The Hostess

Ivan tells me the plans for the sweater dance on Friday at the Empress are going ahead nicely. Junior hostesses are invited and I mean to go as combination chaperone and hostess. "Sarge" has started to earn her keep now as she caught a mouse yesterday. We are all very proud of her as she is just a very small kitten as yet. You will notice I refer to Sarge as "she" She is a changeling. She left us as "Sarge" proper and "as returned and accepted for the moment as "Sarge," she looks so much like the original. Where "Sarge No. 1" is is a mystery.

shows poor Douglas Badger and Jack McClelland are worried about putting on a local talent show at the Capitol, this Sunday. We are all telling them to go ahead with it. We like our own shows and have sense and imagination enough to know they cannot be the same as an organized, well rehearsed troupe. And very often some of the numbers we do get, with rehearsal and finish, would soon equal any of the travelling troupe could give us. So on with the show, boys, we'll love it!

Monday afternoon Breen and I had a nice visit with Pte. Lou Herman who was the shorter of the two comedians in the Army Show. Peter Mews was the tall blonde boy in the team. Both boys were understudying for Frank Shuster and Johnny Wayne who remained in Vancouver to rewrite parts of the show. The caste is all very thrilled at the tentative plans for taking the show overseas and hope they will mature. With all the hard work they put into that show they deserve a break like that. Who knows but that line in the show "In a year's time we'll be selling tickets in Berlin" may come true after all? Let's hope so.

KISPIOX, July 14—The death occurred here recently of Mary Ann Skulsh, 86, wife of Isaac Skulsh of the Kispiox Indian Reserve. The cause of death was influenza.

The deceased had lived at Kispiox for the greater part of her life and was a devout Christian. In her latter days, despite her infirmities, she was a regular attendant at church and drew great comfort from the singing of old hymns.

As well as her husband she is survived by two sons, Walter and Chris, both living at Kispiox.

**A NEW WORK  
A NEW WORLD - A NEW HORIZON  
for Women**

New fields for women have been opened in the Services. More than 50 different occupations, vital to the war effort, offer women the opportunity to serve their country.

**Are Women Really Needed?**

Yes—urgently! New fighting fronts are developing and fighting men MUST not be doing jobs which women can handle.

**What Qualifications Do I Require?**

You must be between the ages of 18 and 45, in good health, with Grade VIII education or better. You must be single, or married without dependent children.

**I've Never Been Away From Home Before**

In the Forces you will live in a friendly atmosphere with girls like yourself who have decided to carry their share. You will meet splendid women from all over Canada, see new places, do new things, form new friendships. You will find plenty to interest you both on and off duty.

**What About My Health?**

It is watched over more carefully even than at home. You'll have regular hours—plenty of exercise and sports,—lots of good food—medical and dental care. In a few weeks you'll find yourself feeling and looking better than ever before.

**Is The Pay Enough?**

Yes—for you receive free all equipment, shelter, food, clothing, medical and dental services.

**Perhaps I Won't Fit Into The Work?**

Every effort is made to fit each member into the job for which she is best suited and which she finds most interesting. The choice is wide and thorough training is given in many trades.

**What Training Do I Get?**

You start with 4 weeks basic training. After that there are training courses in scores of different trades.

**Is There Chance of Promotion?**

Certainly! The three Forces are expanding rapidly, and promotions are made from the ranks. Additional training is given where needed. Every encouragement is given to developing your talents and securing advancement. You may lay the foundations of a new career after the war, through the training received. Lifetime horizons will be broadened. Best of all, you'll have the satisfaction of doing your part now.

SOLDIER OF THE SOIL

THIS year the Canadian Farmer urgently needs help. He needs your help to produce the food so necessary for victory. Many thousands of farm workers are serving in the Forces, so that the farmer—the Soldier of the Soil—is shorthanded, but shorthanded as he is, he is called upon to produce more food than ever before. Food is one of the most powerful weapons of war. Grains, eggs, bacon, beef, fruit, vegetables—FOOD to feed our armies, our allies and our people we must have.

WHAT CAN YOU DO?

You may be a school teacher, student, business or professional man, an office or store clerk—no matter what you are, if you have a few hours, days, weeks, or months of free time this summer, you can do your country and the farmer a great and patriotic service by helping out on the farm. You may be inexperienced, but you still can help. You will find work on the farm healthy and congenial. It will give you the satisfaction of feeling that you have brought Victory nearer.

What you should do NOW!

Consult any special local committee or office established to deal with farm labour placements in your city or town; or Write the Director of the Dominion-Provincial Farm Labour Program at the capital of your province; or Get in touch with your nearest Employment and Selective Service Office.
