Commonwealth Near Testing Time

Russians Are Pressing Hard Upon Nazis Now

In South Pacific—

MAY TRY AUSTRALIA INVASION

Japanese Raid Islands Only Thirty Miles Away—Allied Planes on Offensive.

Port Darwin Is Attacked Again

Counter-Offensive With Spearhead of Submarines Is Suggested.

CANBERRA, March 16:—Indicating that the long expected invasion of the Commonwealth is at hand, the Japanese have raided Thursday Islands only thirty miles north of the tip of Australia on a small scale, the attack being broken up by Australian fighters.

Fourteen Japanese bombers struck again today at Darwin, potentially one of the few remaining naval strong points of the United Nations in the southwest Pacific. The attack was evidently another intended to neutralize Darwin as a station for United Nations warships and planes with which to oppose the threatened invasion from an arc of enemy bases in the islands to the north. The Sydney radio reported that only slight damage had been suffered.

Believes Invasion Likely.

Fateful conviction that an invasion offensive was in the making was heightened for the Australians today by Major General Henry Gordon Bennett who headed the Australians in Malaya and escaped upon the fall of Singapore. He said in a speech at Sydney that every Australian soldier was needed now for the defence of the Commonwealth.

Reports current in Australia of Japanese troop movements from China in an ominous gathering of offensive power which the Australians assumed was pointed at them were partially offset today by talk of sea and air counter-offensives against Japan. Reassuring word of United States assault of Japanese communications with a fleet of submarines as a spearhead appeared in the Australian press but was without authority. However, hope was nourished by the announcement that an Allied submarine had arrived at Perth after a sixty-day voyage through Indies waters in which sixty thousand tons of Japanese shipping was sunk.

Port Moresby on New Guinea island had its eighth air raid Saturday from the Japanese, and there were two more Sunday, one from the east and one from the west, the enemy being kept back by anti-aircraft fire.

Nipponese soldiers are hacking their way through the jungle toward Moresby.

Enemy planes on the ground at Rabaul, New Britain, were smashed by another Royal Australian Air Force attack. Gasmata on New Guinea has also been attacked again by Australian bombers. Australian and American bombers, in their attacks on Gasmata and Rabaul, had the skies of New Britain to themselves. Not an enemy plane came up to meet them although there was anti-aircraft and machine gun fire. None of the Allied planes were lost. They operated in relays and dealt much punishment by dealing heavy blows to the Japanese-seized bases and shipping.

There were also further Allied air raids on Japanese-occupied bases on New Britain and in Burma.

TO MOVE ALL JAPS

Coastal Areas of British Columbia To Be Cleared This Week

VANCOUVER, March 16:—Coastal areas of British Columbia, including Vancouver Island and the Queen Charlotte Islands, will have been cleared of people of Japanese origin within the coming week. Pending internment disposition, they are to be concentrated at Hastings Park, Vancouver, where arrangements have been made to accommodate them temporarily.

German Officers In France Being Shot by Own Men

PARIS, March 16:—Several German officers have been shot by their own men among the French occupational forces. In addition to France, there is unrest in Belgium.

SUB TAKES LARGE BAG

United States Submersible Sank 60,000 Tons of Japanese Shipping.

PERTH, Australia, March 16:—A United States submarine has arrived here after a perilous 15,000-mile voyage during which it sank 60,000 tons of Japanese shipping in Pacific waters. The route was by way of Indo-China, Malay and the Philippines. The submersible had narrow escapes from depth charges and bombers.

London Has False Air Raid Alarm

Turns Out That Sirens Were Set Off By Mistake In West End Of Metropolis

LONDON, March 16:—Air raid signals were heard in the West End of London on Saturday. It was later explained that the air raid sirens had been set off by mistake.

WAR NEWS

MAY STAB RUSSIA

LONDON—Signs are not lacking that the Japanese may be planning a stab in the back at Russia through Siberia of similar character to the Pearl Harbor "sneak" which brought United States into the war. The sending, reported from Stockholm, of a new ambassador from Tokyo to Moscow is seen as a possible parallel to Japanese emissaries having been sent to Washington co-incident with the attack on Pearl Harbor and the Philippines. However, Russia is believed to be ready for any eventuality from such bases as Vladivostok and Nikolaesk. There are Siberian bases only six hundred miles away from Tokyo and they are endowed with heavy striking power.

JAPANESE PROFLIGATE

LONDON—A military observer here estimates that Japan has profligately thrown some six thousand planes into the Battle of the Southern Pacific during the past three months, many hundreds of which have been lost while even greater numbers have been burned out. The replacement ability of Japan is far less than the rate of loss. The same applies to the navy, all of which indicates that Japan is staking all on lightning victory instead of a long sustained campaign.

IN CHARGE OF CEYLON

LONDON—Vice-Admiral Sir Jeffery Leighton has been placed in charge of all British forces in Ceylon as commander-in-chief, the Colonial Office announces.

RAIDER OVER LONDON

LONDON—A single raider broke through the coast defences today and gave London its first daylight alarm in almost a year before being chased away without dropping bombs.

Prince Rupert Did Fine Job in Victory Loan By Beating All Objectives

Final official Victory Loan tabulations for this area were announced from local headquarters today. Prince Rupert with an original combined quota of $485,000 surpassed this figure within the first five days of the three weeks' campaign and then went on to beat a set objective of $600,000, final figures amounting to $636,800 or over 131 percent of the original quota. Not content with this achievement, the citizens of Prince Rupert also set themselves a secondary objective of 1800 subscribers (1500 subscribed in the 1941 Victory Loan campaign) and easily smashed this mark to obtain a complete total of 1917 subscribers.

Unit "C," which extended eastward to Vanderhoof and north to the Yukon boundary, also "went over the top" by amassing a grand total of $1,097,150, this being 146 percent of the unit quota of $750,000.

Lorne Aggett, local organizer, when releasing the totals, had this to say: "The people of Prince Rupert have completed a magnificent job. Better than one in every four of the population have purchased and this, I believe, is a new Canadian record for a city of this size. It was particularly gratifying to note that subscriptions kept rolling in even after the various quotas were broken. This was a strong indication of the citizens' realization of the gravity of the situation in which we find ourselves today the importance of lending savings for sorely-needed war equipment.

"Before returning south, Geoffrey Wootten, divisional organizer, and I would like to take this opportunity of thanking those citizens who took a part in this drive and particularly the saleswomen and salesmen who put aside their everyday duties to do their bit and who actually produced the final results."

CAMPAIGN IN BURMA

British Forces Recapture Three Villages Temporarily as Diversion—Chinese Reinforcements.

NEW DELHI, India, March 16:—British headquarters announced today the capture in Burma of three villages along the Sittang River, about eighty miles north of Rangoon, but said the counter-attack was intended only as a diversion and that British and Indian forces returned to their former positions according to plan.

Japanese forces are advancing further into Burma north of Rangoon along the Irrawaddy and Sittang Rivers but Chinese troops are reported arriving in considerable numbers in central Burma to reinforce the British.

The Royal Air Force is active in southern Burma including Rangoon where a number of Japanese ships have been sunk.

ACTIVITY IN LIBYA

Allied Planes Smash at Martuba, Bengasi and Tripoli—Land Activity Too.

CAIRO, March 16:—Allied planes, including United States-made Douglas bombers flown by South African pilots, smashed Axis planes on the ground and other enemy installations at Martuba on the Libyan Desert yesterday. Three enemy planes which offered resistance were brought down.

Bengasi and Tripoli were also raided yesterday.

British land forces, supported by aircraft, were active eighty miles west of Tobruk.

Minister Of Labor Pays Coast Visit

VANCOUVER, March 16:—Hon. Humphrey Mitchell, minister of labor, arrived here by plane at noon today from Ottawa, being on the coast to observe measures in connection with the evacuation of Japanese from protected zones of coast defence.

WHAT WAR IS ABOUT

Hon. Richard G. Casey, Australian Minister to United States, Speaks.

WASHINGTON, March 16:—Democracy is the way of peace and Liberty and Fascism is the way of war and aggression, declared Hon. Richard G. Casey, Australian minister to the United States, in an address last night. War of aggression against freedom-loving nations was nothing new, declared Mr. Casey. The last war had been only an instalment in the struggle against aggression. Now the fight for freedom was on all over again.

The wicked ambitions of ruthless men had thrown the world into strife and misery again as they endeavored to implement their philosophy of fear and hate.

Melbourne Has Air Raid Scare

Anti-Aircraft Fire Started And People of Australian City Headed For Shelters

MELBOURNE, March 16:—Anti-aircraft guns went into action and Melbourne people took to air raid shelters yesterday when an Australian plane wandered astray and was mistaken for an enemy machine. For some time there was considerable excitement as it was generally believed that the city was being attacked.

Honolulu Has Its Fourth Raid Alarm

HONOLULU, March 16:—Honolulu had its fourth air raid alarm of the war Saturday, there being a 47-minute alarm between 3 and 4 o'clock in the afternoon. Approaching aircraft were later reported to have been friendly.

Red Forces At Gates of Kharkov; Liberation Of That City Promised

Particularly Bitter Fighting in Ukraine and Crimea as Russians Hold Initiative All Along Great Battle Line.

MOSCOW, March 16: (CP)—Russian soldiers, applying great pressure on the Germans in the Ukraine and Donets Basin, were reported standing on the approaches to Kharkov today with liberation of the city reported near. The Red Star, Soviet Army newspaper, said yesterday that the hour of liberation for Kharkov was at hand. This city of 850,000 persons is declared to have suffered wholesale atrocities at the hands of the Nazis. It is estimated that 14,000 civilians have been executed, one hundred of them being hanged publicly in the streets. Other Russians have been shipped to Germany and other occupied countries to be used as slave labor.

All along the Russo-German front the Soviet forces are generally holding the offensive with particularly bitter and sanguinary battle raging on the southern fronts in the Ukraine and Donets Basin. General Timoshenko's forces are driving on towards the Sea of Azov and numerous Nazi prisoners have been taken.

A Russian communique Saturday reported "no important changes" on the eastern front. Ten thousand Nazis have been killed during the past week and much valuable equipment taken from the enemy on the southern end of the front.

Speaking yesterday in Berlin, Chancellor Adolf Hitler said that unexpected difficulties in Russia had made it necessary to postpone the spring offensive to summer.

MANY MORE SHIPS SUNK

Enemy U-Boats, With Torpedoes, Continue To Take Large Toll Off Atlantic Seaboard

NEW YORK, March 16:—Sinking by enemy submarines with their torpedoes of seven more Allied vessels off the east coast of the United States is reported. Most of them were in the Caribbean Sea with one off the Bahamas and another off Nova Scotia. One was a large tanker. This brings to over eighty the number of sinkings off the Atlantic coast since January.

SWEDISH INVASION

Hitler's Next Move May Be in That Direction, It Is Suggested.

LONDON, March 16:—There are increasing signs of a German invasion of Sweden being planned. Ski troops and motorized forces are being massed with concentrated in Norway, Denmark and along the Baltic Coast.

Road Survey Is Starting

TERRACE, March 16:—A party of surveyors arrived here on Wednesday with tents and equipment and set off by speeder in a westerly direction, thus raising hopes that a start is to be made on the road to the coast.

DOOM OF GERMANY

LONDON, March 16:—Dr. Edouard Benes, head of the Czechoslovakian government in exile, declares that only a miracle can now save Germany from defeat. He spoke of political interference by the "Gestapo Guttersnipes" with the military authorities who may take control of the Czech government.

MAY TAKE EVACUEES

This and Mennonite Situation Considered by Francois Lake Farmers.

FRANCOIS LAKE, March 16:—A meeting of the Francois Lake Farmers' Institute was held last Wednesday evening and was well attended. Business taken up included shelter for coast evacuees and the Mennonite situation. Correspondence from J. B. Munro, deputy minister of agriculture, was carefully considered.

The subject of handling evacuees from Prince Rupert coming up for discussion, the opinion was expressed that children might be difficult to handle unless accompanied by their mothers or some adult in authority. The available accommodation is known and, should the occasion arise, provision can be made in short notice. Uncha Valley people have a wide acquaintance in Prince Rupert and several of the lakes district people may make their own arrangements.

The following resolution was passed unanimously on motion of Joseph Sugden, seconded by Lee Cooper:

"Whereas, there is general dissatisfaction in the central interior over the fact that the Mennonite settlers are exempt from military service.

"And, whereas the other youths of our district have either joined the forces or engaged in other war activities.

"Therefore we, the members of this institute, request that our member, Olof Hansen, take immediate steps to endeavor to have the law exempting them from military service rescinded.

"And that copies of this motion be forwarded to all Farmers' Institutes south of and including Burns Lake, east as far as Endako and west to Palling, with a request that they endorse the motion by sending resolutions to our federal member."

RED CROSS News Notes

MARGARET PALMER TRAVELS

The new Junior Red Cross supervisor for British Columbia, Miss Margaret Palmer, daughter of Mrs. P. I. Palmer of Prince Rupert, has recently returned to the province from a visit to National Red Cross headquarters in Toronto where she made a study of Junior Red Cross organization and administration. En route to Vancouver she also visited Junior Red Cross headquarters in Winnipeg and Calgary. Born in Vancouver, Miss Palmer was educated in the province and taught school in Prince Rupert and lately in Vernon. In the latter city she became keenly interested in Junior Red Cross and was instrumental in stimulating activities of the twenty branches of the elementary school there with the result that they made a monthly quota of $50 for war and peacetime projects.

BUTTONS NEEDED

Buttons and more buttons of every size and kind are needed in Red Cross workrooms. Turn in to the Red Cross today all those odd buttons you have been saving for months—and maybe years.

FOR PRISONERS OF WAR

When he read of the terrible Japanese atrocities perpetrated on prisoners of war in Hong Kong, he walked into the headquarters of the Vancouver Red Cross branch to give a hundred dollar cheque for food parcels for prisoners of war but he refused to give his name. Packing food parcels for prisoners of war is the greatest project of the Canadian Red Cross Society. At the present time 40,000 per week are being packed in Toronto and Montreal at an approximate cost of $6,000,000. More than 14 tons of food are needed daily for these parcels. All labor is volunteer but, if paid, it would mean a cost of at least $65,000 a year. At the present time 2,500 are being packed in Canada for both Australia and New Zealand—these governments financing the cost of food. Only the Red Cross is allowed to send food parcels to prisoners of war.

CAR OF SALVAGE

Oliver Red Cross branch is the first of ten on the Red Cross Salvage "honor roll" to ship a carload of salvage to Vancouver on the newly granted preferred shipping rate. It contained mostly scrap metals which weighed 25 tons.

SPEAKS ON AGGRESSION

Rev. J. A. Donnell Delivers Thoughtful Address in United Church.

Taking as the basis of his sermon the words of the mob "Not this man, but Barabbas," Rev. J. A. Donnell gave thoughtful and thought-provoking address to a large congregation in First United Church last evening.

Reviewing briefly the historical background of the time, Mr. Donnell pointed out that to the mob then, Barabbas, who was not really a robber but a leader of nationalism, was a popular hero. He had led an insurrection against the hated Roman aggressor. Jesus, on the other hand, had been a disappointment. He had not fulfilled the dream of a Messiah who would overthrow the Romans. Rather he had criticized them harshly for their own sins and reproved them for their snobbery in claiming racial superiority. To the mob he was a failure.

And for centuries since many of the thoughtless ones of the world had taken the reaction of the Jewish people of that time as a foundation for persecution and loathing of the Jews. Nothing could be more opposed to the teaching of God and of Christianity.

The nations should not make the mistake today that the Jews of that age made. Barabbas was a patriot who saw only the sins of his enemies. Christ was a patriot who saw the sins of his own people. Mr. Donnell was sure that there was no question but that in the war in which the world was engaged "we must fight on with every power to win victory against the incarnation of evil but we hope too that, when victorious, we will not perpetuate our own sins." In that way lay the seeds of future catastrophe. Christian people must seek the patriotism that was Christ's.

A special musical number was the singing of the "Lost Chord" by Wireless Operator L. Bond-Barnard of the Royal Canadian Naval forces.

OIL AND CENSORSHIP

Editor, Daily News:

Speaking of oil your correspondent says he knows of indications at Metlakatla I lived on Graham Island some years ago and remember indications in that region too. There is a creek on the west side of Massett Inlet where the foam will burn if you put a match to it.

Regarding Dr. Mandy's letter and information to the enemy, your newspaper is not to blame but the censors, apparently, do things that would get you and I into jail and get away with it. I think Dr. Mandy is quite right in calling attention to this.

HOW LONG will this war last?

NOT ONE among us but longs for the day when peace will settle over the world, when families will be re-united, when our lives will return to normal. Are you doing all you can to bring that day closer?

This is a great task; to accomplish it every last ounce of our individual effort is required. If we are half-hearted, the war may last for years. If we slacken in our efforts and leave things for someone else to do, the war may bring us bitter defeat.

When *you* look back at the end of the day or at the end of the shift, can you honestly say, *"I have done all it was humanly possible for me to do?"*

When you look back at the end of the year, will you be able to say, *"I gave my strength, my skill, my experience, my factory, my equipment, to the service of my country, without thought of greater gain. I am happy to have done my full share?"*

INTERIOR DEFENCES

Canadian Legion Would Organize Militarily—Legion Annual.

SMITHERS, March 16: — The annual general meeting of Bulkley Valley branch, Canadian Legion, was held in the Legion Hall on Thursday evening. President K. G. Houghton presided over the meeting and there were 35 members present from many points in the Bulkley Valley, from Forestdale and Topley on the east to Evelyn on the west.

Great interest was shown in the military situation now existing and many points pertaining to it were discussed during the evening, chief of which was the advisability of forming defence units throughout the valley for emergencies. It was decided to go fully into the matter with this end in view.

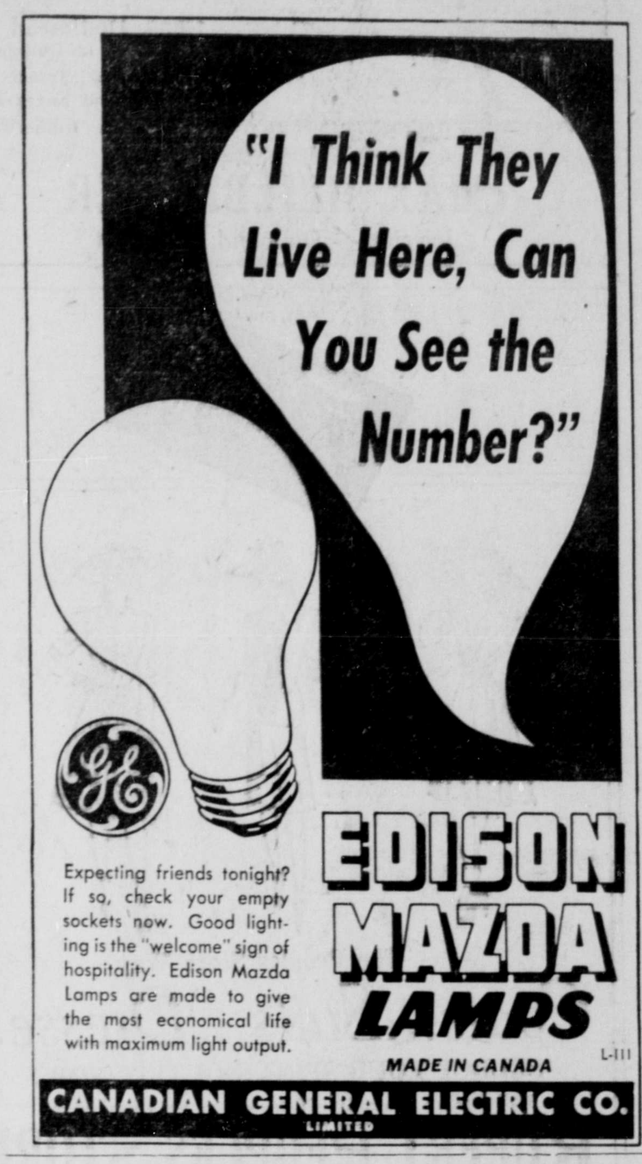
Progress was reported all through the past year by the outgoing executive and the affairs of the branch were reported to be in a satisfactory condition.

Past Presidents' badges were awarded to Frank Newbery and J. L. McEwen for their services in the past. C. A. Warner was unable to be in Smithers from his home in Prince George to receive his badge.

In the election of officers the following were chosen to carry on the business of the branch for the ensuing year:

Past President—K. G. Houghton.
President—J. W. Turner.
First Vice-President — J. H. Byrne.
Second Vice-President—K. MacBean.
Executive Committee — Frank Newbery, E. Hoops, J. L. McEwen, N. H. Kilpatrick, H. B. Campbell and Robt. Elliott.

Refreshments were served after the meeting.



C. F. P. Faulkner, assistant district engineer for the federal department of public works, wil. sail on the Catala tomorrow afternoon for Vancouver after a visit here on official duties.

LOCALS WIN BASKETBALL

The second and last game of the two-game series between Ketchikan and the Savoys on Saturday night ended in a 45 to 35 victory for the local team. The visitors' defeat was due in part to the fact that Tillotson, one of their guards, hurt his leg in the game the night before. Two local boys, Husoy and Arney, substituted for the visiting team.

The locals led during the whole game and a great measure of their success was due to the sharp-shooting of Beynon and Taylor who netted 13 points each. Farstad did the shooting for the visitors and managed to gain a total of 18 points. The score at the end of the half stood 18 to 15, the visiting team having come up from 11 to 3 at the end of the quarter. Only once did the Alaskans come up to the local. This was just after the beginning of the third quarter when Farstad broke through with two lovely shots to even the score. However, Prince Rupert immediately surged ahead and stayed in that position until the final whistle sounded with the score 45 to 35.

The individual scoring was:

Ketchikan—Farstad 18, Mills 13, Arney 4, Husov, Tomlinson, Bussinich, Total, 35.

Savovs—Dominato 5, Houston 2, MacPhee 10, Holkestad 2, Taylor 13, Beynon 13, Total, 45.

Officials were Johnny Comadina on the whistle, Alex Bill on the score and Jack Hingston keeping time.

BASEBALL STARTING

With the basketball season about to come to an early conclusion, baseball is getting a correspondingly early start. Watts & Nickerson took the field yesterday for their first spring training workout. Last year the clothiers won the city intermediate championship.

On the mound this year Watts & Nickerson will again have Alex Bill, who did not lose a single game last year, as well as Vuckovich, who will be permanent this year after having been traded about in 1941, and Macdonald, a southpaw.

Other members of the Watts & Nickerson team this year will be Postuk, catcher; Gurvich, first base; Arney, second base; Paulis, short stop; Fitch, third base; Pavlikis, left field, and Long, centre field.

SUGAR
...and your Grocer

Your grocer would *like* to sell you all the sugar you want. He has built up his business by pleasing his customers.

But right now he has a patriotic duty to perform. Canada must save sugar. So Canada has asked your grocer to keep a watchful eye on the sugar supply,

Remember, your grocer has nothing to gain—and much to lose—by seeing that you keep your purchases down to ¾ pound per person per week. Remember, too, that he has the right to refuse to sell sugar to anyone he believes is trying to disregard the law, and will make a record of the names and addresses of those who buy in what seem to be excessive quantities.

Little Possibility Now Of Changes In National Hockey League Play-off Positions

NEW YORK, March 16: (CP) — New York Rangers' victory over Chicago last night by a score of 5 to 1 assured them of first place in the National Hockey League standing. As a matter of fact, there can now be no changes in the standings leading to the play-offs unless the Brooklyn Americans might be able to end in a tie with the Montreal Canadiens for sixth place which would only come about if the Americans won their game with Boston tomorrow night and the Canadiens should lose to Toronto Thursday night.

Week end scores were as follows:

SATURDAY

Detroit 3, Canadiens 4.
Boston 4, Toronto 6.

SUNDAY

Canadiens 1, Detroit 4.
Toronto 3, Brooklyn 6.
New York Rangers 5, Chicago 1.

The following games are all that are left on the regular season's playing schedule:

Tuesday—Brooklyn at Boston.
Thursday—Chicago at Detroit, Toronto at Montreal.

The league standings:

	W	D	L	F	A	Pts.
New York	29	2	17	177	143	60
Toronto	27	3	17	155	129	57
Boston	24	6	17	152	115	54
Chicago	22	3	22	141	149	47
Detroit	18	4	25	134	143	40
Montreal	17	3	27	127	170	37
Brooklyn	16	3	28	130	167	35
