Allies Get French Fleet; Laval Turns

ON THE FRENCH FRONTIER, Nov. 11 (CP)-Marshal Henri Phillippe Petain today declared that the French-German armistice had been broken by the entrance of German troops into the unoccupied zone and reportedly left France free to defend herself.

Vichy reports said that the French fleet was enroute to join forces with the United Nations.

Chancellor Adolf Hitler's decision to occupy all of France reportedly followed Pierre Laval's refusal to accept a military alliance with the Axis.

German airborne forces are reported to be landing in Tunisia to counter a British-American invasion threat.

Such are the latest developments today after German troops were reported earlier in the day speeding through unoccupied France toward a Mediterranean area which Adolf Hitler said American and British troops planned to land upon as a sequel to the Allied coup in North Africa. Hitler, in a letter to Marshal Petain said he had known about the "landing for twenty-four hours and that it was directed at Corsica, which island they will occupy, and against south of France."

### Housing Move Commended . . .

The Vancouver News Herald commends the order of the Wartime Prices and Trade Board sidetracking peace time housing restrictions which limit dwellings to one family. The newspaper says:

"No one wants to lower property values. No one wants to make beautiful sections of any city less beautiful than they now are. What we want over a period of years is more beauty in all sections. But what we particularly need now is emergency accommodation for the additional population drawn to large centres by war conditions.

"This war is going to cost all of us something. It is not only the youth who is called upon to give up his life in flights over Germany. It is not only the seaman who helps maintain the lifeline of democracy—and that at a monthly wage ridiculously low. It is also the man with a half-empty or threequarter empty house capable of accommodating people who otherwise would have no house at all."

The ranks of the veterans were augmented by some thirty High School under command of Cadet Lieut. J. Goodacre.

J. W. Turner, president of the branch, marshalled the veterans and marched at their head.

Rev. N. H. Atkinson delivered a fine address while the combined choirs of the United and Anglican Churches sang the well known hymns of the soldiers.

Bugler J. Harry Kenney, late of the Rocky Mountain Rangers, blew the "Last Post" at the end of the two minute silence.

The parade was not as well attended as in former years due to many of the vete ans being absent on military service and also to the thinning of their ranks by the march of time.
