#### MEAT RATIONING AS IT AFFECTS FARMERS

Farmers may slaughter their livestock for their own consumption-but must turn in to the Local Ration Board at the end of each month, 1 coupon for each two pounds of their own slaughtered meat consumed on their own premises. Farmers need in no case surrender more than half the number of each month's valid coupons for such home slaughtered meat.

The remaining half of farmers' meat coupons may be used for ordinary retail purchases of meat, on the basis of coupon values as shown on the chart above.

Farmers may supply meat from their own slaughterings to other farmers for consumption on their own farm premises. Local farmer "Beef Rings" are also permitted. Farmers providing meat to other farmers, or "Beef Rings", must collect meat coupons on the basis of 1 coupon for each two pounds of meat, gross weight. Self-addressed and stamped envelopes for mailing in coupons can be secured at your Local Ration Board.

THE WARTIME PRICES AND TRADE BOARD

#### CONSUMER MEAT IN LOCKERS

Before June 30th all consumers (including farmers) who store meat in lockers must declare in writing to the nearest Branch of the Ration Administration, the quantity of rationed meat they have in storage over and above eight pounds per person in the household. Declarations must be accompanied by sufficient coupons from the ration books of the locker holder and his household, to cover the quantity of declared stored meat at the rate of 1 coupon for each two pounds of any meat in the above groups.

The number of coupons to be detached by the locker user need not exceed more than 50% of the total meat coupons in the possession of himself and his household. Locker users may retain for retail purchasing one of each similarly numbered pair of coupons.

#### NOTICE TO THE MEAT TRADE

Retailers of meat must collect coupons for any rationed meats sold on or after May 27th. They need not turn in coupons to their suppliers for meat purchased up until June 10th. This arrangement is made to enable them to build up stocks. A Special Food Bulletin giving complete details of meat rationing is being mailed to all food stores. RATION ADMINISTRATION
