SCARCITY OF TIRES AND RUBBER MATERIALS RESULT IN LOSING THE WAR

Minister of Supply Gives Some Advice to Canadians—When Present Tires Are Gone There Will Be No More.

OTTAWA, March 24:—Hon. Clarence D. Howe, minister of munitions and supply, announced yesterday that a universal maximum speed limit of forty miles per hour would be imposed in Canada to conserve gasoline and tires. Mr. Howe said that many Canadians did not, apparently, realize that, after the tires at present on their cars were worn out, there would be no more until some considerable time after the war. The government might even commandeer privately-owned tires if they were needed. Retreading would be permitted only for commercial vehicles and buses.

The war might be lost unless enough gasoline and tires could be secured. Mr. Howe also earnestly advised Canadians to go easy on the gasoline. Canada's only producing area, Turner Valley, could supply only one-sixteenth of the Dominion's requirements. Oil transportation difficulties were becoming increasingly difficult owing to the attacks on tankers.

SUPPLIES IN CHINA

Enough in Store for Thirty Months, Declares Red Cross Official.

SAN FRANCISCO, March 24:—Dr. John Earl Baker, Red Cross official arriving from the Orient, says China has thirty months' supplies in store at a point 150 miles from Hongkong. This includes 9,000 tons of gasoline, 6,000 tons of ammunition and 200,000 tons of general supplies.

ARRIVAL OF JAPS

Party From Prince Rupert Reaches Vancouver—1200 Shipped From Coast.

CAPE SCOTT WAS ASHORE

Pacific Coyle Navigation Co. Tug Arrives Here for Inspection Following Stranding.

There were no hits on the Cape Scott, which ran ashore last Sunday night near Massett while engaged in her work of timber towing from the Queen Charlotte Islands, arrived in port last night for inspection of damage. The vessel was able to free herself and come into port under her own power without assistance of the local power tugs Pachena and Helen II which were sent out to assist her and also returned last night. The Cape Scott has a damaged propeller. Damage, otherwise, is believed light.

NEW YORK, March 24:—Navy wives home from Pearl Harbor say they got so mad at low flying Japanese planes in the big attack that they threw stones at them.

ACTION ON MANPOWER

Important Announcement From Prime Minister This Afternoon.

Two Features

Compulsory Selective Service and Raising of Age for Military Service.

OTTAWA, March 24:—Prime Minister William Lyon Mackenzie King made a statement this afternoon in parliament on Canada's manpower mobilization program. It will be on a compulsory basis for the time being at least. Some non-essential industries will be closed down which will automatically make some more men available for war work.

In addition to compulsory regulations to ensure that Canadian men and women make their full contribution to the civilian war effort, extension of the age limit for call-up for compulsory service in Canada to thirty years was a feature of the national selective service program announced by the prime minister to the House of Commons.

Mr. King announced the appointment of Elliott N. Little, director of a wartime bureau of technical personnel, to a newly created post of director of national selective service.

SPEEDING UP SHIPS

Better Production in British Columbia Yards Coming Immediately, Says Minister.

OTTAWA, March 24:—Returning to Ottawa yesterday from a trip to the Pacific Coast, Hon. Humphrey Mitchell, minister of labor, said that production of British Columbia shipyards on war construction would be immediately stepped up. Some yards were not working to their full capacity. Mr. Mitchell admitted, but they soon would be.

It was chiefly on account of the shipyard situation that he had made the trip to British Columbia, Mr. Mitchell said.

AUSTRALIA HAS SUGAR

Would Be Able to Ship to This Country if Vessels Available to Take It.

MELBOURNE, March 24:—Australia has a surplus of sugar and is ready to make shipments to the United States and Canada if shipping is available to make it possible.

NO BOOZE FOR JAPS

Cannot Buy Any More in Liquor Stores Or Be Served in Beer Parlors.

VICTORIA, March 24:—The Liquor Control Board issued orders yesterday prohibiting the sale of liquor to Japanese in British Columbia. No more permits will be issued to Japanese people and those already issued will be cancelled. Neither will it be permissible for Japanese to be served in clubs or beer parlors. Japanese physicians may purchase liquor to be used for medicinal purposes.

LIKE FATHER, LIKE SON

Here is Bombardier Doble and his two sons, Leslie and Frederick who are inseparable companions. They eat at the same table and sleep in the same hut. Before the war, Bombardier Doble was a "tram" conductor, Leslie, a builder, and Frederick a furrier. They all serve with the same gun team in London.

Britons Warned

LONDON, March 24:—Sir John Anderson, lord president of the council, warned today that Germany may attempt to overrun the British Isles in the spring and told Britons they must do everything possible to "drive out and destroy the enemy."

BULLETINS

MANY AXIS SHIPS SUNK
 LONDON—No less than eleven Axis ships are now claimed to have been sunk by British submarines in the Mediterranean off Messina. One was the 13,000 ton supply ship Vittorio. An all-out aerial blitz by Axis planes of Malta appears to be continuing.

NOVGOROD SURROUNDED
 MOSCOW—Except for the claim that Novgorod has been surrounded, a Soviet communiqué says there is no major change on the Russo-German front. Heavy air blows have been exchanged between the Soviet and the Reich. Moscow claims to have destroyed 300 Nazi planes since March 16, losing 88 themselves.

NO CIVIC STRIKE
 VANCOUVER—There will be no strike of civic employees in Vancouver. Compromise agreement has been reached on a bonus of \$10 up to July 1 and \$12 thereafter. An arbitration board last October had recommended \$16.25 bonus but the city refused to pay it.

EX-ALDERMAN DIES
 VANCOUVER—Ex-Ald. Joseph H. Shinnick died yesterday in St. Paul's Hospital on his seventy-fifth birthday. He was active in the Ratepayers' Association and as a Knight of Columbus.

SWEEP PROFITEERING
 LONDON, March 24:—"Black market" men found to have hoisted the price of a barrel of molasses 1500 percent were fined an aggregate of about \$45,000.

United States Subs Are Battering Away At Japanese Vessels

Germany Urging Tokyo to Press Offensive—Japan Spokesman Warns Against Defensive—Australia Is Feeling Stronger.

United States submarines were officially credited today with inflicting heavy new blows on ships in Japan's own waters while the German radio quoted a Tokyo spokesman as urging Japan to press the offensive by securing the Indian Ocean and Australia "as strongholds for big future military operations." The Nazi broadcast quoted Captain Hiraide, Japanese naval spokesman, as declaring "it seems that, since the capitulation of the Netherlands East Indies, the situation has reached a turning point and Japan is on the defensive and the Anglo-American powers on the offensive. Defensive lines do not, however, lead to victory. Japan must continue its offensive."

In Australia General Douglas MacArthur conferred with Australian general staff and mobilized the vast island continent's defences against expected Japanese invasion attempt but there was little actual news as Allied fliers continued to hold Japan's sea-borne forces at bay. Australian newspapers expressed confidence that heavy blows now being dealt the enemy on islands north of Commonwealth would be successful in stopping the invasion.

In Burma vigorous fighting was reported seven miles south of Tundoo, the left anchor of the Allied line. Major conflict was raging and a Chinese counter-attack had driven the Japanese back. The Japanese are believed to be reinforcing their air force over Burma to meet the Royal Air Force and United States strength which is continuing to take a heavy toll. Until control of the air over Burma is decided, the issue of land fighting cannot be expected.

American submarines are meeting with increased success in their attacks on Japanese ships off the coast of Japan. Three more Japanese merchantmen and a destroyer or anti-submarine vessel were sunk yesterday in addition to others being damaged. This brings the total of enemy ships sunk or damaged by the United States and Australian naval and air forces to 183 of which 118 were disposed of by the United States Navy—97 being sunk and 21 damaged. Thirty-five warships have been sunk and ten damaged. Melbourne says that 7,000 Japanese have been killed, 35 ships and 100 airplanes destroyed in forty-nine days.

While the United Nations forces were wounding Japanese bases on the northern islands, evacuation of Port Moresby on New Guinea had been commenced. Forty-seven Japanese planes have been brought down since Friday.

CONVERTING INDUSTRIES

Plants Turning Over to War Production on Large Scale in United States.

WASHINGTON, March 24:—United States industries which have been producing five billion dollars worth of goods per year are being turned over to munitions manufacture.

There is continued restriction on the production of electrical goods, hardware and other lines for the civilian market.

Captain and Mrs. P. A. T. Ellis sailed by the Catala this afternoon for a trip to Vancouver.

Canadians In Britain

AT A BRITISH PORT, March 24:—A contingent of several hundred Canadian troops and airmen and another hospital unit have arrived in Great Britain after an Atlantic crossing from Canada which was "just like a cruise."

YANKS NOT GIVING IN

No Attention Paid to Vichy Claim of Surrender on Bataan Peninsula.

WASHINGTON, March 24:—No attention is paid here to a Vichy radio statement yesterday that American forces on Bataan Peninsula in the Philippines has surrendered. The latest word here is that a demand of the Japanese to surrender had been disregarded by the United States commander-in-chief on Bataan.

SINKING OF SHIP

Eighteenth Allied Vessel Within Week Victim of Enemy Action Off U. S. Coast.

NEW YORK, March 24:—Another Allied merchant vessel was lost off the Atlantic Coast yesterday. It ran aground after a submarine attack. This was the eighteenth Allied vessel to be lost in these waters within a week.

TRIBUTE TO WOODSWORTH

Prime Minister and Other Ottawa Leaders Speak Kindly of Long Prominent Socialist Member

OTTAWA, March 24:—Prime Minister William Lyon Mackenzie King paid feeling tribute to the late J. S. Woodsworth, long a Socialist member for Winnipeg and founder of the Co-operative Commonwealth Federation. He was the "devoted missionary of a great cause—the well-being of his fellowmen," Mr. King said. Mental anxiety arising out of the war had had an effect in shortening Mr. Woodsworth's life, the prime minister felt.

Other Ottawa leaders joined in the tribute to Mr. Woodsworth.

Good Work of Hospital . . .

The Prince Rupert General Hospital has had another year of successful operation and the board of directors and managing staff are to be congratulated. The hospital has provided a high standard of service, as all who have had to be there will agree, and, in so doing, maintained a satisfactory financial position. Better times generally in Prince Rupert, no doubt, had a direct beneficial effect upon the hospital finances to offset the problems arising from the continued burden of recent building expansion and mounting costs.

Hospital service is a vital essential in war as in peace and it is gratifying to see that it is being so well maintained here.

It Couldn't Happen in Japan . . .

Not a few of their white friends were at the special train on Saturday to bid farewell to Japanese evacuees being taken from this defence zone for the duration of the war. It was a scene for which we could hardly imagine a counter-part in Japanese territory. It would take a considerable stretch of the imagination to think of white people in Japan being treated in such a friendly manner. Possibly these Japanese evacuees themselves appreciate the difference in the courtesy and consideration that they are receiving in internment here from the treatment which we have good reason to believe is being accorded Britons and Americans—Japan's enemy aliens—in Nipponese territory today.

STILL LEAD IN BOWLING

Toilers Have Substantial Margin In Mixed League In Spite Of Defeat in Latest Fixture

With the regular playing schedule for the season now nearly over, Toilers seem to be quite secure in their position of leadership in the standing even though they were defeated two games to one by Alley Cats in the last played fixtures. SavMors are back in the runner-up spot as a result of a clean sweep victory over Pushovers who had been in second place with Rinky Dinks who also lost a clean sweep—to People's Store. In the fourth of the latest set of fixtures, Stones Clothiers defeated Woanjas two games to one.

In the next scheduled Mixed League bowling fixtures Wednesday night the following will meet: First session—Rinky Dinks vs. Woanjas; Toilers vs. Pushovers. Second session—Stone's vs. People's Store; Alley Cats vs. Sav-Mor.

SAVE FOR VICTORY

If every one of Canada's new army of wage-earners saves more, the country's effort toward winning the war will be greatly helped.

Every dollar you save means more labour and materials freed for making the war goods so urgently needed.

These savings, lent to the country in the purchase of War Savings Certificates or Victory Loan Bonds—lent to intensify Canada's war effort—will bring victory—and peace—nearer.

**Welcome To
 New Rector**

Rev. Mr. Atkinson of Burns Lake Moves to Smithers Anglican Church.

SMITHERS, March 24:—A reception in honor of Rev. Mr. Atkinson was held in the Anglican Hall on Friday evening. About seventy persons were present to welcome the new rector of the Anglican Church. Mr. Atkinson comes to Smithers from Burns Lake to succeed Rev. J. E. Birchall who is leaving immediately to take a church at Mirror, Alberta.

The evening was pleasantly spent with games and music and the guests enjoyed a fine banquet prepared for the occasion.

Mr. Atkinson was warmly welcomed by his new parishioners but all were sorry to part with Rev. and Mrs. Birchall who have established themselves so firmly in the community. Their many friends in Smithers and through the Bulkley Valley regretted to hear that they had decided to leave this district for a new field.

**CHAMBER
 OF MINES**

Annual Meeting at Smithers—Stewart Campbell President.

SMITHERS, March 24:—The Omineca Branch, British Columbia Chamber of Mines, held its annual meeting in the Village Hall on Friday evening to hear the report of the officers for the past year and to elect officers for the coming year's work.

There was not a very large attendance but many subjects of interest to miners and prospectors were discussed.

It was decided to try and advertise the base metal resources of Omineca mining district so as to attract mining industries to this area and to northern British Columbia generally. This policy will be put into effect immediately.

It was felt that the local newspapers throughout northern British Columbia should be more alive to these resources and never cease to draw attention to the deposits of lead, zinc and copper of Omineca and Prince Rupert mining districts.

In the election of officers that followed the results were as follows:

Honorary President—Hon. Herbert Ascomb, minister of mines.
 Honorary Vice-Presidents—Olof Hanson, M.P., E. T. Kenney, M.L.A. and M. M. Connelly, M.L.A.
 President—Stewart F. Campbell.
 Vice-President—Angus McLean.
 Secretary-Treasurer—L. H. Kenney.
 Executive—B. F. Messner, Herbert Leach, John Wilson, J. L. McEwen, Axel Elmstead, G. H. Gazeley, J. S. Kelley, C. P. Bussinger and T. W. Brown.

"Wild Geese Calling," With Henry Fonda and Joan Bennett, Coming Here.

A thrillingizing drama of the great northwest, Stewart Edward White's adventure novel "Wild Geese Calling," comes to the screen of the Capitol Theatre this Wednesday and Thursday. Henry Fonda, as a two-fisted lumberjack, and Joan Bennett, as a dance hall queen, have the leading roles in the story of two people fighting together the fury of a great new primitive country.

The film follows the progress of the drifting lumberjack who is gripped by wanderlust. Searching for his friend, Warren William, he meets and marries Joan Bennett, a dancer in a tough waterfront saloon. Their adventures enroute to Alaska are heightened by the realization that Joan and Warren are former sweethearts. Amid the wilds of Alaska, the picture builds swiftly to a smashing climax.

Ona Munson and Barton MacLane, in parts well adapted to their particular types, complete the featured cast.

CHEMISTRY HELPS TO WIN THE WAR

**Bird's Eye View
 of Berlin**

AS the R.C.A.F. bomber pilot swings his plane around over Berlin, he sees clearly the details of his target below him through a windshield of plastic material—"Lucite". For this moment of "chickens coming home to roost", a crew of bright faced Canadian lads became avengers of the skies, an infant Canadian aircraft industry grew up overnight, and a product of Industrial Chemistry went to war.

"Lucite" is one of a group of many new materials generally referred to as Plastics. It is transparent as crystal, but is only half the weight of glass. But—vital in aircraft use—it will not shatter like glass.

"Butacite" for safety-glass manufacture, and "Plaskon" Resin Glue for the fabrication of plywood for aeroplane manufacture, are two other important Plastics vital to our war effort.

For some years before the war C-I-L was introducing Plastics of various types to industry. They went into such products as safety-glass, toothbrush handles, combs, radio and automobile trims and accessories. Now Plastics are rendering yeoman service in the cause of the United Nations.
