

EVERYBODY SHOULD VOTE AND VOTE 'YES' ASSERTS HANSON ON PLEBISCITE

No Chances Should Be Taken About Backing Government In Its Plan To Withdraw From War By Removing C

"Everybody should vote in the plebiscite and everybody should vote 'yes'," asserted G. P. Hanson, M. P. for Skeena, who arrived in Prince Rupert this morning to spend a few days here and at Smithers in the course of the Easter session of Parliament at Ottawa. It is very important, Mr. Hanson feels, that there should be a most emphatic affirmative vote. Thus the government will be accorded a mandate to go full speed ahead with all phases of the total war effort, the critical need of which is becoming more apparent with each passing day.

King Asks Free Hand

OTTAWA, April 8:—Prime Minister William Lyon Mackenzie King, in a radio broadcast last night, said that the government was asking through the forthcoming manpower plebiscite for a free hand to carry on the war. The pledge given at the last general election against conscription was not legally binding, declared Mr. King, but it was a moral obligation which could not be ignored in a democratic country. The pledge had been given at the time in order to preserve national unity.

The action came as the German air force launched a series of raids on the island fortress of Malta and Alexandria, the chief Egyptian port and base of the British Mediterranean fleet.

CUT DOWN ON BOOZE

Prince Rupert Ministerial Association Backs Up Rotary Club Resolution

At the regular monthly meeting of the Prince Rupert Ministerial Association on Monday it was agreed that the association go on record as heartily approving the action of the Prince Rupert Rotary Club in seeking to curtail the consumption of alcoholic liquors in this city.

Hope was expressed that every organization and loyal citizen would back up the effort being made to curb the drunkenness now so prevalent in our city. It is felt that this is a definite menace to our fight for freedom. It is also the feeling of the association that excessive drinking is not only wasteful but extremely unpatriotic.

SERVES IN A. T. S. SIGNALS

LONDON, April 8:—Pte. Jean Wolk of Montreal, wife of a Canadian army officer called home to serve with the R. C. M. P., is serving in an Auxiliary Territorial Services signals company in south-eastern England.

Mr. Hanson says that the government itself is most anxious to have the people of the Dominion express themselves in favor of cancelling certain commitments to which it feels itself morally bound. From these it would be released by an affirmative vote in the plebiscite.

The Manpower Plebiscite . . .

Olof Hanson, M. P. for Skeena, in an interview in the Daily News today, emphasizes the urgent need for an affirmative vote being recorded in no uncertain terms in the forthcoming manpower plebiscite. Mr. Hanson, apparently, has no doubt about how the people feel in regard to the necessity of Canada making a total war effort. What he fears more is that indifference or apathy in regard to the plebiscite might result in a full and true feeling of expression not being obtained in the matter of relieving the government from certain commitments, most noticeable being that in regard to conscripting men for overseas service.

The matter of concern is not how the people will vote. It is that the should turn out and vote on a question more important possibly than the people of Canada have ever before been called upon to express themselves.

Letting Soldiers Buy . . .

Some of the boys in the services who are posted at points around about and are seldom, if ever, able to get into town by day have asked the Daily News to try to get the city storekeepers to stay open one night or so a week so that these men may be able to do a little shopping here instead of sending away for their needs. We pass the suggestion on to the busy merchants. Possibly some of them may be disposed to see what can be done about extending this service to the men in arms. Already some of them are hard-pressed enough keeping up with the demands of increased business in hours as they stand, let alone working even longer hours.

NEED FOR KNITTERS

This Is Emphasized at Red Cross Meeting—Reports on Convention.

Very urgent need for more knitters was expressed by Mrs. J. R. Low on behalf of the work room committee at a Red Cross executive meeting held in the City Hall Tuesday evening with President W. R. McAfee in the chair. A large amount of materials had been received and workers are needed to turn out the articles required.

The main business of the meeting was receiving reports from delegates to provincial convention and from the heads of various branch committees. Mrs. J. R. Low, reporting on the provincial convention, submitted interesting figures on the past year's work in the province. The British Columbia division of the Red Cross Society during 1941 had purchased \$302,844 worth of materials, distributed \$284,900 to various branches and had shipped from British Columbia \$286,000 worth of made up supplies consisting of 1,200,000 articles. All other branches of Red Cross activity had been maintained and two new ones added, namely, the blood donor clinic and the salvage department.

A report of junior Red Cross was received from Mrs. J. D. Fraser which showed that the juniors have been doing much more work than was generally realized. Enrollment showed an increase of 30,094 over the previous year with 541 new branches. They had raised

\$3768 for the Crippled Children's Fund and \$10,498 for other purposes including two mobile kitchens for the Fire Brigade Division in Great Britain. In addition they had made 28,649 articles of various kinds of supplies and over 300 arm splints for the Department of Defence.

President McAfee tendered the thanks of the branch to Mrs. Low and Mrs. Fraser for their complete reports.

Otto Young reported progress in the organization of disaster relief committees in conjunction with A.R.P. officials.

The salvage committee has been fortunate in securing the use of the Fraser and Payne basement for storage and collection of salvage would begin again as soon as all present calls had been cleaned up. There is also an urgent need here for volunteers to assist in sorting and packing.

Treasurer Arnold Flaten reported receipts of \$191.85 for the month of March.

Easter Services At Burns Lake

Large Congregations at Interior Town on Sunday.

BURNS LAKE, April 8:—Special services were held on Easter morning and evening in Burns Lake United Church. Many parents attended the open session of the Sunday School which was held in the morning. In the evening the church was filled to capacity to hear the Easter song service by the Sunday School choir, interspersed with recitations which were well rendered to an attentive audience. A solo "Open the Gates of the Temple" was given by Mrs. Roy Jewell. "Love Triumphant" was the title of the Easter message given by Rev. Adam Crisp.

WEDDING AT BURNS LAKE

Miss Angeline Fleming Becomes Bride of William Van Tine.

BURNS LAKE, April 8:—The United Church, Burns Lake, was the scene of a pretty wedding on Easter Monday when Miss Angeline Fleming, youngest daughter of Mr. and Mrs. J. W. Fleming of Tatalrose, became the bride of William Van Tine of the hospital staff at Burns Lake.

The bride was charming in a gown of white moire taffeta with a halo veil crowned with orange blossoms and carrying a bouquet of pale pink and white carnations. The matron of honor, Mrs. John Thomson, was attractively gowned in pale pink satin with a bandeau of white flowers in her hair. Her bouquet was of pink carnations and maidenhair fern.

The church was decorated with daffodils and Easter lilies and the ceremony took place under a daffodil arch, centred with a white wedding bell. Rev. Adam Crisp officiating.

Kenneth Fleming, brother of the bride, acted as groomsman. During the signing of the register, Mrs. Roy Jewell sang "When Song Is Sweet," with artistic finish, accompanied by Mrs. Adam Crisp who also played the Wedding March.

Mr. and Mrs. Van Tine are to reside in Burns Lake.

Series of Fires Visits Smithers

Fortunately, However, None Were Very Serious.

SMITHERS, April 8:—A dwelling owned by John Fulsebakke of Telkwa and occupied by James Brickley on First Avenue in Smithers had a narrow escape from destruction by fire a few nights ago. A grass fire which had been burning during the day crept under the corner of the house and was not detected. At about midnight the occupants heard a crackling noise and upon investigating found the corner of their house afire. The damage was not very great and the fire was easily extinguished.

On Monday morning at 11:15 o'clock the fire whistle on the Canadian National roundhouse brought people from their homes to help put out a fire in the dwelling of Matt Norton, a railway employee whose house is close to the station. It being a holiday there were very few people on the streets but they soon assembled from all directions and with the aid of the village chemical engine and the fire hose from the roundhouse, the fire was soon extinguished but not before quite a hole had been burned in the roof and considerable damage done to the contents of the building from water and chemical.

On Monday afternoon, while grass and dry brush were being burned west of Columbia street in Smithers, the fire got out of control and burned a woodshed at the rear of the dwelling of Mrs. S. J. Mayer.

SMITHERS

The family of Constable Bell, who was recently transferred from Smithers to Port Essington, left Smithers on Tuesday's train en route to Port Essington to take up residence there.

YOUR ELECTRIC REFRIGERATOR WILL

- Prevent Spoilage
- Increase Food Savings
- Safeguard Health

"These days we must all save everything we can, and more important still is the vital job of safeguarding the health of the whole family. There's work to be done — there's a war to be won and every one of us can do our share. That's why it's so necessary to make the most of the things we have. Look after your Electric Refrigerator. Keep it clean, keep it running efficiently, don't leave the door open any longer than you have to — it lets heat in and wastes electricity. Don't put hot foods in your electric refrigerator — let them cool first. Always remember that the safest temperature for foods is 40 degrees and don't forget to defrost according to instructions."

EASTER WEDDING

Miss Mary McKernan Becomes Bride of James Irgins.

A quiet but very interesting wedding took place Easter Monday at the Annunciation Church in Prince Rupert when Mary Eileen McKernan, youngest daughter of Mr. and Mrs. A. G. McKernan of Calgary, became the bride of James Christian Irgins of Nampa, Idaho, eldest son of Mr. and Mrs. C. Irgins of Idaho.

The bride looked charming in a turquoise dress with beige accessories, carrying a white prayer book. Her corsage consisted of pink and white carnations.

The bride was attended by the bridesmaid, Miss Alice McCashin of Vancouver, who wore an ensemble of beige crepe trimmed with rose. Her corsage consisted of red and white carnations. Groomsman was Don Synch of Calgary.

Charles Underwood, also of Calgary, a friend of the family, gave the bride in marriage.

The ceremony was performed by Rev. Father W. F. Lantagne. Charles Balagno rendered the Wedding March.

The altar was prettily decorated with Easter flowers.

Later followed a dainty breakfast served in the Oyster Bar. Toasts and best wishes were tendered to the bride and groom by their many friends present. Toast to the bride was appropriately responded to by the groom who at the present time is employed at the local dry dock where he is held in high esteem.

Later a reception was held at their home, 1438 Pigott Avenue, Rushbrook Heights, where the happy young couple received felicitations and extended their hospitality to their many friends. Congratulations poured in by telegram and the lovely gifts received by the happy couple testified to their popularity.

MEET AT TERRACE

Switching Delay Protested—Arthur Carr Speaks on India.

TERRACE, April 8.—The Terrace Board of Trade had a full attendance at its meeting on Thursday in the Terrace Hotel. A resolution was put through which calls the attention of the railway to a vexatious practice that has become too frequent of late. This is that the trains coming from the coast stop a quarter mile from Terrace to do some switching. On a recent occasion there was a delay of two hours and a stretcher patient was waiting at the station all the time. The motion was proposed by Will Robinson and seconded by E. T. Kenney, M.L.A.

Guest speaker for the meeting was Arthur Carr, who gave an interesting resume of his experiences in India and Burma, both countries much in the limelight just now. Mr. Kenney proposed a vote of thanks and took the opportunity to speak of Mr. Carr's long and faithful service as road foreman in this district, a position he has held for thirty-five years, excepting for an interval while serving his country at the front. Mr. Carr is now retiring from that work and the meeting in a formal resolution extended him good wishes for the future.

Were Married on Saturday Evening

A very pretty wedding was solemnized Saturday evening when Miss Bernice Gloria Marsh, youngest daughter of Mr. and Mrs. Victor Marsh of Victoria, became the bride of Edwin W. Bond, son of Mrs. A. J. Bond and the late Mr. Bond of Vancouver. The ceremony was performed at the Baptist Church and Rev. G. A. Wright was the officiating clergyman.

Ole Olson was the groomsman and Mrs. S. Doney gave her niece in marriage. The bridesmaid was Miss Donna Morris.

The bride's dress was of azure blue miracle crepe self-trimmed with buttons and her hat and accessories matched. Her corsage was of pink carnations and lily of the valley.

The bridesmaid was dressed in navy blue with matching accessories and her corsage was of pink and white carnations.

Following the ceremony a reception was held at 622 Fraser Street where a large number of friends called to extend their congratulations. The bride and groom will continue to live in the city, the groom being employed at the dry dock.

HOLD HIGH THE TORCH OF FREEDOM

Helping To Keep Prices Reasonable

High taxes help to guard the country against unreasonable rises in the cost of living: They divert money from unnecessary spending for peace-time goods to Government spending for essential war-time material.

Saving money, practised by thousands of thrifty depositors has a similar effect: It helps to keep prices from soaring by decreasing the demand for non-essential, peace-time commodities.

Thus, when you save money in a savings account, you benefit yourself and the country. You will need to save, not only for family and personal emergencies, but to pay taxes and to buy war securities. Saving today is a patriotic service.
