg like other towns in this part of Ontario is increasing to such an extent that disruption of service may well result. Householders are being requested to cut down their use of power by twenty percent. Factories may stagger their noon hour stops as well as resorting to other expedients to iron out the consumption.

Edward Dawn, four year old boy and ward of the Children Aid Society, was killed when he fell from a moving automobile on the highway east of Cobourg. He fell from the car when a rear door flew open and was struck by an oncoming motor vehicle. Belief is that the boy, who suffered a fractured skull, was killed by the fall to the pavement rather than by being hit by the other car. The driver of the car from which the lad fell was William Littlejohn of Toronto. The oncoming car which struck him was driven by Private W. Fox of Barrifield. ----

here's your chance Skilled and Unskilled Men of Lower Medical Categories Are Now Needed!

CLASS

NOT

TERE IS GOOD NEWS to all men who are, I anxious to serve but who do not measure up to the Class "A" standards. The Active Army will now accept men who are in the lower medical categories, as well as Class "A" men, to serve in the Royal Canadian Army Medical Corps.

Men are needed to serve as nursing orderlies, laboratory assistants, operating room assistants, radiographers, and chiropodists, and masseurs. Others are needed as clerks, cooks, storemen, and for general hospital work.

"The greatest necessity of our age is to recover some of the Christian doctrine of God," declared Rev. Dr. C. J. L. Bates of Toronto, former president of Christian university in Kobe Japan, in speaking at Trinity United Church in Cobourg. The Japanese "New Order" repudiated worthwhile things, Dr. Bates asserted.

Interesting incidents in the history of Quebec were recounted by Rev. T. A. Nind of Grafton in an address before the Cobourg Rotary Club.

Harold J. Staples, president of the Cobourg City Dairy and for many years prominent in business and public life of Cobourg, succumbed suddenly to a heart attack last week. He was seventy years of age and was born on the Staples homestead between Cobourg and Grafton. He was for years a member of the town council and other bodies, was also active in sports affairs and was a charter member of the Rotary Club. Prior to 1911 he was in the postal service, going into business in that year. He is survived by his widow and daughter.

Experience in medical work is not necessary. But this is a particularly good opportunity for hospital workers, chiropodists, masseurs, and men holding first-aid certificates.

Men-if you have been unable to enlist because of your physical condition, then here is where you can serve! Decide to Join Now.

For Enlistment Apply to the RECRUITING OFFICER at PRINCE RUPERT

Or see the Recruiting Sergeant at Prince George. Or consult the Chairman of your local Civilian Recruiting Committee.
