Prince Rupert needs homes as badly today as ever and it needs home builders as badly as it needs homes.

Of course, there may be difficulties in the way of perfecting a home building plan under existing conditions but in any scheme of re-establishment later it will, doubtless, be an important factor. ### DUE TO WAR CONDITIONS

Canada will now on, have to depend as never before on the output of her mines to fill the ever increasing demands for coal. Much of this will have to be from Alberta mines, but this will be difficult if not impossible if consumers wait, as in the past, for cold weather before taking delivery.

## DUMAS TALE FOR SCREEN

Douglas Fairbanks Jr. Heads Cast Of "The Corsican Brothers" At Capitol Theatre

Douglas Fairbanks jr. is the swashbuckling hero of the picturization of Alexandre Dumas' classic "The Corsican Brothers" which is the feature offering for this Friday and Saturday at the Capitol Theatre here. Fairbanks plays a dual role and the cast includes Henry Wilcoxon, Akim Tamiroff, J. Carroll Naish, John Emery, H. B. Warner and Gloria Holden.

The story involves a vendetta between two powerful Corsican families. The feud is carried on in the following generation when the twin brothers of a destroyed familv decide to avenge the murder of their parents by a baron. Fairbanks portrays the twin brothers of the 1850's-brothers who are emotionally and tempermentally so close in spirit that, when they are separated, each experiences the same thoughts and reactions as the other.

Spectacular and lavish sets include the castle and courtyard of the wealthy family. During one sequence there is a .gay party celebrating the birth of the twins. There are a score of dancers doing a farandole.

The local Y.M.C.A. staff was reinforced today with the arrival of Mr. Ivan Mallett of Calgary and Camrose, Mr. Mallett who will be associated with Naval activities here has a wide experience, formerly being attached to the R.A.F. Mr. Mallett's home is in Camrose, Alta., where he took a prominent part in the affairs of the town, particularly in fraternal circles, being governor of the local
