Russians Start Huge New Offensive

German Positions All Through Vast Area In Danger From Red Army

Tremendous Losses Already Inflicted Upon Nazis in Life, Munitions, Food and Supplies—Being Attacked in Many Directions.

MILLION AND HALF MEN IN FIGHT
LONDON, March 12: (CP)—The Red Army was reported tonight to have thrown 1,500,000 men into violent fighting on a broad southern front, attacking primarily in the directions of Kharkov, Stalino and Taganrog.

MOSCOW, March 12: (CP)—German positions in the whole area north of Smolensk were endangered today by smashing Russian blows which had inflicted tremendous losses of life, munitions, food and supplies, Red Army dispatches reported. A special communique listed 49,700 Nazi troops as killed in the Kalinin sector alone between February 5 and March 3 with 161 communities captured. A dispatch asserted that the German Sixteenth Army, which had suffered 12,000 casualties in the Staraya-Russa trap, had lost additional thousands in the last few days while advancing Russians captured eleven new settlements.

MANY BONDS ARE BOUGHT

C. N. R. Employees Made Good Showing in Recent Campaign

MONTREAL, March 12:—Victory Loan subscriptions by employees of the Canadian National Railways throughout Canada amounted to \$4,338,650, it was reported today by D. C. Grant, vice-president of finance, who was in charge of the loan campaign for the national system. This amount does not include \$2,531,000 of bonds purchased by the railway for the pension and insurance funds.

The total number of employees subscribing to the loan was 44,815. In addition to those who subscribed for bonds a large number of employees increased their purchases of War Savings Certificates by means of payroll deductions as a result of the campaign. It is interesting to note that, of the above amount, a total of \$1,513,350 was subscribed to by employees of the western region.

NO TIME TO COME WEST

Will Be Impossible For General McNaughton To Visit Defences Of This Coast

OTTAWA, March 12:—Prime Minister William Lyon Mackenzie King said yesterday afternoon in the House of Commons that it was unlikely time would permit Gen. A. G. L. McNaughton, commander-in-chief of the Canadian Corps, to visit the Pacific Coast during his present stay in Canada.

Howard Green, Conservative, Vancouver South, had suggested to Hon. J. L. Ralston, minister of national defence, that General McNaughton pay a visit to the Pacific Coast to inspect defences.

TALLER DESPITE WAR
LONDON, March 12: (CP)—Two wars haven't affected the weight and height of London's 16-year-old Lancet, British medical journal, reported the children of that age average about 1½ inches taller and 16 pounds heavier than youth of the same age 27 years ago.

NAZI COUP IS DARING

German Prisoner Failed, However, in Attempt to Steal R.C.A.F. Plane in Ontario.

OSHAWA, March 12: (CP)—Daring attempt by an escaped Nazi prisoner of war to steal a plane of the Royal Canadian Air Force was foiled today with the capture of the German airman by an instructor at No. 2 elementary flying school, three miles northeast of here, as he was about to don a flying suit. He was one of two prisoners who escaped from nearby Bowmanville officers' camp last night. About an hour previous the second prisoner had surrendered at a farmhouse on the eastern outskirts of the city.

SUB LOSSES ARE SERIOUS

U.S. Navy No Longer Announcing Ship Names—Vessel Sunk in Pacific.

WASHINGTON, March 12:—So serious have sinkings by Nazi U-boats become in the Atlantic off the United States coast that the United States Navy Department has decided to withhold the names of vessels being sunk, designating them henceforth only as "large," "medium" or "small." The sinking of the 3,000-ton freighter Matlama of the Matson Line in the Pacific is announced.

DROWNED IN CAR PLUNGE

Gunner Evan V. Evans of Tabor, Alberta, Loses His Life Wednesday Afternoon at Galloway Rapids.

Evan V. Evans of the local anti-aircraft battery, a recent arrival from Tabor, Alberta, was drowned and Gunner C. W. Tait was injured, not seriously, when an army work truck, which was being used in the hauling of rock, struck the railing on the south side of Galloway Rapids bridge yesterday afternoon and plunged into the water. The railing was torn off for a distance of about thirty-three feet before the car finally went over the side. The accident occurred about 3 o'clock in the afternoon. The badly damaged car and the body of Evans were soon removed from the water. A military court of inquiry is being held this afternoon. Evans' body will be sent home to Alberta on Friday evening's train.

Alaska Ship Goes Aground

SEATTLE, March 12: (CP)—The Alaska Steamship Co.'s 373-foot Alaska passenger liner Mount McKinley is aground off the Alaska coast, the Thirteenth Naval District reported, but gave no additional details.

SOLDIER IS DEAD

Gunner Andrew McNeil of Parksville, Vancouver Island, dropped dead yesterday about noon at Barrett as a result of a heart attack. He had been serving with the 102nd Battery. A middle-aged widower, he had been stationed here for some time. The remains were brought to the city yesterday afternoon and are in the hands of the B. C. Undertakers.

NEW GUINEA BEACHES LITTERED BY WRECKS OF JAPANESE ARMADA

Fierce Australian Aerial Blows Blunt Enemy's Invasion Spearhead—Thirteen Nipponese Transports Out of Action.

CANBERRA, March 12: (CP)—Two days of air attack which littered New Guinea beachheads with wreckage of a Japanese invasion armada and battered potential Japanese bases gave threatened Australia valuable hours today to muster fighting power for a stand on its own shores. With Royal Australian Air Force bombers continuing the offensive, Japan's first spearhead, apparently blunted by fierce aerial blows yesterday at hangers and runways of Salamaua and Lae following up aerial assaults of the day before which sank, burned or beached at least seven ships and brought to at least thirteen the number of Japanese transports put out of action off New Guinea and New Britain. Craters were left in the airports and large fires started at the New Guinea bases. There was no word of new action today to indicate the next turn of the fight nor any further news of a second strong Japanese convoy last reported bearing down on Port Moresby, the New Guinea capital, 300 miles from the Australian mainland. Fort Moresby was air-raided again.

WARSHIP ATTACKED

LONDON, March 12: (CP)—The 35,000-ton German battleship Tirpitz was attacked by new torpedo bombing planes of the fleet air arm Monday off the Norwegian coast, it was announced yesterday but it was not possible to observe the results. The Tirpitz, which is a sister ship of the Bismarck, sunk last summer, retired under cover of a heavy smoke screen.

Ernest Fenelon Is Laid At Rest

Funeral of Well Known Local Ex-Service Man Held

The funeral of the late Ernest Fenelon, who died suddenly earlier in the week, took place this afternoon from the chapel of the B. C. Undertakers with Rev. C. A. Wright, pastor of First Baptist Church officiating, and Miss Lois Judge accompanying the hymns which were "Lead Kindly Light" and "Abide With Me." The funeral was under the auspices of the Canadian Legion, members of which acted as pallbearers. Interment was made in the soldiers' plot in Fairview Cemetery and "The Last Post" was sounded by Bugler William Rance.

REMOVING OF ENEMY

This Is Urged By Gyro Club in Message to Prime Minister Mackenzie King.

The Prince Rupert Gyro Club, at its regular monthly business luncheon yesterday, decided to wire to Prime Minister William Lyon Mackenzie King urging the federal government to take action at once to remove all enemy aliens and people of Japanese origin from the defence zone of the Pacific Coast. The request that the Japanese and aliens be removed is prefaced on the danger in which the coast is believed to stand from attack by armed forces and the lack of adequate action that has been taken despite repeated representations.

The club decided to have the president, George L. Rorie, who was in the chair, appoint a committee to the central civic centre carnival committee which will be urged to speed up arrangements for the holding of that event.

Operation of playgrounds was also discussed at yesterday's luncheon. It is planned to open these again this summer although existing conditions may make it necessary to curtail the supervisory staff.

Lee Intermela Laid At Rest

Funeral Yesterday Afternoon From Chapel of B. C. Undertakers to Fairview Cemetery.

Rev. Canon W. F. Rushbrook officiated yesterday afternoon at the funeral of the late Lee Intermela. The rites were attended by many friends of deceased and his family. The service took place in the chapel of the B. C. Undertakers and was followed by interment in Fairview Cemetery.

Mrs. F. Bruce presided at the organ to accompany the hymns which were "Lead Kindly Light" and "Abide With Me." Pallbearers were Elmer McConnell, Clarence Doane, Thomas Dennis, Thomas Harvey, Ed. Petersen and August Wallin.

Immense Shipments of War Goods To Be Sent North From Pr. Rupert

Already Preparations Under Way to Take Advantage of Opportunity for Shortening Haul and Saving Shipping.

OTTAWA, March 12: (CP)—Canadian railways and Canadian ports on the Pacific Coast will play an important part in rushing United States' war supplies to Alaska, according to information available here yesterday. By using Canadian ports and railways it will be possible to deliver immense shipments to Alaska ports.

LEGION IS IMPATIENT WITH GOV'T

Calls For More Adequate Defence Measures And Road Construction

Continuing their campaign for renewed and sustained active acceleration of Canada's war effort the Prince Rupert branch of the Canadian Legion, British Empire Service League, at its monthly meeting last evening, endorsed the resolution recently presented by the Prince Rupert Rotary Club to the Minister of Defence. There were some who wanted the resignation of the Minister of Defence and even the Prime Minister of Canada but the resolution as passed read as follows:

"Whereas the Canadian Legion, British Empire Service League, has consistently pressed since the outbreak of the war for more vigorous action on the part of the defence authorities in the use of Canadian resources and manpower;

"And whereas recent events on the Pacific have made the defence of this coast a vital matter.

"And whereas the general public have not been fully assured that everything possible is being done in the matter of naval, military and air raid defence or for the proper protection of civilian life and property.

"RESOLVED that the Prince Rupert branch of the Canadian Legion endorse the following resolution passed on March 5, 1942, by the Rotary Club of this city: "Because of the prime strategic importance of the city of Prince Rupert in the defence of the Dominion of Canada, on the Pacific Coast, this club condemns the inertia of the Dominion government in defence matters relative to this city and demands immediate evacuation or internment of all Japanese, whether Canadian born or otherwise, together with all other enemy aliens, and also demands that immediate action be taken to supply the city of Prince Rupert with proper protection facilities and proper and adequate defence equipment and munitions to combat the type of attack employed in modern warfare and requests an immediate reply as to what action is being and will be taken.

"Also be it resolved that we, the Canadian Legion, press for immediate action by the Dominion government in the construction and completion of a road that will give the city of Prince Rupert adequate connection with the highway system of the province of British Columbia. "That copies of this resolution be sent to the Minister of Defence.

Prince Rupert is cited as an example with good rail connections and excellent facilities for speedy trans-shipments as trains can be placed on wharves alongside ships. Observers also believe Prince Rupert will be an important port in connection with building of the Alaska highway.

Preparations have been under way here for some time for the extensive use of this port by the United States Transport Service, the goods to be brought in by rail and dispatched north by ship, thus cutting out the long water haul from Seattle and conserving shipping. Advantage is thus to be taken of Prince Rupert's proximity to Alaska.

The ocean dock will be used as a start but it is understood the United States government has other dock building plans for here.

DEAN OF SENATE IS DEAD

Rt. Hon. Raoul Dandurand Passes Away Suddenly at Age of 80—Long Prominent in Public Life.

OTTAWA, March 12: (CP)—Rt. Hon. Raoul Dandurand, government leader and close associate adviser of Prime Minister William Lyon Mackenzie King, died last night after a brief illness. His passing was sudden and unexpected and is widely mourned for he had for many decades been prominent in the public life of Canada. He was eighty years of age and had been in the senate for more than forty years. There will be a state funeral in Montreal Saturday.

the Minister of Pensions and Olof Hanson, M.P."

The resolution was endorsed unanimously.

Other Matters
Requests will also be sent to the Provincial Command asking it to take up with the Dominion Command of the Legion the matter of the fullest use of members of such sects as Mennonites, Hutterites and Doukhobors in some form of Canada's war effort and to press for the inclusion of these sects in some clause of the Conscription Act that the Legion hopes will be passed immediately.

The Legion also expresses strong opposition to a system that allows enemy aliens to own and reap profits or financial investments in the country when these aliens do not make any sacrifices for the country that offers at present a

Letter Box

AT EAST END TOO

Editor, Daily News:
Two readers have, by courtesy of your paper, protested against the avoidable radio interference in the city.

Boys, you should live at Seal Cove. We can put up with the whistles, rattles, catcalls, moans of a gony, devilish shrieks, Bronx cheers, etc., which emanate from the sources mentioned in your correspondents' letters. We are even getting used to interference from the air base wireless when we are trying to listen to Churchill.

However, for the past two weeks, and on several previous occasions we have been pestered with a full time wireless machine which not only puts an end to all radio reception for weeks at a time (except the local station) but comes through the telephone as well. It sounds like a man who has just been hanged doing a tap dance on a heap of broken crockery.

Will the Chamber of Commerce radio committee please note that this noise is not the work of the navy sending set?

Much as we would hate to lose an old friend, we at this end of town feel that it is high time some action was taken to put it out of business.

Thanking you, Mr. Editor,
"HOPEFUL"

OIL AT METLAKATLA

Editor, Daily News:
The writer spent a year in your city just preceding the last war and was in the way of making some move to drill certain lands for petroleum when the war broke

HELP GET RID OF THAT
COUGH-COLD
THE QUICK EASY WAY

The Buckley way. The new improved Buckley formula now all medication—no syrup, not only brings quicker relief but gives you more for your money. But be sure it's the genuine one.

BUCKLEY'S MIXTURE

out and the matter was abandoned. The firm was of record as Jamieson & McMillan.

A Mr. Robertson and myself had acquired some holdings but these were also abandoned and over the years I have never heard of any activity there along this line but, now that war conditions demand a greater oil supply, I suggest that you have some go getter there to take a look at Metlakatla Island. There are geophysical instruments now being used which will leave nothing to chance. I would suggest a Mansfield finder. They are being used in many oil fields today and the cost is nominal for the service they give. A 5000-foot set-up for there would be ample for depth and the island will be a much more shallow basin.

The cost of the instruments are graduated as to power to depth research and run from three to six thousand dollars. I would be glad if there is any local interest taken in the matter.

THOMAS J. JAMIESON,
Brandon, Man.

Each evening the changing of the guard and retreat ceremony is being carried out by the Edmonton Fusiliers at the barracks on Sixth Avenue West, the time before petroleum when the war broke

EDITORIAL

The Most Important Front . . .

With a number of different battlefronts needing attention it must be difficult for the British, American, Russian and Chinese joint high commands to decide where to send the bulk of their forces and equipment. The European opinion seems to be that Russia is the all-important front. Germany is able to concentrate more fully on that front and it seems to be the Nazi opinion that, if Russia can be broken, Germany can take care of the rest of that continent and Japan can look after the Pacific area. The result of this situation may be that much equipment that would be very useful in Australia, India and China will have to go to Russia so as not risk the possibility of the German armies breaking through to Moscow.

LOCAL NEWS NOTES

Robert Price left the city on last night's train for Fraser Lake. D. Henderson, from Winnipeg, will sail on the Prince Rupert tonight for Vancouver. Tonight's train, due to arrive from the east at 11 o'clock, was reported this morning to be forty-five minutes late. Frank McDonald, for drunkenness, was fined \$25, with option of seven days' imprisonment, in city police court yesterday. Mrs. A. E. Campbell of Telkwa, will arrive in the city on tonight's train from the interior and sail on the Prince Rupert for Vancouver.

▲S.O.N. dance tomorrow night postponed. Whist drive 8:30 p.m. Oddfellows' Hall. Adm. 35c. All welcome. Refreshments. A party of Vancouver workmen who have been employed on War-time Housing construction and the new military hospital here are sailing tonight on the Prince Rupert on their return south. The fire department was called last night to a false alarm from the Canadian National Railways general office box. The box was pulled by boys who later admitted doing so to Fire Chief H. T. Lock.

▲Attention Please—Something for all at St. Andrew's W. A. Jumble Sale in Toc H. room, next Rupert Hotel, Second Ave., Thurs. Mar. 12, 11 a.m.-6 p.m. Be an early shopper. Also table of home cooking, delicious bread, buns, etc.

On a regular scheduled voyage to Alaska, C.P.R. steamer Princess Norah, Capt. William Palmer, arrived in port at 9 o'clock this morning from Vancouver and sailed a couple of hours later for Skagway and other northern points whence she is due back here next Monday afternoon southbound. The Norah had on board 144 passengers of whom two disembarked here while eight went aboard for the north. Through passengers included some returning White Pass and Yukon route employees and several Juneau people.

LEGION IMPATIENT

(Continued from Page One) safe and generous standard of living. A letter from the Youth Council of Prince Rupert was read. The members knew little of the history of the group and, as veterans were inclined to think that the youth could more convincingly show their desire for a fuller prosecution of the war by getting into some activity that would use the "immense value of the Youth Conference for an all-out war," to use their own words, the letter was laid on the table for a month. In addition to acknowledgements from former Prince Rupert boys now serving overseas which have been listed there were a card from W. E. Brass and a very interesting letter from Terry Fortune.

UP THE EMMY-GEES

Australia plans to produce 8,000 machine guns by the end of 1942.

Cambrai Chapter Is Keeping Busy

Two New Members Welcomed—Shipment of Wool Received

The regular monthly meeting of Cambrai Chapter, Imperial Order, Daughters of the Empire, was held in the Canadian Legion Hall Tuesday evening, Mrs. K. Malthouse, first vice-regent, in the chair. New members welcomed to the chapter were Mrs. Frank Skinner and Mrs. Blackburne. Mrs. T. Fraser reported the Cambrai dance recently held as most successful although the tickets were not all accounted for as yet.

Mrs. Blackburne kindly offered a room in her house to be used as the Cambrai workroom which offer was unanimously accepted. The chapter was advised that a new shipment of wool for sweaters for the army, navy and air force as well as refugees had been received and could be obtained at the workroom. Sweaters, etc., completed should be turned in there at the first opportunity in order that shipments might be made. Mrs. Jack Garrett was the winner of a raffle of war savings stamps.

George Frizzell is in town today on one of his periodical business visits from Port Essington. He reports that five Japanese nationals, the first to leave the Skeena River town, are being removed to Vancouver by the police authorities tonight.

Colachans are running at Fishery Bay on the Naas River and the first of these popular and succulent fish, harbingers of early spring, were brought in today by the boat Sydney M.

DATE FOR '48 Sacramento, Calif., war or no war, plans a world's fair in 1948, to celebrate centennial of gold discovery in California.

SPEAKS ON ISRAELISM

P. H. Linzey Addresses Meeting of Local Toc H Society.

The world is now at the end of one age—that of the Babylonian dispensation—and on the threshold of another in which there will be peace and rule in accordance with the law of God, P. H. Linzey declared in the course of an address on "British Israelism and the Signs of the Times" before the regular weekly meeting of Toc H this week. Harold Hampton was in the chair and there was an audience of some thirty persons.

Mr. Linzey reminded the audience of how Old Testament and Biblical prophecy had been literally fulfilled over and over again. He instanced the Babylonian captivity and the fall of Babylon, the promise to Abraham that his seed would become a great nation and the overthrow of the Persian Empire by Alexander the Great. From these facts he inferred that Biblical Prophecy was literally true and that all prophecies that had not yet been fulfilled would in God's good time duly come to pass.

The Anglo-Saxon race, declared the speaker, was chosen to be a special instrument for the fulfillment of God's purposes. "The Israel of God," who were not necessarily Jews, were not chosen because they deserved the honor but because they had certain gifts and characteristics which made them suitable.

Mr. Linzey told his audience that there would be much to suffer and endure before Anglo-Sax-

Skagway Basketball Team Here
 After Losing Two Games of
 Conference Final Series.

The Skagway basketball team returned to Prince Rupert yesterday afternoon from Ketchikan where the team was defeated two straight games in the southeastern Alaska conference inter-high school basketball championship series. This morning the Skagway team sail in continuation of its return trip to Skagway. The Ketchikan High School team, to which Skagway lost, was the same team which defeated the local high school in two straight games recently.

Colds' Coughing
 Here's Easy Time-Tested Way To Get Relief
 Get after those distressing spells of coughing and ease misery of the cold the widely used Vicks way... Boil some water. Pour it into a bowl. Add a good spoonful of Vicks VapoRub. Then breathe in the steaming medicinal vapors. With every breath you take VapoRub's medication soothes irritation, quiets coughing, helps clear head and breathing passages. FOR ADDED RELIEF... At bedtime rub Vicks VapoRub on throat, chest and back. Its poultice-vapor action works to bring you comfort while you sleep.

**ROMANTIC
 SONG FILM**

Nelson Eddy and Rise Stevens Co-Starring in "Chocolate Soldier" Here This Week-End.

"The Chocolate Soldier," famous musical comedy, the melodious music of which never grows wearisome, comes to the screen of the Capitol Theatre here as the feature offering this Friday and Saturday with Nelson Eddy and Rise Stevens, a new singing star, in the leading roles.

The story casts Eddy and Miss Stevens as the musical comedy toasts of Vienna whose harum-scarum marital life is caused by Eddy's pathological jealousy of the wife. Reaching an unbearable point in their lives together, Eddy masquerades as a Russian singer and sets out to make love to his own wife as his own rival.

Miss Stevens' rich voice is heard in such selections as "Gypsy Cafe," "The Trout" and an aria from the original French version of "Carmen." Eddy's solos include "While My Lady Sleeps" and "Song of the Flea" while the stars sing together "My Hero," "Evening Star," "Seek the Spy," "The Presentation," "Chocolate Soldier" and the Finale.

Dance productions are another high point of the picture.

The supporting cast includes Nigel Bruce, Florence Bates, Charles Judels, Nydia Westman, Dorothy Gilmore and a host of ballet and eccentric dancers.

The week-end picture will also include a newsreel showing United States raids on the Marshall and Gilbert Islands.

Basketball Buzz

Arrangements are being made by local basketball authorities whereby the Exhibition Hall will be made available by the military authorities for the playing off of championship deciding games in the Intermediate Basketball league. The way matters now stand Dry Dock, Barons and High School are now tied as far as games won are concerned in the second half standing. The second half winners will play-off with High School, winners of the first half, for the intermediate championship.

NOTICE TO PERSONS OF THE JAPANESE RACE
 OFFICE OF THE CUSTODIAN

THE Custodian desires to bring to the attention of persons of the Japanese race the following provisions of Order in Council Number P. C. 1665 dated the 4th day of March, 1942:

"As a protective measure only, all property situated in any protected area of British Columbia belonging to any person of the Japanese race resident in such area (excepting fishing vessels subject to Order in Council P. C. 288 of the 13th January, 1942, and deposits of money, shares of stock, debentures, bonds or other securities), delivered up to any person by the owner pursuant to the Order of the Minister of Justice dated February 26, 1942, or which is turned over to the Custodian by the owner, or which the owner, on being evacuated, is unable to take with him, shall be vested in and subject to the control and management of the Custodian as defined in the Regulations respecting Trading with the Enemy, 1939; provided, however, that no commission shall be charged by the Custodian in respect of such control and management.

"Subject as hereinafter provided, and for the purposes of the control and management of such property, rights and interest by the Custodian, the Regulations respecting Trading with the Enemy, 1939, shall apply mutatis mutandis to the same extent as if such property, rights and interests belonged to any enemy within the meaning of the said Regulations.

"The property, rights and interests so vested in and subject to the control and management of the Custodian, or the proceeds thereof, shall be dealt with in such manner as the Governor in Council may direct."

The above provisions do not apply to fishing vessels, deposits of money, shares of stock, debentures, bonds or other securities, or property required to be delivered to any person by the owner pursuant to the Order of the Minister of Justice dated February 26, 1942, but enable persons of the Japanese race to deliver to the Custodian, before they are evacuated from a protected area, such other property as they have not disposed of and are unable to take with them.

All such other property not disposed of or delivered to the Custodian prior to evacuation automatically comes under the control of the Custodian upon the evacuation of the owner but persons of the Japanese race are urged to report their property immediately instead of waiting until their evacuation as this will enable the Custodian to take prompt action to protect and administer the same.

Forms for setting forth the particulars of such property may be obtained on written application to the undersigned and should be completed as fully as possible by owners of property and mailed to the undersigned without delay.

Dated at the City of Vancouver this tenth day of March, 1942.

G. W. McPHERSON,
 Authorized Deputy of the Custodian,
 1404 Royal Bank Building,
 Vancouver, B.C.
