Stalingrad Is Holding Out Bravely

Kiska Hit By Yanks From Air

One Destroyer Probably Sunk,
Another Damaged, Transport
Set Afire

WASHINGTON, Oct. 19 (CP)—In a new attack on the Japanese-held base of Kiska in the Aleutian Islands, United States Army B-26 bombers scored a direct hit on a cargo ship which was set afire and left burning. Two destroyers were also hit and it is believed probable that one may have been sunk. The other was definitely damaged in the attack which occurred at and northeast of Kiska, according to the announcement of the Department of the Navy. The medium Martin bombers flew at an altitude of 2,000 feet and drew little anti-aircraft fire. One failed to return to its base.

Expanding their occupation rapidly, it is revealed that the Japanese have erected buildings and installations at Gertrude Cove on the south side of Kiska Island. These have also been bombed and machine-gunned. The reinforcements of the Japanese in Kiska are believed to have come from Attu and Alaska which were recently abandoned.

GESTAPO CITIZENS

Pierre Laval Makes Nazi Police
Citizens of Unoccupied France

VICHY, Oct. 19—As registration of all Frenchmen between 18 and 50 in unoccupied France for forced labor began today, Premier Laval has granted French citizenship to five hundred members of the German Gestapo who have arrived in unoccupied France to speed up the movement of French workers into German industries.

From Paris comes word that Adolf Hitler may send a German army into France unless there is an early cessation of the non-collaborationist activities which have been reaching serious proportions.

Laval has returned from a weekend in Paris where he gave an explanation as to why more French workers are not being sent to German industries.

ALICE ARM MAN DEAD

Herbert W. Butler, Government
Telegraph Agent Passes

Herbert W. Butler, Government Telegraphs agent at Alice Arm, died Saturday morning at the Port Simpson General Hospital where he had been taken earlier last week after having been seized with sudden illness. The remains were brought in to the city today by M. M. Stephens aboard the boat Vera S. Frye which had gone to Alice Arm to take Mr. Butler to Port Simpson. The widow and family are expected from Alice Arm tomorrow morning and the funeral will take place on Thursday afternoon. Relatives are also coming from Saskatchewan.

Born in Prince Edward Island and fifty-six years of age, Mr. Butler had been located at Alice Arm for upwards of twenty years. He was an ex-service man, having been in France during the First Great War.

Besides his widow, Mr. Butler is survived by three children — a daughter, Jean, aged 10, and twin son and daughter — Herbert and Jessie — aged five.

The late Mr. Butler was a member of the Masonic craft.

Scenes similar to this were duplicated all across the Western prairies this fall as Canadian farmers, working shorthanded, pitched in to the immense job of harvesting the greatest crop in history. The closeness of the stocks in this photo gives some idea of the yield, averaging 28 bushels per acre.

Mechanized armies also fight on the agricultural front.

Sergeant Gunner James Allan Leighton, son of Mr. and Mrs. Arthur Leighton of this city, who enlisted in the Royal Canadian Air Force about a year ago, was recently successful in winning his wings at the training centre at Dafoe, Saskatchewan. HIS DEATH IS SUDDEN

F. S. Walton, Roadmaster for Canadian National, Drops Dead While at Work

Frederick S. Walton, roadmaster for the Canadian National Railways, dropped dead last night near Kalen station, about seven miles out of Prince Rupert, while directing operations on the clearing of an obstruction on the line. News of his sudden passing came as a great shock to numerous friends and there are general expressions of sympathy for the bereaved.

Mr. Walton, who was fifty-four years of age and a native of Yorkshire, England, was one of the best known and most highly esteemed railway officials both here and in the interior. He started his railroading career with the Grand Trunk Pacific engineering department in Saskatchewan in April 1911 and was there until August 1914 when he enlisted at the outbreak of the Great War. He became a prisoner of war and, after several unsuccessful attempts, finally escaped before the war was over. In May 1920 he resumed service with the railway as an instrument man on the Smithers division. In 1925 he was promoted to be roadmaster at Smithers and in October 1926 was transferred into Prince Rupert, having been here in that capacity since.

Mr. Walton was a prominent Mason, having been a past master of Tyee Lodge. He was also active in the Canadian National Recreation Association and was president of the Lawn Bowling Club.

Deceased is survived by his wife, the former Miss Doodson of Smithers, and one daughter, Ruth.

Funeral arrangements are in the hands of the B. C. Undertakers.

Germans Inch Ahead At Great Cost; Reds Enter Fresh Troops

Fury of German Onslaught Appears to be Diminishing Somewhat—Still Trying for Final Break-Through

MOSCOW, Oct. 19 (CP)—German troops, advancing over the bodies of hundreds of dead, added a new block of Stalingrad's crumbling buildings to their holdings within the city today as the Russian defenders moved in fresh troops in a desperate effort to blunt and defeat the latest Nazi assault now in its sixth day. Nevertheless, the fury of the onslaught seemed lessened from the force of attacks earlier in the siege and some observers here questioned whether this was due to exhaustion of forces or a shift of German strength to the west to face a possible second front.

Danger to Stalingrad still remains acute with the German attack concentrated into narrow salients in a desperate effort to achieve a final break-through.

Earlier reports had placed the fiercest fighting in the besieged city in the northern factory area and it was assumed the new German gain was registered there.

At least three thousand Nazis were slain in Sunday's fighting.

The general situation elsewhere on the long front is unchanged.

Yanks Take Over White Pass Route

Prince Rupert Inaugurates Its Victory Loan Campaign

Hitler and Hirohito have Great Plans for Canada

Yes, all Canada's great resources . . . her wheat fields, her forests, her factories . . . could be put to wonderful use by the ruthless bully-boys from Germany, by the polite little savages from Japan.

And Canada's boundless acres would provide plenty of living room . . . for the Germans and the Japs.

But what of the Canadians? The answer is simple when you think what happened and is still happening to the Poles, the Greeks, the Yugo-Slavs—and all the others . . . in terms of slow starvation, slave labor, mass executions.

Every time a hard-working Canadian man or woman buys a Victory Bond, the plans of Hitler and Hirohito receive a set-back. The more you save and lend . . . the more certain you help make it that our enemies shall never put their greedy claws on Canada.

Responsibilities GO WITH RIGHTS

In no other country in the world do citizens enjoy more wholly the privileges and rights of free democracy than do we in Canada.

But the very nature of democracy that creates those rights, creates the responsibility of maintaining them.

HUNDREDS of thousands of young Canadians have decided that Canada is worth fighting for. We other hundreds of thousands at home MUST decide that Canada is worth WORKING for—SAVING for—LENDING for.

VICTORY CONCERT

Another event in connection with the opening of the Third Victory Loan campaign in Prince Rupert was a spangled variety concert staged last night in the Capitol Theatre under the direction of Carlton Clay of the Young Men's Christian Association war services. The program was a versatile one definitely in lighter vein provided by men of the forces stationed at Prince Rupert with the assistance of charming local feminine artists. The audience took up all capacity in the theatre and was enthusiastic in its reception of the program. A serious feature of the proceedings was the address by Geoffrey E. Wootten, local Victory Loan organizer, who discussed the necessity of giving all out support to the loan.

The Guards Band, under direction of Sergeant Major Mills, gave an excellent rendition of selections from "Chu Chin Chow" to open the program which lasted for about two hours and consisted of the following numbers, every one of which was very entertaining:

Vocal selections, "Friend O' Mine" and "When You're Away," Leading Seaman Louis Bonnard.

Piano and drum duet, Sub-Lieutenant Holman and Coxswain Vetch.

Vocal quartette, "Tumblieweed," "Ciribiribin," "My Blue Heaven" and "Old Gray Bonnet," the Merry Matelots — Telegraphist Maintenance Gordon Wilson, Signaller Allen Hincks, Able Seaman Dor Kehn and Able Seaman Norman Hodge.

Selections by naval orchestra "I'll See You in My Dreams" and "The Sheik of Araby."

Vocal solos, "Road to Mandalay" and "White Cliffs of Dover," Gunner Bourgeois R.C.A.

Selections by the Yanks' Orchestra, tap dancing by Miss Elsa Kraupner, Hill Billy Band.

Box tap dance, Miss Marie Boulter and Miss Pat Love.

Selections by Royal Canadian Air Force Orchestra under direction of Sergeant Smith.

Vocal solos, "Little Bit of Heaven" and "I'll Be Coming Back" (Mrs. Jean Elkins), Miss Betty Wood.

Canadian Hill Billies, Winnipeg Grenadiers, assisted by Miss Elsa Kraupner in tap dancing.

Tap dancing, "The Gay Nineties," Miss Marie Boulter and Miss Pat Love.

Vocal and dancing, "Songs of Old Hawaii," the Merry Matelots and the Misses Lois Thompson, Marissa Wendle and Elsa Kraupner.

Accompanists for the evening were Miss Frances Moore, A.T.C.M., and Mrs. J. S. Black.

URGES SUPPORT OF LOAN

In his address urging support of the Victory Loan, Mr. Wootten referred to the tremendous amounts of money it was necessary for Canada to raise in fighting the war—part of it by increased taxes and the balance by loan. It was becoming essential for Canadians to accept a lower standard of living that they might loan to the government. All unnecessary expenditures should be cut down in order to buy bonds, an investment that would be paid back. The present loan was for \$700,000,000 whereas the savings banks of the country today contained \$2,700,000,000. There should be no hesitation in buying bonds which bore interest, were negotiable and which could be borrowed upon at the banks up to ninety percent. When one considered the sacrifices which service men were making it was little enough for Canadians to do to loan their money under such attractive conditions. "Let them not fail because we falter" might be a fitting motto for the campaign. Mr. Wootten took opportunity to thank the management of the Capitol Theatre and the artists on the program.

A feature of the evening's proceedings was the drawing for a \$50 victory bond, the winner being City Commissioner D. J. Matheson with ticket No. 34.

Members of the local Red Cross Corps in Uniform made charming ushers. They were Mrs. Floyd Smith, Mrs. R. S. Woods, Miss Woodward, Miss Ina Robertson, Miss Tekla Fulton, Miss Helen Stangbye, Miss M. D. Hartin and Miss Betty Miller.

Purchased First Bond

Elmer K. Steele of Wartime Housing staff, nephew of General Sam Steele of the Royal Canadian Mounted Police, was the first purchaser of a Victory Bond on the opening of subscriptions this morning. He was on hand as the doors of the loan office opened first thing this morning.

If only for selfish considerations, Victory Bonds help you save for a rainy day and good pay interest. The good citizen, however, will buy them to help speed Victory.

OF Y.M.C.A.
AND Y.W.C.A.

By DOROTHY GARBUZZ,
Hostess

Here is the final letter from those ambassadors of good-will, the Hamblin sisters. I think the Prince Rupert Chamber of Commerce should elect them publicity agents for the town and send them on an annual trip. Their latest news is as follows:

"Dear Mrs. Garbuz:

"Here we are on the last stage of our holiday and with a final report for the Y.

"We spent the week-end in Victoria and what a thrill! We came over by way of Nanaimo but didn't stay there, going right on to Victoria where we have become known as an efficient and courteous official. He seeing Cliff Leslie, Victoria was also active in public service. We tried to get a room at vices such as the Junior Chamber of Commerce and the A.R.P. The YMCA—Phil says you might know us. In the evening dance at the YMCA we did enjoy the dance and during the intermission we both performed. And did we ever tell them a thing or two about Prince Rupert. Later two navy men asked me to sing at some big "doings" they are putting on for the marines next week-end—we are sorry to miss it. But it was a thrill to be asked anyway.

"Sunday morning we went to a Thanksgiving service at the First Baptist and Sunday afternoon to Gordon Head—supper at the sergeant's mess, if you please. One of the boys who used to be in Rupert, Dwight Green, is a sergeant instructor there. Sunday evening we spent with a couple of boys who were in Rupert. Norman Bain of the RCAF and Igor Diakoff now in the navy. In the Sailor's Hostel with Igor we ran into George Hay who used to be one of the patrol boats in Rupert and Phil was talking to Pete Watts who had just arrived from Rupert. Just like old home week.

"Next day we visited Padre Garbutt's boys. All over the place it was "Woo-woo!" "Hi-Hi!" when they saw us. We talked to scads of the boys we knew. Then into the sergeant's mess and supper with the officers—turkey too! Wasn't that just the grandest way to celebrate Thanksgiving? Confidentially, there are an awful lot of them who wouldn't mind coming back to Rupert right now.

"Captain Garbuz is on leave but we rather hope to locate him in Vancouver. So far the boys haven't had any Saturday night dances or Sunday concerts—no wonder they miss Rupert!

"We arrived back in Vancouver this evening and just now have come from a recital at the Strand, Rita Stevens, Metropolitan Opera singer. She's beautiful, we're still breathless. Later in the week comes an opera "The Bartered Bride" and next week we hope to hear Jascha Heifitz, the celebrated violinist. We surely do consider ourselves lucky to be able to hear such people.

"And next Friday, as far as we know, home! We'll be up to the Y our first night in Rupert. Until then, cherio.

Mr. German's successor here is Richard G. Birch from Chilliwack who reached the city last night from the south, accompanied by his wife.

Departure from the city of Mr. and Mrs. German will be much regretted by many friends they have made during their stay here. SERGEANT
Memorial Service For Late Sergeant
Pilot Mike Hudema at First
Presbyterian Church

Morning service in First Presbyterian Church yesterday took the form of an impressive memorial to Sergeant Pilot Mike Hudema who was killed in action overseas a few days ago while serving with the Royal Canadian Air Force. A large congregation was present to pay final tribute. The parents and other members of the bereaved family were in attendance and members of the Oddfellows' and Rebekah Lodges paraded in a body. At the entrance of the church was a large memorial picture in uniform of the smiling young man who was mourned.

The pastor, Rev. A. F. MacSween, referred to the great loss which church, lodge, community, nation and the service had suffered. An estimable, young citizen, whose worth had been extolled so generally since the shocking news of the casualty had been received, had been lost. He had not only been a good Canadian but was a good new Canadian, born here of stock from another land. Any indebtedness that might have been involved in the welcome that had been given this family was now repaid in more than full measure. Words of comfort for the bereaved were adequately voiced by the pastor. The sermon was impressively merged into the singing by the choir of "Crossing the Bar."

The choir under the able leadership of Charles Balagno, greatly added to the solemnity of the ceremonies by the perfect rendition of appropriate hymns and canticles.

At a banquet which followed in the Rectory and at which all the members of the clergy assisted, Very Rev. Father Rousseau expressed his admiration for the wonderful work accomplished in Northern British Columbia and the Yukon under the wise and paternal supervision of Bishop Bunoz during the past 25 years and presented to the Jubilarian the homage of the General Administration of the Congregation of the Oblates of Mary Immaculate of which Bishop Bunoz is a member.

The memorable day, happily coinciding with Mission Sunday, was brought to a close by the exposition of the Blessed Sacrament and solemn benediction presided over by His Excellency.

Before the last blessing was imparted Bishop Couder spoke a few words on the missionary work carried on the world over from apostolic times to these days by various religious bodies of the church and in particular by the Oblates of Mary Immaculate, inviting all present to contribute generously by their offerings, prayers and sacrifices to the missionary effort of the church to win the world over to Christ.

At the last intimate gathering which followed in the rectory, His Excellency Bishop Bunoz expressed his great satisfaction at the generosity displayed on the occasion by all the members of the parish towards the work of the Missions.

JUBILEE OF
BISHOP OF
OBSEVED

Twenty-five Years for Rt. Rev. E. M. Bunoz—Ecclesiastical Celebration

Yesterday marked the twenty-fifth anniversary of the Episcopal Consecration of His Excellency, Bishop E. M. Bunoz O.M.I., the beloved venerable prelate who has presided at the head of the Catholic Church in Northern British Columbia and the Yukon for the past thirty-four years. The Church of the Annunciation, beautifully decorated for the occasion by the Reverend Sisters of Saint Joseph, held a great gathering of the Jubilarian's friends to mark the occasion. They filled the pews to capacity, many remaining standing for the whole length of the long ceremony.

His Excellency, Bishop Bunoz, celebrated the Pontifical Mass, assisted by the Very Rev. Father Joseph Rousseau, representing the General of the Congregation of the Oblates of Mary Immaculate. Father A. Godfrey O. M. I. and Father J. Carroll O. M. I. acted as deacon and sub-deacon while Father N. Rasette O. M. I. was Master of Ceremonies. Various functions. Bishop J. L. Couder O.M.I., Coadjutor of Bishop Bunoz, and Father A. Monnet O.M.I., Chancellor, assisted in the Sanctuary.

The sermon was preached by Father W. Lantagne O.M.I., pastor of the Annunciation. The speaker reviewed eloquently the most memorable events of the venerable Jubilarian's pastoral career and, in very delicate and appropriate words, interpreted the sentiments of the whole congregation on this solemn occasion.

At the close of the sermon, Bishop Bunoz thanked all present for their prayer and display of filial appreciation and gave them the Papal Blessing.

The choir under the able leadership of Charles Balagno, greatly added to the solemnity of the ceremonies by the perfect rendition of appropriate hymns and canticles.
