BIG YEAR FOR FLEET ON LAKES

Heavy Ice Conditions Delay Opening But Prospects are for Record Breaker

FORT WILLIAM, Ont., April 27 () — Canada's inland merchant marine fleet, more than 250 strong. being released from winter's ice, is geared and ready to go into what may be the most momentous season in its history. Shortage of deepsea tonnage and the need for more coastal ships may send many of the canallers, boats of 255 feet or less, into strange waters and stranger convoys. With them will go many of the 3,000 Canadians

ADVERTISE IN THE DAILY NEWS

"War has at all times called for the fortitude of women...

We, no less than men, have real and vital work to do."

On Armistice Day, 1939, Queen Elizabeth broadcast these words to a world newly plunged into war.

It was a call to women to put all their courage of mind and heart, all their strength and endurance, at the service of their country in its hour of need. Women of Canada heard . . . and answered.

Every Canadian woman is in a very real sense a warrior working for victory. Whether she serves in the armed forces, in the front lines of industrial production, or taking care of home and family . . . her efforts bring closer the day of victory.

Once again Canadian women are making sure that every dollar is a fighting dollar. By rigorous selfdenial now . . . in order to supply the overwhelming numbers of tanks and guns, ships and planes that will mean the margin of victory for our fighting forces . . . all of us can help to get the job done that much quicker. And when victory is won, Victory Bond savings will enable you to enjoy all the things which are not now available.

This time buy two ways. First, with cash on hand. Second, on the 6-month installment plan, either through your bank or employer. In this way you will be doing YOUR share in helping to put Canada's FOURTH VICTORY LOAN, with an objective of One-Billion-One, over the top!

HOW TO BUY

Give your order to the Victory Loan salesman who calls on you. Or place it in the hands of any branch of any bank, or give it to any trust company. Or send it to your local Victory Loan Headquarters. Or you can authorize your employer to start a regular payroll savings plan for you. Bonds may be bought in denominations of \$50, \$100, \$500, \$1,000 and larger. Salesman, bank, trust company or your local Victory Loan Headquarters will be glad to give you every assistance in making out your order form.
