Villain's Bad End Comfort In Movies

English Woman Physician Finds

At the present time many of our best Canadians are in his Majesty's Forces fighting so that their loved ones will not become slaves to Hitler and his satellites.

Being in a basic industry, it is natural that STANFIELD'S are called upon to devote their facilities to wartime production problems.

For this reason we ask consideration from our many consumers in Canada as well as our retailers, who distribute the products made in STANFIELD'S Mills. Loyal Canadians who really want to assist in winning this war will take our suggestion and (1) Not buy more underwear than they need for winter 1942-43. (2) Go over what underwear they have on hand and see if they can make it do for another year. (3) Make minor repairs themselves, "A stitch in time saves a good suit of underwear." (4) Wash their underwear often and, if it contains wool, wash

Write for Folder-"How To Make Your Underwear Last Longer."

STANFIELD'S LIMITED, TRURO, N.S.

it as wool should be washed. (5) If they actually cannot make their present underwear carry them through the winter and really need to buy new; be sure that the underwear they buy is good underwear; a known reliable brand that they can depend upon and then buy as few suits as they need.

Many Canadians may not realize that war purposes are rapidly exhausting raw materials, wool, cotton, etc. For this very reason wearing apparel that many would replace before it is actually worn out must be made to do double duty. Canadian facilities must be made to do more than double duty in wartime and those who are not on the fighting front must sacrifice for those who are away from home defending the home front.

Control Board or by the Government of British Columbia

Victory Bonds are the best investment you can make.

In this critical year of the war—when everything depends on an all-out effort—every dollar that Canadians can muster must be a fighting dollar. While they are fighting, they remain YOUR dollars.

But if you spend money on things you can do without, you are withholding these needed dollars from the war effort. You are keeping them out of the fight.

Men are fighting and dying for freedomgiving their all that we may remain free. YOU are asked only to LEND your money to back

them up.

Victory Bonds are guaranteed by the full resources of the Dominion of Canada. They yield a fair rate of interest. They can readily be sold when you need the cash.

After the war, you will be glad of this money you have saved and loaned to Canada. You can spend it THEN on the things you want.

NOTHING MATTERS NOW BUT VICTORY!

BUY THE NEW Victory Bonds
