LONDON, Jan. 22—Rt. Hon. L. C. M. S. Amery, Secretary of State for India, announced yesterday that the government is considering sending Canadian wheat to India to tide over that country until the spring crop.

UNION HEAD UNDER FIRE

Prime Minister Mackenzie King Makes Public Letter to Steel Workers' Official

OTTAWA, Jan. 22—Prime Minister William Lyon Mackenzie King last night made public a letter he had written to C. H. Miller, national director of the United Mine Workers' Union of America.

The Prime Minister said he could not understand why Mr. Miller was not doing all in his power to urge the striking steel miners return to work and declared that Mr. Miller had lack of understanding of the efforts of the government to meet the situation.

Mr. Miller said it would only cost two or three million dollars to meet all the miners' demands but Mr. King said it would mean hundreds of millions.

The Prime Minister made no statement in regard to future negotiations.

AUTHORITY QUESTIONED

School Board Unable to Find Who Permitted Lumber Piles and Truck Traffic at Booth School

A special committee consisting of Trustees Jack Deane and Mrs. George Hill has been unable to find who, if anybody, authorized a War-time Housing contracting concern to pile lumber on the grounds of Booth School and use the grounds for traffic of large trucks.

It was mentioned at the meeting of the board of school trustees Wednesday night that the city is receiving \$150 each in revenue from eleven staff houses that have been erected for War-time Housing on the school grounds.

Reports On Structures

City Engineer Reports on Schools And Grounds and Makes Repair Suggestions

A report from City Engineer F. N. Good on the structural condition of the city schools as well as on the school grounds has been made to the board of school trustees.

King Edward School, the engineer stated, was in fairly good shape with some minor repairs needed. The ground were in fair condition.

Except for a leak in the roof which should be repaired, Borden Street School was in good structural condition and the grounds were fair.

Minor repairs were also needed to the structure of Seal Cove School where the grounds were in bad shape.

FLATEN IS PRESIDENT

Succeeds W. R. McAfee as President of Red Cross in Prince Rupert

Annual Reports

Extensive Work Carried on by Local Branch During Year

Arnold Flaten was elected president of the Prince Rupert Branch of the Canadian Red Cross Society at the annual meeting last night.

The complete list of officers for 1943 is as follows:

Honorary President—T. D. Pattullo, M.L.A.

Honorary Vice-president—Very Rev. James B. Gibson, D.D., dean of St. Andrew's Anglican Cathedral.

President—Arnold Flaten.

First vice-president—George C. Mitchell.

Second vice-president—Mrs. J. D. Fraser.

Secretary—H. A. Breen.

Treasurer—R. E. Mortimer.

Executive—Mrs. C. H. Elkins, Mrs. E. J. Fitzpatrick, Mrs. J. J. Little, Mrs. J. B. Gibson, Mrs. T. J. Boulter and P. C. Miller.

Delegates to Provincial Council in Vancouver February 18 and 19—Arnold Flaten, H. A. Breen, Shelford Darton or Mrs. C. H. Elkins.

In taking over the office of president, Mr. Flaten acknowledged with appreciation the fine work which had been done by Mr. McAfee. There were others who spoke similarly and a vote of thanks was tendered to the retiring president and executive.

Mr. McAfee presided over the early part of the meeting and, after the election of officers, Mr. Flaten took the chair.

An outstanding feature of the meeting was the presidential report of W. R. McAfee, a document which comprehensively reviewed the extensive activities and work of the branch in various ways during the year.

The treasurer's report, presented by Arnold Flaten, showed money raised during the year by the branch as amounting to a total of \$20,360.59 with expenditures of only \$142.77. There were 2,862 members.

The workroom committee report of Mrs. C. H. Elkins gave details of the large amount of work carried out by women both within and outside of the workroom, many thousands of articles being turned out.

Mrs. J. D. Fraser's report for the Junior Red Cross showed 366 school pupils enrolled and described the work they were carrying out.

Other reports were those of the entertainment committee, Mrs. Shelford Darton, chairman; sick visiting committee, Mrs. J. B. Gibson, chairman; salvage committee, Percy Miller, chairman; and secretary, H. A. Breen.

Special mention was made of the work which had been carried out by P. C. Miller in connection with salvage.

Those present at the meeting were Mr. McAfee, Mr. Flaten, Mr. Breen, Mrs. Elkins, Mrs. Fraser, Mr. Miller, Mr. Mortimer, Mrs. R. J. D. Smith, Mrs. S. D. Johnston, Mrs. Shelford Darton, Jack Judge, Neil Cameron and Thorndyke Graham.

SALSK HAS BEEN TAKEN

Plight of Nazi Armies in Russia Is Becoming More Serious

MOSCOW, Jan. 22 (CP)—The important railway centre of Salsk was taken by the Red Army today following the capture of Vorozhilovsk in the northern Caucasus last night.

Rostov and the Caucasus oil region is now being ringed by an arc extending up through the Don and Donets River basins into the Voronezh sector from where the Russian High Command has pointed its offensives south and southwest toward Kharkov and other vital points.

Berlin admits today that the Nazi siege army west of Stalingrad is now "tightly encircled" by the enemy. That army, only a few weeks ago estimated at 200,000, is now placed at a mere tens of thousands.

Since the new Russian winter offensive started, the Germans have had 700,000 casualties, 500,000 having been killed.

MAKING OF OFFICERS

New System for Selection and Development is Announced by Department of National Defence

OTTAWA, Jan. 22 (CP)—The Department of National Defence announces a new system for the selection and development of potential officers for the Canadian Army.

Officers' selection centres will be set up in eastern and western Canada and any soldier who thinks he has officer's qualities can apply to a superior officer for permission to be sent to one of these centres.

The applicant will be entitled to have his application sent forward for consideration whether or not the commanding officer himself favors it.

NEW RULES FOR WORK

Changes in Selective Service Regulations Are Announced by Minister

OTTAWA, Jan. 22 (CP)—Persons in age groups subject to military call-up may be compulsorily required to accept alternative employment if they are to remain civilians under new selective service regulations announced today by Hon. Humphrey Mitchell, minister of labor.

The new regulations are a revision and consolidation of existing regulations dealing with civilian employment and are effective immediately.

Another change is that only those persons between the ages of 16 and 65 must register for work if not gainfully employed for seven consecutive days. Students, housewives and clergymen are exempted from this registration.

The minister announced a tightening up of regulations regarding work outside the agricultural industry by Canadian farmers who now may work only sixty days in a year at other occupations without selective service permit.

Construction workers have been exempted from national service regulations requiring seven days' notice by employer and employee before employment is terminated, Mr. Mitchell said.

LONDON, Jan. 22 (CP)—Seven thousand trains are run every week in Britain for the benefit of war workers going to and from their jobs.

Greater Part of Port is in Flames—Rommel's Army in Retreat Westward—Tunisian Battle Tempo Increasing

LONDON, Jan. 22 (CP)—The main defences of Tripoli have already fallen as the British forces enter the outskirts of the capital city of Tunisia, it was reported here today. Being systematically smashed by aerial bombs and long range artillery, a large portion of the city is already on fire.

A Cairo communique said that, by last evening, the British Eighth Army, in steady pursuit of Rommel, was engaging the enemy "west of Homs and south of Tripoli" but the Italians reported British forces southwest of the city, intimating that it was being bypassed as well as attacked.

On the central Tunisian front, General Henri Giraud's hard-pressed French troops were reported beating off intensified Nazi attacks which the Germans supported with tanks and planes in a spreading battle southwest of Pont du Fahs.

Civic Centre Meet. Draws No Quorum

Annual Gathering is Accordingly Postponed for Another Week When Business Will be Proceeded With

There not being sufficient members in attendance to form a quorum, the annual meeting of the Civic Centre Association of Prince Rupert, called for last night, was postponed until Thursday night of next week when those persons will have the authority to elect an executive for the coming year.

A general discussion took place at last night's meeting and one view expressed was that it might be well to postpone the civic centre project until after the war, keeping the funds securely in bonds until such time as it is found possible to proceed with the undertaking.

Those present last night were Dr. R. G. Large, C. G. Ham, Robert Gordon, Oscar Haveroy and A. R. Nichols.

Funeral Notice

An emergent communication of Tyee Lodge, No. 66, A. F. & A. M. B.C.C.R., will be held Saturday, January 23, 1943, at 2 p.m., from the Masonic Temple, 6th Ave. East, for the purpose of conducting the funeral of our late Bro. George M. Fraser, Public Service B.C. Undertakers' (Second Street and Second Avenue Chapel) 2:30 p.m.

FOR HELP OF RUSSIA

Local Campaign is Going Along Well—Expected Objective Will Be Reached and Exceeded

Satisfactory progress is being made in the local campaign for the Canadian Aid to Russia Fund. There is every indication now that the objective of \$3500 will be reached and exceeded. However, there will be no let-down in the campaign, the suggestion now being that \$5000 may be reached. Up to last night, when a meeting of the central executive of the fund was held, the sum of \$2744.15 had been deposited and almost \$1000 of this had already been sent forward.

Rev. Alex MacSween, chairman of the local committee, presided over last night's meeting and reviewed general progress of the campaign. He intimated that J. S. Black, organizer of the Carpenters' Union, had agreed to institute collections at camps in the Terrace area. One of the road camps on the Skeena had already sent in \$66.

The treasurer's report was made by G. R. S. Blackaby.

The Special events committee, through Charles Visser, chairman, reported that a dance for dry dock workers and their lady friends was to be held Saturday night at the staff house dining hall, a concert would be held Sunday night in the Capitol Theatre, a tea and bridge was being organized by Mrs. Charles Wallace to take place in the Valhalla Hall next Wednesday night and there was the possibility of a dance being held in St. Peter's Hall at Seal Cove.

Ray Allen reported that the special names committee had almost completed its solicitations of business concerns.

William Lambie reported on plans for the Sunday night concert the arrangement of which was in the hands of D. G. Borland assisted by Mr. Lambie, R. G. Gibson and Trevor Wilson.

Mrs. J. A. Teng reported on plans for the tag day on January 30 which will be the culminating feature of the campaign.

The next meeting of the central executive will be held on Thursday of next week.

Battle of the Atlantic...

While the number of announced sinkings of cargo vessels and other craft in the Atlantic shipping lanes in recent months has fallen off to a marked degree there are some who believe the true facts are being kept from the civilian population.

One authority claims that German shipyards are building at least 25 submarines a week and contrary to general belief there is no difficulty in securing crews for them.

One bright spot in the outlook is the announcement that 750 merchant vessels, totalling 8,000,000 tons, were constructed in the United States in 1942.

Newsprint Rationing...

Rationing of newsprint supply has been imposed on the newspapers of Canada. The Daily News is affected like the rest of the newspapers of the country.

Of course, other businesses besides newspapers have to contend with rationing and quotas these days but it is easier for them than it is for us to tell their customers:

Value of Shooting...

A world champion pistol marksman, speaking before a local service club Wednesday, reflected on how much more comfortable a lot of people would feel these days if they were crack revolver shots.

This is only one of many things that it might well behoove a lot of us to interest ourselves in against the possibility of what many feel might be real danger.

She had become well known and much esteemed and her death will be regretted by many friends.

School Supplies Being Estimated

Expected That Some \$2,500 or \$3,000 Will Be Required

School supplies including those of janitors will run an estimated \$2,500 or \$3,000 this year, a special committee consisting of Trustees J. T. Langridge and C. G. Ham has advised the board of school trustees.

RED CROSS BASE HERE

Is Centre of Relief Supplies For This Area and Therefore Important

The strategic position of Prince Rupert, rendering us peculiarly liable to attack, has emphasized greatly the necessity of our organization being prepared to deal adequately with any situation requiring emergency relief.

"To our regret Mr. Young was moved from the city in August. However, we were most fortunate in being able to prevail on Norman Watt to assume the chairmanship of the Disaster Relief Committee.

"It should be made known that Prince Rupert is a Red Cross sub-depot supply base for the Northern area. Large and valuable quantities of emergency supplies are now stored in the city.

"I mobile surgical unit  
"I portable surgical unit  
"34 cises containing surgical dressings, bandages, gauze, dressing pads, hospital gowns, pyjamas, sheets, towels, wash cloths, bed jackets, pillow slips, etc.

"I complete 25 bed emergency hospital unit  
"650 blankets  
"31 cases women's and children's clothing.

"The inventory value of this clothing alone is \$390.00. While I have no definite figures on the other items mentioned, their value must approximate ten or twelve thousand dollars.

"One serious problem has been to secure satisfactory storage space for these supplies. We have been able to find accommodation for the items listed above at the Court House, Hospital, Masonic Temple, Royal Bank, Canadian Bank of Commerce, Savoy Hotel, and Gordon's Hardware. We express our thanks to these institutions and firms for their valuable assistance.

Fuel Crisis At Schools Is Averted

A fuel crisis at city schools was averted yesterday when enough coal was delivered to keep King Edward School and Borden Street School going for a few days longer.

The school board realizes, like everyone else, that getting coal now is a hand to mouth business but it plans to lay in stocks during the coming summer to ensure a supply for next winter.

Meanwhile fuel storage capacity at the various schools is to be increased.

### Impressive Initiation

Women of Moose in Session Wednesday Night

The Prince Rupert Chapter 211, Women of the Moose, held its regular meeting on Wednesday night, in the Oddfellows' Hall. The initiation of the membership class took place, this event being in honor of the Royal Order of the Moose and their friends who were present.

The splendor of the floor work and the ritualistic ceremonies left an impression on all present.

Following the ceremonies and closing exercises of the Chapter, the members and guests enjoyed delicious refreshments. During this time, several of the officers of the Chapter spoke in praise of the efficiency and progress the Women of the Moose have made since the organization of their lodge.

### Interesting And Useful

More and More People Taking Up Shooting as Hobby

"Shooting of any kind is a fascinating pastime as well as being a national asset. More and more of the people of this country are adopting it as their hobby and sport," Major R. G. Pickrell told the Prince Rupert Gyro Club at luncheon Wednesday.

"In pre-war days when I first organized the Canadian National Rifle Association and the Canadian Revolver Association, I experienced considerable opposition from well meaning people who had the idea that to teach the younger people to shoot, was to teach militarism and instill a war-like spirit in their otherwise innocent hearts.

"This opposition was rapidly overcome, however, more by the attitude of the people who took up shooting as a sport than anything else because the die-hards saw no difference in their outlook on life after they became shooters than before. If anything, they saw a steeper and more reliable lad or lass, for shooting is a demanding hobby and to excel one must be prepared to sacrifice such things as drinking, heavy smoking and too many late nights. If one is prepared to obey St. Paul's injunctions and 'Do all things moderately,' anyone can become a first class shot. To become a champion one must, of course, sacrifice more as well as be somewhat gifted.

"In 1930 there was approximately 500 men and women taking part in various matches. In 1939 when I quit the job of president there were around 12,000 people in Canada doing serious shooting."

Following his brief talk, Major Pickrell gave a demonstration of his remarkable prowess as a marksman with revolvers and pistols, firing at various targets by time and rapid fire. The highlight was the shooting out of a flame in a small candle. Some years ago Major Pickrell gave a similar demonstration before the Gyro Club. Since then he has lost none of his abilities as a marksman.

**Asa Allen Is Laid At Rest**

**Final Rites Yesterday Afternoon For Well Known Local War Veteran**  
 War veterans and other friends gathered at the chapel of the B. C. Undertakers yesterday afternoon for the funeral of the late Asa Allen, for many years caretaker of the Legion Club premises here and prior to that a local fisherman, whose death had occurred earlier in the week in the Prince Rupert General Hospital after a brief illness.  
 Rev. C. A. Wright, pastor of First Baptist Church, officiated and gave an impressive address in paying tribute to deceased. Mrs. James S. Black presided at the organ to accompany the singing of the hymn "Lead Kindly Light."  
 Interment was made in Fairview Cemetery, soidies' plot, where Mr. Wright again officiated. "The Last Post" was sounded by Bugler William Rance.  
 Pallbearers, comrades of deceased in the 102nd Northern British Columbia Battalion in the first Great War, were Fred Hardy, C. L. Youngman, W. E. Denning, Jack Preece, Charles Barker and Fritz Skjellum.  
 The late Mr. Allen was a native of Nova Scotia and was seventy years of age.

**YOUR NEWSPAPER GOES TO War!**  
 TOTAL war has added immeasurably to the responsibility of Canadian newspapers.  
 It is a two-fold responsibility — first to the public... to keep it informed during these critical days—second, to advertisers, to give them the best means of telling their story and presenting their merchandise when and where it will do the most good.  
 Canada's newspapers have been quick to meet their war-time responsibilities regardless of cost and effort... Today the newspaper is more indispensable than ever before to reader and advertiser alike.
