

Mother Trapped By Japs Chinese Pilot Flies East

ALBERT MAH

Albert Mah, Prince Rupert born of Chinese parents, is a flyer and a good one. But even being a good flyer in Canada doesn't satisfy his urge to get closer to the Japs who have held his mother and his three sisters in occupied China for some years, so Albert Mah has departed. One day soon, he'll be flying over China.

For two years Albert has been a civilian pilot in Air Observer Schools located at Edmonton and Quebec City, operated by Canadian Pacific Air Lines. He has another brother, Cedric Mah, now stationed as a pilot in a school at Winnipeg where he trains bomb aimers, air gunners, and navigators under the British Commonwealth Air Training Plan.

For some months they have been sending letters to their mother and sisters, now in China where they were caught "some years ago" when the Japs walked in. They have been unable to leave and, although the letters the boys send are delivered, the money they sent is never there. Albert decided to do something about it, so applied for leave from C. P. A. on compassionate grounds. He has been accepted by China National Aviation Corporation as a pilot to fly from India to Chungking. He hopes, in some way as yet undisclosed, to aid his mother and sisters—even, possibly to rescue them from the occupied territory.

Albert Mah left Quebec City a short time ago. That he is an excellent pilot is vouched for by the R.C.A.F. Visiting Flight, which periodically inspects the flying ability of pilots in the Air Observer Schools. He was adjudged best of all the 90 pilots at this particular school.

CONTROL OF U-BOATS

New Convoy Services Are Effective Against Subs

LONDON, June 2 —Increasingly deadly Allied convoy escort services sank more enemy submarines in May than in any other month of the war, and in the past two months the number of submarines operating in the Atlantic seems to have decreased. A. V. Alexander, First Lord of the Admiralty, told the House of Commons today. He declared that in the last twelve months the total of enemy submarines sunk exceeded the number sunk in all the previous war period, and in the last six months the rate of destruction was 25 percent above the previous half year.

HARD COAL IS FROZEN

Bituminous Also in Ontario and Quebec by Federal Order

OTTAWA, June 2 —All stocks of anthracite coal in Canada were ordered frozen yesterday by the federal fuel controller. Bituminous coal in Ontario and Quebec is also frozen. The freezing order will not effect normal distribution of coal on the east and west coasts and domestic requirements will be taken care of.

English Towns Raided Again

Ten Believed Killed in Fighter-Bomber Attack Yesterday

LONDON, June 2 —Ten persons were believed killed in an East Anglian town today in a swift raid made by German fighter-bombers. There was no report of overnight British air activity over the continent.

SEES WAR END SOON

General Arnold Thinks That Air Attacks Will Bring Enemy's Speedy Downfall

WEST POINT, June 2 —Addressing cadets here yesterday, General Henry H. Arnold, chief of the United States Air Force, predicted that the Allies would "end the war and soon." Air attacks on the enemy would bring about his early defeat, Arnold suggested.

FINES IN MAY HERE

Sum of \$954 Levied in 72 Cases—\$400 Less Than April

From seventy-two cases tried in city police court during May fines totalling \$954 were collected. This was a decrease of over \$400 from the total for April which was \$1384.

Total collections for the first five months of 1943 have been \$4350.25 as compared with \$4999 in the same period last year.

Jap Planes Raid Oregon

PORT ORFORD, Ore., June 2 —The public learned today of the fifth futile attack by the Japanese on the Pacific Coast, a sneak incendiary raid by a lone airplane more than eight months ago. Believed to have been launched from a Jap submarine last September 28, the plane flew over the Oregon coast in a dense fog near here, and dropped a bomb, starting a fire which, however, was easily controlled. The attack was disclosed in testimony before the Senate Appropriations Committee in Washington.

Air Liner Shot Down

Actor Leslie Howard Among Those on Ship Which Has Been Lost

Concern is Felt as Weather Has Been Very Stormy in Bay of Biscay and Rescue Might be Very Difficult

LONDON, June 2 (CP)—A spokesman for the British Overseas Airways said today that a British passenger airliner disappeared yesterday while enroute to England from Lisbon and reports from the Portuguese capital said the actor Leslie Howard was among 13 passengers. A Lisbon report said that the plane was shot down in the stormy Bay of Biscay about half way between Lisbon and England.

Concern was felt as weather reports indicated it would have been difficult for passengers to take to rubber boats.

United States Coal Industry Paralyzed—Negotiations Continuing

WASHINGTON, D. C., June 2 —The coal strike continues with 500,000 miners in various important coal fields having laid down their tools to paralyze the industry and seriously threaten the war effort.

Yesterday Secretary of the Interior Harold Ickes called upon John L. Lewis to end "the strike against the government." Lewis offered a compromise which would give a \$1.50 per day wage increase but the miners would not accept this unless it was made retroactive.

Mine operators and union chiefs were to meet again today to review the dispute.

SINK MORE JAP SHIPS

Destroyer and Six Other Vessels of Enemy Disposed of in Pacific

WASHINGTON, D. C., June 2 —A Japanese destroyer and six other enemy vessels, including a large tanker, cargo ship and medium-sized transport, have been sunk by United States submarines in Pacific and Far Eastern waters, it was disclosed by the Department of the Navy yesterday. These sinkings had not previously been announced.

Costs \$150 Per Year to Feed One Soldier

OTTAWA, June 2 —It costs \$150 a year to feed a Canadian soldier overseas or on active service in Canada, Hon. J. L. Ralston, minister of national defence, told the House of Commons yesterday.

CRISIS OF GENERALS

Resignation of Governor of Algeria Causes Further Complications Between DeGaulle and Giraud

ALGIERS, June 2 —General Charles DeGaulle yesterday accepted the resignation of Marcel Peyrouton as Governor General of Algeria. Peyrouton asked to be assigned as a captain in the French infantry to prove he was willing to fight for the redemption of France and the request was granted.

There is some speculation as to the authority of General DeGaulle's General Henri Giraud to accept Peyrouton's resignation and assign him to another post. Rumors of further tension in the crisis between DeGaulle and Giraud were reported last night but were eased somewhat today when it was stated that Peyrouton's resignation had been submitted to both DeGaulle and Giraud.

HONORS TO CANADIANS

No Less Than 625 are Included in King's Birthday List

OTTAWA, June 2 —Six hundred and twenty-five Canadians in civilian life and the services are awarded honors and decorations in the King's Birthday honors list, it was announced Tuesday night. Of the total of those receiving awards, 285 were civilians, 132 army personnel, 122 Royal Canadian Air Force members and 86 Navy. The list included 57 women of them were army nurses. There were operational awards for bravery in the Navy.

Col. O. M. Biggar, chairman of the joint international defence commission, receives the C.M.G. Others receiving high recognition include George W. Spinney, chairman of the national war savings committee; Canon Cody, president of the University of Toronto, and Commissioner S. T. Wood of the Royal Canadian Mounted Police. Companionships of the Bath are conferred upon Lieut. Gen. E. W. Sansum, Air Vice Marshal G. O. Johnson and Air Vice-Marshal Robert Leckie.

Four Canadian Indian chiefs are included in the honors list. (Yesterday the Daily News announced that Coxswain Skipper W. J. Thomas of Prince Rupert, a member of the Fishermen's Reserve, had been made a member of the Order of the British Empire).

Sentenced In Police Court

Two Liquor Cases and One Vagrancy This Morning

Three cases comprised the docket in city police court this morning, two of them being liquor cases and the third vagrancy.

Joseph Glover Campbell was fined \$50 or one month in jail for possessing liquor in a restaurant. Charles Anderson was sentenced to twenty days in jail, without option of fine, for his third intoxication offence.

Walter Takaryk, charged with vagrancy and causing disturbance, was sentenced to two months in jail, without option of paying a fine.

Mrs. Thomas Speers arrived in the city this morning from Vancouver, being here to join Mr. Speers who has become chief clerk here to the divisional superintendent of the Canadian National Railways. Mr. and Mrs. Speers are taking up residence on Dunsmuir Street in the house vacated by Mr. and Mrs. Norman Stewart who left for Calgary.

ISLAND IS BOMBARDED

Navy Hits Twice in 48 Hours as New Phase of Mediterranean War Opens

WASHINGTON, June 2 —More than 1500 Japanese were killed and four hundred were captured during the first twenty days of fighting on Attu Island by the United States forces. The Department of the Navy reported today that operations are continuing in the mopping up phase.

ALLIED HEADQUARTERS IN NORTH AFRICA, June 2 (CP)—

British warships, in their second bombardment of Pantellaria in less than 48 hours, yesterday heavily shelled the harbor area batteries, and barracks of the Italian island, it was announced today.

United States heavy bombers joined the air offensive against the battered island 45 miles off the Tunisian coast while other attacks were made on the islands of Sicily and Sardinia.

Warships blasted Pantellaria Sunday night, and again yesterday afternoon, the communique said, carrying out heavy shelling without loss, although there was some retaliatory fire from shore.

CHINESE ARE SCORING HEAVILY OVER JAPANESE IN ICHANG AREA

CHUNGKING, June 2 —The Chinese appear to be merely in the middle of their great victory over the Japanese in the Ichang area. Five Japanese divisions have been entrapped and are apparently due to be wiped out. In addition, a regiment has been wiped out in Hupei. Immense amounts of enemy supplies have been captured.

An official statement here yesterday suggested that further good news might be expected. It is thought by some that the recapture of Ichang itself might be imminent. For the first time the Chinese have air supremacy on their side, the Japanese having been virtually driven from the skies.

Meantime all along the three hundred mile front the Japanese are being thrust back, their withdrawal being general. Heavy blows have been dealt them in Hupei and Honan provinces and only in Changsi to the north do they now appear to be making any headway.

WATER IS EXPENSIVE

Thirsty Man Pays No Less Than \$14 a Reputed Quart But Didn't Mean to

The story is being told around of one thirsty soul who thought he was going to get a bottle of Scotch at bootleggers' prices but who was cruelly deceived at some cost and indignity.

It appears that a deal was to be made which was to be consummated in a dark alley. The sum of \$20 had been asked for a 26-ounce bottle of Scotch. The customer felt that it was somewhat excessive so a compromise was reached at \$14.

Then the rendezvous in the alley where the bottle was to be delivered. It was a neatly wrapped parcel bearing all the external earmarks of Scotch.

Indeed it was a Scotch bottle but it was found later not a bottle of Scotch.

The opening showed it to be nothing more than 26 ounces of aqua pura. It was an intolerable position but what is there to be done about such a thing when you are wide open to a charge of conniving to illegally purchase liquor?

1500 Japs Killed In Aleutians

WASHINGTON, June 2 —More than 1500 Japanese were killed and four hundred were captured during the first twenty days of fighting on Attu Island by the United States forces. The Department of the Navy reported today that operations are continuing in the mopping up phase.

TransCanada Traffic Mounts

Great Increases in Passenger, Mail and Express Handling

WINNIPEG, June 2 —Passengers carried by TransCanada Air Lines in April totalled 11,537, an increase of 2,722 over the corresponding period last year. Mail was more than doubled, rising from 139,379 pounds in 1942 to 292,401 this year. Express increased nearly four times, from 16,572 pounds to 61,577 pounds.

SIGNALS WINNERS

Scored Come-back to Win Over Reserve in Soccer Game Last Night

Signals took the runner-up position in the standing for the Gihuly Cup senior football trophy by scoring a 3 to 2 victory over Reserve in a hard-fought game at the Acropolis Hill grounds last night.

At half time the Gunners led two to nothing but in the second half the Signals saw the green light and swept through the session to score the two goals needed to equalize and the odd one required to win.

Outstanding feature of the Signals' come-back was the strong half-back line of Yelland, Hilder and Sjampan.

Best for the Gunners were Robertson, Ronald and Greer.

Goal scorers were Robertson and Watt for the Gunners and Johnston, Middleton and Hilder for Signals.

The league standing to date:

RED CROSS WORK HERE

Unsuitable Workroom Believed Responsible for Lack of Interest

At a meeting of the local Red Cross executive and the conveners of workroom groups last evening a general discussion centred on the apparent lack of interest in Prince Rupert in the work of the Red Cross. It was felt that the present headquarters was partly responsible as they were not readily accessible and the two flights of stairs to climb was a definite handicap.

The resignation of Mrs. C. H. Elkins as convener of the workroom committee was accepted with regret and President Arnold Flaten extended the thanks of the executive to the retiring chairman for her untiring work during the past year.

It was decided to curtail the workroom activities during July and August to the making of surgical supplies and the voluntary work of various units. A further effort will be made to secure more suitable quarters and better equipment.

Mrs. J. D. Fraser reported that the Junior Red Cross was active in all the schools, having raised the sum of \$65 for the Crippled Children's Hospital.

President Flaten reported that correspondence had been received regarding the error made by the shipping department of the Lowney Company in sending Red Cross chocolate bars to local wholesalers. Upon notification of the mistake instructions were quickly given to withdraw all such bars from the market.

The treasurer reported receipts for the month of May at \$449.46.

ACTIVITIES OF Y.M.C.A. AND Y.W.C.A.

By DOROTHY GARBUTT The Hostess

Doug Badger and I have our problems. Yesterday, as well as being "Gasless" and "Meatless" Tuesday, was practically "Eatless" Tuesday as well. Three out of the four restaurants we go to were closed and you know what happens to a fourth restaurant trying to accommodate its own patrons as well as the additional hungry souls. Thank goodness Mrs. Hill-Tout took pity on my plight and invited me out to dinner and I believe Mrs. Woodside did the same for Douglas. They tell me to remember my figure when I start to tuck into a good meal but, if this situation keeps up, it will no longer be a memory.

Our thanks go to Mr. Raymond for giving us a really fine picture of three Indian heads by E. Sherrif Scott. We have placed it in the quiet room on the gallery. Also thanks to Mrs. Peagrom for the large bag of silver paper she gave us.

Now for "Lofty" Lawson's letter—he was one of the British tars who was up here last summer for several weeks. We write to the Keilback family: "It must be a couple of months ago since I wrote you. I am at present in the hospital without my right foot. Nearly a fortnight ago I was a casualty in a plane crash during which I lost the limb. The doctor reckons everything will be O.K. when the wound gets properly cleaned and healed after which I will be presented with a wooden one. It is not too bad as I will still have the use of my knee. You see it was blown off three inches below it. You may think it was funny to lose it the same week as my girl and I were to be married on the

Saturday. That is what vexed me more than anything, still, better late than never. . . (Censored) . . . and one of them being a Yank. The lad I palled around with was one of the unfortunate and a very nice lad he was. Always smiling and very happy-go-lucky. Still it can't be bettered now, so I will let it rest.

After the last trip I was separated from Yorky, but in less than three months I caught up with him again. At the same time he told me he had met Bert Pownall who is now an instructor good for him. I went to visit Billy French's (now in Tranquille) wife a while ago. . . Well, how are you folks getting along. Do they still have the concerts at the 'Y'? Many a time I have wished for a day or two back in Prince Rupert. . . Ramsey."

Lofty's address is "R. Lawson, 2 Queen's Drive, Sunnyside, Newcastle-on-Tyne, England." I think those who knew him will want to write to him after his unfortunate accident. With his cheerful outlook in the face of misfortune I think his thoughts are as lofty as his nickname.

FOOD IS A WEAPON OF WAR!

Reddy Kilowatt's 3-POINT FOOD PROGRAMME

POINT No. 1

BUY WISELY

Look ahead (as much as possible) to the whole week's food requirements. You'll save trips. You'll save time. And you'll probably save money at the same time.

POINT No. 2

PROTECT CAREFULLY

Place each kind of food where it properly belongs. Take a refrigerator "inventory" every few days. Bring stowed-away leftovers to light for early use. Defrost regularly. Keep interior clean.

POINT No. 3

PREPARE PROPERLY

Use little or no water in surface cooking. Avoid violent boiling, which destroys vitamins. Cook in covered utensils. Don't stir; air destroys vitamins—stirring puts air in foods. Bake vegetables in skins to help retain vitamin and mineral values.

NORTHERN BRITISH COLUMBIA POWER COMPANY LIMITED

REDDY SAYS:

"The kitchen is the nation's 'back line of defense'. Give your family balanced meals every day of the week."

"We're painting now to avoid repairs later!"

"WE'RE keeping our place in good condition—inside and out—with the best quality paint we can buy. I guess it's a patriotic duty: we avoid possible repairs or replacements supplies for which are needed for war use—and which may be hard to get anyway . . ."

"Not only that, but Mother and I are pretty proud of the house and we want to keep the old home bright and cheerful for when our boys come back on leave and when the war's over."

Yes, Neighbour, you're right! And by using Sherwin-Williams Paints, you not only protect what you have and make it last as long as possible, but you beautify your property as well. For decoration and colour guidance, ask your Sherwin-Williams Dealer to lend you his "Paint and Colour Style Guide."

JR. CHAMBER IN SESSION

Various Matters Taken Up at Final Meeting Before Summer Vacation—Interested in Blood Plasma Drive

The Junior Section of the Prince Rupert Chamber of Commerce was in session last night. It was the final regular monthly meeting prior to the summer vacation season during which the regular meetings will be suspended, resuming, it is expected, in September. In the meantime business such as arises will be handled by the executive.

The meeting last night was a brief one and business, which was not of a very important nature, took less than an hour to transact. President Robert Parker was in the chair and there was only a fair turn-out of members.

Reporting for the civic centre

carnival committee. President Parker stated that not much enthusiasm for this affair was being displayed this year and no plans had yet been made. It would be difficult to obtain goods and materials and a great deal of effort would be required from members many of whom already had all the activities they could handle, particularly since the Reserve Army was taking up the spare time of many.

The Junior Chamber, having had a communication from the Vancouver Junior Board of Trade, on the subject, evinced considerable interest in the idea of instituting a campaign for donors of blood for transfusion plasma purposes. It was decided to have a committee consisting of Robert Parker, Len Griffiths and Ray Adams consult with Dr. R. G. Large to discuss the possibilities of having a drive here for blood donors.

Local postal service was again under discussion and it was reported that speedy progress was now being made on the building of the new post office in the east end of the city across Hays Creek. It was expected the building would soon be ready for the opening of the new postal station which is expected to materially relieve the present congestion in the downtown post office. There was correspondence from Hon. W. P. Mulock, Postmaster General, in regard to local postal matters. One suggestion had been made that accommodation for a sub-post office might be available in the Q. and S. grocery store but this will not now be necessary.

The matter of local playground development came up in a letter from the Housewives' League proposing a joint action committee representative of various organiza-

tions. This had been referred by the executive to the Gyro Club.

The Junior Chamber of Commerce of Vancouver wrote in regard to a provincial conference to be held June 19 in Vancouver and a national conference to be held in Niagara Falls. It will be impossible for the local chamber to be represented at either of these.

The Dominion Glass Co. had a letter before the Junior Chamber agreeing to absorb a loss of \$12.80 on a recent shipment of broken glass made to Alberta in connection with the salvage campaign.

A communication from the Red Cross in Vancouver sought return of \$15.89, the proceeds of a recent rubber salvage shipment to Vancouver, since the Junior Chamber had relinquished its interest in salvage work.

A letter of thanks was ordered sent to Hyde Transfer for having made quarters available for salvage goods storage.

Acknowledgement is also being made to the Canadian Legion for permitting the use of a room for the holding of Junior Chamber meetings.

Norton Youngs, a former member of the Junior Chamber, was welcomed back at last night's meeting following his return from Victoria to be relocated here. Mr. Youngs expressed his pleasure at being back in Prince Rupert.

**SHE ENLISTED—
 now he can fly!**

TODAY scores of young airmen who are doing a grand job on the ground are eager to get into the air, to get their wings, to join a bomber crew or man a fighter plane. But someone must carry on the ground jobs. Women can do this work. Will you come and serve so that another young Canadian can fly?

There are forty different kinds of work women can do in the R.C.A.F., and every one is vital to victory. As an airwoman you may be asked to keep track of equipment, to keep weather records, to do photographic work, send teletype messages, help prepare meals, pack parachutes, repair wing fabrics.

Some airman, somewhere, will thank you from the bottom of his heart, for helping him to get off the ground and into action.

The R.C.A.F. needs girls, ages 18 to 45 with at least High School Entrance. Apply at your nearest R.C.A.F. Recruiting Centre, bringing proof of education and birth certificate. EXCELLENT OPPORTUNITIES FOR PROMOTION.
