

British Columbia Only Province to Reduce Its Public Debt in Decade

VICTORIA, Nov. 6.—A reduction of \$12,329,857.14 in the gross debt of the Province for the fiscal year ended March 31 last, places British Columbia in the enviable position of being the only Province in the Dominion where a reduction has been shown in the public debt during the past ten years, it was announced today by Premier John Hart, Minister of Finance.

BRETT FOR MAYORALTY

Prominently Mentioned as Candidate Next Month.

W. H. Brett, chairman of the public finance committee, is prominently mentioned as a candidate for mayor to succeed W. M. Watts at the civic election on December 16. There appears to be a possibility that he might be elected by acclamation.

Ald. Brett was elected for four years at the election a year ago and would have to resign as a condition of running for mayor.

Weather October

Great extremes of temperature were reached here during October, the weather record shows. The average temperature for the month was 49 degrees, the thermometer reached a high of 66 degrees on the fifth, and the lowest temperature was 37 degrees on the twenty-fourth.

The sun showed through on only a few days for a total of 71.8 hours, which was somewhat lower than the previous month, which had 84 hours of sunshine, and considerably higher than the corresponding month last year which was blessed with only 47.6 hours of sunshine.

Total hours of precipitation, however, were 14.4 days, which is 1.4 days more than for this year to date. September's rainfall amounted to 6.86 inches, which is a record for the first ten months of the year.

The maximum of 30.31 millimeters on the fifth, and a minimum of 29.36 on the sixteenth. The highest wind was 36 miles per hour from the southeast on the thirtieth.

Hungry Thieves Break and Enter

Entry by smashing a window at the rear, thieves broke into the Variety Store on the Avenue either last night or Saturday night and, as far as is known, got nothing but a few bottles of hair tonic.

According to Gordon Bryant, manager of the store, the thieves were not the objective of the thieves. He believes the store was broken into for the purpose of some of the week-end revelry which was shorted by a drought of liquor.

Effort was made by the police to tamper with the safe but a check revealed no other items were stolen.

Depredation was noticed and reported to the police when the store opened at 9 o'clock this morning.

Nazis Are Abandoning Italy Port

Lies Now Within Seventy Miles Rome—Two Armies Moving Steadily on

ALGIERS, Nov. 8 (CP)—Repeated explosions at Gaeta indicated today that the Germans were preparing to abandon the Tyrrhenian Sea port some seventy miles south of Rome as Allied headquarters announced today that another mile gain had been made by the Anglo-American Fifth Army in a push which threatened to short-circuit the west coast mountains where the enemy had anchored a new defence line.

The British Eighth Army, sweeping five miles along the Adriatic coast, took possession of the entire length of the Sinello River and advanced on the Sangro River, the next natural barrier in the area. The Eighth Army's most advanced positions were around Casalbordino, a town near the Adriatic coast.

On the left, where the Canadians are operating, gains of several miles were registered beyond captured Isernia along an important highway which runs across the mountains.

SOME MINERS ARE WORKING

But Return to Work Following End of Coal Strike by no Means Complete

CALGARY, Nov. 8 (CP)—Some coal miners in Alberta and British Columbia were back at work on Monday following the federal government's strike settlement proposal but others remained out. Some seven hundred in the Nanaimo-Cumberland field of British Columbia did not return to work as a meeting on Sunday did not authorize the return. The meeting was adjourned until Tuesday for further discussion of a settlement plan.

The Royal Commission, with powers of the War Labor Board, will begin hearings on Tuesday of the coal miners' application for wage increases. The miners quit work October 31 at midnight protesting at a delay in considering wage increases.

Resolution Passed Yesterday by Civic Labor Federation.

The following resolution was passed unanimously at meeting of Civic Labor Federation yesterday:

"Whereas Prince Rupert stands at the crossroads of the great democratic powers

"And whereas the peaceful development and prosperity of this region are dependent on firm friendly relations between these powers

"And whereas the people of Prince Rupert desire a speedy conclusive victory over the Axis, therefore, be it resolved that this body greets the decisions of the Moscow conference to bring concerted blows to bear upon the enemy and pledges its full support to the full-scale invasion of Europe."

ALLIED HEADQUARTERS IN ITALY, Nov. 8 (CP)—"Rome by Christmas"—or by New Year at the latest is the confident and optimistic expectation of Allied troops who are advancing successfully in Italy. General Dwight Eisenhower, Allied commander in chief in the Pacific area, shares the optimism.

First Donation For Ambulance

It was not long after Saturday afternoon's paper, announcing that donations would be received, was out that the first subscription for the new ambulance fund was received at the Daily News office. It was in the form of a \$5 bill from a donor who desired that the name subscription be regarded as anonymous. This morning Mr. and Mrs. Roy Argue made a donation of \$5 followed by \$3 from P. C. Larsen and \$25 from the Prince Rupert Nurses' Association.

Considerable interest is being shown in the ambulance appeal and already some organizations are considering supporting it.

With Ladies and Led by Reserve Band, They March to Church For Remembrance Day

About forty members of the Canadian Legion and a dozen or so members of the Women's Auxiliary, under the respective presidents, Dr. R. C. Bamford and Mrs. F. Barber, braved a very stormy morning yesterday to take part in the annual Remembrance Day church parade to First United Church. They were led by the band of the Prince Rupert Machine Gun Regiment which is showing great improvement each successive time that it is heard. At the church an appropriate sermon was preached by Rev. James A. Donnell and J. S. Wilson sang a timely solo.

Nazi Resistance In Dnieper Bend Cracks; May Quit Leningrad

LONDON, Nov. 8 (CP)—The Russians were rolling swiftly toward the Rumanian border today after taking Fastov, vital rail junction thirty-five miles southwest of captured Kiev, thus snapping the principal rail link between German forces in the northern Ukraine and the Nazis still battling at Krivoirog. The mighty offensive moving at twenty-four miles per day threatens to crumble Nazi resistance in the Dnieper Bend and raised the possibility of trapping huge numbers of Germans. In the Crimea the Russians said they had killed one thousand Germans in repulsing counter-attacks and bridgeheads near Kerch and had generally improved their positions. There are indications that the Germans will abandon the Leningrad area.

Tragedy By Bomb

Single German Bomb Causes Heavy Casualties and Heavy Death Toll.

LONDON, Nov. 8 (CP)—A single plane dropped a bomb in the London suburban area Sunday night causing heavy casualties and a high death toll. The bomb crashed through a dance hall into the basement restaurant and the explosion damaged a whole block of buildings while hundreds of men and women were pouring into the streets from theatres. Three members of the Canadian Women's Army Service Corps were injured.

No additional particulars are, however, given. "Pending further confirmation your son is to be considered missing and believed killed," the message regretfully states.

HISTORIC CROSSING OF DNEIPEER AS RED ARMY PURSUES NAZIS

When the history of the campaigns of the war is written, a special chapter will be devoted to the historic moment that is photographically recorded here. This is the crossing of the Dnieper from the east to the west bank in the battle against the retreating Germans. This particular crossing was at the widest part. Artillery is being loaded on small rafts.

This picture taken during the crossing of the Dnieper was made from the German side of the river after a bridgehead had been established. Here Russian trucks are seen rumbling across.

We Made a Good Showing . . .

Prince Rupert may feel a measure of justifiable satisfaction over its showing in the Fifth Victory Loan campaign which resulted in a substantial over-subscription. The final figures on subscriptions will not be available for a few days but loan headquarters anticipate that their volume will exceed that of the last campaign in May when the wartime construction boom, since receded, was at its height. Further, the city campaign in the fourth loan received credit for a substantial volume of subscriptions from the forces whose contributions were handled entirely separately this time.

A bright spot in this campaign was a considerably better volume of sales to dry dock employees in spite of the fact that the payroll of the yard is considerably lower than it was in the spring. The dry dock workers are evidently taking the war more seriously than they did before. They have also learned the value of investing in this practical and profitable way. What may be said for the dry dock may also be said for the general public. We have now become Victory Bond conscious.

LETTERBOX

TALKING OF SWINDLES

Speaking about swindles, there was the G. T. P. swindle, during the last war, by which Prince Rupert and the northern interior took a buggy ride for 25 years. Now, we see an attempt to repeat. Glad to note however, that old Rip Van Winkle has one eye open at last—although the Alcan Highway was not our idea of a square deal or an Alaska Highway. This old racket has about played out.

I wonder how many have forgotten the buggy ride Canada took when the C.P.R. swindled us out of twenty-five years' taxes? Or, what a nice piece of statesmanship little Arthur put over during his brief term as premier—the White Elephant. Then, the C.P.R. sticks its nose into that nice plum, and if they do not take advantage of their fifth column disposition it will be a miracle. Now that they have pushed themselves into the C.N.R. offices in Rupert, we just wonder how long it will

before the C.P.R. steals the C.N. completely.

I wonder how much longer the public will stand for the fruit racket. For the past two years in particular, the fruits from southern B. C. have not been fit to eat. Anyone who knows what fruit should be like will agree that it is trash. Whether it is because it is picked too green, or what, the trash is not worth packing home as a free gift. If our agricultural experts are at fault, they should be strung up. Add to this, the fact that only the most inferior culls ever reach Rupert and you have cause for murder.

Take the passenger cars we ride in as far as Jasper. They have been discarded by all other regions of Canada and sent down to Rupert as Rupert will stand for anything (and still beat Ontario over the top on the Victory Loan). In spite of the fact, also, that British Columbia gets only a mere fraction of the liquor ration the other provinces get.

The Dominion government places Rupert on a 40 percent of normal rations, then ships thousands of troops and laborers to help dispose of that meagre dole. I am not so sure

that other provisions have not been made for many of these others but they use up their own allowance and then gobble most of the civilian ration as well. Which means that the public have to pay through the nose and get stung going and coming.

Did I say that Rip Van Winkle had one eye opened at last. Maybe I was too optimistic.

RECORDS TO BE REVEALED

Sanctimonious Hypocrites to Get Shock of Lives on Judgment Day

An attentive audience listened to Evangelist Balmer last evening in the Oddfellows' Hall portray the solemn scenes of the Judgment in Heaven which has been in progress for almost a century.

Mr. Balmer based his conclusions on the prophecies of the Judgment as recorded in Daniel 7: 9, 10, 13, 26, declaring that

drive and make it an overwhelming success.

On behalf of the Prince Rupert Registered Nurses' Association we heartily endorse Dr. Large's suggestion that a public subscription be opened in your paper, Mr. Editor, and we make a contribution of \$25 to further this worthy cause.

Catherine Bryant, R.N. (President)
 Mrs. N. Mackay, R.N. (Secretary)

it was within the province of mankind to learn from the Bible just when the Judgment began. A close study of this prophetic chapter would reveal that the Judgment session was to convene sometime after the year 1798 A.D. and of necessity end before the second coming of Christ, in which event He would come with the rewards for the righteous.

Continuing the speaker read from Rev. 14: 7, "Fear God and give glory to Him for the hour of His Judgment is come." This solemn statement and warning message was associated with the preaching of the everlasting gospel 'o every nation, kindred, tongue and people. When this was accomplished Christ would return for all the righteous who were judged and accounted worthy by the Heavenly Tribunal which was in session at the present time.

Said Solomon in Eccl. 3: 17, "God shall judge the righteous as well as the wicked." In this judgment session the evangelist said that the records of the righteous only would be dealt with, quoting 1 Peter 4: 17 "For the time is come that

judgment must begin at the house of God."

The names of those who accepted Christ had been recorded in the Book of Life. It was the thing to get names written in the Book of Life but it has other things to keep them there. Jesus said in Rev. 3: 5, "I will blot out his name out of the Book of Life."

The evangelist reminded the audience that every life would have to be accounted for. The hypocrites record would be unfolded which may have been kept secret before his fellowmen. The phylandering husband who had led a double life and posed as a sanctimonious Christian would have the record of his life when his record is revealed. Only those who have lived in harmony with the precepts of God's holy law, good and spiritual law will be accepted in the Judgment, counted righteous and reward with eternal life. Deut. 4: 1-8, 10-12, Rev. 22: 14

Industry is helping win the war... industry must help build a peacetime world

The will of our soldiers assures an unconditional surrender... The will of our people can assure a just and durable peace

Today his will to live...

Tomorrow his prayers are answered

Today the United Nations are joined in their determination to win a decisive victory. On every battle front and on every farm and in every production centre a singleness of purpose is speeding "unconditional surrender".

Tomorrow millions of soldiers and workers can have steady employment if they also unite with determination to bring about "a just and durable peace".

Prosperity can be realized only through the will of an informed and a united people. With their courage and their determination, the people's will to accomplish a righteous peace is irresistible.

People here, in common with people of other lands, can prosper materially and spiritually after the war ends—but only if now the peoples of the United Nations make loud their demands for "a just and durable peace".

Here's Quick Relief from SINUS PAIN
3-Purpose Medicine Helps Clear Out Congested Sinus Areas

ONE best way to get relief from torturing sinus pain is to clear congestion from nasal passages and give sinuses a chance to drain. A few drops of Vicks Va-tro-nol in each nostril is usually enough to bring this comforting relief.

3-PURPOSE MEDICINE Va-tro-nol is so successful because it does three important things: (1) shrinks swollen membranes of the nose; (2) helps clear out pain-causing congestion and (3) soothes irritation. Many sinus sufferers say it's best relief they've found. Try it!

Stuffed Breast of Veal

Here is another way to have your roast and extend it, too!

Veal, like all meats, is best roasted at 325°, fat side up on a rack in an open pan. Allow 40 minutes per pound for this boned roast, 35 to 40 minutes for leg or shoulder. Over 6 lbs. allow about 5 minutes per pound less.

Spread but boned veal (butcher will usually remove bones on request, if meat is not already boned and rolled). Spread meat with stuffing, roll up tightly, skewer and tie firmly. Shape remaining stuffing in small balls... for cooking around the roast in final half-hour. Roast the veal as above. Carve in thin slices—a stuffing ball or two for each serving.

DRESSING FOR BREAST OF VEAL

This dressing calls for sausage meat. (Ask for Brookfield sausage whenever it is obtainable). It is well worth while to use this low-coupon meat to extend your tender and succulent Veal Roast.

1 lb. sausage meat
4 cups breadcrumbs
1 tsp. salt
¼ tsp. pepper
1 tsp. sage or other savoury herbs
2 tbsps. chopped onion

Mix ingredients. If moistening is needed, add a little warm water or gravy. Pack in roast. Use remainder for garnish.

ACTIVITIES OF Y.M.C.A. AND Y.W.C.A.

By DOROTHY GARBUTT

An Area Glee Club has been formed for concert purposes and is open to all troops in Prince Rupert area (men's and women's divisions). The chorus is under the direction of Pte. Clifford McAree, L.T.C.M. (Gold Medal), former organist and choir leader of Erskine Church, Toronto. Weekly rehearsals are held at the Empress Hall, Monday evenings. Preparations for a Christmas program are going ahead immediately and it is desirable that intending members should make contacts at their earliest convenience. All who enjoy singing will be welcome. Corp. Fritz Mister is president of the Area Glee Club.

The speaker for tonight's open forum at the "Y" Hut will be Alderman James Block who will speak on "The History and Principles of Trade Unionism." Good news! Sometime before he ends his visit here Captain Frank Guy Armitage plans to give a benefit performance open to civilians. I am glad to be able to announce this because so many citizens have expressed their desire to see Captain Armitage's sketches from Dickens. As soon as I have further details I will let you know.

MRS. A. J. SCHWARTZ discovered what the real trouble was. Continual backaches, getting up nights and constipation came from an inactive liver. "DESTROYER" IS COMING

Naval Picture, Featuring Edward G. Robinson, at Capitol.

The unusual adventure story of fighting men aboard a "hunk of tin with a heart," "Destroyer," starring Edward G. Robinson, comes to the screen of the Capitol Theatre here this Monday, Tuesday and Wednesday.

Robinson has the role of a chief boatswain's mate who becomes frantically devoted to his ship. He is an old Navy man who is working as a welder on a new ship that is to replace the old John Paul Jones which went down fighting. When the new vessel is launched he gets back into the navy so that he may be part of her crew and give her the "soul" of the old ship—the one that had become as much a part of Boley's life as his home and lovely daughter. The climax comes when the Jones acquires herself nobly in a tough battle with Japanese submarines and planes.

Marguerite Chapman, Glenn Ford and Edgar Buchanan are featured in support of Robinson.
