NORTHERN AND CENTRAL BRITISH COLUMBIA'S NEWSPAPER

PRINCE RUPERT, B.C., WEDNESDAY, MARCH 18, 1942.

PRICE: FIVE CENTS

Japanese Invasion Force Smashed

Twenty-Three Enemy Vessels, Including Twelve Warships, Sunk By Allied Bomb Attack

JUST A FEW OF THE NAZIS' 1,500,000 CASUALTIES ON RUSSIAN FRONT

These German soldiers, taken prisoner at the south end of the far-flung Russo-German battle line, found that the Russian winter was one enemy against whom precision training in the art of killing was useless. All of them are suffering from frostbite, having been inadequately prepared for winter campaigning. Just how many of the 1,500,000 casualties admitted by the Germans on the Russian front were put out of action by General Winter is not revealed.

Railways Playing Vital Part in War

Traffic Now Seventy-Five Percent Higher Than in Previous Peak Year

CHICAGO, March 18:—That Canada was marked by destiny to become the connecting link between the two great Anglo-Saxon democracies—the United States and the British Commonwealth of Nations—was the keynote of an address delivered by Major F. L. C. Bond, D.S.O., president of the American Railway Engineering Association at the forty-third annual meeting of the association which opened here yesterday and which was attended by representative officials of the various railroads throughout the United States and Canada.

Some United States Naval Losses Are Announced—Nipponese Are Now in For Fiercest Campaign of War.

WASHINGTON, March 18: (CP) — The United States Navy announced today that a Japanese invasion force concentrated near Salamaua and Lae in New Guinea had been smashed by American and Australian air forces with the sinking or damaging of twenty-three Japanese vessels including twelve warships. Losses inflicted on the enemy were accomplished with loss of but one light plane. Japanese ships sunk and probably sunk were two heavy cruisers, one light cruiser, five transports or cargo ships, one gunboat, one destroyer, one minesweeper—a total of eleven consisting of six warships and five others. Two destroyers were listed as possibly sunk and ships damaged were listed as one cruiser, one large destroyer, two transports which suffered direct bomb hits, one troopship, three transports, one aircraft tender and one gunboat, a total of ten consisting of four warships and six others. Moreover, Allied attackers demolished many small boats, motor boats and three enemy seaplanes were shot down. Shore installations, including anti-aircraft batteries and aircraft runways, were damaged.

CAUCUS EQUALS POW-WOW

The same communique disclosed that the American submarine Shark was overdue in the western Pacific. The submarine Sea Lion was so damaged at Cavite in the Philippines that her demolition was necessitated. The destroyer Stewart was demolished at the East Indies base of Surabaya to prevent her from falling into enemy hands.

The developing Battle of Australia presented a grimmer aspect for Japan's invasion armies today as substantial United States forces were reported officially to be helping man the Commonwealth's war posts. Allied military experts cautioned against too great optimism but declared the Japanese would be in for the fiercest campaign of the war if an attempt were made to storm Australia. Coinciding with the appointment of General Douglas MacArthur as Allied commander in Australia, Prime Minister John Curtin announced that another United States officer—Lieut. General George Brett—would command Allied air forces in the South Pacific theatre.

Allied bombers continued smashing at the enemy's potential jumping off bases in Timor while in the Battle of Burma British military quarters reported little change in the situation but warned that the Japanese, driving north from Rangoon, had received strong reinforcements.

VICTIM OF SLUGGING

Gust Ross, Well Known Taxi Operator, Attacked by Fare—Still in Hospital.

Gust Ross, well known local taxi operator, is a patient in the Prince Rupert General Hospital suffering from an injury at the base of the skull sustained shortly after midnight last Friday when he was the victim of a slugging attack in his own car.

A fare called at the taxi stand, took the back seat and asked to be driven to the Rushbrook Heights area. Arriving in that vicinity, he requested to stop and it was then that the attack occurred.

Ross was not rendered entirely unconscious although somewhat stunned and was able to cry out whereupon the assailant decamped.

A Royal Canadian Air Force station wagon happened along and brought Ross into the city. He has since been in hospital.

BIG AREA IS MINED

British Admiralty Announces Bay of Biscay and Waters Off Coast Dangerous.

LONDON, March 18:—The Admiralty issued a warning today that all of the Bay of Biscay except for a twenty-mile strip along the Spanish coast and thousands of square miles of the Atlantic southwest of England "are dangerous to shipping."

The Admiralty said that any vessel disregarding the notice did so at its own risk.

Such notice would usually mean that the defined zone had been mined.

Mr. and Mrs. Pat Mazzei, who have been visiting for the past several weeks in the south, returned to the city on the Prince Rupert this morning from Vancouver.

MEMBER IS HERE

T. D. Pattullo Paying Visit to Prince Rupert Today

T. D. Pattullo, former Premier of British Columbia and now Member of the Legislative Assembly for Prince Rupert, arrived in the city on the Prince Rupert this morning from Victoria to pay a visit to his constituents here. He is a guest at the Prince Rupert Hotel and will be here until Saturday night when he will return south. Mr. Pattullo will tonight address the annual meeting of the Prince Rupert Liberal Association and during his stay here, will take up a number of matters pertaining to the affairs of the constituency.

Mr. Pattullo made the following statement in regard to northern highway matters:

"No time should be lost in connecting up British Columbia at proper focal point with whatever road may be put through to Alaska. Notwithstanding any disabilities of the course now being pursued, British Columbia should proceed intelligently and without delay. It is obvious to everyone that, during the past generation the democracies have been dilly-dallying in smug complacency in complete lack of appreciation, or shall we say disregard of what has been transpiring in the totalitarian countries. Now, of course, we are ready to rush at anything to endeavor to accomplish something that should already have been accomplished. When you find high authority opposed to road construction for fear that the enemy may use it against you, is comparable to argument that what is the use of building ships when they are likely to be sunk."

TO LOCATE NEW ROAD

Provincial Department of Public Works Engineer Arrives Here

H. L. Hayne, locating engineer for the provincial department of public works, arrived in the city on the Prince Rupert this morning from Victoria and proceeds by the evening train to Terrace and other interior points in connection with the organization of surveys for the completion of the Skeena River Highway to connect up Prince Rupert with the rest of the highway system of the province.

Bombing Insurance To Be Retroactive

Local Fire Insurance Agencies Receive Advice From Head Offices

Local fire insurance agencies have been advised by their head offices of the intention of the federal government to put into effect a plan of bombing insurance for the protection of buildings and contents which would be retroactive to December. This is along the line of information previously received by the Chambers of Commerce.

NAZIS IN BAD WAY

Russian Offensive Continues to Smash German Lines.

MOSCOW, March 18:—Soviet central armies are reported today to have encircled a German garrison at Gzhatsk, 100 miles west of Moscow and the closest foothold to the Russian capital retained by the Nazi invaders. It was to Gzhatsk that the Germans withdrew after disastrous defeats at Mozhaik and Borodino.

The German lines have been badly broken and there is fighting in the streets of Kharkov.

DAILY EDITION WEDNESDAY, MARCH 18, 1942.

In New Capacity . . .

For the first time since this constituency sent him to the Legislative Assembly in the fall of 1916—just over a quarter of a century ago—T. D. Pattullo is in Prince Rupert today in the capacity of a private member—Prince Rupert's own exclusive representative. As such, we are pleased to welcome him home and we are sure that he will receive a hearty welcome from his many old friends.

The magnitude and import of international and national events these days tend to pale things purely provincial into insignificance. Yet there are many important functions that it is in the jurisdiction of the provincial administration to carry on.

Mr. Pattullo, while a private member, is nevertheless a figure of national prominence by virtue of the eminent position he has held in the public life of this province since first he was sent from here to Victoria. All the more valuable, therefore, as a result of his experience and influence, is he as Prince Rupert's private member.

Good News From Australia . . .

"The most cheering news for us since the war in the Pacific commenced" is the way commentators describe Australia's reaction to the appointment of General Douglas MacArthur as commander-in-chief of the United Nations for the Battle of Australia.

Prime Minister John Curtin and other prominent Australians, as well as newspapers, including the influential Melbourne Sun, have for some time been urging the appointment of the "miracle man of the Philippines" to this post.

The United Nations may not have parity in air or naval forces in the Southern Pacific. Japan may have the advantage of a shorter supply line than that of the United Nations. These are some of the difficulties that General MacArthur will face at the outset. But General MacArthur is by this time used to fighting against great odds, and fighting successfully. Under his command there is no doubt that the best of a fight will be made on our side.

Springtime Is Wartime . . .

Spring is coming and there are portentous events stirring on the battlefronts. Signs point to an expansion of war activities in many quarters. There will, doubtless, be many surprises for us during these coming weeks. The pattern of war will show new designs. Some of them may be shocking. Some of them may be heartening. War is war and war is not pleasant. While we retain our confidence in ultimate victory and each do all in our power to bring it about, we must also be prepared for hard blows and severe shocks and to take them in our stride. We can be realistic without being pessimistic. We can be optimistic without being complacent.

SPORT CHAT

The "Canadian Thoroughbreds," annual statistical history of the King of Sports in the Dominion published by the Prairie Thoroughbreds and Racing Association, shows rapid progress for native bred during the last 17 years. The twelfth issue shows that Canadian bred won \$572,730 in 1941 on Dominion and 47,960 on United States tracks with a record number of 794 horses going to the post and winning 1,008 races. They captured 53.3 percent of Canadian purses compared to 17 percent in 1925 and took 47.3 of races in Canada compared to 15.5 percent, 17 years ago.

Leading breeder in 1941 was Col. R. S. McLaughlin of Oshawa, Ont., with R. James Speers of Winnipeg, second. Their positions are reversed for the 10-year-history in which Speers' thoroughbreds from the Whittier Park Stock Farm won \$337,315 and Col. McLaughlin's horses \$336,890 from 1932 to 1942. During that period Speers had 100 horses that won 669 races and Col. McLaughlin 64 in 457 races. But in 1941 Col. McLaughlin took 75 races for a collection of \$57,022 against 96 wins and \$48,336 for Speers.

Third in the 10-year review comes H. C. Hatch of Toronto who had 40 horses winning 394 races and whose earnings totalled \$329,050. Hatch, however, captured top honors for a single money winning in 1941 with his Budpath, winner of the King's Plate at Toronto and the first Canadian Derby at Winnipeg. Budpath returned \$15,840 in six starts, finishing first three times, second twice and third once.

Harry Giddings of Oakville, Ont., came up with the top two-year-old, the fleet Ten-To-Ace, which

lost only one race in seven starts. Ten-to-Ace, one of the fastest horses developed in the Dominion, returned \$130,730 to its owner during the year.

E. R. Bradley's United States stallion Brother Joe, who died during 1941 after seeing many years of service in Quebec, was the leading sire for the season, supplanting Cudgel. Progeny of Brother Joe won \$41,550 in 1941. Leading dam was Luress. Budpath was her only progeny on the track returned \$15,840 to top Mr. Giddings Royalty whose progeny won \$13,015.

The records show that Beau of the West, bred by Seagram Stables, Waterloo, Ont., in 1929, remains the leading Canadian money winner, massing a total of \$49,730 in 29 races during the 10-year-period 1925-1934. Gay Parisian, bred by the same stables in 1924, ranks second money-winner, \$37,010. Bred by the late A. Layzell of Calgary, third, at \$37,610.

OUR COUNTRY AND HOMES DEMAND . . . GOOD SERVICE

We ask your co-operation. Our country requests us to conserve gasoline. We are also advised that we shall not be able to replace tires for our trucks. In order to maintain our policy of prompt service we ask you to place all coal orders at least ONE DAY BEFORE DELIVERY IS EXPECTED. By doing this you will enable us to route our deliveries in the most economical manner, thereby conserving both gasoline and tires.

MRS. BLANCE IS MARRIED

Becomes Bride of W. F. Eve at Quiet But Interesting Ceremony.

A quiet but very interesting marriage ceremony took place last night in St. Andrew's Anglican Cathedral. Very Rev. James B. Gibson, the dean, officiating, when Mrs. Florence Nicholson Blance and William Frederick Eve were united. The hour was 7:30 p.m. and the rites took place in the presence only of relatives and immediate friends. Mrs. A. R. Nichols was matron of honor; and S. E. Parker was groomsmen.

The bride, given in marriage by R. G. Hopkins, was charming in a short afternoon frock of Mexican tan with hat and footwear to match and corsage of roses.

The matron of honor wore a pale blue afternoon dress with corsage of yellow roses.

Following the ceremony there was a reception at the home of the bride's son-in-law and daughter, Mr. and Mrs. L. M. Gordon, Second Avenue, where congratulations and best wishes were extended by some seventy-five friends. The rooms were decorated in St. Patrick's colors. Incidentally, it was the birthday of the bride.

The toast to the bride was proposed by Col. J. W. Nichols and responded to by the groom.

Congratulatory telegrams were read by S. E. Parker.

The evening was happily spent in music and other entertainment.

The bride duly cut her cake. Mrs. L. W. Kergin and Mrs. R. G. Hopkins poured and serviteurs were Mrs. S. C. Elkins, Mrs. T. W. Brown, Mrs. Norah Arnold, Mrs. G. L. Rorie and Mrs. Thor Anderson, and Miss Pat Nichols, daughter of Mr. and Mrs. A. R. Nichols. Mr. and Mrs. Eve will reside on First Avenue.

Both bride and groom are well known and highly popular, and a wide circle of friends. The bride has resided here for many years and the groom, before coming here, was located for a long time at Anyox.

Little change is reported in the condition of H. F. Pullen who is quite ill in the Prince Rupert General Hospital.

Whifflets From The Waterfront

During the past few weeks and when tides have been low enough, the villagers of Kitkatla have been busy clam digging. About 150 tons have been taken to Prince Rupert for the B. C. Packers, in the seine boat "Norma G." Captain Henry Brown.

Union steamer Catala, Capt. Ernest Sheppard, arrived in port at 5 o'clock last evening from Stewart, Anyox, Arrandale and Port Simpson and sailed at 8:30 p.m. in continuation of her voyage to Vancouver and waypoints.

With a fair-sized list of passengers and substantial freight cargo, C.N.R. steamer Prince Rupert, Capt. Neil MacLean, arrived in port at 10 o'clock this morning from Vancouver, Powell River and Ocean Falls and will sail at 11 o'clock tonight for Ketchikan whence she will return here tomorrow night southbound.

Alaskans Pay Kitkatla Visit

Delegation From New Metlakatla Spend Week-End There.

KITKATLA, March 18.—A party of over twenty arrived at Kitkatla on Friday last from New Metlakatla, Alaska. A service of welcome was held in St. Peter's Church, Rev. B. Shearman officiating. The following day the visitors were entertained at a banquet in the Agnes Hall, the Kitkatla band under Henry Brown's leadership, rendering appropriate music during the banquet. Special services were held on Sunday in St. Peter's Church, also in the Church Army Hall in the evening.

Easter Plans At Kitkatla

Sports Program With Visitors—Special Church Services

KITKATLA, March 18.—A celebration committee has been formed to provide the program for the usual Easter celebration. A good program of sports has been scheduled, also baseball and football matches arranged. Visitors are expected from Port Simpson, Skidegate and Hartley Bay.

Special services are to be held on Good Friday and Easter Sunday. The choir, under Henry Brown's conductorship, is becoming proficient in new anthems for Easter Sunday.

Right Rev. G. A. Rix D. D., Bishop of Caledonia, will visit Kitkatla and hold Confirmation services on Easter Sunday morning.

dreading washday?

— AT THE TOUCH OF A SWITCH REDDY KILOWATT WILL SET YOUR MIND AT EASE!

Reddy Kilowatt is a fine laundryman. He's the fellow who took the scrubbing and rubbing out of washday. Put him in your laundry and let him run the Electric Washer, then see how much easier washday becomes. Also notice how much longer fabrics last because Reddy is as gentle as he is thorough. Let him do the hard work for you — he's always on the job waiting for you to snap the switch.

REDDY SAYS:
"Get more time for war work. Let me do your washing; no matter how big it is, I'll take it in my stride."
