

# Battle Of Volturno Won By Allies

SPEEDING THE CRACK-UP

## Fifth Victory Loan Is Off to Good Start With \$98,400 For First Day

Prince Rupert is off to a much better start in the Fifth Victory Loan campaign than in any of its predecessors. First day's subscriptions here totalled \$98,400 as compared with \$62,000 on opening day of the fourth loan and \$46,000 on the first day of the third. Canvassers generally are finding a ready response. It was surprising the number of people who were all ready to buy, having decided on the extent of their purchases in advance of the call of the agents. This proved very helpful and, of course, speeded up the work.

Some of yesterday's subscriptions were as follows:

Annette Woods	\$10,000
Edward Lipsett Ltd.	10,000
Harry Zapotocny	100
James H. Thompson	500
Miss A. E. Jenson	500
Royal Fish Co.	2,000
Geoffrey Wootton	500
Mrs. M. Love	100
Miss Helen Brown	100
John L. Palate	500
V. C. Grant	500
Pat Thorsteinsson	100
Annette Powell's Beauty Shoppe	100
H. S. Wallace Co. Ltd.	5,000
Canadian Legion (B.E.S.L.) No. 27	6,000
Louis M. Felsenthal	500
Mrs. E. D. Dominato	1,000
Miss Margaret S. Sharp	500
John Bulger Ltd.	3,000
Rupert People's Store Ltd.	1,000
George James Dawes	200
D. Ello	2,000
J. Balko	50
J. F. Eyllifson	1,200
George Ross	500

### BEFORE THE REVOLUTION

Jean Jacques Rousseau, writer of "The Social Contract," and famous philosopher of France, was born in Geneva in 1712.

Mrs. Isabel McAskill of Vancouver, liaison officer for British Columbia of the Young Women's Christian Association War Services, is due in the city tomorrow morning from the south for a two day visit. Her liaison duties are between national war services office in Toronto and the

## City Bonds at Par For First Time in History

For the first time in the history of the city, Prince Rupert Municipal bonds are now listed at par, Mayor W. M. Watts advised the city council last night.

## Income Tax Men Are Checking Up In Prince Rupert

Four representatives of the Inspector of income tax from Vancouver arrived in Prince Rupert Sunday night and will be busy here for the next couple of months on checking up duties of inspection and consultation. They will be available for taxpayers requiring their services in connection with their problems. The visiting income tax men are J. Brown, W. H. Wallace, H. Watson and Fred Danaher.

## OFFICERS ARE TRANSFERRED

Appointments Affecting Pacific Command Are Announced in Ottawa

OTTAWA, Oct. 19 — National Defence headquarters today announced appointments involving the Pacific command.

The appointments included Brigadier W. H. S. Macklin, 44, permanent force officer from Scarborough, Ontario, who has been brigadier in charge of administration at the Pacific command, as brigadier to the general staff, Pacific command, succeeding Brigadier W. N. Boostock, 40, of Kamloops, who is returning overseas.

Brigadier H. A. W. Landon, 54, permanent force officer who formerly served in the British army and has been officer commanding the Vancouver defences, has been named as brigadier in charge of administration, Pacific command, succeeding Brigadier Macklin.

## Dry Dock Male Choir

A general meeting was held last evening of the Prince Rupert Dry Dock Male Voice Choir. The following officers were elected for the ensuing term: President, James G. Stewart. Vice-president, C. W. Wardale. Secretary-treasurer, Louis Arrol.

Chairman Music Committee, J. S. Wilson. Chairman Program Committee, C. E. Saunders.

Librarian, W. V. Tattersall. Conductor, George McInnes. Accompanist, C. A. Davis. Plans were made for the holding of a concert on December 6.

## Opening Day Of Bond Sale

OTTAWA, Oct. 19 — Canadians subscribed for \$87,729,450 worth of Fifth Loan Victory bonds yesterday, the first day of the three-week campaign for \$1,200,000,000. The daily average required to reach the loan's objective is \$66,666,000.

## Bulletins

### EDEN-HULL IN MOSCOW

MOSCOW — Foreign Secretary Anthony Eden of Great Britain and Secretary of State Cordell Hull of the United States arrived in Moscow yesterday for the three-power conference with Foreign Commissar Vyacheslav Molotov of the Union of Soviet Socialist Republics. The new United States ambassador to the Soviet Republic, Abel Harriman, arrived with the party which was met by Mr. Molotov and Maxim Litvinov, former Russian ambassador to the United States and now deputy foreign commissar. Mr. Eden and Mr. Hull expressed pleasurable anticipation for the conferences. The first meeting took place at the Kremlin within three hours after arrival of Mr. Eden and Mr. Hull. Military, economic and fiscal matters will be discussed. Russia does not desire to discuss post-war boundaries but will ask for the opening of a western front.

### REDS POUR OVER DNIEPER

MOSCOW — Russian forces are pouring across the Dnieper River in large numbers from all bridgeheads. Fierce fighting continues in the centre of Melitopol into which the Russians advanced today. The Germans are bringing up reinforcements as 300,000 Russians move south from Zaporozhe. The Nazis are finding it entirely impossible to stop the Red forces in the centre of the long river front and during yesterday there was a further four-and-a-half mile advance with capture of 23 towns. North of Kiev and south of Gomel the Reds have improved their positions and strengthened their bridgeheads and are pushing hard.

### NEW AERIAL OFFENSIVE

ALGIERS — It is indicated that a powerful aerial offensive is about to be launched by the Allies from Italy against Germany and German-occupied

## Big Attack On Germany

Principal Target for Royal Air Force is Hanover—Small Attack on London.

LONDON, Oct. 19 — Royal Air Force and Royal Canadian Air Force planes attacked Germany in great strength last night, directing their main blow against Hanover, while mosquito bombers blasted targets in Berlin and western Germany. Seventeen Royal Air Force bombers were lost. All the Canadian Lancasters returned.

Hanover, a city with a normal peace time population of about half a million, is the site of the Gammilwerke where much of Germany's finished rubber products are manufactured. Results of the raid were obscured by clouds.

Meanwhile a small force of German raiders crossed into East Anglia and southwest England, reaching as far as London. The raiders dropped flares, and some explosives, causing at least two deaths, and wreckage in some areas.

## City is Buying Victory Bonds

The city of Prince Rupert will purchase \$280,000 of Fifth Victory Loan bonds, these to be applied to sinking fund account, it was decided by the city council last night on recommendation of the Finance

## TALKED TO MINISTER

Representatives of Local Interests Are Heard at Member's Luncheon

Various phases of local activities more particularly to do with the fisheries were briefly reviewed at a luncheon yesterday afternoon when Hon. Ernest Bertrand, minister of fisheries, was the guest of Olof Hanson, M. P. for Skeena. The minister listened with interest to what was said and gave assurance that they would be given serious consideration.

Mayor W. M. Watts expressed pleasure at the minister coming here to see the situation at first hand. The permanent prosperity of Prince Rupert turned to a large extent on the fisheries.

Speaking of the railway, G. A. Glay, superintendent, told the minister that there had been a five hundred percent increase in traffic on the local line and this would probably be further increased threefold, all of which required more power, more equipment and more labor.

R. M. Winslow, assistant general manager of the Canadian Fish & Cold Storage Co., speaking of the Fisheries, stated that Prince Rupert had handled more fish in 1943 than in years. The industry was carrying on under difficulties at the present time but there was no need to worry about the future of the fisheries at Prince Rupert. Some of the fishermen and boats had left here owing to lack of accommodation and service under wartime conditions but some of them might be expected to return.

Theo Collart spoke of the Peace River, railway outlet and the Alaska Highway, contending that the business of the northern part of the province rightfully belonged to this line of the Canadian National Railways with Prince Rupert as the outlet. He advocated the building of a road northward from Hazelton to the Yukon and Alaska as a postwar reconstruction project and warned against service men after the war being placed on the land unless it was to some measure equipped so they might have a reasonable start.

The minister, who had a busy day here holding conferences with various interests and making inspections in connection with the fisheries, left this morning by plane for the West Coast of Vancouver Island, accompanied by A. J. Whitmore of Ottawa and Olof Hanson M. P.

## Steel Mill On Coast Sought

Prince Rupert City Council Endorses Resolution of Shipyards' Union Conference.

The city council, at its meeting last night, gave endorsement to a resolution passed at a recent shipyard workers' conference in Vancouver calling for a mill on the British Columbia coast and decided further to send the resolution on to the Prince Rupert Chamber of Commerce with a view to obtaining its endorsement and instituting a move to set forth the advantages of Prince Rupert as the site for such a plant.

The resolution of the shipyard unions stated that a steel mill was necessary to basic industry on the British Columbia coast and pointed out that there was an offer from the provincial government of \$2,000,000 to go towards the establishment of such a mill.

It was at the suggestion of Ald. Elliott that it was decided to also enlist the support of the Prince Rupert Chamber of

## British and American Troops Swarm Across River at All Points

ALLIED HEADQUARTERS, Algiers, Oct. 19 (CP)—The battle of Volturno has ended in victory for the Anglo-American Fifth army with Allied troops crossing the river at all points, it was announced today. The Americans captured five villages on the eastern sector of the Fifth's line in a sweeping advance of from three to five miles. British troops between Capua and the sea swept over the difficult river barrier at all points on bridges constructed by the engineers.

## Smuts Talks Of War End

LONDON, Oct. 19 — Field Marshal Jan Christian Smuts, South African premier, predicted today a grand assault on Hitler's central fortress of Europe next year and the Americans may have a decisive part in it. "In view of the intense and prolonged strain and excessive demand on the British Commonwealth, American manpower has been rightly looked upon as our grand strategic reserve in the west for the final moves of the war," Smuts said in a speech at Guildhall.

Smuts forecast that the Allies would invade the Balkans before the end of the year.

## ENGINEER IS ON WARPATH

Wartime Housing Under Fire at Last Night's Meeting of City Council

Judging from a number of recommendations and communications which were read at the meeting of the city council last night, the city engineer, George S. Hanes, appears to be on the warpath as far as Wartime Housing is concerned. Some of the recommendations of the city engineer were adopted. On other's action was deferred.

First the city engineer suggested that all divisions and subdivisions of townsite property proposed by Wartime Housing be submitted to the city for approval or rejection. Mayor W. M. Watts said that already the city council had rejected one proposed subdivision by Wartime Housing but this did not appear to have much effect on Wartime Housing. The mayor said that Wartime Housing had been asked for a master plan of all subdivisions and street changes that had been made. The suggestion of the city engineer, that divisions and subdivisions be submitted for approval or rejection was concurred in on motion of Ald. Baggett and Ald. McKay.

Next matter affecting Wartime Housing to be brought before the council by the engineer were plank roadways which had been built on Piggott Avenue and Seventh Avenue. These the engineer described as "positively dangerous" and justified being closed. Mr. Hanes recommended that orders should be made that they be brought up to standard. Ald. McKay moved and Ald. Black seconded that the engineer's recommendation be concurred in. Ald. Hills proposed that the streets be barricaded by the city and signs be put up pointing out that they were dangerous for traffic. These roads, Ald. Black observed, were reminiscent of the old plank roads the city had thirty years ago. Finally, at the suggestion of Mayor Watts, the matter was referred to the co-ordinating committee for consideration.

The city engineer also reported to the council that he did not approve of plans and specifications for sewer installations of Wartime Housing on Sixth Avenue. Meetings in connection with these installations had

## IGNORED BY CHURCHILL

Prime Minister Not Answering At Present to American Senatorial Criticisms

LONDON, Oct. 19 — Prime Minister Churchill declined to reply in the House of Commons today to criticisms of Britain by touring American senators but said a full statement would be kept in the House of Commons for the purpose of record "or, if it should be expedient, for publication."

Captain Peter MacDonald, Conservative, had asked the Prime Minister if attention was called to "specific charges of unfair action and bad faith made against the British in the report to Congress by the senators and whether to avoid diffusion of ill-will he will place on record the British views of the facts."

## Ontario City Applies First

LONDON, Ont., Oct. 19 — London was the first city in Canada to file an application for Fifth Victory Loan bonds, investing \$1,000,000 of municipal funds, national Victory Loan headquarters announced yesterday. The drive had an auspicious start.

with C. R. Stonehouse, sanitary inspector, Mr. Hanes and G. M. Christie of Wartime Housing. At the suggestion of Mayor Watts, this subject was also referred to the co-ordinating committee.

## Looking For New Floats

Visit of Minister of Fisheries, It is Decided to Representations With-Delay

On hearing a report from W. M. Watts who told of his interview with Hon. Ernest Bertrand, minister of fisheries, the city council expressed some encouragement in regard to the possibility of obtaining more adequate and permanent moorage for the vessels of the fishing fleet, the city council last night to follow up on this with definite representations setting forth the urgent need of such facilities. Under a preliminary discussion was a plan for waterfront Block B between the water and the city which was mentioned as the available site on the waterfront which adapted itself to the establishment of permanent fishermen's floats. Mayor Watts reported that the question of accommodation for the fishing fleet, had been discussed in some detail with Bertrand and had inspected the harbor and the present moorage and had been told of the plan under which the city had been operating for the lack of float accommodation, this having led to the removal of some of the floats from the port. As a result of the discussion with Mr. Bertrand, the mayor said he felt the council would do well to take steps to urge new and better float facilities without delay. The minister appeared sympathetic and had given assurance of all assistance in his power. Something of a more definite and permanent nature than the floats east of the port should be obtainable. W. H. Brett said that the question of float accommodation was very vital to the fishing industry. He moved that the representations as suggested by the mayor be made without delay. The site beyond the elevated area would appear to be an acceptable one, particularly when taken into consideration that there was little to choose between the two sites. It appeared that road connections would be made. Ald. Brett moved that a request be made for immediate float accommodation. Mr. Sorenson seconded the motion saying that one of the advantages of the site beyond the elevated area was that it would be a breakwater.

DAILY EDITION Tuesday, October 19, 1943

**A Minister Visits . . .**  
 Hon. Ernest Bertrand, minister of fisheries, was a busy man during his visit to Prince Rupert yesterday and he saw a good many things at first hand while here, also hearing representations which should prove of value to him in dealing with questions affecting the fisheries of the British Columbia coast in which Prince Rupert is such an important factor.

It was gratifying to find that Mr. Bertrand was aware of a number of things in regard to which he desired first hand and visual information. He expressed appreciation of the importance of Prince Rupert's position in the fisheries and admitted that this port was entitled to some more tangible consideration than it was getting.

The minister even went so far as to suggest that, if the case was pressed for action in regard to more adequate moorage accommodation for the fishing fleet, it might be forthcoming. It is not often that a minister goes this far in encouraging representations for work to be done. No time should be lost in presenting those representations now they have been asked for.

Tenders are to be called by the city council for the disposal of a gasboat which has been operated for years by the city on Shawatlans Lake. A fourteen foot row boat will be purchased for use in connection with the pipe line. Ald. McKay urged at last night's meeting the necessity of there being no delay in connection with the purchase of this new boat.

**WAKE UP VITALITY WITH THIS HOT BREAKFAST**

Nature stored more of the great growth and vitality element—protein—in whole grain oatmeal—than in any other natural cereal you can serve your family! Today, with less meat protein available, your family needs this extra vitality protection of Quaker Oats more than ever! Quaker Oats is so outstanding that it contains nine out of eleven food elements short in many present day diets! Serve delicious Quaker Oats daily. Children simply love Quaker Oats. It's so smart to protect your family's health and vitality by serving the one best cereal when so many other foods are rationed.

**ACTIVITIES OF Y.M.C.A. AND Y.W.C.A.**  
 By DOROTHY GARBUTT

We have a mystery on our hands at the "Y." About ten days ago an iron and extra cord were left on the office counter with nary a note to say to whom they belonged. Now what we want to know is are they genuine lost articles or has some kind soul who shall be nameless, made us a present of them? In other words, has some anonymous donor left them with us to replace the iron that was spirited away a while back? If the latter, thank you so much, and if the former — but perish the thought, it must be for us.

Mrs. Hill-Tout, our very busy hospital visitor, has quite a list of new service babies for us. By the way Mrs. Hill-Tout gets a great deal of fun out of these visits and says she finds it a most enjoyable task.

Joy Loretta Green was born on October 14 which happened to be her parent's second anniversary. Little Miss-Fixit from

the very start. Her daddy is in the Navy and she weighed seven pounds 15 ounces when born. Grace Elizabeth Brunson, who was born on October 9, comes into our services list because her mother and dad are Adjutant and Mrs. Brunson of the Salvation Army War Services. Grace has a six-year-old brother and just to show that six in her favorite number she weighed in at six pounds six ounces.

Another little girl, Katherine Sharon Clyton Payne, is the daughter of Mr. and Mrs. E. J. Payne of the Signals. Born on October 14 she beat the other two young ladies by several ounces weighing eight pounds two ounces when born.

Master Donald Russell Lloyd Rice distinguished himself by being the only boy on the list and by having a Navy daddy who is himself a Prince Rupert boy. Donald was born on October 15 and weighed a mere seven pounds 12 ounces. Congratulations everyone and happy parenthood!

The fire chief's report for the month of September has been received and considered by the utilities committee of the city council. Details of the report have already been published.

**Basketball Buzz**

Members of the Booth Memorial High School basketball team were sent through a brisk practise by Coach Bruce Stevens last night in the High School gymnasium.

Of the 12 players who turned out, only two, Peter Postuk and Toyo Gurvich, were holdovers from last season's powerful squad. But former junior eagers are expected to fill the gaps created by the departure of almost all the 1942-43 team.

The High School hoopsters have arranged to play a quintet of visiting seamen Wednesday night and, after that game, it will be possible to get a line on the schoolboys' strength this campaign.

A practice was also held by the junior club but the younger boys didn't participate in the scrimmage game which wound up the workout.

Future of the Inter-House Basketball League at the school

remains undecided. Due to many of the students working after four o'clock it is thought that no games can be played at that time, as have been done in the past. And the gymnasium will be occupied most of the nights from now on so fixtures in the evening will also be difficult to arrange.

The girls' team is slated to work out Tuesdays and Thursdays with the boys practising Mondays, Wednesdays and Fridays.

**SPEED THE VICTORY**

**WE ARE GOING FORWARD**—determined in will, strong in heart. Before our fighting men lies a long and arduous task. The costs will be heavy, the losses severe. That will be the price of Victory.

We are fortunate indeed to have an opportunity to share and shoulder responsibilities that we as Canadians should carry. These responsibilities belong to every one of us. We can not shirk them.

We must ensure the success of the Fifth Victory Loan. We must all buy the Bonds that speed the Victory.

**FORWARD TOGETHER - BUY VICTORY BONDS**

**CANADIAN NATIONAL**  **CANADIAN PACIFIC**

*When the Victory  
Loan salesman comes to  
your door—be ready to help  
**SPEED THE VICTORY***

On four previous occasions Canadians have all worked together to put Canada's four Victory Loans over the top. Last Spring, two and a half million folks from factories, farms and mines, from the Armed Services, offices and homes, came forward and loaned their savings and their earnings to help win the war.

Today, as Winston Churchill has said, the war "is perhaps entering for us British and Americans upon its most severe and costly stage". Today Canada has more forces in the field. Today production from our factories, shipyards, mines and farms is on a scale many times greater than ever before. So Canada asks her people to support the greatest Victory Loan of all.

5,200,000 Canadians are now earning money throughout the Dominion. Each and every loyal Canadian is asked to do his or her part. Teamwork is needed for quick and complete victory. Let us all work together to make this loan a success—to Speed the Victory.

**ALASKA  
HIGHWAY**

A thrilling action movie based on the herculean job of building the Alaska Highway, the Alaskan-Canadian road which was so vital to the protection of our northern most outposts against the Japs, is due this Wednesday and Thursday at the Capitol Theatre. It is "Alaska Highway," starring Richard Arlen and Jean Parker, with Ralph Sanford, Bill Henry, Joe Sawyer and Eddie Quillan.

The picture is hailed of exceptional interest in the north, being a fast-paced thriller with its story of two brothers fighting the elements, and each other, pitched against the hazardous undertaking. Richard Arlen and Bill Henry play the brothers; Jean Arthur is the cause of their fighting. Both men are engineers. Their father (played by Harry Shannon) is placed in charge of the construction job as an Army Major. Jean goes to Alaska with the crew, accompanying her own engineer father.

Landslides, forest fires and other disasters conspire to keep the men from concluding the job on time, and all of it is reported to make very exciting seeing.

**LOCAL NEWS NOTES**

▲ Watch for Flexform announcement Saturday. (247)

G. R. Forman of Edmonton is here visiting his brother and sister-in-law, Mr. and Mrs. James Forman, Atlin Avenue.

Permission was granted by the city council last night to the local Canadian Legion to hold its annual Poppy Day tag day on November 6.

Mrs. Frank Dibb and Mrs. George Dibb and the latter's little daughter returned to the city last evening from a trip to Vancouver.

A licence has been granted by the licensing committee of the city council to Mrs. E. Pedersen who has gone into the business of repairing furs.

L. M. Felsenthal, manager of the People's Store organization, is leaving tomorrow night for a business trip to Montreal, Toronto and elsewhere in the East.

▲ Ladies:— Reminding you of Red Cross Tea, Thursday, October 21, at Mrs. L. W. Kergin's, 430 4th Ave. West. Remember Home Cooking Table. Red Cross is the helping hand to humanity. Come with a friend. Make this tea a success and enjoy friendship in a cup. (245)

City Engineer George S. reported to the city council last night that, in accordance with instructions, a new hand rail had been installed alongside the sidewalk on Fourth Avenue West between the residence of R. L. McIntosh and the Waldron Apartments.

Sergeant Ray Cromarty, formerly of the Royal Canadian Air Force at Prince Rupert, has received his commission as pilot officer at Pearce, Alberta, and has been appointed a flying instructor. He left here several months ago.

▲ A meeting of St. John Ambulance Association for prospective candidates in first aid and industrial certificate. City Hall, Tuesday, October 19, 7:30 p.m. First aiders of previous classes will receive award certificates. (244)

Mayor W. M. Watts, in reply to a question by Ald. Sorensen, told the city council last night that no word had yet been received from W. C. Mainwaring, British Columbia, chairman of the Civilian Protection Committee, in regard to possible relaxation of dimout regulations. The mayor felt that nothing much in the way of such relaxation could be expected.

Ald. J. S. Black brought up at last night's meeting of the city council the matter of the sidewalk on Second Avenue near the Clapp Block which had been pushed out of shape by United States army trucks. The matter had been drawn to the attention of the American authorities with a view to having the work done. Ald. Black was told.

▲ Parent Teachers' Assn. meeting, Borden St. School, Tues., Oct. 19, 8 p.m. (244)

▲ Moose Lodge meeting tonight at 8 o'clock in the Eagles' Hall.

The city council last night authorized the payment to an inferior wood operator of \$196 who had sent down 28 cords of wood for use at the City Hall. The purchase of the wood had been ordered by the fuel committee.

The city engineer has been authorized by the board works of the city council to inspect and report on the condition of the Cow Bay bridge, the bridge in McClymont Park and also the city's crushed building on Eighth Avenue.

Ald. W. H. Brett and Ald. James S. Black were appointed at last night's meeting of the city council as members of the court of revision on the municipal voters' list for the next civic election. Registrations for householders are now being received.

The finance committee of the city council was to have had a report at last night's council meeting on the position of land on Wantage Road occupied by squatters. Mayor Watts explained, however, that the land would have to be inspected and there had not been time, as yet, to do this. However, it was hoped to have the report ready for the next meeting of the council.

The city council last night endorsed a resolution of the Machinists' Union demanding that improved radio service be given in Prince Rupert by immediately connecting up Station CFFR with the national network of the Canadian Broadcasting Corporation. A motion endorsing the machinists' resolution was made by Ald. Brett and Ald. Daggett.

The police committee reported to the city council last night that it had received and considered the report of the police department for the month of September. Details of this report have already been published.

A recommendation from the finance committee that the real estate concerned be authorized to expend \$60 to cover necessary repairs to the property known as the Boulter house on Eighth Avenue East was adopted by the city council at last night's meeting.

**SOUND REASON**

Victory Bonds will last anything else you buy. They pay you interest while you hold them. They are as good as cash in the bank when a emergency arises; they turn into dollars when you are mature.

**McRae Bros.**

We who died . . . on the beaches of Dunkirk and Dieppe, on the desert sands of Africa, in Hong Kong and Singapore . . . from our resting places in ocean deeps or alien earth, we call to you.

# We who died, Salute you

We did not ask to die. We were young, we wanted to live. After we left you, we remembered all the little things that made up living—the girls we used to dance with, robins building nests in Spring, mother knitting on the porch, the good smell of Sunday dinner in the oven—the blessedness of peace. We who died for peace ask only that you realize to the full its beauty and its worth. For, if you do, then you will finish our task for us. No matter what it costs in effort or self-denial, bring home the sooner those who live . . . that they may have what we have given up. That is all we ask of you, Canada . . . we are waiting for your answer

## Locals

Constable Fred Walker of the city detachment of the British Columbia Police left this afternoon to spend a vacation in Vancouver.

Ald. McKay brought up at last night's council meeting the question of garbage disposal from the Summit Apartments where there is a garbage chute and large box which is too heavy for an individual to carry to the lot line. As a result there had been no disposal since the recent new regulation which calls for the leaving of garbage on the lot line. The agent had endeavored to obtain individual garbage cans but was unable to do so. It was decided that the city should endeavour to get a new supply of garbage cans for sale to the public.

The city council, on motion of Ald. Hills and Ald. Sorensen, last night accepted an invitation for the mayor and members of the council to attend a dinner to be tendered to Tim Buck, national leader, by the local branch of the Labor Progressive party on October 31. The invitation was conveyed in a letter from Bruce Mickleburgh, chairman of the local branch. Ald. Brett would have left it to the individual members of the council to decide for themselves whether or not they should attend.

The Prince Rupert Trades and Labor Council had a letter before the city council last night suggesting that a public convenience be established at the corner of Third Avenue and Sixth Street. Ald. Daggett and Ald. Black were in sympathy with the proposal, feeling that this was a section of the city where something of this nature should

certainly be provided. At the suggestion of Mayor W. M. Watts, who felt that the city might be able to do something next year, it was decided to refer the matter to the utilities committee for report.

Ald. Robert McKay, chairman of the board of works, told the city council last night, after matter had been brought up by Ald. Thomas Elliott, that the contractors for Wartime Housing, Smith Bros. and Wilson, had promised to attend to the making of repairs to Hays Cove Circle sidewalk near the Booth Memorial School which had been damaged by their trucks. It was suggested that any new walk be placed at a distance further removed from the street line so that trucks could not reach it. Removal of the structure at the corner of Sixth Avenue and Hays Cove Circle which had been used as an office will also be sought.

A large circulating heater and floor covering are to be purchased for the ladies' section of the new city rest room in the old reading room. A recommendation to this effect from the utilities committee was adopted at last night's meeting of the city council.

by Martha Logan

### Stuffed Lamb Shoulder

Just as fine in flavour as  
the traditional Leg,  
is the Roast Shoulder

Even with 1 1/4 pounds to the coupon, many of us these days think twice before ordering a roast of lamb. Actually, a Roast Shoulder of Lamb extended with a savoury dressing is one of the really good ways of making your coupons stretch. A 5 pound roast, before the bone is removed, gives you at least three generous meals for a family of six. Serve it hot once, cold once with a delicious green salad and mint sauce or Indian Chutney, then use the balance for a savoury stew; Indian curry or hearty meat pie:

There are sixteen different recipes just for lamb left-overs in Martha Logan's famous handbook of meat cookery "Meat Complete." Send 10¢ for your copy to Swift Canadian Co. Ltd., Dept. NE 40 New Westminster

### MARtha LOGAN'S DRESSING FOR A SHOULDER OF LAMB

- 1 cup bread crumbs
- 2 small onions chopped
- 2 tsps. chopped fresh mint
- 1 tsp. fat
- 1 cooking apple chopped
- 2 to 4 tsps. milk
- salt and pepper

Mix all ingredients thoroughly and pack into cavity made by removing shoulder bone. Roast uncovered in a 325° oven allowing 40 minutes per lb.
