THE PAPERS are full of good news... the future is bright with promise. But don't forget for a minute that the toughest job is ahead of us ... the job of smashing the enemy on their own home ground.

Sooner or later Victory will come. It's up to you...and to every other Canadian...to make it sooner. Think of the Canadian lives that can be saved...the wounds that can be prevented ... the thousands of Canadian homes that can be made happier...by going all out now to shorten the war and bring the boys back to peace and security. That's the big and inspiring job we at home have to tackle.

On October 18th Canada's Fifth Victory Loan will be offered. You will be able to tackle this great job. You will have it in your power to help speed up Victory with your savings and income just as surely as our Canadian boys are speeding it up with their bayonets.

Canada knows you won't hesitate. Canada knows you won't hold back. For this Fifth Victory Loan is the most important yet...the biggest in amount, in effort, and in aim and purpose. Make your plans now to buy Victory Bonds. Cut every corner in your Budget. Buy Bonds with your savings. Buy them on the installment plan.
