## KARLSRUHE HEAVY HIT

Important German Industrial City Pounded by Royal Air Force

LONDON, Sept. 3.—Canadian crews were in a strong bomber force which struck at Karlsruhe during the night. They reported on their return from the important German industrial centre that extensive fires were left burning in the city. The raid was carried out in bright moonlight with loss of eight bombers. Sergeant Pilot Bill Duncan of Midland, Ontario, was quoted as saying that the city was "really blazing." The young captain of a Halifax bomber said that the fires were visible one hundred miles away.

## CARNIVAL GOES ON

Another Big Turnout For Third Night of Effort on Behalf Of Civic Centre

The crowd at the third night of the Civic Centre Carnival was equally as large as those on the preceding two nights and the entertainment and game features, apparently, proved quite as enjoyable to all. The vaudeville program went off well and the games had a heavy measure of patronage. Large numbers took the floor for the dancing which brought the proceedings to a close for the evening on a happy note. A test blackout of the hall at 11 p.m. was taken in good humor and there was no disorder or excitement.

The proceedings continue along similar lines tonight with the big culmination tomorrow night when Miss Philomena Murray will be crowned Queen of the Carnival with Miss Ethel Knutsen and Miss Betty Greig as maids of honor.

## CHINESE ADVANCING

## PACIFIC IS QUIET NOW

Japanese Being Rounded Up At Milne Bay—Fighting In Kokoda Ceases

MELBOURNE, Sept. 3.—Allied forces are still engaged in mopping up Japanese troops which were trapped at Milne Bay on New Guinea after being landed. Land fighting in the Kokoda area on New Guinea has ceased although there was Allied air strafing of Japanese positions and the situation in the southeastern Pacific for the time being at least is quiet except for Allied air activity. Speedy United States bombers dropped five tons of explosives on airfield and shore installations at Buka on the northern tip of the Solomons. Lae on New Guinea was again raided without opposition.

## IN OTTAWA AFTER RAID

Bombing Enemy Territory One Day—In Dominion Capital Next

OTTAWA, Sept. 3.—A Royal Canadian Air Force bombing crew arrived in Ottawa yesterday less than twenty-four hours after they had been actually engaged in a raid on Germany. After returning to England from the raid, they immediately transferred to a ferry command machine in which they crossed the Atlantic.

## BULLETINS

**FOURTH YEAR STARTS**  
 LONDON—In a statement issued today to mark the commencement of the fourth year of the war, the War Office suggested that, with a steady stream of United States forces now arriving, preparations were being made for an assault on continental scale against Germany. The past year had marked a steady transition from a defensive to an offensive position. A total of 4,700 Axis planes had so far been destroyed.

**AMERICANS IN CONGO**  
 LEOPOLDSVILLE—United States troops have arrived in the Belgian Congo and were given a warm welcome by the population of this city.

## FIRE AT CANNERY

Seven Indian Shacks Destroyed at Inverness—Accountant Sustains Broken Leg

G. Chaston, cannery accountant, is in Prince Rupert General Hospital with a broken leg as a result of a fire which broke out at noon yesterday at Inverness cannery and destroyed seven Indian houses at the east end of the settlement. A fortunate change in the wind saved what might have been much more extensive damage. As it was, there were some bush fires in the hill to the rear which were also put out later.

The fire was first noticed by Manager R. W. Sinclair as he was about to entrain for a visit to Prince Rupert. He cancelled the trip to direct the fire fighting in connection with which soldiers gave valuable assistance. The fire is believed to have started from sparks falling on a roof. Within two and a half hours it was under control. Chaston sustained his broken leg in slipping and falling from a roof.

## British Planes In Crete Raid

Port of Candia is Heavily Attacked By Bombers and Shipping Hit

CAIRO, Sept. 3.—British bombing planes have delivered a heavy attack upon Candia, port of Crete, where the Axis have been assembling supplies for shipment to the North African war zone. Enemy shipping was hit.

## Where Will Japs Strike?

WASHINGTON, D.C., Sept. 3.—While all indications appear to be that Japan is about to stab Russia in the back by attacking Siberia, there are some observers who wonder if these signs are not a little too obvious and that the attack may be of a surprise nature in some other direction altogether—India, Alaska or possibly Hawaii. The Pacific war council was in session yesterday and, among other things, the situation in the Solomon Islands which President Roosevelt described as encouraging, was discussed.

## TEACHERS ASSIGNED

Seal Cove Is Only School So Far to Report Under Overcrowding Of Pupils

With the possible exception of Seal Cove where the two-division school is being taxed to accommodate an enrolment so far of some seventy-five children, making it probable that some of the older ones may have to be transferred to King Edward, city schools are, apparently, proving themselves capable of accommodating what it is expected will be an increase of school population as from the opening of this term. Complete figures as to enrolment were not available at the City Hall up to this morning.

The teaching staffs, including new appointments, are as follows: Booth Memorial High School—W.W.C. O'Neill, principal, Charles Hayward, Viceprincipal, T. L. Davies, M. R. Hill, C. E. Holland, Miss E. E. Cavalier, Mrs. N. C. Moses, Miss Kathleen Kermod, Mrs. V. McDuffree, Miss Freda Handford, Miss E. R. Young, Miss M. N. McDiarmid, Miss A. N. McKechnie, Miss M. C. Jones, Miss H. V. Smith, Miss D. M. Sherritt, Miss A. M. Snyder.

Gibson, principal, Miss Norma Smith.

## FRONT IS WIDENING

Fate of Alexandria and Suez May Be Determined by Fierce Battle Now In Progress

## ROMMEL HESITATES

CAIRO, Sept. 3 (CP)—Cautious probing by Axis African corps has encountered fury of air attack, artillery fire and harassment by mobile forces of the British and, four days after it had been expected, the Axis offensive showdown battle for the Nile had failed to develop. British ground troops, earlier reports to the contrary notwithstanding, had not yet come into action with the enemy along the forty-mile El Alamein line. Only screening mobile forces were reported thrusting and attacking German armored columns which filtered eight miles into mine fields on the south. Whether Marshal Rommel was puzzled by British tactics, was playing a game of his own or was made hesitant by a storm of artillery, fire and aerial bombardment, observers could not say.

CAIRO, Sept. 3.—Some mechanized fighting is proceeding along the 40-mile El Alamein front on the Egyptian Desert from the coast inland. The battle may decide the fate of Alexandria, seventy miles distant, and the Suez Canal.

That the enemy has made some advances is conceded but none of these have been of vital nature and General Erwin Rommel's forces failed to break through anywhere it is stated. The Axis forces moved through some mine fields against the Eighth British Army. At one point British mobile forces attacked and many Axis vehicles were destroyed. Aerial warfare rages over the ground in an extensive area. Fifty Axis planes were brought down on Monday and Tuesday. There was a new attack today on Tobruk and enemy troop concentrations and supply lines were pounded.

The Axis army, moving forward for what it was expected would be a showdown in the Battle of Egypt, was subjected to a record-breaking bombardment yesterday by the Royal Air Force and American planes supporting counter-attack ground troops, British headquarters announced today. Never before since the start of the North African campaign have so many bombing sorties been carried out in a day, a communique said. At the same time the enemy armor forces which sifted through mine fields on the extreme southern flank of the line were attacked from the east and southwest by British mobile forces.

## PIUS TOLIN OLD DAYS IS MISSED RECALLED

Funeral Rites Yesterday For One Of North's Colorful Figures

High Requiem Mass was read yesterday morning at the Church of the Annunciation by Rt. Rev. Bishop E. M. Buzoz for the late Edward Pius Tolin, who passed away Sunday at the Prince Rupert General Hospital at the age of sixty-five. The service held all the solemnity of grace and beauty that dedicates the inspiration of the faith. The Celebrant was Father Racette. The Mass was sung by Fathers Lantange and Monet. The organist was Miss Frances Moore. Honorary pallbearers were Gillis Royer, Oscar Hevroy, Kenneth McKay, Henri Besner and Ted Hardcastle. Active pallbearers were John Campbell, A. Urquhart, Charles Lindstrom, J. Comer, J. Kasper and C. McIntyre.

The late Mr. Tolin, a native of Woodstock, New Brunswick, born into the hotel business, came west in his early twenties and, with his brother, William Tolin, entered that business and conducted hotels in the states of Washington, Nevada and then Northern British Columbia, finally settling in Stewart, where they became interested in mining. The history of the Portland Canal district has registered the name of Tolin as developers of mines that bear the name of Lucky Jim, Last Chance, Mountain Boy and, just recently, the opening up of the L-L and H., which assays show a most unusual richness. Providence, it seemed, intervened when the suddenness of death called a halt for one of the most colorful figures of the early west. His subtle humor, his innate wit and pointed witticisms made Pius Tolin a popular figure to be long remembered in the annals of the Northland. As one old timer expressed in solemn but somewhat humorous terms: "There goes one of the biggest mouths and the biggest hearts, in one of the biggest men—this Yukon and our north country has ever known, may his soul rest in eternal peace amid these mountains he so dearly loved."

Mr. Tolin had resided for a year in Prince Rupert.

Mother of Carnival Star Lived In Prince Rupert in 1909 With Methodist Missionary Husband

It is interesting to note that Kaye Connor, budding young violinist and songstress, who is being featured on the entertainment program at the Civic Centre Carnival, is the daughter of Charles F. Connor, well known Vancouver High School teacher who will be remembered by some of the very early pioneers of Prince Rupert as a missionary pastor of the Methodist Church here away back about 1909. Mr. Connor ministered to his congregation in a shabby temporary building near the old Grand Trunk Inn annex and not far from the old Court House square. That was before the present United Church building was even contemplated.

It was many years ago that Mr. Connor gave up the ministry to enter the teaching profession. He has been for a long time a member of the staff of King Edward High School at Vancouver.

The fact of the early residence of herself and Mr. Connor came out yesterday as Mrs. Connor, who is her daughter's accompanist, chatted with a Daily News representative. Names of such pioneers as Duff Pattullo, George Naden, Alex. Manson, William Manson and Dr. W. T. Kergin came up. There were few of the old friends or landmarks of those pioneer days to be seen here now, Mrs. Connor remarked.

The sixteen-year old Kaye, who has been charming Prince Rupert carnival audiences with her talents, is now receiving her education in Hollywood where she has already been developed to some extent as a juvenile movie actress. The engagement at Prince Rupert is the last one before she returns to California to resume her school and musical studies which are in addition to the moving picture work.

## Canada at War 25 Years Ago

September 3, 1917.—British warships sank four German mine-sweepers off Jutland. Heavy fighting carried the Italians forward on the South Carso front. German attack on Riga continued. German fleet at Wilhelmshaven and Kiel continued for second time.

potentialities which may exist in that area.

After a good deal of uncertainty, the situation at Premier seems to have settled down again, Mr. Scott said, reporting that, to relieve the manpower shortage there, a staff of girls had now been put to work in the mess hall.

L.L. & H. Mr. Scott looks upon as a potentially important producer. It is essentially a gold producer but has some nice-looking silver-lead. Development is proceeding.

Another month or six weeks should see the most of the equipment being removed from Big Missouri away for this year at least, Mr. Scott reports.

## MARRIAGE ON MONDAY

Miss Fanette Calbraith Becomes Bride of James Smith

On Monday evening at the residence of the officiating clergyman, Rev. Canon W. F. Rushbrook, a very pretty wedding took place when Miss Fanette Calbraith, youngest daughter of the late Mr. and Mrs. Calbraith of Wrangell, Alaska, became the bride of James Smith, son of Mrs. Kate Smith of this city.

The bride looked lovely in a gown of pink chiffon which was gathered at the waist and trimmed with trapunte work on the bodice and sleeves. Her shoulder length veil, of the same shade, was accented with a halo of orange blossoms. She carried a beautiful shower bouquet of Ophelia roses.

The bridesmaid, Miss Gladys Johnson, was very pretty in a gown of blue chiffon with accessories to match and her bouquet was of pink and white carnations. The groomsmen were Eric Linney.

After the ceremony a reception was held at 622 Fraser Street where seventy invited guests gathered to extend their congratulations to the bride and groom. The bride party was assisted in receiving the guests by the bride's sister, Mrs. G. A. Sather. Dancing was enjoyed to the strains of Johnny Saunders' Orchestra. The toast to the bride was proposed by Bill Bray and was suitably responded to by the groom. The large number of wedding gifts displayed showed the popularity which the young couple enjoy.

The groom is returning to his military duties at a camp in Ontario and the bride will reside here for the time being.

Mr. and Mrs. D. R. (Don) Creed are leaving on tomorrow morning's train for Ottawa. Mr. Creed has been chosen as a delegate to attend a railway convention there. They expect to be gone for about two or three weeks.

British General Frowns on Officer's Heads Adorned Like Beethoven's

LONDON, Sept. 3: (C) - Lt.-Gen. K. A. N. Anderson, general officer-in-command, Eastern Command, started something when he noticed some officers were letting their hair grow unusually long and issued this Order of the Day: "I would prefer officers to have their haircuts carried out along Timoshenko rather than Beethoven lines."

There was an immediate rush to the barbers for a "Timmy" trim, a reduced version of the style worn by the Red Army Marshal who is so closely cropped he appears almost bald.

**EDMONTONS CHAMPIONS**

Defeated Dry Dock Last Night To Win Kaien Hardware Trophy

The sterling hurling of Johnston and fourteen base hits by his team-mates gave the Edmontons the baseball championship of Prince Rupert and the Kaien Hardware trophy last night. The score was 13 to 8 with Dry Dock on the short end.

After much bickering and protesting, the ball game got under way with the Edmontons going to bat first. They jumped on pitcher Milaney for three runs in a hard-hitting first inning and in the second inning sent him to the showers. Knowles, the right fielder, took over with two men on and none out and walked the first man to fill the bases. An error, a single and a double and the Fusiliers chalked up four more runs to give them a 7 to 0 advantage. They added three more runs in the next three innings with the Dry Dock scoring two in the third and one in the fifth. The Fusiliers practically put the game on ice, chalking up three runs in the first half of the seventh.

With the score 13-3 against them the Dry Dock started a determined rally. Pitcher Johnston weakened momentarily, walking Milaney. Hetherington drew a base on an error and Johnston hit Ashcroft to load the sacks. Five runs came in before the Fusiliers could stem the Shipbuilders' onslaught. The final score was 13-8 for the Edmontons.

The Kaien Hardware trophy will be presented on Thursday night at the Fusiliers' mess.

**TWO STARS TEAMED UP**

Spencer Tracy and Katharine Hepburn pool their talents in "Woman of the Year," which comes this Thursday, Friday and Saturday to the Capitol Theatre.

The story was chosen by Miss Hepburn with the stipulation that Tracy be her co-star. With Miss Hepburn appearing as a brilliant newspaper columnist in the title role, Tracy is sports editor on the same metropolitan daily. They clash immediately and by their very differences find interest in each other.

The girl demands that baseball be abandoned for the duration of the national emergency, which brings a swift rebuttal from Tracy. Their feud is silenced only when Reginald Owen, as the managing editor, orders an armistice. In the interval of peace, a series of events arise which brings about a marriage and an inevitable clash between husband and career wife.

Surrounding the story is a strong cast including Fay Bainter, as

Signals and Air Force Both Unable To Score and Are Still on Even Terms in Trophy Stand

Signals and Air Force are still tied for the leadership in the Gilhuly Cup football competition as a result of playing an exciting scoreless draw game on Tuesday night. The game, in addition to being close, was well played and orderly. There were several thrilling moments as scoring chances were missed with close calls. Possibly the Air Force had slightly the best of things in the second half.

Sid Woodside acted as referee.

Miss Hepburn's aunt, herself an imposing figure in public life; Reginald Owen, as the sympathetic managing editor, and in the supporting group Minor Watson, William Bendix, Gladys Blake, Dan Tobin, Roscoe Karns and William Tannen.
