### The Red Cross...

Although no especial aid is necessary, we, nevertheless, need the Red Cross campaign for funds, commencing Monday of next week, to the most generous supporters who read these lines. We would say: give to the Red Cross of your ability, do not consider how little you can spare.

The manifold works of mercy of the Red Cross—the variety of their efforts to relieve suffering and distress in numerous ways—should be well known to all. The Red Cross is a permanent institution functioning to alleviate emergency conditions arising from disaster, sickness and disease. It is on the job in peace time but its usefulness and activity is many fold increased in time of war.

The Red Cross works for civilians and members of the active forces alike. It is the great organization which is universally recognized for the effectiveness and efficiency of its operations.

The Red Cross cannot effectively carry on unless it has particularly generous financial support at this time. It behooves us all to see that that support is unstintingly forthcoming. Therefore, we repeat give all you can when the canvassers call during the next two weeks. Do not let any consideration deter you from doing so.

The Red Cross asks \$9,000,000 from Canada, \$900,000 from British Columbia, \$10,000 from Prince Rupert. Let us exceed the quota substantially.

Nor should we forget that Prince Rupert may see the day when its investment in Red Cross will be returned in actual relief and ministrations.

It well behooves Prince Rupert to show the way in this very important campaign.

our part should be and the Red Cross Monday of next week, to the most generous supporters who read these lines. We would say: give to the Red Cross of your ability, do not consider how little you can spare.

## AFFAIRS OF CITY

Special Committee of the Junior Chamber to Study Forms of Government Under Municipal Autonomy

The Junior Section of the Prince Rupert Chamber of Commerce, at its meeting last night, decided that it would be fitting to interest itself directly in civic affairs now that the local municipal autonomy is about to be restored. After some discussion, the Junior Chamber decided to appoint a committee to investigate the merits of a commission form of city government as against the straight mayor and council form. No matter what form of civic government is settled upon, the Junior Chamber will have a candidate for office. It was also decided. The committee to go into the matter of the most advantageous form of city government will consist of L. M. Felsenthal, T. W. E. Henry and Lee Gordon.

## FOOTBALL WAS DRAW

Area Headquarters And Navy Play To 3 All Score

Playing in very blustery weather for football and before a small crowd of spectators, Area Headquarters and Navy, both short-handed, played to a 3 to 3 draw Thursday night in the Gilhilly Cup series. Navy was on top during the first half and led at the breather by 3 to 2. In the second half, the game was all Wall's who played a sterling game for Area and was easily the best man on the field. Playing at centre half, he had to go up and score as none of the forwards seemed to be able to locate the Navy goal. Veitch, Navy's stalwart centre half, was the next outstanding and, with a little more conditioning, will be a power to reckon with. During the second stanza Navy tried hard to maintain their lead but, in the end, Wall prevailed and broke away on his own to tie the game up. Just a few seconds before full time Wall made another attempt but was robbed just at the critical moment.

Goals were scored as follows: Navy: Brown, Bain and McLeod. Area Headquarters: Tuthill, Wall (2).

## ATTACK ON INDIA

Chittagong Is Bombed For Second Time—Invaders Defeated In China

NEW DELHI, May 9: (CP) — Japanese bombers attacked Chittagong on the coast of eastern India for the second time in twenty-four hours as the last of the British Imperial forces in the Chindwin Valley, northeast of Mandalay in Burma, fell back into the mountains for a stand near the Indian frontier. Little any military damage was suffered in the aerial attacks on withdrawing forces. There was no immediate information on extent of casualties in the Chittagong raid.

British military headquarters said yesterday that Japanese forces had occupied Akyah, important sea and air base on the west coast of Burma, three hundred and sixty miles from Calcutta. The British army in Burma was said to be still retreating up the Chindwin Valley but a military commentator expressed confidence in ability to protect the northern entrance to India.

Meanwhile a Chungking report says that Japanese columns, trying to advance along Burma road, northeast of Chefang, have been routed by Chinese counter-attacks, one column of one thousand men being wiped out and another crushingly defeated. This was said yesterday in a Chinese communique.

The proceeds of the Red Cross concert being held in the Capitol Theatre tomorrow night are expected to swell the pre-canvass total considerably. Actual canvassing will start Monday and it is hoped everyone will co-operate by being ready to give or pledge to the utmost ability when the canvasser calls. Official receipts will be issued and contributors of over \$1 automatically provide membership in the Red Cross Society until May 31, 1943. This is not a membership campaign, however. It is an urgent appeal for funds to assist the tide of battle NOW.

Mrs. J. R. Morrison arrived in the city on the Princess Adelaide yesterday afternoon to join Mr. Morrison who recently returned here after spending the past few years in Vancouver.

## Churchill To Speak Sunday

LONDON, May 9—Prime Minister Winston Churchill will speak on a world radio broadcast at 12 o'clock noon tomorrow with a rebroadcast at 8:15 p.m. The Prime Minister is expected to discuss relations with Vichy as well as the Madagascar campaign.

## BULLETINS

**MADAGASCAR RESISTANCE**  
LONDON—Paris radio reported today that two centres of resistance are being maintained in Madagascar hills south of British occupied Diego Suarez and that twelve British planes have been shot down thus far in interior fighting. This was not confirmed in London.

**NAVAL DEPENDENTS**  
OTTAWA—Minister of the Navy MacDonald announced yesterday that, retroactive April 1, dependents of men in the navy would receive allowances corresponding to those of men in the army.

**ARMY WEEK IN CANADA**  
OTTAWA—June 29 to July 5 has been designated as Army Week in Canada when there will be special observances and demonstrations each day, all for the purpose of giving the public opportunity to see more of the men in the army and their activities. There will be special entertainment and one one day—civilians a day—restaurants throughout the country will be asked to serve meals identical with those served in the army. Every community will be expected to fully observe Army Week.

**NAZIS TO GET IT**  
LONDON—Speaking in Birmingham last night, Air Minister Sinclair said that British and American bombers would give Germany a terrible summer. The German air force would be pounded out of shape and then the invasion of Europe would come. Speaking in Edinburgh, Foreign Secretary Anthony Eden said Germany must overthrow Hitler immediately. To keep him was to assume responsibility for damage being done to the world.

**MURMANSK ATTACKED**  
MOSCOW—Murmansk area has been under heavy air attack by the Germans. However, there has been little serious interruption to the supply lines and 65 Nazi planes have been shot down.

**QUEZON IN FRISCO**  
SAN FRANCISCO—President Manuel Quezon of the Philippines arrived here yesterday enroute to Washington to set up a provisional government.

**BUILDING WOODEN SHIPS**  
OTTAWA—Fifty-two wooden ships are to be built in Canadian shipyards on both coasts—28 for the Canadian navy and 24 for Great Britain.

**HONG KONG TO FORMOSA**  
LONDON—British prisoners of the Japanese in Hong Kong are to be moved to Formosa, it is reported.

# Japanese Invasion Armada Is Successfully Repulsed; Flees Northward Under Hot Pursuit

General Douglas MacArthur Announces Battle Has Temporarily Ceased But Attack Will Continue—Several Heavy Nipponese Warships Sunk

UNITED NATIONS HEADQUARTERS, Australia, May 9: (CP)—Announcing categorically a basic outline of a clear-cut naval victory in the greatest sea fight of the war, General Douglas MacArthur declared today that United Nations losses in repulsing an invasion armada Japan had sent into the Coral Sea had been relatively light and branded Tokyo's claims of damage flatly as false and fantastic. The score today stood at eleven Japanese ships sunk including an aircraft carrier, a heavy cruiser, a light cruiser, two destroyers, four gunboats, two cargo vessels and six Japanese ships damaged including an aircraft carrier, a heavy cruiser, a light cruiser, a 9,000-ton seaplane tender and two transports. The Japanese claimed to have sunk or damaged seven ships and shot down 89 planes.

General MacArthur's announcement declared: "A great naval and air battle off the northeast coast of Australia has temporarily ceased. Our naval forces fought with admirable courage and tenacity and the enemy has been repulsed. Our attacks will continue." General MacArthur said the only reason that United Nations losses were not revealed was because they would reveal information to the enemy.

In addition to the general list of Japanese vessels sunk or damaged, unofficial reports said that a second aircraft carrier had also sunk after being fired from stem to stern.

Indications were that the Japanese fleet was in flight northward with the United Nations in pursuit.

In London the British press greeted with enthusiasm today the news of Allied successes in the great naval battle but official quarters cautiously withheld comment pending full report.

## TWO SHIPS TORPEDOED

Further Sinkings Are Announced By United States Navy Department

WASHINGTON, May 9: (CP)—The United States Department of the Navy announced today the torpedoing in the Gulf of Mexico of two merchant vessels. One was a medium-sized United States ship and the other a small Honduran ship. No casualties were reported. The survivors landed at a Gulf Coast port.

## Liquor Situation In Prince Rupert

Correspondent to Junior Chamber From Naval Officer in Charge and Attorney General

Commander A. H. Reed, naval officer in charge at Prince Rupert, had a letter before the Junior Section of the Prince Rupert Chamber of Commerce expressing approval in principle of a resolution opposing the excessive use of liquor but stating that the matter of source of supply was something for the civil authorities to deal with. Commander Reed said he believed there were a great number of illegal drinking places and gave assurance that more efficient enforcement of the liquor laws by the British Columbia government would be supported by the navy.

Attorney-General R. L. Maitland also had a letter before the Junior Chamber referring to difficulties here owing to increased population and earning power but saying that he understood conditions had been improved of late following increase of the police force strength.

## ACKS-ACKS GO STRONG

Had Big Night In Interservices Bowling League

It was Ack-Ack's big night in the Interservices Bowling League last night when Anti-Aircraft No. 2 took two games from Seal Cove No. 1 while their buddies were taking two from Seal Cove No. 2. This puts the Ack-Ack No. 2 at the top of the league with Dry Docks, Seal Cove No. 2 and Medicals being in second place. Brightest spot of the evening was LAC Jimmy Drake's high score of 375.

The Prince Rupert Junior Chamber of Commerce, at its meeting last night, endorsed a recommendation from the civic centre carnival committee announcing the call of another meeting to organize a carnival this year, failing response to which the carnival idea will be dropped. Some criticism was voiced of organizations which had been invited to participate at previously called meeting being however not represented.

## TO STRIKE AT ALASKA

United States Vice-President Expects Desperate Final Effort By Axis

NEW YORK, May 9—Vice-President H. A. Wallace, speaking here last night expressed the belief that the Axis would make a final desperate effort to win the war this year. He thought it possible that an attack on Alaska and the northwestern states by Japan might be timed with a Nazi uprising in Latin America where surprising fifth column activity might be expected.

Hitler and Japan might be expected to collaborate in an unexpected strike, Wallace suggested.

## ATTACK IS VERY HEAVY

British Bombers Pound Rostock And Lose Nineteen Bombers—Norwich Hit Again

LONDON, May 9: (CP)—British bombers pressed home attacks from the 400-foot level last night to leave in flames the German aircraft works at Warnemunde, Baltic port of Rostock, in heavy night operations which cost nineteen planes, the Air Ministry announced today.

German raiders attacked the East Anglia town of Norwich today causing some damage and casualties.

Glut of Landings Averted and Halibut Market Stays Steady With Prices Good—No Poisoned Clams in Northern Waters

In spite of the fact that the Prince Rupert halibut fleet became bunched together in leaving for their initial trips of the season to the fishing grounds on account of a couple of weeks of unfavorable weather which held the boats in shelter, a glut of landings which might have been anticipated did not materialize. Instead there has been quite a steady and orderly flow inwards of fish and the market situation has remained stable with prices firm at good level running at least a couple of cents higher per pound than at the same time last year. Up to and including yesterday landings at the port of Prince Rupert had reached a total of 1,273,600 pounds as compared with 2,963,200 pounds at a corresponding date last year. The Canadian aggregate to date is 500,500 pounds in comparison with 1,373,000 pounds last year, while the American total is 775,000 pounds as against 1,585,200 pounds. During the past week the landings at Prince Rupert amounted to 571,100 pounds including 254,600 pounds from Canadian vessels and 316,500 pounds from American. For Canadian fish the high price of the week was 13.6c and 11c, paid the Mother III for 13,000 pounds and the low 11.8c and 10c, which the Gibson received for 4,000 pounds. For American fish the top price of the week was 13.6c and 11c, which the Ilene was paid for 44,000 pounds and the low 11.8c and 10c, which the Radio received for 38,000 pounds.

**NOTICE**  
 Registration of Those Desirous of Becoming Evacuated

Arrangements have now been completed for the registration of all persons who may wish to become evacuated from the Prince Rupert area if and when National Defence authorities consider such course advisable. All persons interested are accordingly asked to call at the law library on the top floor of the Court House Building where Mrs. Jack Johns and her assistants will undertake the necessary registration. Registrations will be taken from 2 to 5 p.m. daily except Saturday and Sunday from the 13th to the 27th instant.

The following questionnaire is indicative of the information sought:

1. If and when it is considered future conditions warrant evacuation from the Prince Rupert area, would you wish our Committee to arrange for the evacuation of any member of your family? Yes, No.
2. Full name of head of family.
3. Occupation. Address. Tel. No.
4. If at present employed, give address of Employer.
5. Names, ages and sex of evacuees.
6. Have you friends or relatives to whom you may evacuate, if so, give name and address.
7. Assuming housing accommodation can be provided, please indicate your ability to pay board and incidental expenses of each evacuee. Yes, No.
8. Are you able to supply requirements for each child evacuee as recommended by the Evacuation Committee? Yes, No.
9. Remarks.

Following is a list of requirements by each child evacuated:

- 1 sweater, 1 or 2 overalls.
- 2 sweat shirts.
- 2 underwear.
- 2 pyjamas.
- 2 stockings.
- 1 shade hat.
- 1 pair shoes and rubbers.
- 1 pair runners.
- 1 pair slippers.
- 1 coat or windbreaker.
- 1 bath robe (choice).
- 2 single blankets with ground sheet or sleeping bag.
- 3 sheets and 2 pillow cases.
- 1 pillow.
- Toothbrush and paste.
- Toilet and laundry soap.
- 2 practical bath towels.
- Wash cloth.
- Comb and hair brush.
- Handkerchiefs—6.
- Kleenex.
- Toilet paper.
- Paper towels.
- Boy Scout-First Aid Kit (Price approximately \$1.00).
- Sewing kit — needles, thread, scissors, etc.

This will all roll up in ground sheet.

NORMAN A. WATT,  
 For Evacuation Committee

According to the International Fisheries Commission, halibut landings at the various ports of the Pacific coast for this season up to April 30 amounted to 2,392,290 pounds compared with 7,477,926 pounds compared with 7,477,926 pounds last year. Of the total of 2,392,290 pounds this season 1,840,132 pounds was from Area No. 2, Canadian vessels bringing in 670,141 pounds and American 1,169,991 pounds, while 552,158 pounds from Area No. 3 all in American boats.

Provincial Constable Muskett, formerly radio operator on the local police boat, returned here on the Princess Adelaide yesterday afternoon to rejoin the vessel. He left here several months ago and has since been at Queen Charlotte and Ocean Falls.

Southbound from Skagway to Vancouver, C.P.R. steamer Princess Louise, Capt. Thomas Cuff, was in port yesterday afternoon from 3:30 to 5 o'clock. The vessel had on board a fairly light list of 75 passengers, three disembarking here while two took passage from this port for Vancouver.

While north British Columbia waters appear to have been free of the effects of poisoned clams which caused the provincial health officer of British Columbia to declare a ban on the use of clams—cooked or raw — early in May, Dr. Neal Carter, director of the Prince Rupert Fisheries Experimental Station, was called in to consultation in connection with the matter. Dr. Carter believes that the poisoning of the clams may be due to an outburst of a particular type of microscopic "feed" in the seawater which has been known on this coast before although it does not often reach Northern British Columbia. A close look-out has been kept and, as far as could be learned, the "feed" has not been reported in this vicinity. As well as in British Columbia, the consumption of clams was also banned by the state of Oregon. A number of deaths had been attributed in British Columbia and Washington to the eating of poisoned clams.
