Yes, it needs courage. But • Patriotism is a clear call. It says there will be no shirking when in the tones of a bugle: "Here women once awake to the need is your job! Here is your duty!" -when they know what work And duty is not a respecter of they can do and where to go to persons or of sex. It calls women get at it. as well as men. It says to the This is to tell you that the need women of Canada: "Make patis urgent-a job in the Royal riotism mean something! Take Canadian Air Force is waiting your places alongside your men -and it is your duty to fill it, as the women of other nations not next month, but now! have done."
