Allies Are Streaming Into Tunisia

REDS HAVE LARGE WIN

Soviet Forces Pressing Hard After Fleeing Germans Deep in Caucasus

NEW RED STRENGTH
MOSCOW, Nov. 21 (CP)—Successfully storming heights at Stalingrad and in the Caucasus, the Russians were reported showing fresh strength today in the "give and take" battle with the German invaders. During the night a Red Army unit dislodged the enemy from a strongly fortified height southeast of Nalchik. One hundred Nazis were killed in a small scale attack such as the Russians have been launching in increasing numbers during recent days.

MOSCOW, Nov. 21 (CP)—Red Army units, having turned to the offensive in the war against the German invaders, are pressing hard after the fleeing Nazis, following up a major victory that eased the Nazi pressure on the great Grozny oil fields near the Caspian Sea and on the military road leading south into the rich transCaucasus.

Latest front line reports bear out the earlier impression that a major Fascist force, possibly four divisions of 45,000 men, was routed in a battle of several days on the approaches to Ordzhonikidze.

A special communiqué brought first news of the triumph, reporting five thousand of the enemy killed, several times that many wounded and vast military booty captured.

Latest added details confirm or revise upward all figures.

Below Leningrad the Russians have scored another major victory, several thousand Germans being killed.

CALL-UP EXTENDED

Men in Lower Categories Are Now To Be Drafted

OTTAWA, Nov. 21 (CP)—The Department of National Defence has decided to extend call-up eligibility of Canadians by accepting men in medical categories B1 and B2 effective immediately, it was learned yesterday. Up to now only men placed in "A" category after medical examination have been drafted for home defence duties.

CRITICAL OF ADOLF

Captured German General Has Some Interesting Things to Say About Inner Germany

LONDON, Nov. 21 (CP)—General Ritter von Thoma, Nazi Africa Corps commander under General Erwin Rommel, is in London, the first captive Axis general to be brought here. He was flown to Britain by Flight Lieutenant Wenny Reid of Kingston, Ontario.

General von Thoma, who is a member of the school of professional soldiers of Germany, had some interesting things to say about the situation within Germany. He declared that Adolf Hitler had ruined the German army and that there was bitter feeling in inner circles over his interference.

The Daily Mail quotes von Thoma as saying that Hitler's assumption of supreme command had spelt disaster for the war machine of Germany. His political policy was also criticized.

PUGNACIOUS MASCOT
A BRITISH PORT, Nov. 21 (CP)—H.M.S. Howe has a mascot, a pugnacious "Phoenix Judy," a pedigree bulldog with a kennel club record. Her custodian, appropriately, is the ship's butcher.

Guadalcanal Now Secure

WASHINGTON, Nov. 21—The United States hold on Guadalcanal in the Solomon Islands is now very secure partly as a result of the great naval victory of last week, said Secretary of the Navy Frank Knox in announcing definitely that twenty-eight enemy ships had been sunk and ten damaged.

NORTHERN RAILROAD

Leading United States Military Officer Would Build From Prince George to Whitehorse

KLUANE LAKE, Yukon Territory, Nov. 21 (CP)—Construction of a standard gauge railroad from Prince George to Whitehorse was urged in letter from General J. L. DeWitt, officer commanding western defence command of the United States, which was read at the ceremony of the formal opening of the Alaska Highway yesterday. He said, however, that it could not be used to advantage "until a distribution network westward has been completed and is in operation."

Military supplies are moving overland to Alaska from the interior of North America for the first time immediately following formal opening ceremonies of the 1600-mile Alaska Highway held at nearby Soldiers' Summit and attended by representatives of Canadian and American armies and the governments of both countries.

Soon after a red, white and blue ribbon across the road was cut, a convoy of trucks proceeded to Fairbanks headed by a battered truck which was the first vehicle to travel from Dawson Creek to Whitehorse.

Bulletins

NEW GUINEA FIGHTING
MELBOURNE—Heavy fighting is now proceeding before Buna and Guna on New Guinea Island as the Japanese engage in a last ditch struggle to avoid annihilation at the hands of the Americans and Australians. The Allied forces are now within a mile of Buna.

CONSERVATIVE LEADER
OTTAWA—There is considerable discussion as to who will be the next Dominion Conservative leader. Should Senator Arthur Meighen decline, there is considerable support for Premier John Bracken of Manitoba. Sidney Smith, president of the University of Manitoba, is also prominently mentioned.

NEW DEPUTY MINISTER
OTTAWA—The Ottawa Citizen mentions the names of Dr. George F. Davidson and Dr. E. A. Corbett as possible new deputy minister of war services.

India Secretary Talks With King

Rt. Hon. L. C. M. S. Amery Is Received in Conference By His Majesty

LONDON, Nov. 21 (CP)—The King received Rt. Hon. L. C. M. S. Amery, Secretary of State for India, in conference yesterday. The internal situation in India was discussed.

WANTED—ADEQUATE LIVING ACCOMMODATION

This isn't a refugee family in Nazi-ravaged Europe. It's a Canadian family looking for a place to live. They have found one room for seven of them; the mother and five children make the best of it while the father who is a war worker goes off to look for a house. But there isn't an empty house to be found. There may be, however, space in occupied homes that could be transformed into comfortable upper flats or there may be single people or couples who are now living in houses who would be satisfied with a comfortable room, if they could get one, and would make their houses available to families like this. To discover what living space resources are available and to secure living accommodation for men and women in war work, Canada is now setting up central registries in congested centres and is urging all householders to register their spare rooms.

STEEL BELL, NOT BRASS

Shortage of Base Metals Makes Substitution Necessary

MONTREAL, Nov. 21—Locomotive bells aren't what they used to be. Shortage of base metals, due to the war, has made substitutions necessary in the manufacture of locomotive accessories and the latest to be changed on the Canadian National system is the bell, according to E. R. Battley, chief of motive power and car equipment.

The locomotive assigned to run of "The Continental Limited" between Montreal and Armstrong, Ont., was selected for the experiment, a three-piece welded steel plate bell, $\frac{3}{8}$ inches thick, instead of the usual cast bronze type.

It was made in the company's Point St. Charles shops, shaped by die. Tests have proven the bell satisfactory for railway service. It has several advantages the chief being the conserving of valuable material, the saving of approximately thirty pounds in weight and a considerable saving in manufacturing cost. The clapper is of steel as used in the bronze bells.

As additional engine bells are required by the Canadian National Railways during the war period, they will be made of steel plate, Mr. Battley said.

Mr. Battley also spoke of another wartime contribution. To conserve rubber, the railways car shop at London, Ont., is reclaiming air hose gaskets. For a recent three-month period more than 13,000 gaskets were returned to the shop and of this number 64 percent were made available for further service. The method employed for this work was the removal of the rough edge on the outside lip, thereby doubling the life of this type of gasket, an important feature at a time when there is a rubber shortage.

MINESWEEPERS' SEAL

A BRITISH PORT, Nov. 21 (CP)—Mascot of a minesweeper flotilla which makes this its home port is a seal and when the ships return he swims from one to another barking for scraps.

Wave of Unrest Sweeps Europe

ANKARA, Nov. 21—A new wave of unrest is sweeping Europe and one hundred more anti-axis executions are reported in Yugoslavia, Czechoslovakia, Greece, Belgium and even Dresden and Cologne Germany.

HERTZOG IS DEAD

Former Prime Minister of South Africa Passes—Opposed War

CAPE TOWN, Nov. 21—General J. B. M. Hertzog, aged 76, who lost the post as Prime Minister of South Africa after the outbreak of war in 1939 when Parliament voted down his proposal for strict neutrality, died today.

TURIN IN ATTACKED

Heaviest Bombing Yet On Italy Made During Last Night

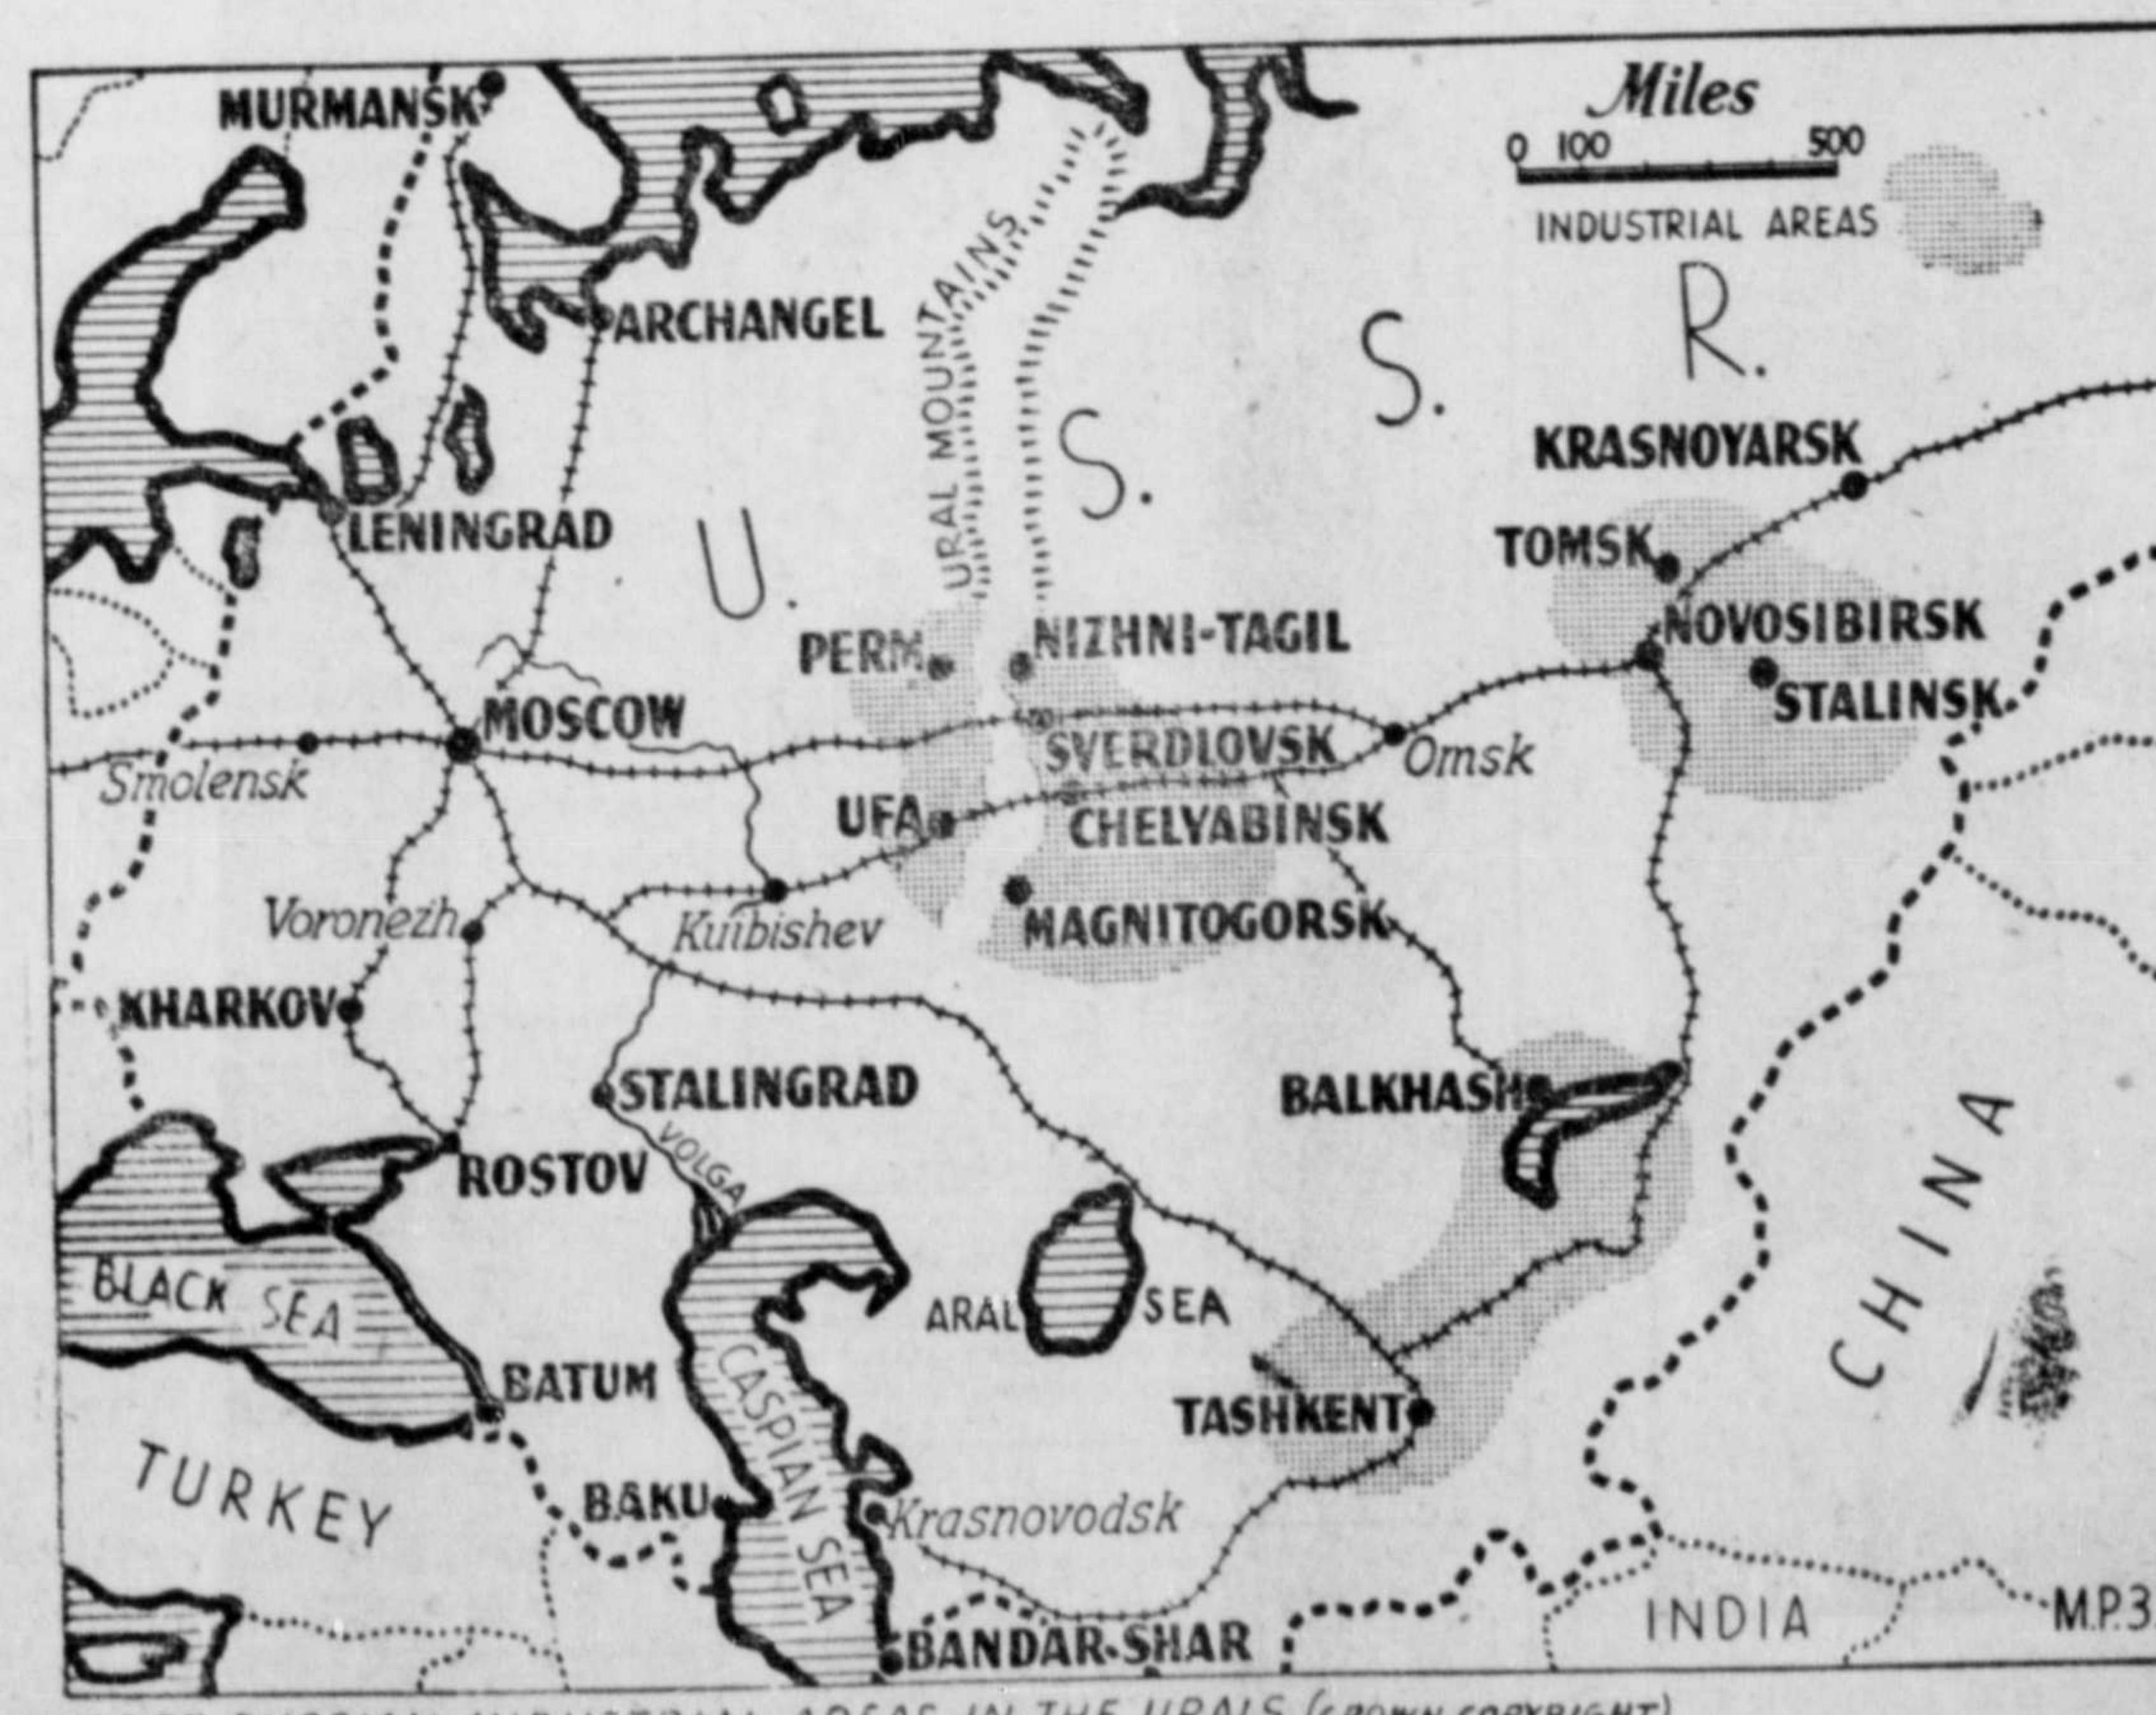

LONDON, Nov. 21 (CP)—The Arsenal City of Turin was attacked last night by Royal Air Force bombers in a raid which an authoritative source termed "the heaviest yet made on Italy." Two squadrons of the Royal Air Force participated as well as numerous Canadians in the Royal Canadian Air Force and returned with enthusiastic reports of the night's work. They described a pall of smoke hanging over the target as stretching up to five thousand feet after the raid had been in progress for some time.

Of scores of heavy bombers assigned to the mission three are missing. All Royal Canadian Air Force planes returned safely to their bases.

Medical Officers Going on Trial

QUEBEC, Nov. 21—Five army medical officers have gone on trial on charges of irregularities in connection with examination of recruits.

PRICE FIVE CENTS

ALLIED WIN REGISTERED

Fleeing Axis Forces Are Being Pursued Into Pocket in Tunisia

LAST AXIS STAND
LONDON, Nov. 21 (CP)—Allied armored forces streaming into Tunisia closed with the German forces today in the opening phases of a full scale assault on a Tobruk-like arc of defences within which the Axis has been herded with its back to the sea around Bizerte and Tunis. Allied troops were reported by North African radio stations to hold all of Tunisia except those two bridgeheads which the Axis, with airborne reinforcements, is defending behind barricades hastily flung out for about thirty miles in a semi-circle about each port. An Allied spokesman predicted that the struggle would grow in ferocity shortly and that Axis reports indicated that the enemy was throwing all air and submarine resources at its command into an effort to block the closing of the Allied steel and choke off its supplies.

LONDON, Nov. 21 (CP)—Heavy fighting is going on in Tunisia with the first round going to the armed might of the British and American combat teams driving forward to close in on Bizerte and Tunis from several directions. Hammering at the defences, the Axis forces are within 30 miles of Bizerte and 25 miles from Tunis. One spokesman at Allied headquarters in North Africa said that a third of one Nazi panzer column had been destroyed and two other columns hurled back in Libya, the Germans giving up Bengazi, Marshal Rommel's last escape port short of Tripoli, 400 miles away. After raising the British flag at abandoned Bengazi, the Eighth Army commenced pushing on through Agedabia towards the marshes around El Agheila where the German remnants may make stand.

Allied mechanized forces, driving through the coastal spur on the Atlas Mountains from Algeria and reported within thirty miles of Bizerte, General Alexander gave the Germans their first major drubbing of the Tunisian campaign after pushing at least half way to Bizerte from the Algerian border. Allied losses are described as slight.

In addition to Bizerte, the Allies are also driving on Tunis and the Axis forces are pinned in the northeast of Tunisia while Allied warships retain control of the Mediterranean including the narrow Sicilian Straits through which has moved the principal Axis supply line. The Germans have included Gabat in their sphere.

British, United States and French forces are moving on in all Tunisia. Four times the Germans attacked the American southeast of Tunis and four times were pushed back.

ASSURANCE FOR SPAIN

Country Will Not Be Occupied By Great Britain, General Franco Is Assured

LONDON, Nov. 21—Great Britain has assured Spain and Portugal that their territory will not be entered. The assurance has been gratefully acknowledged by General Francisco Franco who yesterday made a statement to the effect that, if either side in the war moved in on Spain, he would immediately accept assistance from the other.

Meantime, it is reported that sixty British airmen who landed in Spanish Morocco were arrested and have now been interned in Spain.

Reserve at Prince Rupert...

Recruiting in Prince Rupert's reserve unit, a body of local men unfit for general active service but to be so outfitted and trained as to be prepared to take up active service in defence of the community should actual warfare come here, will commence in the very near future. Only a few details have yet to be worked out before the official announcement will be made. As previously pointed out, enlistment in the reserve will commit one for actual fighting only if and when it became necessary to defend Prince Rupert itself. There are no other implications. Of course, it will not contain in its ranks young men who are otherwise subject to compulsory military duty.

There is reason to believe that there will be a very substantial response among local men to the call for recruits—men who are anxious to do all they can for the defence of their home and country but who for various reasons have been unable to get into the active service forces. Such a unit might well perform a valuable active service but, if, happily, no active service ever comes out of it and it is never really needed, the training will at least have been most beneficial to all.

Navy Week Coming...

Next week is Navy Week throughout Canada.

From Sunday, November 22, to Saturday, November 28, inclusive, many will join in paying tribute to Canada's Navy, Canada's Merchant Navy, and to the brave men who without thought of honors or decorations or adequate recompense, are devoting their talents and risking their lives to defending Canada, fighting the enemy and delivering the goods to the fighters for, and defenders of liberty in almost every part of the world.

The Department of Naval Service is co-operating to the fullest degree with the Navy League in celebrating Navy Week.

It recognizes the gigantic task the Navy League has set itself in tendering to the material comfort of the men who go down to the sea in ships.

This is the time of the year when the Navy League makes its appeal all over Canada for funds to carry on its ever-increasing and growingly important work for our sailors. One hundred thousand sailors besides thousands more in Allied navies have to be served with comforts, with club facilities such as given in its fourteen Allied Seamen's Clubs, with reading matter and ditty bags. Dozens of Sea Cadet Corps have to be maintained including that at Prince Rupert which is such an important organization for local boys.

It is a splendid work it is doing. We must support the Navy League!

THUNDERBIRD TOTEM

Sergeant Clifford Hicks, of London, Ont., one of the R.C.A.F. pilots now standing guard in Alaska, poses for this picture with the Thunderbird totem which the unit has selected as its official good luck piece.

ORGANIZING FOR WINTER

Smithers Looks Forward to Good Curling and Skating Season

SMITHERS, Nov. 21.—With the advent of winter weather the Smithers Curling Club has begun stirring in anticipation of a long and successful season. A meeting of the club was held on Wednesday evening in the Municipal Hall and arrangements were made to start making ice at once. Frank Newberry has undertaken the job of getting the ice ready for action as soon as possible.

It was decided to hold the annual meeting on December 2 when election of officers will take place and it is hoped that, weather permitting, the ice will be ready for use by that time.

The club has suffered a number of casualties since the close of last year's activities but there are hopes of building it up again to its former membership or larger from new material that is at hand.

The Smithers Athletic Association is also active in getting the skating rink into shape for this winter but the prospects of the fine brand of hockey which has been seen here for many years are not so good this year as all the young men are now in the military forces.

Good skating has been had at Lake Kathryn for two weeks and skating parties from town have been taking advantage of it to get in some enjoyment there.

ACTIVITIES OF Y.M.C.A. AND Y.W.C.A.

By DOROTHY GARBUTT,
Hostess

All the tickets for the evening concert at the Capitol Theatre tomorrow have been given out to the various units. Tickets must be obtained from them instead of at the Y. There are no separate ladies' tickets this week. If you take a lady friend you just get two tickets. The afternoon show is open to men in the services and their girl friends but does not require tickets to get in. The show will be well worth seeing. It is a camp concert party from Edmonton.

The High School had the full cheering section out to help them win out over the determined Signals five. The score was 40-32 in favor of the scholars. At the end of the first half the book-worms led 26-20 with Arney carrying the point of the attack with 14 points. The second half was a different story with the Signals just about ending up in the lead on baskets by Bob Houston and Taylor. Arney topped the High School scorers with 8 baskets while Houston led the Signal five.

The High School had the full cheering section out to help them win out over the determined Signals five. The score was 40-32 in favor of the scholars. At the end of the first half the book-worms led 26-20 with Arney carrying the point of the attack with 14 points. The second half was a different story with the Signals just about ending up in the lead on baskets by Bob Houston and Taylor. Arney topped the High School scorers with 8 baskets while Houston led the Signal five.

With all the teams hitting mid-season form the games are top-notchers to watch especially with such prolific scoring. "Lefty" Moline, the United States Headquarters star, has accounted for 100 points in 5 games which is an average of 20 points a game.

Lineups:

Mr. and Mrs. Lloyd Johnson left on Friday for an eastern point where Mr. Johnson is stationed with his unit. He renewed acquaintances with his many friends.

Mr. and Mrs. Vic Giraud returned from the coast Friday night.

SMITHERS

Pilot Officer Harold Windt, son of Mr. and Mrs. H. G. Windt of Smithers, arrived home on Thursday from his station in New Brunswick to spend a short holiday with his parents. Mr. Windt has just received his commission after having headed his class in the final examinations. Another son of Mr. and Mrs. Windt, Vimy Windt, is in the Navy at Esquimalt.

Sgt. Air Gunner Billy Leach, son of Mr. and Mrs. W. R. Leach of Smithers, came home a week ago to spend his furlough but was stricken with acute appendicitis and underwent an examination at the local hospital. He was in serious danger for several days but is now progressing very favorably and making a good recovery.

Two sons of Mr. and Mrs. J. O. Clarkston of Walcott, who are both members of the Royal Canadian Air Force, are spending their furlough at home preparatory to going overseas.

MILK SUPPLIES CUT

LONDON, Nov. 21.—Office tea drinkers are going to have to take their beverage straight or with just a splash of milk in future. Office milk allotments have been cut to a quarter-pint a person weekly.

DRY DOCK UNBEATEN

Shipbuilders Chalk Up Sixth Basketball Victory

The Dry Dock hoop team chalked up its sixth victory last night in a hard fought battle with the Air Force. The score was 40 to 33. Again it was the elongated MacPhee who paced the shipbuilders to their win. Twenty-four points was his contribution. The Airmen made the Dry Dock workers go full out for their win with Fulton flipping in seven baskets to lead the Air Force.

The Navy—United States Transport game was a close checking affair with the Transport on the long end of the lowest score this season—19 to 17. The Navy held the Transport's ace scorer, Fernandez, pretty well in check, allowing him only 7 points. For the Navy Sparks topped the scoring honors with eight points.

The High School had the full cheering section out to help them win out over the determined Signals five. The score was 40-32 in favor of the scholars. At the end of the first half the book-worms led 26-20 with Arney carrying the point of the attack with 14 points. The second half was a different story with the Signals just about ending up in the lead on baskets by Bob Houston and Taylor. Arney topped the High School scorers with 8 baskets while Houston led the Signal five.

With all the teams hitting mid-season form the games are top-notchers to watch especially with such prolific scoring. "Lefty" Moline, the United States Headquarters star, has accounted for 100 points in 5 games which is an average of 20 points a game.

Hugh M. Forrest, formerly identified with the accounting department of the Canadian National Railways here and now stationed at Winnipeg in the service of the company, is visiting here for a few days. He arrived from Vancouver this Wednesday and will be leaving for Winnipeg next Wednesday.

Twenty-Five Years Ago

This morning, the name of Alfred Stork, merchant, was submitted to the returning officer as that of a candidate for election to Dominion Parliament.

A float on which some employees of the dry dock were working was hit by a sudden squall which blew them out into the harbor at six o'clock last evening. Many launches put out to help the men but they could not be found in the dark. This morning they were sighted across the bay, none the worse for their night's exposure.

C. C. Perry, Indian Agent, returned from Port Simpson.

In the Matter of the "Administration Act" and
In the Matter of the Estate of Louie Louie Sing.

TAKE NOTICE that by order of His Honour Judge Fisher, local Judge of the Supreme Court of British Columbia, I was on the 30th day of October A.D. 1942 appointed Administrator of the Estate of Louie Louie Sing formerly of Ocean Falls, British Columbia. Deceased, who died on or about the 13th day of August 1942. All persons indebted to the said Estate are required to pay the amount of their indebtedness to me forthwith and all persons having claims against the said Estate are required to file them with me prior to December 1st, 1942 failing which distribution will be made having regard only to such claims of which I shall have been notified.

DATED at Prince Rupert, B.C. this 30th day of October 1942.

NORMAN A. WATT
Official Administrator
Prince Rupert, B.C.

Timely Recipes

MEAT LOAF

1¼ cups ground beef chuck
½ lb. pork loin ends
½ cup onion, cut fine
1 cup oatmeal (quick or regular, uncooked)

2½ tsp. salt
½ tsp. pepper
1 tsp. mustard
½ cup catsup
1 egg, well-beaten
1 cup water

Combine all the ingredients in the order listed and mix very thoroughly. Pack firmly into a loaf pan (about 3½" x 8½"). Bake in a moderately hot oven (375 degrees F.) for 1 hour. Slice and serve hot or cold. Eight generous inch-thick slices.

SUN RAYS FOR R.A.F.

LONDON, Nov. 21 (P)—More courses of sun ray treatment are to be arranged for Royal Air Force flying crews to keep up their high standard of health in winter.

Hints for wartime living from folk who ought to know

OTTAWA, Nov. 21 (P)—Wartime hints for housewives on duty on the home front:

SANDWICHES—Most families nowadays have some member who requires a lunch box. Laura Pepper, chief of the consumer section, Dominion Department of Agriculture, suggests this recipe for a meat spread that is nutritious as well as delicious. Put scraps of any left-over cooked meat through the chopper to make 2½ cups ground meat. Add two tablespoons of grated onion and one-half cup tomato juice. Season with salt, a pinch of cayenne and one teaspoon chili powder. Cook, stirring constantly until mixture is thoroughly blended and reaches boiling point—cool and store in a covered jar in the refrigerator.

VITAMIN C—If you can't afford to buy oranges and grapefruit now, Dr. L. B. Pett, director of Nutrition Services, has several tips on substitutes to suggest. He says that by using three other foods generously we can get enough Vitamin C without using citrus fruits, which are our richest single source of Vitamin C—try tomatoes or tomato juice, potatoes properly cooked, preferably in their skins; and cabbage, which is best served raw.

SOUP—An ideal luncheon dish is a bowl of steaming hot pea soup which Marian Harlow of nutrition services says will provide much of the iron and other food values found in meat.

APPLIANCES—The experts have a few hints on keeping those grills, toasters, waffle and laundry irons in tip-top condition. Keep appliances clean and in repair—don't let them get wet—remove crumbs, excess grease and finger prints when the appliance is cool handle cord carefully—don't attach too many appliances to any one outlet—occasionally rub paraffin wax over the sole plate of the iron and polish—scrub the grids of the waffle iron with a fine-wire brush, then brush with a non-salted oil, heat about 10 minutes and soak up any excess oil with a piece of bread—this eliminates fats when making waffles.

WOOLLIES—It will soon be time for those winter woollies. H. G. Smith, administrator of knitted goods, has limited the choice of colors, that knitted "outerwear" can be made in, so you will need to take extra care of the ones you have. Keep wool garments on hangers, protect them against dust and keep away from heat—excessively dry air is injurious to them—after you wash woollens dry them in moderate temperatures and place them on hangers or lay them flat to shape—steaming the fabric through a damp cloth, with a light iron pressure, will minimize "shine."

Fire Breaks Out on Freighter Here—
Assistant Purser in Hospital and
Passenger In Jail

Fire broke out in the boiler room of a freighter docked at Prince Rupert late Thursday afternoon. The local fire department responded and, with the aid of dock men and fire fighters, the blaze was soon brought under control. The boat was towed across the harbor as a precaution against excessive damage in case the fire got out of control. Cause of the fire and extent of the damage were not disclosed.

James O'Connor, Vancouver, is under arrest here and Percy Hughes Hallett, assistant purser of a coasting vessel, is in hospital at Ocean Falls suffering from a broken left leg as a result of an incident on the steamer. Hallett and other officers of the ship were proceeding to take Connor into custody when the latter is alleged to have attacked Hallett. O'Connor was remanded until November 27 on a charge of occasioning actual bodily harm, bail being granted in the sum of \$500.

The local halibut boat Dovre B. Capt. Tony Martinusen, landed eight catches of halibut at Prince Rupert during the 1942 season for a total poundage of 208,018. The Dovre B. weighed out as follows for each trip: 17,740, 20,572, 20,010, 20,985, 19,150, 29,500, 38,140, 39,921.

Rectory Scene Of Quiet Marriage

Miss Mildred Inez Mutch Becomes Bride of Peter Dyck Wednesday Evening

The marriage of Miss Mildred Inez Mutch and Peter Dyck took place Wednesday evening at the rectory, Rev. James B. Gibson, dean of St. Andrew's Cathedral, officiating. The bride was attended by her sister, Mrs. J. T. Sparks and the groomsman was Albert Kuzcyk.

DANCE AND SONG FILM

"Footlight Serenade" is Showing At Capitol Theatre at First Of Next Week

Betty Grable, John Payne and Victor Mature are starred in the musical picture "Footlight Serenade" which comes to the screen of the Capitol Theatre here on Monday and Tuesday of next week.

In an entertaining story with love, laughs and lyrics, "Footlight Serenade" tells of a fighter who turns actor. Victor Mature realistically plays the part of the boxer and, with John Payne, is in love with Betty Grable. Other top flight talent in the cast includes Jane Wyman, James Gleason, Phil Silvers and Cobina Wright Jr.

Among the song hits in this picture are "I Heard the Birdies Sing," "I'm Still Crazy For You," "Are You Kidding Me?" and "I'll Be Marching to a Love Song."

Dazzling new dances are also featured in the picture.

FOOD RULES FOR CANADA

Here are Canada's official food rules. The following types and amounts of food should be eaten daily to protect health, according to Nutrition Services, Department of Pensions and National Health. These are the minimum requirements of essential foods and larger amounts should be used if possible.

MILK—Adults, one-half pint Children, more than one pint. Some cheese should be added when available.

FRUITS—One serving of tomatoes, or citrus fruit, or one serving of tomato or citrus fruit juices, and one serving of other fruits, canned or dried.

VEGETABLES—(In addition to potatoes of which one serving is needed daily). Two servings of vegetables, preferably green or yellow, and frequently raw.

CEREALS AND BREAD — One serving of a whole-grain cereal and four to six slices of Canada Approved bread, brown or white.

MEAT, FISH, Etc.—One serving a day of meat, fish or meat substitutes. Liver, heart or kidney once a week.

EGGS—At least three or four eggs weekly.

FISH LIVER OILS—These oils are essential for children and should be given as recommended by a physician. They may also be required by adults.

MAYBE 'TWAS HALLOWEEN

BARSTEAD, Eng., Nov. 21 (UPI)—John Vinsen, farmer, and Claude Young, were each fined approximately \$150 for removing a military direction sign near this Kent village. "A dangerous act which might have caused congestion and chaos," the magistrate said.

Attempted To Enter Store

Alleged Breaker of Alberta Market Picked Up By Military Police

Two men are alleged to have attempted to break and enter the Alberta Market on Fifth Street, Thursday evening at 7:30, but the entry was frustrated by Lance Gillette of the Gas vest Company of the Canadian Military Police.

Gillette gave chase to the two and succeeded in effecting the arrest of one of them.

The man, whose name was given as Mum Bristol, of Hamilton, Ontario, was before the court with attempted shoplifting.

Owing to lack of identification, the second man has not yet been apprehended.
