SEASTOPOL OFFENSIVE SLACKENING

Soviet Troops Enter Crimea To Rear of Nazi Invaders—Army Suffers Huge Losses

MOSCOW, June 25: The German offensive against Sebastopol is slackening somewhat because of great losses suffered by the attackers. Russian dispatches said today, but the battle still is violent against the outnumbered garrison of the Crimean port. In a twenty-one day assault, six German and Rumanian divisions have been defeated, three others have suffered staggering losses and 150 tanks and hundreds of planes have been destroyed, said Russian accounts.

With whole new German divisions assaulting by land while dive-bombing attacks continue from the air, the Russian position in Sebastopol is still conceded to be grave.

Latest news from Kharkov is that the furious assault there was stopped dead in its tracks, hampered back by the fierce Red resistance.

A Reuters Stockholm dispatch to London said that two regiments of Soviet troops had landed in southern Crimea from a strongly escorted convoy. The dispatch said that the Russians succeeded not only in landing but advanced at some points, getting behind positions of the Germans attacking Sebastopol.

BATTLE IN EGYPT NOW

Axis Forces Carry Conflict Sixty Miles Inside Frontier With Lightning Moves

LONDON, June 25 (CP)—Heavy fighting raged more than sixty miles inside Egypt today as powerful invading Axis forces swept past Sidi Barani, big water mark of the Italian offensive in the fall of 1940, after forcing the British Eighth Army to abandon the frontier strongholds of Salum and Sidi Omar.

Although British headquarters reported troops fighting a fierce rearguard action and inflicting heavy losses on the enemy, it appeared possible they intended to make a stand somewhere before Marsa Matruh, vital rail-head, approximately 130 miles east of the Egyptian frontier.

SHIP WORK IS TIED UP

Strike of Machinists and Blacksmiths in Vancouver Yard Continuing

VANCOUVER, June 25: Hubert Wallace said today that work in his shipbuilding yard was practically at a standstill as a result of the strike of machinists and blacksmiths in protest at the seven-day week order. The strike continues despite the warning that there will be prosecution. At Ottawa Hon. Humphrey Mitchell, minister of labor, announces a special prosecutor has been appointed to take the necessary action.

Nanaimo Assessor Has Passed Away

David Lewis Dies in Island City At Age of Seventy-Two

NANAIMO, June 25—David Lewis, provincial assessor here, died yesterday. He was seventy-two years of age and, prior to coming here, was deputy assessor at Victoria.

BEEF PRICE IS REDUCED

Federal Authorities Make Move To Peg Meat On Sliding Scale Downward

OTTAWA, June 25: Maximum wholesale prices of beef will be reduced one cent per pound on July 13 and retailers will adjust their prices accordingly, the Wartime Prices and Trade Board announced today. To provide for normal seasonal decline, a second one cent reduction will be effective August 3, third on August 24 and a further decrease of half a cent September 14.

Fifth Column In Caribbean

LONDON, June 25: Reuter's reported today that fifteen persons had been arrested by the military authorities in Belize, British Honduras, after discovery of "organizations rendering active assistance to the enemy in the Caribbean area."

ARMY USES MORE MILK

Catering Experts Meet Success in Correcting Some of Eating and Drinking Habits of Youth

OTTAWA, June 25: The army is trying to wean the soldiers away from bad eating and drinking habits common in youth in civilian life and in meeting with success, says Lt.-Col. Ralph H. Webb, chief inspector of catering and messings.

He referred to the habits of eating between meals and drinking soft drinks at all hours of the day and night. As evidence of success the Colonel points to the consumption of milk in army canteens. It is now heavier than the consumption of beer and the milk the soldiers buy in their canteens is in addition to the pint (formerly half-pint) a day they get in their rations.

ARNOLD PROTEST BUENOS AIRES — The Argentinean government has sent an energetic protest to Berlin over the sinking of a freighter. President Ortiz has resigned and will be succeeded by Vice-President Castillo. The German embassy has been stoned and feeling runs high. The Chamber of Deputies suggests that the time has come to break off relations with Germany.

DREW IS CHARGED

Well Known Conservative Alleged To Have Violated Defence Regulations

OTTAWA, June 25—Charges have been laid against Col. George Drew, leader of the Conservative Opposition for Ontario, under the Defence of Canada regulations. In his criticism of the Hong Kong expedition, it is alleged to have made statements likely to prejudice recruiting."

SWEDEN'S POSITION

SNIPER'S DELIGHT

MOSCOW, June 25: The Red Army's automatic rifle, an original design created by V. A. Degtyarev, needs reloading only after 47 shots and can fire 100 to 125 well-aimed shots a minute.

The Prince Rupert Gyro club, at its regular weekly luncheon yesterday, decided to institute a rubber salvage drive in collaboration with the Red Cross. A committee will be named to make arrangements for the collection of the rubber which is believed to be a considerable quantity around Prince Rupert only waiting to be picked up.

The club also endorsed the move to hold a carnival this fall in aid of civic centre funds. The first or second week in August has been tentatively set for the event.

Following the luncheon yesterday, members of the club were taken on a personally conducted tour through the local dry dock where an hour was spent in inspecting the interesting work that is going on there, a guide having been assigned the management to take the club matters around. Joe Scott arranged the visit.

A guest at the luncheon was Jack Lowden of the Royal Canadian Air Force. A War Savings certificate was raffled and G. A. Hunter was the winner.

Gyros are looking forward to the annual picnic to be held next Wednesday with Dr. R. G. Large's power yacht Soogwills being used for the occasion and W. F. Stone in general charge of arrangements.

MUST SAVE EVEN MORE

Local War Finance Committee Chairman Surprised That Budget Sacrifices Not Greater

"Mr. Isley's budget should occasion no surprise to Canadians unless it be surprise that we have not been called upon for a greater measure of personal sacrifice at this time," stated J. W. Nichols, local chairman of the National War Finance Committee, this morning.

"It must be emphasized," said Mr. Nichols, "that the proposed enforced savings schedule is not the government's yardstick of what the individual is expected to save but the absolute minimum. In addition every individual must save his part of the two and a quarter billion dollars which the government must still borrow. It stresses the need for reducing non-essential spending and the making of actual sacrifices for voluntary savings."

CANADIANS RETURNING

They include Rev. Donald K. Faris of Victoria, Dr. Isabella McTavish of Winnipeg, Mr. and Mrs. Jack Allen of Victoria and Douglas Robertson of Victoria.

The Island has been zoned and district controllers for the emergency service appointed in some cases. Car owners have equipped their vans and trucks with removable seats so the vehicles could be transformed into troops of evacuee carriers at a moment's notice.

Special purpose vehicles also listed including bulldozers and tractors which could act as artillary tractors. Bulldozer units include bridge crews from Island logging camps, men who are veterans at ramming transport lines through the wilderness and keeping roads and bridges in repair.

Sea craft have been similarly organized, every available vessel registered at Island ports being considered, including large ferry boats, tugs and barges and various types of small craft, 380 in all. The Sea Cadets have been approached with a view to providing boy signallers to be attached to each squadron of this civilian "navy" and possibly supply lads to serve as crewmen aboard the larger vessels in an emergency.

LEADERS SECURE

New York Yankees or Brooklyn Dodgers Reign Supreme in Big Leagues

NEW YORK, June 24 (AP)—Leading teams—New York Yankees in the American League and Brooklyn Dodgers in the National—are still the Canadian Active army and if Mrs. Pealo can manage it she'll be secure in their positions and there is little change in the general standing of the two circuits. The Dodgers have a nine game margin over St. Louis Cardinals who, after losing a double-header to Boston yesterday, are only half a game ahead of Cincinnati.

The Boston Red Sox took a single run victory from the Detroit Tigers and are still eleven games below the Yankees in the American League. The Yanks again downed St. Louis. The Philadelphia Athletics lost nine to nothing to Cleveland Indians and are now in seventh place below the Chicago White Sox.

In the National League, the third place Cincinnati Reds won a close one over the New York Giants while the Chicago Cubs again downed the Phillies 3 to 1 to help into the leadership of the second division.

Mother Would Follow Family

B.C. Woman Had Taste of Service in First Great War and Wants To Repeat

PORTE MOODY, June 25 (AP)—All the men of the Pealo family at this Fraser Valley settlement are in the Canadian Active army and if Sgt. G. A. Pealo, the father, is a veteran of the First Great War when he saw service in France and went into Germany with the army of occupation. He joined up shortly after the outbreak of the present conflict, went overseas and then was sent back to Canada as an instructor. He is at present stationed at an Ontario camp.

The two sons of the family also are in the army, Gnr. George Pealo, 22, being stationed at Nanaimo, and Pte. Victor Pealo, 20, being overseas with a British Columbia unit.

Mrs. Pealo saw service on the place Cincinnati Reds won a close one over the New York Giants while the Chicago Cubs again downed the Phillips 3 to 1 to help into the leadership of the second division.

"IT'S POTATO PASTIE DAY TODAY, GIRLS!"

says Martha Logan

MARTHA LOGAN: Today's recipe's an exciting new way to use left-over meat and potatoes.

BETTY: I've the potatoes here, Miss Logan.

MARTHA LOGAN: Mash them and season well, Betty, while Jane sifts the flour. Now we work in the shortening.

JANE: It really is a pleasure to work with Jewel, it creams so easily!

BETTY: Yes, and it blends so well with other ingredients!

MARTHA LOGAN: Right! That is a specially valuable quality in wartime, isn't it? Ready with the dough?

JANE: Yes—and here's the seasoned chopped veal.

MARTHA LOGAN: Now fold over the pasties and pop them in the oven. These mouth-watering little pies are as nutritious as they are delicious... typical of the recipes you'll find in our Jewel Cook Book!

... Have you tried the new

A blended shortening that blends better

Clip out and try this wartime Jewel recipe for POTATO PASTIES

1/2 pound (about 1 1/2 cups) seasoned mashed potato, 2 teaspoons baking powder, 1/2 teaspoon salt, 1/4 cup Jewel shortening, cold water, chopped left-over meat, seasoned and moistened with chili sauce or catsup.

Stir flour with baking powder and salt. Work in water to make stiff dough. Roll 1/2 inch thick and cut in large ovals or rounds. Place a spoonful of meat mixture on half of each oval and fold over paste (edge moistened) to enclose. Bake in hot oven, 425°, until browned. Serve hot. Minced ham, corned beef, etc., particularly delicious in these pasties.

DARING AND DIFFERENT

"Here Comes Mr. Jordan," With Robert Montgomery and Distinguished Cast, at Capitol Theatre

Daring and different new kind of comedy, "Here Comes Mr. Jordan," starring Robert Montgomery and with an outstanding supporting cast including Claude Rains, Evelyn Keyes, James Gleason, Edward Everett Horton, Rita Johnson and John Emery, come to the screen of the Capitol Theatre this Friday and Saturday.

The picture is predicated upon an hilarious comedy situation with complications rich and varied. Montgomery appears as a fellow named Joe with an overwhelming ambition. Claude Rains is cast as the sympathetic, kindly dignified Mr. Jordan who helps Joe achieve his ambition.

The film is said to break many of the old conventions of picture-making to achieve a new high level of entertainment. Its characters are gay, adorable, hateful and human and the story made even Hollywood chuckle.

In addition to Montgomery and Rains, other members of the cast are said to be admirably adapted to their roles.
