## FUNDS OF PROJECT IN BONDS

Prince Rupert Civic Centre Association Executive Is In Session

The executive of the Prince Rupert Civic Centre Association, meeting last night at the home of Dr. R. G. Large, expressed appreciation to W. F. Stone for the excellent work his committee had done for the carnival and also offered thanks to all those who had helped in any way to make this affair such an outstanding event.

In replying, Mr. Stone recommended that every effort be made to take advantage of any opportunity throughout the year to provide some form of attraction. The problem of locating a suitable place and also obtaining sufficient help was acute but there was no doubt that any such effort would be successful in raising funds for the Civic Centre.

In discussing the local situation, it was felt that while priority could not be expected immediately there was hope that conditions might be more favorable within a few months and the committee would continue to make representation to the authorities to effect the early construction of the project. In view of the healthy financial condition the possibility of adding the swimming pool to the original plans was also mentioned.

G. T. German presented the Treasurer's report showing a bank balance of \$16,000 with which the committee decided to buy Victory Bonds registered in the name of the association. It was also decided to have the already held bonds for \$6,000 registered for the association.

The committee expressed regret at having to accept the resignation of Mr. German, who is leaving the city. A. S. Nickerson accepted the appointment of treasurer for the association until the general meeting which is to be held on the third Thursday in January.

The resignation of O. C. Young from the association was also accepted. Mr. Young was the citizens' representative and also vice-president.

Mrs. Norah Arnold was appointed to represent the citizens along with Robert Gordon on the executive.

Mr. Robert Gordon was appointed vice-president.

Chairman of last night's meeting was Dr. R. G. Large and others present were A. Dieldal, A. S. Nickerson, Robert Gordon, E. Erenson, G. T. German, W. F. Stone and C. Ham, secretary.

The Peace River Record, in a recent edition, gives considerable display to the latest Peace River highway outlet plan.

### Bonds Best For You...

Giving up money is giving up the ability to buy things we want, and many of us don't like it.

But the time is coming, after the war, when peacetime production is again in full swing, when the goods we want will be available, when prices will be lower.

That will be a fine time to buy. Will you have the money then? You will—if you practice self-denial now, invest your money in Victory Bonds, and help to win this war.

Like bread cast upon the water, the money you save now will come back to you with interest added at a time when you can spend it with a clear conscience, knowing that you helped defeat the Axis. Further, you will need the money more then than you do today.

Buying Victory Bonds is no sacrifice. It is doing no one a favor more than yourself. It is just good business.

By buying Victory Bonds you help win the war, you get your money back, you get good interest.

If you don't buy Victory Bonds you will have to pay more taxes. Taxes pay for the war but they do not come back and they do not pay interest.

Which do you choose—Victory Bonds or taxes? The easy way or the hard way?

## ACTIVITIES OF Y.M.C.A. AND Y.W.C.A.

By DOROTHY GARBUTT, Hostess

The other day I was reading an anthology of English verse and came across the following poem which I hereby dedicate, with heartfelt solemnity, to all worn and weary war services hostesses throughout the length and breadth of this continent. The two middle verses made me weep tears of genuine self pity. The poem is by Matthew Arnold whose father was the famous Dr. Arnold of Tom Brown of Rugby fame.

**REQUIESCAT**  
 Strew on her roses, roses,  
 And never a spray of yew!  
 In quiet she reposes;  
 Ah, would that I did too.

Her mirth the world required;  
 She bathed it in smiles of glee.  
 But her heart was tired, tired,  
 And now they let her be.

Her life was turning, turning,  
 In mazes of heat and sound,  
 But for peace her heart was yearning,  
 And now peace laps her round.

Her cabin'd, ample spirit,  
 It flutter'd and fall'd for breath,  
 Tonight it doth inherit  
 The vasty hall of death.

The Y's wives turned out well to their fortnightly whist drive at the YWCA lounge on Tuesday afternoon. It was decided to start the cards at 2:30 sharp and not wait until 3 p.m. as that left refreshments too late for those who wished to get home for a five o'clock supper. The prize winners this week were: first, Mrs. Roy Tritschler, R.C.O.C.; second, Mrs. E. W. Eddy, R.C.O.C.; consolation, Mrs. B. Peterson, 102nd. Auxiliary.

We saw an epic in cinema craft last night at the Y called "Marrying Widows," vintage about 1930 and in the pre-Hays censorship era. Although we laughed in all the wrong places it held our interest.

## SAV-MORS IN LEAD

Sav-Mors stand alone at the top of the league after taking three games from Watt & Nickerson in the Men's Five Pin Bowling League. Burns, tied with Sav-Mors last week, dropped two games to the up and coming Air Force squad, who are now in third place. Neck and neck with the R.C.A.F. are the Monarchs, who took two games from the C.Y.A. bowlers.

The Dry Dock All Stars added three more games to their wins when their opponents, Boom Defense, failed to show up. Dry Dock Painters slipped enough to lose all three to a renovated Stones Clothiers team. Re-enforced by \*C. Peterson, who returns to bowling after a long layoff, the Ordnance Corps five took two games from the Signals.

High aggregate scorer was E. Dorn of the Burns quintette with a nice total of 833. No spectacular singles were rolled, there being only one score over the 300 mark.

## Letter Box

**VICTORY LOAN DRIVE**  
 Editor, Daily News:  
 I notice in several parts of the United States that local beauties are employed in selling War Bonds, and, to encourage purchasers, each buyer of a bond is rewarded by a kiss. As Prince Rupert is full of pretty girls why don't the Victory Bond authorities enlist the services of a swarm of girls. As each eye forms its own beauty, they will each be pretty to someone and reward the purchaser with a kiss. I know it would be a dreadful ordeal for the girls to kiss or let themselves be kissed by some of the blokes I see in town—myself for instance—but, as it is to boost the sale of bonds and help win the war, I think the girls would be brave enough to face and survive the ordeal. They could close their eyes (they generally do) and imagine it is someone nice and handsome.

LOTHARIO.

## Hitler and Hirohito have Great Plans for Canada

Yes, all Canada's great resources... her wheat fields, her forests, her factories... could be put to wonderful use by the ruthless bully-boys from Germany, by the polite little savages from Japan.

And Canada's boundless acres would provide plenty of living room... for the Germans and the Japs.

But what of the Canadians? The answer is simple when you think what happened and is still happening to the Poles, the Greeks, the Yugo-Slavs—and all the others... in terms of slow starvation, slave labor, mass executions.

Every time a hard-working Canadian man or woman buys a Victory Bond, the plans of Hitler and Hirohito receive a set-back. The more you save and lend... the more certain you help make it that our enemies shall never put their greedy claws on Canada.

## MUSIC IS FEATURED

"Syncopation" is Interesting Picture at Capitol Theatre For Middle of This Week

A story of today's rhythms and how they were developed, "Syncopation," feature picture on the screen of the Capitol Theatre tonight and Thursday, brings together a kaleidoscopic assortment of music and musical backgrounds that blends, with pagantry and romance.

With Adolphe Menjou, Jackie Cooper, Bonita Granville and George Bancroft in leading roles, the film weaves an engaging story about the career of a girl who grows up in musical surroundings and a boy who shares her dreams of popularizing syncopated dance music. Their absorbing romance, marriage and separation with ultimate reunion are all played against a vivid background of New Orleans and Chicago life from pre-World War days to the present time. The action is enhanced with a notable presentation of dance music, negro spirituals, old ragtime favorites, modern hit tunes, blues—a lavish array from symphony to swing. More than thirty songs or melodies are heard and some of the leading top dance-band leader - instrumentalists are featured including Gene Krupa, Benny Goodman, Charlie Barnet, Alvino Ray, Joe Venuti, Jack Jenney and Harry James.
