and Germany has been dis-POSTHUMOUS FAME The first collected edition of an important bridge just south Chaucer's works appeared 132 years after his death.

Small barrage balloons manned by the R.A.F. helped keep the German planes from swooping too low during the landings at Salerno, Italy. These balloons were carried on invasion barges and came ashore at a height of 200 feet during the landing. As the beachhead was established, they were raised to operational height by means of a small portable hand winches mounted on hand carts.

In the Supreme Court of British Columbia in Probate In the Matter of the "Administration Act" and

In the Matter of the Estate of Charles Merman, Deceased TAKE NOTICE that by Order of His Honor Judge Fisher, Local Judge of the Supreme Court of British Columbia, I was on the 22nd. day of November, A.D. 1943, appointed Administrator of the Estate Charles Merman, formerly of Terrace, British Columbia, deceased, who died on or about the 9th day of June, A.D. 1943. All persons indebted to the said Estate are required to pay the amount of their indebtedness to me forthwith and all persons having claims against the said Estate are required to file them with me properly verified on or before the 31st. day of December, A.D. 1943, failing which distribution will be made having regard only to such claims of which I shall have been notified. DATED at Prince Rupert, B.C. this 22nd, day of November, 1943.

NORMAN A. WATT. Official Administrator, Prince Rupert, B.C.

Landing barges are shown pouring men and material ashore at Torokina Beach, Bougainville, where the U.S. marines hacked out a beachhead and held it in the face of Jap counterattacks. Group in foreground is composed of young leatherneck jungle fighters in camouflage suits. Landing of U.S. army reinforcements on Bougainville was announced by the war department recently.
