Enemy Is Being Repulsed In Egypt

OFFENSIVE KEEP UP IN RUSSIA

Nazis Reach Don River on 220 Mile Front and Have Made Some Crossings.

RUSSIAN SITUATION GRAVE
MOSCOW—the Battle of the Don Valley took a grave new turn today with the Germans pointing a menacing spearhead toward the Volga and the great industrial centre of Stalingrad from bloodily-won positions a scant two hundred miles away. With the positions of the Red armies becoming more precarious, fighting in the southern sector developed into a two-way German drive, one across the Don toward Voronezh and the other sweeping down the Don Valley between the Don and the Donets. Both operations are of sufficient strength to carry un questionable threats to Rostov, the north Caucasus and the mid-die Volga regions.

MOSCOW, July 13—The German offensive into Russia has somewhat slowed up. The Nazis have reached the Don River on a 220 mile front and made several crossings.

Three sharp prongs have been driven by the Nazi invaders into Russia. The greatest advance has taken the Germans to about eighty miles north of Stalingrad, gateway of the Caucasus. To the south they have reached a point about forty miles northwest of Rostov which city is being bombed as part of a new attack.

The enemy are still hammering at Voronezh where the Red Army continues its stubborn resistance at the very outskirts of the city.

Two more Russian cities have fallen, one about 150 miles south of Voronezh and another about forty miles further south. The Nazis are reported to be hastily regrouping for new assaults.

Warning of the critical state of affairs, Moscow declares that the situation, gradually becoming worse, is "not only serious but Russia is in mortal danger."

The opening of a second front is still being appealed for.

The southern front has been cut off from railway communication with Moscow and the offensive, Moscow says, is still gaining momentum.

The enemy have also launched a full scale attack on the Kalinin front north of Moscow but the Red Army is holding there.

One note of encouragement is that the Russian army, by strategic withdrawals, remains intact and has taken the most of its equipment with it while the Nazi losses have been enormous.

The corpse-choked Don River is described as "running red with German dead" while the battlefields are littered with German dead and wounded.

During the past week the Nazis have lost 583 planes and the Russians 225.

INVASION PRACTICE

Manoeuvres of "Staggering Pro portions" Are Staged by Canadians

LONDON, July 13.—Prelude possibly to the opening of a second front in Europe, Canadian forces in Britain yesterday engaged in the greatest raid and invasion manoeuvres ever staged in this country. They were described as "full dress invasion manoeuvres of staggering dimensions." Infantry and armored units received full co-operation from the Royal Navy and the Royal Air Force.

United States Forces To Be Stationed Here

OTTAWA, July 13.—Under an order-in-council passed at the weekend, stationing of United States armed forces in Canada is authorized. No details are made known. The stationing of the troops follows the arrival of United States engineers in the north-west in connection with highway construction. The order-in-council permits the stationing of American troops anywhere in Canada.

NAZI PURGE FOR FRANCE

Special Precautions Taken Against Trouble In France

PARIS, July 13: Special precautions are being taken against anti-Nazi demonstrations on Bastille Day today.

German Gestapo have been pouring into occupied France.

There will be mass reprisals against saboteurs, the Germans threaten. The Germans announced today in Paris that they would shoot males over the age of sixteen who are members of families or themselves fugitives from German military courts accused of terrorism or sabotage.

The enemy are still hammering at Voronezh where the Red Army continues its stubborn resistance at the very outskirts of the city.

Two more Russian cities have fallen, one about 150 miles south of Voronezh and another about forty miles further south. The Nazis are reported to be hastily regrouping for new assaults.

BRING DOWN JAP PLANES

Aerial Combat Between Allied and Nipponese Aircraft over New Guinea.

MELBOURNE, July 13.—In air fighting over New Guinea Allied planes have shot down six Japanese machines. There was combat over Port Moresby and Japanese-occupied Buna. Two Allied planes were lost.

United States aircraft have taken up bases with the British at Port Moresby.

Loss of American Aircraft in Combat With Messerschmidts Over Mediterranean

LONDON, July 13.—The first United States Liberator bomber to be brought down in the Middle East area is reported. It was shot down over the Mediterranean by German Messerschmidts.

JAPANESE IN CHINA

Further Landings Made by Enemy—Some Nipponese Reverses, However

CHUNKING, July 13:—Two more landings have been effected by the Japanese invaders on the coast of China in Fukien and Chekiang Provinces and the few remaining important ports still in the hands of the Chinese are threatened.

The Chinese said today, however, that their forces had recaptured Futou Island near Foochow, port in Fukien Province, which the Japanese seized Thursday.

Fighting is still in progress northwest of Wenchow in Chekiang Province, one of the few ports left in Chinese hands.

Japanese based at Lichuan in Kiangsi Province attempted to retreat westward but were hurried back.

SKIRMISHES IN POLAND

Disorders Follow Assassination of Gestapo Chieftain at Lublin.

STOCKHOLM, July 13:—There have been skirmishes between Nazi storm troopers and Russian guerrillas around Lublin in Poland following the assassination of the Gestapo chief there.

King Peter On His Way Back To Europe Now

OTTAWA, July 13.—King Peter, youthful monarch of Yugoslavia, left here yesterday morning on his return to Europe. On Saturday night there was a reception at Rideau Hall by the Governor General and Lady Alice. Yesterday at noon the boy King had luncheon at the Seigneur Club in Quebec.

Mrs. E. B. Davie left Saturday on her return to her home in Reno, Nevada, after a month's visit here with her mother, Mrs. H. Giske. Mrs. Davie was accompanied by her little niece, Shirley Ann Mouat, whom she is adopting.

Elmer E. Roper, prominent for many years in the C. C. F. movement at Edmonton, has been nominated as candidate for that party in the forthcoming provincial by-election in Edmonton.

British Pass Over Sweden?

Further Landings Made by Enemy—Some Nipponese Reverses, However

LONDON, July 13:—There is no information available in British quarters regarding a statement made by Swedish general staff at Stockholm that ten British planes passed over Sweden. Swedish planes went up to intercept them but, owing to unfavorable weather, made no contact.

They may have been some of the planes which attacked Danzig during Saturday night.

WAS KILLED AT TOBRUK

Lieut. L. Pearce Douglas of Cold Storage Staff Is Casualty In Mediterranean

Lieut. L. Pearce Douglas, former personal assistant to Col. J. W. Nicholls, general manager of the Canadian Fish & Cold Storage Co., is reported missing and presumed killed while on naval service abroad, according to word received today by Col. Nicholls. He was in command of a small war vessel operating in the Mediterranean and is assumed to have been a casualty at Tobruk.

Announcing receipt of the advice of the casualty, Col. Nicholls stated that Lieut. Douglas was one of the most promising members of his staff, one who was popular and esteemed by all his associates who have received the news with deep regret.

Lieut. Douglas had been in Prince Rupert for only a year or so. He was twenty-seven years of age and the son of Capt. L. D. Douglas, for years a well known master of vessels of the Canadian Pacific Ocean Services liners operating between Vancouver and the Orient.

Lieut. Douglas enlisted in the Navy in 1940 and won speedy promotion.

REPORT ON HONG KONG

Japanese Government Conveys Official Information to Canadian Government

OTTAWA, July 13.—The Canadian Government through the Department of External Affairs has received an official report from the Japanese government regarding the condition of Canadian soldiers who are prisoners of war in Hong Kong. The report came through the medium of neutral diplomatic quarters.

The report says that the condition of the Canadian prisoners is improved and that they are satisfied with food supplies.

There were 1,500 Canadian prisoners at Hong Kong at the middle of March, 391 of them being wounded.

There had been dysentery and cholera among them but this has now been alleviated, the report says.

The prisoners are receiving the same rations as do the Japanese troops there—forty ounces of rice, 17 ounces of fresh vegetables and five ounces of meat or fish a day. There are no complaints regarding the clothing, the report says.

Gus Gottfred, superintendent of Canadian National Telegraphs with headquarters at Edmonton, arrived in the city last evening from Victoria to pay a visit to the Digby Island station. He was accompanied by S. Woods.

DANZIG IS HEAVY HIT

British Bombers Make Long Flight To Deliver Attack on Baltic Submarine Base

LONDON, July 13.—Royal Air Force Lancaster bombers, numbering 60, flew 870 miles to Danzig on the Baltic Sea during Saturday night and all but five percent of them returned safely after making a successful attack on the submarine base and shipyards there.

The British planes were not deterred by the fact that they had to fly over some of the best fortified portions of Germany, running the hazard of strong German coastal defences. Danzig had been considered far enough from Britain to be safe from such attack.

There was also a lesser raid on Flensburg, another Nazi submarine base near the Danish frontier.

The German High Command in Berlin admitted the raid on Danzig, acknowledging that "some damage" had been done by incendiary and high explosive bombs.

During the day on Sunday the Royal Air Force was over northern France to hit at industrial targets, crossing by way of Boulogne and Cap Gris Nez. More planes were out then there had been for some weeks.

Only one German plane came over England at the weekend, this being over the southeast coast, being driven off by anti-aircraft fire.

LOCAL MAN LOST LIFE

Tragedy Befalls Allan M. K. Davies Near Victoria—Was In Service With Navy

Petty Officer Writer Allan Morton Kergin Davies, son of Frank M. Davies of this city and a well known and highly popular native son of Prince Rupert, was tragically drowned near Victoria yesterday. The shocking news will be received with feelings of deep regret by numerous friends whose sincere sympathy will be extended to the bereaved.

Allan was swimming at Lost Lake near Victoria when he got beyond his depth. His wife, the former Hildie Skandal of this city, and his cousin, Miss Dorothy Davies, vainly attempted to rescue him. The effort was, however, unavailing. Twenty minutes later the body was recovered. Life was extinct.

Formerly a member of the Post Office staff, Allan Davies enlisted in the Navy a couple of years ago for active service, having been with the old Royal Canadian Naval Volunteer Reserve here. He had since been stationed in Victoria. About the time of enlistment, he was married.

Born in Prince Rupert twenty-seven years ago, deceased had lived here all his life. He received his schooling here and was active as a basketball and football player, being a proficient athlete.

The mother resides in Victoria.

FIVE MILE GAIN HELD

Little Change In Position in Egypt Since British Advance At End Of Week.

CAIRO, July 13.—The British are holding the five mile gain which they made from the Axis forces in Egypt Saturday and there is little change in the general situation today.

L. S. Stevenson, engineer for the Dominion Radiotelegraph Service, arrived in the city last evening from Victoria to pay a visit to the Digby Island station. He was accompanied by S. Woods.

Further Advances By British Forces West Of El Alamein Made

Allied Aircraft Busy Between Matruh and Tobruk Pounding Away at Marshal Rommel's Supply Lines

CAIRO, July 13 (CP)—British forces, Australians being prominent among them, have repulsed all attempts of Field Marshal Ewin Rommel's Axis armies to drive them from positions which they occupied in further advances ten miles west of El Alamein during the weekend, British headquarters said today. At the same time British

shock troops and artillery

The Civic Centre . . .

Through no lack of enthusiasm of the central executive which has consistently worked toward the bringing of the project to fruition at as early a date as possible, it has been found necessary to defer for a time further action towards construction of Prince Rupert's civic centre. Local people who have already contributed, many of them handsomely to the civic centre fund, will, no doubt, realize the position and be content to have the project now lie in abeyance. Under the circumstances and until the present situation changes, there can be no impatience at the lack of action even though the need is still as urgent from the community standpoint as ever.

Meanwhile, there is every good reason why efforts should be continued to build up the civic centre fund so that, when the time comes that it is practicable to go ahead with construction, there may be no delay on account of lack of the necessary finances.

It might be kept in mind that the work of construction itself might be a good deal more appreciated at a later time when work may not be as abundant as it is today and costs are not so high.

Another benefit of the gas mask, the British children have found, is that it gives them a safe way to make faces at the teacher.

LT. GORDON IS MARRIED

Miss Ida Kathleen Giraud R. N.
Becomes Bride at Smithers

A lovely wedding was solemnized at 8 o'clock Saturday morning when Lt. Earl Robert Gordon, only son of Mr. and Mrs. Robert Gordon of this city, and Miss Ida Kathleen Giraud, R.N., second eldest daughter of Mr. and Mrs. A. B. Giraud of Smithers, were married. Groomsmen was L. B. Lambly and the matron of honor was Mrs. C. A. Price, sister of the bride. Ushers were H. Wyndt, Victor Giraud, and K. G. Houghton. The ceremony was performed by Rev. W. H. Atkinson in St. James Anglican Church which was beautifully decorated. A. B. Giraud, father of the bride, gave the bride away.

The bride wore a powder blue redingote with accessories to match and had a corsage of roses. The matron of honor wore a redingote of pearl grey with matching accessories and a corsage of pink carnations.

After the wedding there was a wedding breakfast at the home of the bride's parents. Mrs. Giraud and Mrs. Gordon received the guests. Mrs. Giraud wore a blue dress with a bolero jacket and Mrs. Gordon wore a light blue dress with a navy blue coat.

Lieut. and Mrs. Gordon will reside at 322 Sixth Avenue.

The groom is a very well known and popular boy in service with the 102nd Battery. The bride is a graduate of the Prince Rupert General Hospital training school for nurses. The couple will have hearty congratulations and best wishes of many friends.

Mrs. T. L. Davies and son, Ronald, sailed Saturday night for Vancouver and Victoria to spend the summer vacation. Mr. Davies will be going south later.

PRICE OF BUTTER

Editor, Daily News:

There appeared in the issue of your paper dated July 3 an article stating butter consumers in Canada will continue to have a 35c a pound price ceiling for another year. On this same date I purchased Fraser Valley butter costing 45c per pound and since made purchases of E. C. D. First Grade at 42c per lb.

Why is it that increases of 10c and 7c as above set out are prevalent in this city and, apparently are not in compliance with price ceiling.

Thank you for this space in your columns.

CLARA ORCHARD-MCLEOD.

Terrace

W. E. Hagger of the Department of Agriculture was in Terrace in the interests of the poultrymen of the districts. An informal meeting was held at the home of Mr. and Mrs. Sherwood Monday evening where a small gathering showed much interest in Mr. Hagger's demonstrations of modern methods such as "candling" and the most up to date ways of preserving eggs. Although Mr. Hagger praised the quality of the local product he did not advise the formation of a pool until there is a great volume of production.

Ernest Love of Stewart was in Terrace last Tuesday looking over the prospects of setting up a lighting plant and telephone exchange.

Mrs. J. Smith arrived in the city last night from Butedale, bringing her small son, Craig, who is to undergo an operation in the Prince Rupert General Hospital.

BASEBALL SHUT-OUTS

Midlands Defeat Co-ops and Dry Dock Wins Over Fusiliers

Yesterday in the first baseball game of the day the Midlands really white-washed the Co-op by a score of 8 to 0 while Dry Dock also scored a shut-out victory 6 to nothing over Fusiliers.

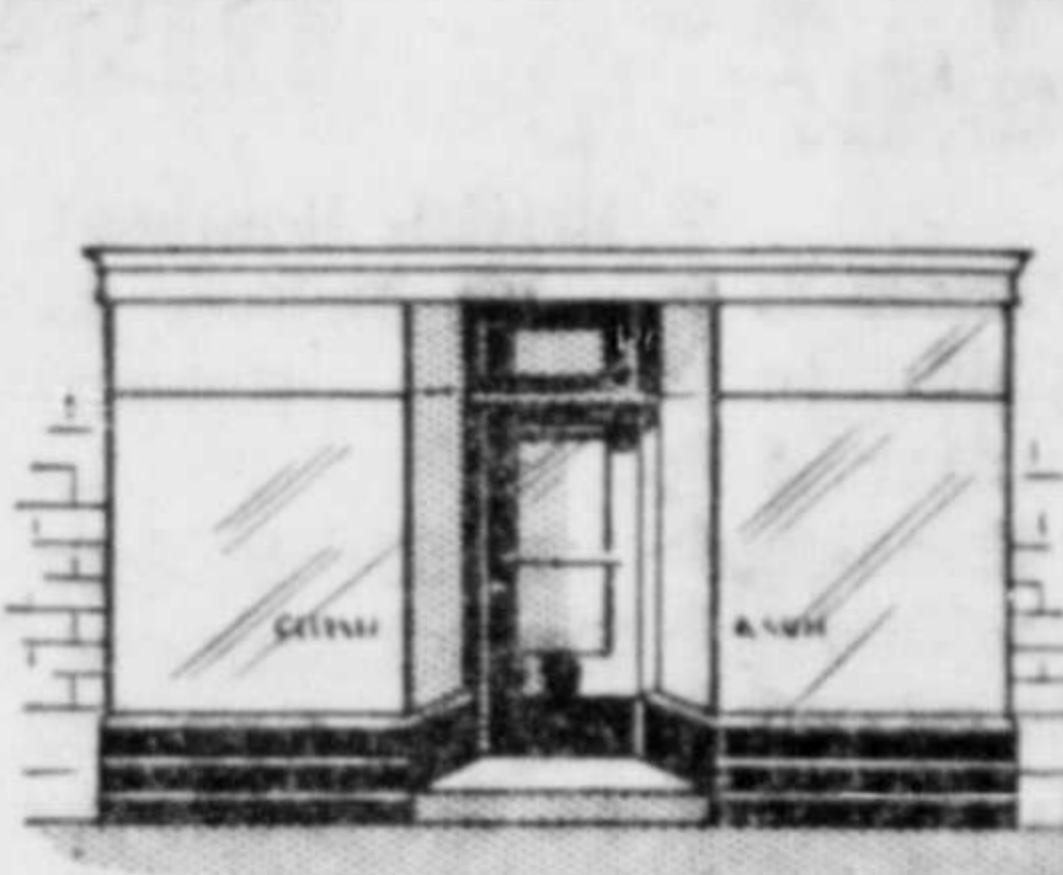

In the seven innings of the opener Co-op had only twenty-one men to bat and Mackenzie of the Midlands was credited with ten strike-outs while the fielding

of the Midlands team was exceptional. The Co-op made the mistake of using Paulis instead of MacDonald who is much more steady.

The second game was not nearly as one-sided as the score of 6 to 0 for the Dry Dock might indicate. Bouyer, the pitcher for the Edmonton Fusiliers, is one of the best hurlers who has been seen on the field here, having eleven strike-outs to his credit for the game. The fielders, however, were not able to give him any support. It must have been just one of their off days.

Dido Gurvich was the umpire. The line-ups were as follows: Co-ops — Hingston, Persons, Proctor, Asbeck.

E. G. Johnson, local representative of the International Fisheries Commission, left this afternoon for a trip to Ketchikan on official business.

Capt. S. C. Brown, harbor master, in order to provide berthing space to meet the demands of vessels legitimately engaged in fishing pursuits, has found it necessary to bring about the removal from fishermen's floats here of all vessels not actually engaged in the fisheries such as boats used merely for living purposes. There is provision under the regulations for prosecution of such vessels and already steps have been taken to remove some.

Canada's War Chiefs

MAJ.-GEN. F. F. WORTHINGTON
Commander of Canadian Armored Division

(By Frank Lowe, Canadian Press Staff Writer)

Major-General Frederick Franklin Worthington is teaching the Dominion's newest armored division at Debert, N.S., tricks of warfare he has been picking up for more than 30 of his 52 years. Nature designed this short, compact Scot from the role of a tankman, and he has lived true to the blueprint. Modern mechanized warfare

is meat and drink to him, and he is now called the father of armored organization in the Canadian Army. His apprenticeship to battle

was served as a prospector and miner, a sea-going engineer and a veteran of several South American revolutions. Then came the First Great War in which he started as a private in the Black Watch, and won both the Military Medal and Military Cross.

When present war opened General Worthington was a Lieut.-Col. with the job of making tankmen out of infantrymen. He obtained more than 200 over-age tanks from the United States and at Camp Borden gave the original Canadian tank brigade training in these antiquated rolling pill boxes.

Later, in England, he showed them how armored divisions should work. "I had fewer machines off the road for repairs at one time than any other brigade," the General said of his services there.

Not satisfied with allied armament, he designed a new tank equipped to batter panzer units to a standstill. But he was recalled to Canada to mould into a potent

striking force a new tank brigade

HAS SERVED TEN YEARS

Anniversary of Burns Lake Hospital is Duly Observed

BURNS LAKE, July 13 — Last Thursday afternoon on the hospital grounds of Burns Lake there was a festival occasion when the hospital celebrated its tenth anniversary. Mrs. J. S. Gordon of Vancouver was the guest of honor, she having opened this hospital as the representative of the United Church Women's Missionary Society ten years ago.

The program was opened by the chairman of the hospital board, Rev. Adam Crisp, who called to the remembrance the many benefits and blessings that had come to Burns Lake and district through the ministrations of this hospital and called upon all present to rise and sing "Praise God from whom all Blessings Flow."

Letters of greeting were read from Olof Hansen, M.P., and Miss Edna Haines, both of whom were unable to be present. Miss Haines was the first superintendent of the present hospital.

A fitting address was given by Mrs. J. S. Gordon.

Words of appreciation were expressed by John Berg, Mark Connally, M.L.A., Chief David Tibbett, T. Radley and A. M. Ruddy.

The children who were grouped around the mission field folding organ were mostly those who had been born in the hospital and assisted in the singing of "O Canada" and "God Save the King."

Two solos were rendered by Mrs. G. Saul, "Gently Lead Us" and "Somewhere the Sun is Shining," accompanied by Mrs. Adam Crisp on the organ.

Closing remarks were made by Rev. Mr. Atkinson, who also pronounced the benediction.

Following the program refreshments were served.

During the afternoon Mrs. J. S. Gordon was presented with a beautiful bouquet of flowers by Margaret Gowans, granddaughter of Mr. and Mrs. James Gowans, one of the pioneer families of one of the pioneer families of

Capilano Swamp Spokane Indians

VANCOUVER, July 13—Vancouver Capilano swamped Spokane Indians 18 to 11 in the second game of a Sunday double-header, having won the first 5 to 2.

Tacoma Tigers and Salem Senators split a double-bill, scores being 8 to 7 in each case.
