## Half Canadian Halibut Ordered to be Frozen; Ceiling Put on Prices

No More Than 17 and 16 Cents Can be Paid for Fish to Be Refrigerated—Details of Wartime Prices Order

Under an order of the Wartime Prices and Trade Board, announcement of which was made today, every British Columbia processor of halibut will be required to freeze for use in Canada 50 per cent by weight of all halibut he buys or receives in any other way. Under the order, which has an important bearing on halibut handling at Prince Rupert, there will be no export licences granted for frozen Canadian halibut, the remaining fifty per cent of which may be disposed of in the fresh state in the usual manner including export. The order sets forth maximum prices for fresh halibut which the processor buys from the fisherman for freezing only, these maximum prices being 17c per pound for medium and 16c per pound for chicken or large halibut f.o.b. the freezing plant. The order becomes effective forthwith.

## ORDERED TO WORK AGAIN

President Roosevelt Delivers Ultimatum to Coal Miners

Washington, D.C., June 4 — President Franklin D. Roosevelt last night "ordered and directed" 500,000 coal miners of the United States to return to their jobs next Monday. He made his order as "President and Commander-in-Chief," reminding the miners of their duty in essential war work. Early reaction of some of the union leaders was to ignore the order.

## TEACHERS RESIGNING

Three Members of High School Staff Leaving—Accommodation Problem Unsolved

Miss Nancy Ramsay, Miss Alma Snyder and Richard Thistlethwaite are resigning as members of the teaching staff of the Booth Memorial High School at the end of the present term. Their resignations were received at the regular monthly meeting of the board of school trustees which was held Wednesday night. There were several applications before the board for positions on the teaching staff. These are being referred to the inspector of schools for consultation in connection with the making of new appointments.

The problem of additional school accommodation made necessary through the arrival of new families of industrial workers was again before the board. Negotiations are still proceeding with Wartime Housing but nothing of a definite nature has yet been undertaken from that quarter. If no additional school housing can be obtained it is already evident that children will have to be turned away next fall.

The fuel situation was also taken up and was referred to the city. Principals' reports indicated that attendance during the past month had been affected by chickenpox, measles and whooping cough being prevalent.

The Thompson Hardware was awarded the contract for janitors' supplies for the year.

There was a report from the inspector of boilers who had made inspections of the various schools, finding the boilers to be in good shape.

### LIMIT COAL PURCHASES

TORONTO—The Canadian Coal Association is recommending to the government that coal orders this winter be limited to seventy per cent of last winter.

### AND STILL FRENCH

The French Sudan in West Africa has a population of nearly 3,000,000.

## UNIFYING OF FRENCH

Agreement Reached Between Generals DeGaulle and Giraud

ALGIERS, June 4 — General Charles DeGaulle and General Henri Giraud were reported today to have reached a new promise under which Giraud will remain commander in chief of the French Army but, in return, will make a number of concessions to the Fighting French leader.

Informed sources say that concessions involve replacements of a number of high officers by generals from the Fighting French forces.

Meanwhile a new French Committee of National Liberation was formed yesterday by agreement of Generals DeGaulle and Giraud to pursue the war at the side of the Allies until victory is won after which a new provisional government for liberated France may be set up. The new committee is headed jointly by Generals Giraud and DeGaulle.

### PRESIDENT BENES HEARD

OTTAWA — President Edouard Benes of Czechoslovakia spoke before a joint session of Senate and House yesterday. He said that Czechoslovakia's sacrifice in 1938 had given the Allies another year to prepare for war.

## Argentinean Revolution

BUENOS AIRES, June 4 — Revolutionary troops and President Ramon S. Castillo's "forces of repression" clashed today at a school for naval mechanics near the border of Buenos Aires province and early reports said many shots were exchanged. The revolutionaries are said to have been advancing on the capital.

## JEWES FIGHT WITH NAZIS

Sanguinary Battle When Elite German Troops Seek to Wipe Out Ghetto

STOCKHOLM, June 4 — Desperate Jews, defending themselves at barricades in a pitched battle that lasted three weeks, killed 300 Germans and wounded more than 2000 when German elite troops sought to liquidate a Warsaw ghetto recently, a secret Polish radio station said yesterday.

## WAR NEWS

### GIBRALTAR TO NORTH AFRICA

MADEIR—Despatches from La Linea said yesterday that Gibraltar has been greatly cleared of Allied shipping. Seventy merchantmen, including troop transports and tankers, passed through the Strait of Gibraltar from the Atlantic enroute to North Africa at dawn Wednesday. These advices said that another convoy of 60 freighters, six tankers and one hospital ship left Gibraltar harbor for Mediterranean and North African ports about the same time.

### JAPANESE LOSING BATTLE

CHUNGKING—Chinese troops, continuing to advance on the Yangtze front in central China, Wednesday recaptured the town of Changyang, 12 miles south of the Japanese base of Ichang, an army spokesman announced. The Japanese are being driven back toward the south bank of the river on the whole upper Yangtze front, the spokesman added. He said that the Japanese had used about 100,000 troops in the battle and had suffered about 30,000 casualties.

### AXIS LOSSES ALMOST DOUBLE

LONDON — The British magazine Aeroplane said yesterday that Axis plane losses from the start of the war to the end of May were nearly 50 per cent higher than those of the United Nations. Figures, excluding those from the Russian front, show that 13,744 Axis planes have been shot down, compared with Allied losses of 9,358 for the same period.

### SOUTHEAST COAST TOWN BOMBED

LONDON—A southeast coast town was bombed last night with machine-gunning of the streets following. There was some damage and casualties included deaths.

### FIERCE AIR FIGHTING

MOSCOW — The Russo-German war seems to be confined principally now to fierce air fighting. Twenty-three more Nazi planes were brought down over Kuban area in the Caucasus yesterday, making the total for the past week 200. There was a Russian air raid on Nazi-held Kiev yesterday. There is little new in the land fighting.

## CHINESE ADVANCE

Are Still Smashing on Against Japanese on Yangtze River

CHUNGKING, June 4 — After advancing thirty miles in three days Chinese forces smashed into the Yangtze port of Itu, 23 airline miles below Ichang, and engaged the Japanese garrison in fierce street fighting, dispatches announced today. Itu was the point through which Japanese, retreating from Changyang, were trying to make their way across the Yangtze after being routed by the Chinese.

## Supremacy of Allies Both on Sea and Air Is Clearly Asserted

Island Fortress of Pantelleria is Bombed by British Warships For Third and Fourth Times—Fascist Shipping Being Heavily Hit

ALLIED HEADQUARTERS IN NORTH AFRICA, June 4 (CP)—British warships have bombarded the Italian fortress island of Pantelleria for the third and fourth times this week, hurling shells into the harbor and battery areas, it was announced today. Both Wednesday night and Thursday morning big ships stood off and pounded the rocky island in duplication of their double assaults at the start of the week. There was some slight return fire from Italian batteries but, as in previous attacks, Royal Naval units suffered no damage or casualties.

Allied destroyers sank two Axis merchant vessels and their escorting torpedo boat, and drove an enemy destroyer ashore burning. Tuesday night, in an attack on a convoy off Cape Spartivento at the toe of Italy. The Allied force suffered no casualties or damage.

This daring Allied naval attack, struck at the heart of Italy's sea communications in defiance of the Italian fleet together with naval bombardments last week of the island of Pantelleria, indicated that in Italian southern waters the Allies have achieved a naval supremacy to match their air supremacy.

LONDON, June 4 — The London Daily Mail said that more than thirty Axis submarines were sunk in the Atlantic during May by sea and air attacks. It said the total was confirmed by a detailed check of all reports and figures available both in London and Washington.

## TO CONTROL ALL MEATS

Reconstitution of Canadian Bacon Board Announced

OTTAWA, June 4 — The Minister of Agriculture announced yesterday that the Canadian Bacon Board had been reconstituted as a meat board with power to control the distribution of all meats.

## HE TELLS OF RADIO

Sergeant Tony Ainsley Speaker at Yesterday's Rotary Club Luncheon

Speaking of the importance of radio at yesterday's luncheon of the Prince Rupert Rotary Club, Sergeant Tony Ainsley, director of the local station CFPFR, said it had been the principal weapon of Adolf Hitler in browbeating some of the nations of Europe into submission. The British Broadcasting Corporation was the only free voice of radio in the European zone today and it was doing a wonderful job on behalf of the imprisoned people of the continent even though the Nazis executed those who might be found listening to it.

The broadcasting to Europe was one of the principal functions of the B. B. C. Dissemination of propaganda, selling of ideas, was another important function. Sergeant Ainsley told of the excitement and realism of broadcasting in England under wartime conditions.

Sergeant Ainsley suggested that would-be critics of Canadian radio be not too hard in their judgment. After all, even though it might not suit everybody, it, at least, was free voice for the use of the people.

Guests at the luncheon, besides Sergeant Ainsley, were Rotarian (Lieutenant) Richard Smith of Winnipeg and Col. C. B. North.

The winner in the weekly drawing for a War Savings Certificate, proceeds for the Queen's Fund, was C. A. Brind.

### ANOTHER COSTLY SPORT

LONDON, June 4 — Rat-catching is more expensive than grouse-shooting, said one member of Westminster City Council while another explained how it had taken a trained rat-catcher five nights to do away with one bothersome rat.

### THEY CARVE OUT A PATHWAY FOR THE EIGHTH ARMY

These are the planes that hammered open a path for General Montgomery's Eighth army as it drove through Tripoli and on into Tunisia after Rommel's retreating Afrika Korps. They are British fighter-bombers, standing fueled and bombed up on a desert airfield awaiting orders for another sweep. The sequence of attack right from El Alamein had been something like this. Fighter-bomber sweeps to break enemy concentrations move up of ground troops to seize and clear advanced airfields; occupation of the new-won airfields by fighter-bombers; then another air sweep forward to repeat the procedure.

**Danger of Fire . . .**

The early morning fire on Thursday in a crowded apartment dwelling downtown was a hint of what might easily have been a much more serious catastrophe. Prince Rupert can consider itself fortunate under dwelling conditions such as they are at present on there having been so few serious fires. However, there are many hazards and, while living accommodation is at such a premium, there should be extraordinary precautions both in regard to preventing fire and in insuring combat and rescue measures should fire break out. Conditions are auspicious for a serious fire in this city at present, a fact that might as well not be disregarded.

**NEW GREEN FOR BOWLS**

Devotees of the lawn bowling game in Prince Rupert will be gratified to learn that breaking of ground started today in preparation of a site for a new lawn bowling green. The site is in the Canadian National park area immediately to the west of the fountain. The space is being levelled off after which there will be the necessary ditching. The foundation will be of crushed rock with a layer of gravel covered with sand. It will be next year, of course, before the new green will be available for play.

The work is being carried out by the United States Engineering Department in compliance with an undertaking to replace the old green which was included in the site of a waterfront project and was taken over.  
 The committee representing the Canadian National Recreation Association's Lawn Bowling Club consists of G. P. Tinker, H. W. Birch, J. J. Little, J. H. MacLeod and J. S. Irvine.

**FINE GAME OF SOCCER**

Fine football was played last evening when two service teams met at Acropolis Hill grounds, the outcome being a one-all draw. The purpose of the game was for observers to see in action with a view to selecting a soccer team to represent this area. There will be another game next Tuesday night between the same two aggregations to complete the selections. The selectors are Sub Lieutenant White, Sergeant Pierce and S. P. Woodside, the latter acting as referee.

One goal was made in each half last night. The opener was by Lieut. Oakell of the Whites and the equalizer by Cousins of the Greys.  
 The find of the evening was Telegraphist Wilcox, goalie for the Greys, who gave a brilliant performance, notable in which was the stopping of two penalties. Baldwin, full back for the Greys, was also outstanding as were Chapman and Hilder, half-backs for the Whites.

It was a tight well-contested game, the first full time match to be played this season. The teams were tired on finishing, indicating the need of more football.

**THE WANTS OF MAN**  
 A Message to 4 Million Canadians

"MAN wants but little here below," wrote Oliver Goldsmith.  
 Man's needs, he might have added, are even fewer.  
 Our pioneers needed no more than a few acres—a roof—a bed—food they shot or trapped or raised for themselves—a shelter for their cattle—a pen for their pigs.  
 But one deep-felt want meant more to them than all these needs . . . a yearning which drove them out of crowded Europe to our wide, free spaces.  
 What each of them wanted, more than anything in the world, was to be his own boss . . . to be the master of his fate.  
 Even a cottage is a castle to the man who values freedom and independence above all the sweets of life.  
 OUR pioneers put up a grim battle for their independence.  
 Today we are fighting an even grimmer battle to save and hold the freedom they sought.  
 They had faith in their own energy and enterprise, and with that energy and enterprise they built this nation.

Ours is the task to defend it . . . and not the nation only . . . but the rights of the individual . . . the right to think and act and embark on any proper enterprise a man chooses.

INDIVIDUAL independence is the most precious and the most difficult to guard of all human treasures. Dictators have risen in many lands in many ages to wrest it from their peoples.  
 In this late day we are fighting again to restore it to the enslaved peoples of the world.  
 Here, at home, each man protects his own independence by frugality and thrift.  
 That is why life insurance has become the business of four million Canadians—a great, voluntary, cooperative business—as close to the pattern of democracy as any business can get.  
 It grew because people had to have it.  
 It is being maintained because people rely on it for their individual security and comfort and peace of mind.

#### Meatless Tuesdays

The regulation prohibiting the serving of meat dishes in public eating places on Tuesdays is not restricted to rationed meats. No meats of any kind may be served.

#### Consumer Meat in Lockers

Before June 30 all consumers (including farmers) who store meat in lockers must declare in writing to the nearest Branch of the Ration Administration, the quantity of rationed meat they have in storage over and above 2 lbs. per person in the household.

#### Small Arms Ammunition Now Restricted To:

(a) Licensed trappers, police officers and others officially engaged in the protection of life and property. Applications to purchase must be made to suppliers on special forms (RB-203) already in regular suppliers' hands. These forms require the applicant to declare his right to purchase and the use to which the ammunition is to be put.

(b) Rifle, revolver, or gun clubs and defence units other than those authorized under the Militia Act. Authority must be secured by written application to the Director of Small Arms Ammunition, Victoria Bldg., Ottawa.

(c) Prospectors; those who rely on the shooting of wild life for food; and persons requiring ammunition to protect live stock. Applications must be made to the Local Ration Board on special forms (RB-202) already in their hands. Applications must be approved by the Local Ration Board before purchase from regular supplier can be made.

#### Kosher Meat

The same regulations governing the rationing of other meats apply also to kosher meats.

#### Commercial Quota Users

Quota users who have already registered with the Ration Administration on Form RB 117, and who have been allotted a Quota Reference number, need not re-register for meat.

### MRS. TOLIN RE-ELECTED

Again Heads Local Chapter of Women of Moose—Dance Held Wednesday Night

Women of the Moose, Prince Rupert Chapter No. 211, has elected officers for the coming term and the open installation will take place at the next meeting. The officers are as follows:

Senior Regent, Mrs. W. H. Tolin, re-elected.  
 Junior Regent, Mrs. Richard Adcock.  
 Graduate Regent, Mrs. Sam Hougan.

Chaplain, Mrs. Robert Murray.  
 Recorder, Mrs. James Comer.  
 Treasurer, Mrs. Charles Graham.

Forty members were present at the regular meeting which was held on Wednesday evening and at which reports of the child care, war work, publicity and hospital guild committees were read and accepted.

The meeting was followed by a very enjoyable dance with music by Mrs. Jean De Carlo's Orchestra and Jack Corrigan as master of ceremonies.

The venue of meeting and dance was the Oddfellows' Hall.

Miss Cecile Smith Becomes Bride  
 Of Sergeant Malanoski

The Exhibition Building on Acropolis Hill was the scene of a very pretty military wedding on Wednesday evening when Miss Cecile Smith, only daughter of Mr. and Mrs. E. P. Smith of this city, became the bride of Sergeant Stanley Malanoski, son of Mr. and Mrs. B. Malanoski of Herkimer, New York.

The bride, entering on the arm of her father, by whom she was given in marriage, was charming in white satin, designed with true lover's knots and sweetheart neckline. She wore a floor length veil from an orange blossom head-dress and carried a bouquet of pink roses.

Miss Olga Lindquist, maid of honor, and Miss Mary Bill, bridesmaid, both were lovely in pale pink and green net, wearing shoulder length veils, held in place by gardenias. Their bouquets were carnations and phlox.

The mother of the bride wore Queen's blue silk jersey with matching picture hat and corsage of red roses.

The groom was attended by Corp. Olsen and the ushers were members of the groom's company.

Before the ceremony took place, Sergeant Glenn Scarvie sang "I Love You Truly."

Chaplain Rowlands of the United States Army officiated at the ceremony, which took place under an arch beautifully prepared for the occasion with evergreens, lilacs and other spring flowers, under the supervision of Mrs. La Pierre of the United Services Organization.

After the ceremony the bride and groom passed between a guard of honor consisting of members of the groom's company.

A reception followed at which the guests extended their congratulations to the happy couple. The toast to the bride was proposed by Capt Lowery, Commanding Officer of the company, and responded to by the groom. A lovely silver tea

 Keeping Busy**

Considerable Business Dealt With  
 at Meeting Last Night

On Thursday the Canadian Legion Women's Auxiliary held its regular monthly meeting with president Mrs. F. Barber in the chair. There was a good attendance of members. Routine business occupied the first part of the meeting.

After some discussion it was decided to send a gift to a good friend of the auxiliary who had assisted very substantially in the recent spring sale. It was also arranged to assist with a cash donation one of the members who had lost most of her possessions in a recent fire. Suitable gifts to the Veteran's Guard were next before the meeting and it was decided to leave this in the capable hands of Mrs. Wright Davies.

It was decided to hold a dance and raffle in September.

The entertainment committee for the next three months was elected with Mrs. William Rothwell as convener. Members were advised that the annual Decoration Day would be on June 20. Members will meet at the Legion in the afternoon for the parade to the Cenotaph.

The gift of a large box of shoes from Annette's store for the Bundles for Britain was ordered acknowledged.

service was presented by Capt. Lowery.

The couple were also the recipients of many other beautiful gifts.

The refreshment table was centered with a beautiful three-tier wedding cake which was duly cut by the bride and groom.

Later dancing was enjoyed, the music being furnished by the Aristocrats Orchestra.

The bride was born in Prince Rupert and is a member of the City Telephone department. The groom is with the United States Army. They have the hearty congratulations of many friends.

 The Hostess

The Service Wives' Club met Thursday afternoon in the ladies' lounge at the "Y." There was a somewhat smaller attendance than usual with nine ladies and seven children present. Major McIlvina of the Canadian Women's Army Corp paid the ladies a visit and stayed to tea. The raffle prize which was donated by Mrs. Dewar, was won by Mrs. G. E. Rhodes. The members voted to give five dollars of their funds to the overseas cigarette fund. Lunch was provided and served by Mrs. H. Jones and Mrs. H. Hood. Two new members, Mrs. Machenn and Mrs. Rhodes, who incidentally was the Mrs. Rhodes who won the raffle, were welcomed. The ladies are getting on with Joe Terry's curtains at a great rate.

Two offers came in for sewing machines for the American unit and I'd like to thank Mrs. West and Mrs. Denny Allen for their kindness and their promptness.

Out hut is looking very lovely and smelling summerlike with all the glorious lilacs with which we are being showered. Mrs. Black and Phyllis Hamblin brought in particularly lovely bouquets.

Don't forget the Coast Battery dance tonight at the Empress "Y" Hall. The Women's Auxiliary of this battery are holding this dance to provide funds for cigarettes for their boys overseas—a duty which they imposed upon themselves very early in the war and have managed to keep up ever since, although at times the going has been hard. Tickets will be sold at the door until the required two hundred have been admitted. I have had the offer of help from a girls' club in Vancouver. They call themselves "The Quadrettes" and their president is Marge Parsons who is by way of belonging to our "Y" because her fiancée is Smiling Jimmy Corlette stationed in Alaska. I think I will ask the girls if
