Allies Are Advancing North In Italy

HERE WAS THE BEGINNING OF ITALY INVASION

Allied troops flow into massed invasion vessels just prior to their embarking for the Italian shore from Sicily, probably from Messina. This photo, one of the first to reach here on the present push, was radioed from Algiers to London and then re-radioed to New York.

Russians Driving Towards Poland and Baltic States; Great Battle For Kiev

LONDON, Oct. 2 (CP)—The Russians captured towns and villages, killed more than 550 German soldiers and collected huge stocks of abandoned war material. A Moscow communique said that Russian bombers have unleashed a bombardment against three German rail centres, barring the way to the invasion of Poland and the Baltic States.

Mogilev, Orsha and Vitebsk were pounded for a second straight night by large formations of Russian bombers.

Meanwhile Russian and German Ukrainian armies are locked in a terrific struggle for Kiev and the lower Dnieper Valley.

Casualties Lower

Not Six Are Dead in Air Crash

VANCOUVER, Oct. 2 (CP)—The Royal Canadian Air Force today reported three men killed, two severely injured and seven slightly hurt, following the crash of a Canadian Air Force plane on September 25.

The plane was a C-47, piloted by Pilot Officer John McRae, 30, Agassiz, and co-pilot LAC Robert Haslett, 33, LAC Harry Harvey, 22, and LAC Ronald Johnson, 23, of Vancouver.

The plane was flying from Vancouver to Seattle when it crashed near the town of Everett. The crash was reported by a pilot flying nearby.

CEREMONY IS UNIQUE

President of C. N. R. Invests United States Colonel With New Tabs

THE PAS, Man., Oct. 2.—When a Canadian railway president invests a Colonel of the United States Army with the Eagle Insignia of his new rank that is news. Col. J. P. Fraim, Officer Commanding, United States Army Forces, Central Canada, Headquarters, Winnipeg, is accompanying R. C. Vaughan, chairman and president of the Canadian National System, on an inspection tour of the railways northern facilities. When he boarded the train, he was a Lieutenant Colonel. At Dauphin he received a telegram from Washington announcing his promotion. As it is customary for a ranking officer to make the investiture, Col. Fraim said he would be honored if Mr. Vaughan would pin the Eagles on his shoulder tabs. The little ceremony was dramatic with contrasts. It took place in Northern Manitoba.

BOMBING OF JAP CONVOY

Two Cargo Ships and Destroyer Sunk in Bougainville Strait by British Aircraft.

ALLIED HEADQUARTERS IN SOUTHWEST PACIFIC, Oct. 2.—An Allied communique said today that Allied bombers caught an eleven-ship Japanese convoy in Bougainville Strait, sinking two cargo ships and a destroyer, smashing a third and dispersing others.

SHOULD GET IT!

The Omineca Herald says the city of Prince Rupert would pay \$700 per cord for wood.

Italy is Not United Nation

LONDON, Oct. 2 (CP)—The British Broadcasting Corporation told the people of Italy that formation of the Badoglio government "will not give Italy the position of an ally and member of the United Nations as Italy is still considered a defeated national which had let itself be led to the side of tyranny and aggression."

EMDEN TARGET TODAY

LONDON—Allied bombers, including flying fortresses, attacked Emden today.

Miss Margaret Sargent left for her home in Hazelton last evening after spending three weeks with her Aunt, Miss Barbeau.

WAR NEWS

NAZIS STILL YIELDING

STOCKHOLM—Despite broadcasts from the German freedom radio station as heard in Sweden which said that Chancellor Adolf Hitler had established headquarters on the Russian front and had told his generals that "not another foot of ground" beyond the Dnieper must be yielded, more crossings of the Dnieper are reported today to have been made by the Russians who have captured Chernekov on their advance into White Russia.

SURVIVED TO PERISH

OTTAWA—Five officers and seventy-six men survived the sinking of the Canadian destroyer St. Croix but all but one lost their lives a short time later when the British frigate Ichen was torpedoed after picking them up. Royal Canadian Navy headquarters announced last night. The British corvette Polyanthus was also destroyed along with an indefinite number of merchantmen in a running battle marking the return to the North Atlantic in force of the German U-boat Wolf Pack. Another report said that ten Allied ships, including three war vessels, had been lost in the engagement. Two German U-boats had been definitely destroyed and six others probably damaged.

BOYS AND GIRLS MUST WORK

STOCKHOLM—The Germans have made all sixteen and seventeen year old German girls and boys subject to labor service in the Baltic States, Poland and Ukraine, Berlin dispatches said today.

PAY VISIT TO FAMOUS MINE

President of Canadian National Railways at Flin Flon

FLIN FLON, Oct. 2.—On his first official visit to this famous mining town on the Manitoba-Saskatchewan borders, R. C. Vaughan, chairman and president of the Canadian National Railways, inspected the facilities on a property which produces two million tons of zinc, copper and other metals annually. Accompanied by Charles H. Read and B. L. Daly, directors; N. B. Walton, executive vice president; W. R. Devenish, vice president and general manager, Western Region, and other officers of the railways, Mr. Vaughan looked into a 3,000 foot shaft in Saskatchewan and a 2,000 foot shaft in Manitoba, saw tons of molten copper and zinc poured into the ladles and tons of these metals being loaded into Canadian National cars.

The party was conducted on its tour by R. H. Channing, president of the Hudson Bay Mining and Smelting Company; R. H. Green, general manager; M. A. Roche, assistant general manager and J. P. Caulfield, general superintendent.

Mr. Channing told the railway president that the mine produced \$22,000,000 worth of saleable metals a year. Since operations began, less than 15 years ago, 20,000,000 tons have been produced.

Zinc is refined at Flin Flon and copper is shipped in blisters to Sudbury and Montreal.

Mr. Vaughan expressed himself as much impressed with the productiveness of the mine and its value to the war effort and with the growth of the town which now has a population of approximately 9,500. The railway was built from The Pas by the C.N.R. in 1928-30 to open up the property. It is 91 miles long.

Continuing his inspection of C. N. facilities in the north, Mr. Vaughan was in Churchill on Friday.

Preparations For Fifth Victory Loan Are Begun

Meeting of Bond Salesmen Held Yesterday at Dry Dock.

"I always feel a little ashamed when I sell a Victory Bond to a man as investment in his own future, I much prefer to sell it to him for what it is — an investment in the future of Canada," said Frank Clark, who is in charge of the forthcoming Canadian National Railways Fifth Victory Loan Campaign in Prince George, when he spoke before a meeting of C.N.R. Victory Loan salesmen at the dry dock yesterday afternoon.

Mr. Clark came to town with a number of other railwaymen from as far east as McBride to attend the meeting at which R. A. Bond of Montreal, liaison officer of the National War Finance Committee with the Canadian railways, was to have been the guest speaker. Owing to transportation difficulties Mr. Bond did not arrive in time to attend the meeting.

The meeting, which was packed with members of the Victory Loan sales force from the dry dock, local railway departments and representatives of towns from up the line, began with an introduction by Bernard Allen, chairman, of G. E. Wootton, divisional organizer of the War Finance Committee, who presented a series of inspirational slide pictures which depicted the problems that Victory Bond salesmen will have to meet and ways of surmounting them.

Following the slide pictures Mr. Wootton answered questions pertaining to the selling of Victory Bonds.

In the absence of Mr. Bond, Mr. Clark was asked to speak, and he gave a rousing address colored with touches of humor. Concerning the credits for forced savings which have been deducted from paychecks Mr. Clark said that those who have forced savings will receive next month a statement from the government showing the amount held in trust for them. This should clear up the mystery surrounding the disposition of the forced savings and eliminate any suspicion which might hamper the sale of Victory Bonds, Mr. Clark said.

Railwaymen from out of town who attended the meeting were A. L. Peterson, McBride, Frank Clark and D. McPherson, Prince George, J. Woodall, Burns Lake, W. Foster, Endako, Stan Jones and Hector Edgar, Smithers, and J. D. Hogan, Pacific.

Local railway personnel who were at the meeting included H. Long, R. E. James, P. Lakey, Miss Marion Ponsford, Miss Margaret Morin, H. E. Elton, H. R. Hill, H. C. Briggs, M. A. Burbank, J. Paul, J. O. Meshewik, C. Carlson, Charles McNab, T. H. Priest and R. E. Gill.

RESTORING NAPLES

ALLIED HEADQUARTERS IN NORTH AFRICA—Liberated and rejoicing Naples is being rapidly restored to order by the occupying British and American authorities. The central portion of the city is not greatly damaged. Engineers are working on the repairing of damaged docks.

Both Eighth and Fifth Armies Chasing Nazis; Air Fighting Lives Up

British, American and Canadian Forces Follow Through After Their Brilliant Victories at Naples and Elsewhere — San Saverno Occupied

FALLING BACK ON ROME
 STOCKHOLM, Oct. 2 (CP)—A despatch to a Swedish newspaper said today that German forces in the Naples sector were being withdrawn toward Rome. The correspondent added that it appeared that the Germans have decided to engage the Allies in front of Rome.

ALLIED HEADQUARTERS IN NORTH AFRICA, Oct. 2 (CP)—The British Eighth Army of which the Canadian First Division is a part, in a drive up the Adriatic coast, occupied San Saverno, eighteen miles north of Foggia, Allied headquarters announced Saturday. The Eighth Army also captured Lucera, twelve miles northwest of Foggia, and spread out to northwest of both towns.

Meanwhile the Anglo-American Fifth Army continued advances northward toward the Volturno River after capturing Naples. Allied air forces, striking to block the Nazi retreat from Naples, bombed pontoon bridges at Grazzanise and Fomelia, coastal city forty-four miles north of Naples. Meeting unusual resistance, Allied air forces lost fourteen planes and shot down eleven enemy aircraft.

Is Moved East

GENERAL GANONG
 The Eighth Division of the Canadian Army which has been engaged in defending the western coast of Canada has been ordered disbanded. Its General Officer Commanding, Major-General H. N. Ganong, 53, of St. Stephen, N.B., was former officer commanding the Carleton and York Regiment which served in Sicily. He now goes to the Sixth Division on the Atlantic Coast.

No Increase In Hair Cuts

Vancouver Barbers' Application For 25c Increase is Refused

VANCOUVER, Oct. 2.—Application by Vancouver barbers for a flat increase of 25c in price of hair-cutting has been refused by Services Administration, Wartime Prices and Trade Board.

Current charges for hair-cuts in Vancouver are 25c, 35c, 40c and 50c.

A petition presented by a representative group of barbers requested a straight increase of 25c.

The Services Administration, in rejecting the application, pointed out that any rise in operating costs has been offset by larger volume of business.

The Administration's letter to the barbers adds that the object of W. P. T. B. regulations is to keep costs stabilized.

For this reason their request must be refused.

POUND FROM WEST, SOUTH

Ruhr City of Hagen Raided From England and Munich Hit From Africa.

LONDON, Oct. 2.—The Royal Canadian Air Force and the Royal Air Force last night bombed Hagen, Ruhr industrial centre. All the R. C. A. F. planes returned safely. Only two R. A. F. bombers were lost, underscoring evidence that Allied planes have made inroads on the strength of the German air force in recent months.

Hagen has important iron and steel foundries, engineering and armament works, and makes equipment for submarines.

Meanwhile Allied bombers at African bases teamed up with the R. A. F. in their first double blow at Germany. In a demonstration of the offensive wallop that eventually may rock Germany from the south as well as the west, American planes made an 1800-mile trip from Africa to pound Munich.

Shot Himself In Cemetery

J. M. Seigfried, Eighty Year Old Pioneer of Terrace, Takes His Own Life.

Jacob Miles Seigfried, well known pioneer farmer of the Terrace district, went to the Kitsumkalum Hill Cemetery a few days ago, shot himself through the head with a .22 rifle and expired shortly after in the military hospital at Terrace. He left a note indicating that he planned to take his life.

Seigfried was more than eighty years of age and, before coming to Terrace many years ago, was in the turpentine business in the United States.

ACTIVITIES OF Y.M.C.A. AND Y.W.C.A.

By DOROTHY GARBUTT

I expect quite a run on the tickets for this week's concert at the Capitol when I tell you that Captain Armitage is putting on his one man show at the evening performance. He calls it a one man show but I think that is a gross libel on Johnny who is very much in the show. Johnny is a scion of the Wood family which is related to Charlie MacArthur, and a little less fortunately, to Mortimer Snerd. And Johnny is quite as talented as his

famous relative as you will hear for yourself on Sunday evening. And another warning, be sure our girl friend has a good sized handkerchief tucked away somewhere because Captain Armitage has the artistry to bring out all the pathos found in a Dickens' character, and all the bubbling, good humored fun as well. If you miss this show, don't worry too much because he will be with us for about a fortnight, putting on shows at the various camps. By the way I think I made a mistake the other evening when I said that Frank Guy Armitage played exclusively for the YMCA. Or rather the wrong impression because, although he travels under the auspices of the YMCA, he very often plays at Canadian Legion and K. of C. recreation halls. In short, he is first and foremost at the service of the servicemen and women wherever they may be when his path crosses theirs.

Nice to see the other Highway Boys in circulation. The ones who have been up to the desk for a chat have all been full of the grand work Carl Clay, their YMCA supervisor, did for them while they were C.B. Carl really went to town to keep them amused and keep their spirits up. Good work Carl, glad to hear it.

There are two sailors asleep on one of the chesterfields as I write and I wish you could see them. They look like a couple of tortured eels. I suppose their quarters are so small on the sweepers and patrols that they get used to sleeping on the ragged edge of nothing. I only wish I had a candid camera and could use a few photographs along with this column.

Famous Novel Seen in Film

"The Moon is Down" Comes to Capitol Theatre on Monday and Tuesday

Picturization of the famous novel, "The Moon is Down," comes to the screen of the Capitol Theatre here on Monday and Tuesday next. Throbbing with a fury of emotions, it tells the gripping story of a freedom-loving people whose hope strength and spirit will never be crushed even under the heel of the conqueror. There is the will to live and they prove that those

who won't be beaten cannot be beaten.

Sir Cedric Hardwicke is cast as the cold-blooded Nazi leader who commands an occupational force. Henry Travers has the roll of the fumbling but courageous mayor. Margaret Wycherley, renowned Broadway actress, plays the important part of the mayor's wife.

All the dramatic and tender romantic ingredients which made the book so outstanding are said to be fully retained in the picture.

Seventy Friesian cattle, presented to the Red Cross Agricultural Fund, realized \$84,000 at a Reading sale.

U. S. Soldiers Adopt Orphans

BELFAST, Oct. 2 (C)—United States soldiers have adopted 40 war-orphaned children in Northern Ireland and the number soon will be doubled.

For each child \$400 is provided by the soldiers—on a basis of \$80 a year.

One unit stationed somewhere in Ulster banded together to adopt two-year old Freda, whose father was lost at sea. The doughboys have never seen her—but they asked for and received 150 copies of her picture, one for each soldier.

Another orphan, Elizabeth, received a birthday cake for her fifth birthday, sent by soldiers who are helping provide for her. And she will be the pride of the regiment in the smart battle dress the soldiers made for her.

Five-year old William, whose father was killed in an air raid on Belfast, has been adopted by a London unit, and received the surprise of his life when a colonel of the unit came here to see him. The colonel wanted to take William back to visit all his American "uncles" but the trip could not be permitted.

The export of rabbits from Eire has been banned.

SERIES RIVALS LOSE HITTERS

NEW YORK, Oct. 2 (C)—What a difference a year makes! The first third of both the Yankee and Cardinal 1942 batting orders will be missing from the coming world series.

Phil Rizzuto, Yank lead-off man last fall, is in the Navy; third baseman Red Rolfe retired to coach at Yale, and Roy Cullenbine was traded to Cleveland.

The Red Bird's first trio to face Yankee pitching last year is in the service. They are switch-hitter Jimmy Brown, Terry Moore and Enos Slaughter.

Get READY TO MAKE ANOTHER WAR-WINNING INVESTMENT

● Fighting men trained and equipped in Canada, and tools of war made here, financed with money borrowed by Canada from her people, have had much to do with keeping the enemy away from our shores. Truly, our beloved country has been spared.

And our men and women, and the ships, planes and weapons we are still sending to the front, are keeping Canada's name notable in what well may be the decisive stage of the greatest war of all time. In light of latest developments, it must be clear to all that Victory Bonds do, indeed, foreshadow Victory. The temporary sacrifices, and the readjustments in our normal financial plans that we may have to

make to buy them, are surely a cheap price to pay for the rewards they win.

There is reason to believe that the great struggle that has for so long disrupted our way of life is approaching a decision. Money must be had to keep our ships sailing, our planes flying and our fighting forces on the road to success. Soon there will be another issue of Victory Bonds. The proceeds will give impetus to our forces to push home the sword of triumph. No matter what the temporary sacrifice, be ready to buy more Victory Bonds when the call comes. Prepare now to buy all you can. Every bond you buy will contribute to the downfall of the enemy. And remember, the war won't be over till we win it!

Locally Born Girl is Bride

Miss Helen Gamula and Stuart Furr are united in marriage.

At the home of the bride's parents on English Hill, the marriage took place at 7:30 Thursday evening of Miss Helen Patricia Gamula, daughter of Mr. and Mrs. Peter Gamula, to Stuart Gilbert Furr, son of Mr. and Mrs. Frank Furr of Vancouver. Very Rev. James B. Gibson, dean of St. Andrew's Anglican Cathedral, officiated.

The bride was given in marriage by her father and the attendants were Miss Irene Beatrice Gamula, sister of the bride, and Ronald B. Spooner as groomsmen.

A reception followed the marriage rites, refreshments being served and the evening being happily spent. The bride cut a beautiful wedding cake.

The toast to the bride was proposed by Dean Gibson and responded to by the groom. A toast to the bridesmaid was proposed by Corp. George Wolfe with the groomsmen responding.

Later in the evening the happy couple left for Vancouver where they will make their home.

No 'Xmas Cards For War Prisoners

LONDON, Oct. 2 (AP)—Britons will be unable to send Christmas cards, New Year cards and calendars to prisoners of war in Europe this year. That is because prison camp leaders complained after last year—that the large number of greeting cards caused congestion in enemy censorship and regular letters were delayed greatly.

COAL PRODUCTION DOWN LONDON, (AP)—Britain's coal output for the four weeks ending Aug. 7 was 12,388,000 tons, a drop of 1,928,000 tons from the previous four-week period. The Ministry of Fuel said the fact most miners are taking their holidays in July and August was the main reason for the drop.

The bride was born in Prince Rupert and has lived here all her life. She was a member of the staff of the Royal Bank of Canada. The groom was also with the Royal Bank but more recently was with the British Columbia Bridge and Dredging Co.

The couple have the best wishes and congratulations of many friends.

Were Married At Citadel

Mary Lillie Pierce and Morley Dale Speer Were Joined at Rites on Thursday.

A pretty wedding of much local interest was solemnized in the Salvation Army Citadel on Thursday evening, Oct. 1. A. Brundson officiated, when Mary Lillie, youngest daughter of Mr. and Mrs. H. L. Pierce was united in marriage to Morley Dale Speer, fourth son of Mr. and Mrs. R. M. Speer, of Mayerthorpe, Alta.

The bride entered the church on the arm of her father by whom she was given in marriage. Her gown was of traditional white brocade satin with a fitted bodice and a full skirt. Her chapel veil was caught to a Juliet cap trimmed with pearls, and her shower bouquet was of red roses and maiden hair fern.

The bride was attended by her sister, Miss Clara Pierce, who chose a triple sheer gown of corn flower blue and carried a bouquet of pink and yellow carnations.

Mr. Warren Speer was groomsmen while Messrs. Earl and Herbert Pierce were ushers. Miss Marie Amadio played the Wedding March and also accompanied Miss Amy Armstrong who sang "Because" while the register was being signed.

Following the ceremony a reception for immediate relatives was held at the home of the bride's parents, Mrs. Herbert Pierce and Mrs. Warren Speer were severally.

The happy couple will be leaving for a wedding trip to Vancouver and Edmonton. On their return to the city they will take up residence on Sixth Avenue East.

The groom is an employee at the local shipyards and the bride, prior to her marriage was a member of the staff of the Bank of Montreal.

Salmon and Halibut Season is Now Over—Deer Hunting Active—Yachting Incident of Week

The salmon and halibut fishing seasons are both over in this vicinity and, consequently, there is a period of quiet as far as the fishing fleet is concerned. A few vessels are out coddling but there is no very general activity as yet. However a little later more boats will be going out for the coddling, dogfishing and soupin shark fishing. The fleet of both halibut and salmon vessels is pretty generally in port for the meantime.

In spite of ammunition shortage and the restrictions on the use of gas for pleasure boating, there is considerable activity in the way of deer hunting and the Game Office reports that there has been a brisk sale of hunting licences. The tendency now is for larger parties in single boats in view of the gasoline supply situation. To the few who may not remember the hunting season dates for this year, here they are: Deer, September 11 to December 15; birds, October 30 to January 31.

Commander D. C. Wallace, who has been naval officer in charge at Prince Rupert for the past nine months, leaves this evening for Halifax where he will spend a leave preparatory to taking over a new assignment following his transfer from here.

Lieut. Commander Andrew H. Dobson, commander of the Canadian destroyer St. Croix which has been lost in action with loss of all her personnel but one, was well known to Commander D. C. Wallace, until recently naval officer in charge

at Prince Rupert. Commander Dobson had been in the destroyer service since the start of the war and had won the Distinguished Service Cross already, having been credited with the sinking of two Nazi submarines. He was in the merchant service before the war.

"All's well that ends well" might be said of the incident during the past week of the local power yacht Full Moon which became missing for three or four days after her rudder had been lost at Stephens Island. Considerable stir was caused but happily enough the vessel and all on board made port, safely after Dr. William S. Kergin had shown considerable ingenuity in rigging up a jury rudder and Mrs. Kergin and Mary Margaret Bulger had shown considerable seamanship ability in operating the makeshift gear across Chatham Sound.

EDISON MAZDA SUPPLIES MANY SPECIALIZED LAMPS TO MEET THE NEEDS OF THE FIGHTING SERVICES

FOR hard, gruelling war service, many types of Edison Mazda Lamps have been developed. Typical of these tough, dependable lamps are the "marker lights" used on the life jackets and rafts of sailors, airmen and others forced into the sea. Designed for efficiency, built to "stand up", Edison Mazda Lamps give dependable service in every lighting job.

RELIGION CROWDED OUT

LONDON, (C)—The majority of men in the British army have no definite idea about religion beyond its most obvious external expressions, wrote Prof. F.

E. Jessop of University of Hull, in "The Padraic" "Religion is both crowded and hurried out," he says. "Religion has grown up but has never been so."
