Cracking Down on Yanks In Europe

City Sells Two Blocks

Helgeson and Westholme Buildings Disposed of By Council

The Helgeson and Westholme buildings, inherited by the city last year under the terms of the will of the late Cliff Ford, who died in England more than a year ago, are to be sold by the city.

The funds will be used, as stipulated under the terms of the will, for the relief of ex-servicemen and their families who are resident in Prince Rupert.

CONCLUSION OF NAZI CHIEF

Former Governor General of Poland Believed Concentration Camp Was Only Fur Shop

BERNBERG. — A defence lawyer told the international military tribunal yesterday that a Frank former Nazi general-governor of German-occupied Poland, believed that the Gross Maidenak concentration camp was merely a work-shop where furs were altered for German troops on the Eastern front.

INDIAN PLEA TO AMERICA

NEW DELHI. — India's food exports have appealed to America for 2,000,000 tons of food by the end of June. The plea was voiced at a conference in New Delhi with Herbert Hoover, now U.S. world-wide food survey for President Truman.

PERMITS MAY BE SUSPENDED

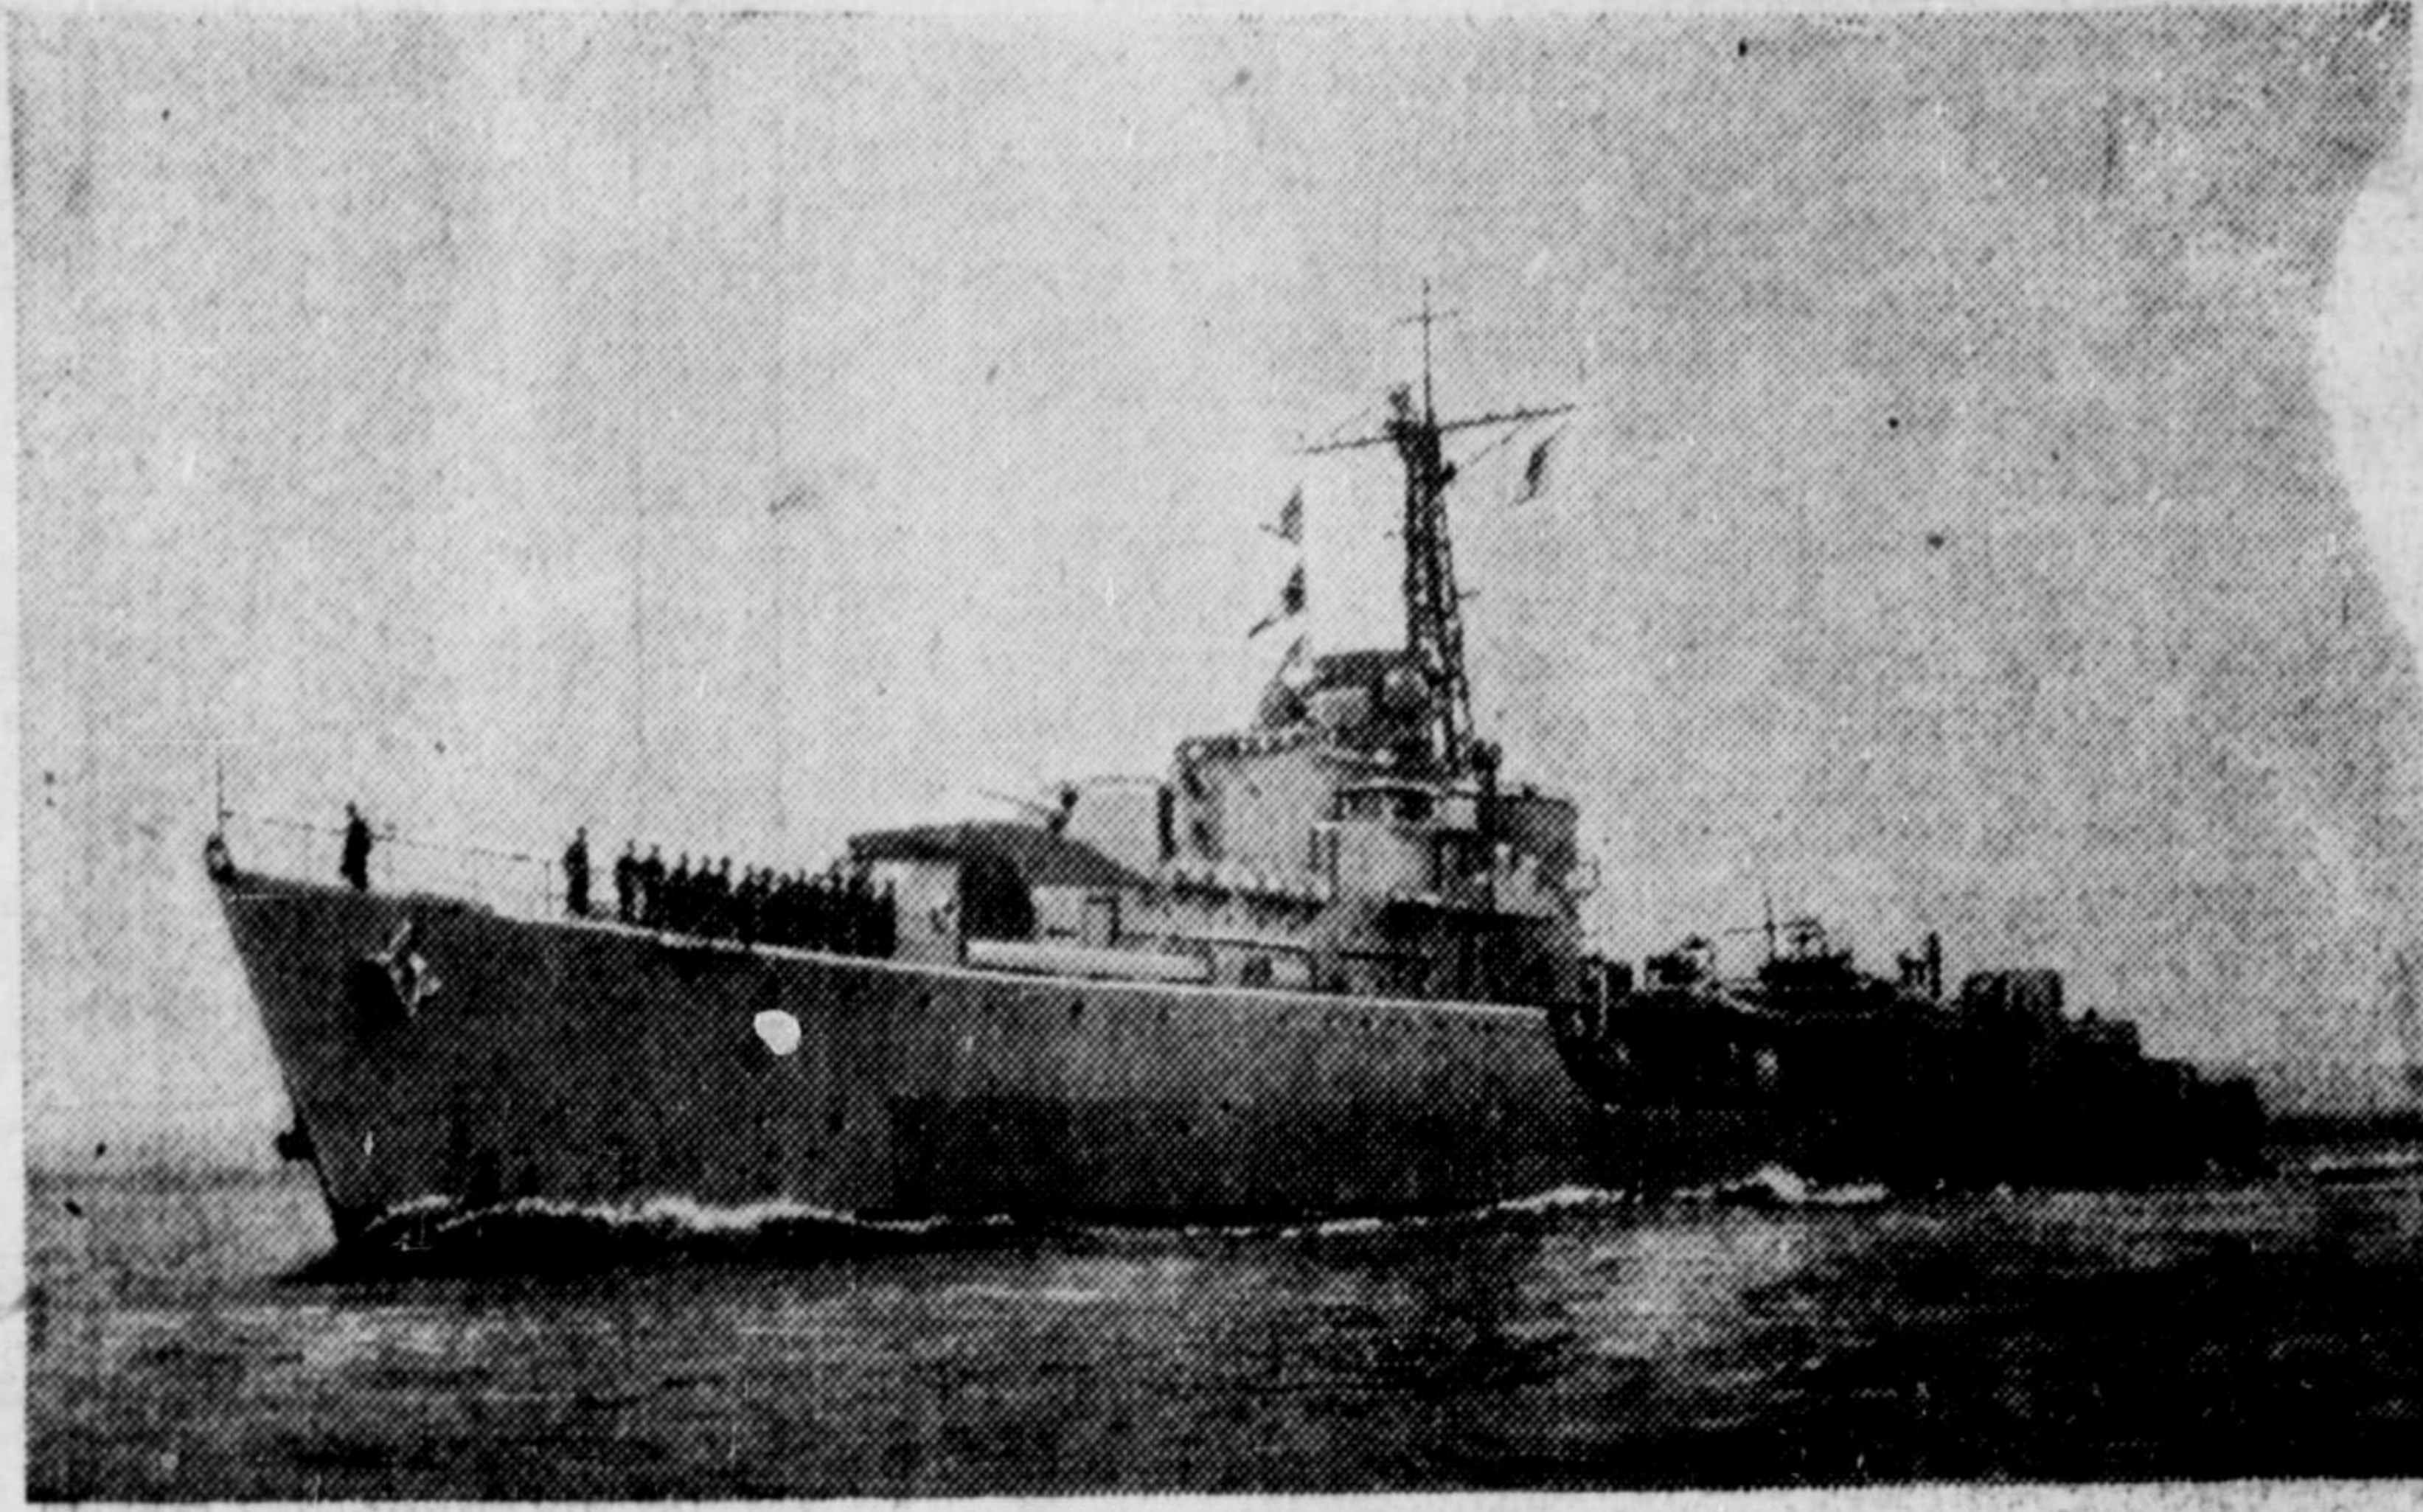

Canadian Plan to Expedite American Flour Shipments Considered

WASHINGTON. — A Canadian proposal to America regarding flour exports may be acted on today by American authorities. Canada suggested that flour exports from the Dominion and the United States be suspended until a combined food board may be set up upon the suggestion tomorrow.

NEW YORK IS DIRTIEST CITY

NEW YORK. — Maj.-Gen. P. Gross, Board of Sanitation chairman, told a news club New York was "by far the dirtiest city in the world." There's more dirt per person, especially downtown, said Gross, than in Moscow, Copenhagen, Brussels and Paris combined.

TO VISIT HERE WITH NAVY CADETS

Canadian Destroyer, H.M.C.S. Crescent, to Visit City May Third

H.M.C.S. Crescent, one of Canada's largest and most modern destroyers, will visit Prince Rupert on May 3 while cruising with naval cadets, city council was advised last night by western naval headquarters.

The vessel will receive an official welcome by the city and her captain, Commander P. C. Nixon, will be a civic guest during the fighting ship's brief stay here.

Based at Esquimalt, the Crescent is one of Canada's newest destroyers. Completed in October last year at Clydebank, the ship is one of Britain's new "C" class destroyers and was transferred to the Canadian government on her completion.

The Crescent is 363 feet in length, and powered by turbine engines rated at 40,000 horsepower, has a top speed of 36 knots. She has 4.47-inch guns and four quadruple torpedo tubes.

The city's reception to the vessel and her complement is to be arranged by a committee consisting of Alderman S. D. Johnston, Alderman George Hills and City Clerk H. D. Thain, who were appointed by Mayor Daggett at last night's meeting.

STRIKE IN PALESTINE IS ENDING

JERUSALEM—Palestine's civil Service Workers Association ordered 50,000 government employees back to their jobs at midnight last night Palestine time.

The association's order was announced after it had accepted the government's compromise proposals which included pay raises and a cost-of-living bonus.

City's Rats Are Moving Downtown

Prince Rupert's rat population which formerly centred at the city dump, is moving downtown. Lack of food at the dump is the reason for the shift.

In discussing the desirability of burning the face of the dump to eliminate the unpleasant odors which emanate from it, city council last night was advised that, since the departure of the troops which were formerly stationed here, less edible refuse is being disposed of at the city dump and this is forcing the rats cityward.

Aldermen were divided in their opinions about burning the face of the dump and referred the matter to City Engineer Phillips for an estimate of the cost. However, they agreed that present site of the dump, near the city's highway entrance, is not suitable.

H. A. Ernewein returned to the city on the Prince Rupert this morning from a business trip to Vancouver.

OSMENA IS LOSING OUT

Looks Like Philippine Islands Are to Have New President

MANILA. — President Osmena is running behind Manuel Roxas, president of the territorial senate, in the count following the Philippine general election yesterday.

Despite his apparent victory, however, rumor that he might be kidnapped had sent Roxas scurrying into hiding yesterday as nearly three million Filipinos quietly elected leaders to guide them in the first years of their independence.

Grounds of the Roxas residence were ominous with machine guns and a detachment of the Philippine Army but the city was unusually quiet.

Roxas early conceded that Osmena would win four provinces but claimed eventual victory would be his by a margin of 300,000 votes.

UNRRA'S APPEAL TO COAL MINERS

WASHINGTON—UNRRA Director General Fiorella LaGuardia has sent an urgent appeal to striking coal miners and mine operators in the United States. La Guardia asked the American miners and operators to produce 500,000 tons of coal a month for countries receiving UNRRA relief. He says coal is needed immediately to power trains carrying the food to the famine regions.

COAL MINES STILL IDLE

Efforts to Settle 23-Day Old Strike are Failure

WASHINGTON — Efforts to settle the 23-day old strike of 400,000 soft coal miners in the United States have failed so far. The United Mine Workers Union has ignored a plea for coal to operate food trains in famine areas abroad. A union spokesman said the miners have no authority to order a resumption of coal production.

THE WEATHER

General Synopsis — Cloudy skies, frequent rain and below normal temperatures associated with a cool, moist southwesterly flow of air from the Pacific are expected to continue today over the province. A drier flow of air from the northwest should produce clearing skies tonight and Thursday.

Forecast — Cloudy with widely scattered showers, becoming clear tonight and Thursday. Minimum tonight 38, maximum Thursday 53. Slight, variable winds are expected, with moderate, 15 m.p.h. winds over the southerly portion in the afternoon.

General McNarney Taking Drastic Disciplinary Steps

Too Much Black Marketing, Drunkenness, Absence Without Leave, Venereal Disease and Sloppiness

FRANKFURT, Germany (CP)—General Joseph McNarney today ordered disciplinary crackdown on all American troops in Europe because "discipline in certain localities and commands in this theatre has deteriorated to the point of discrediting the fine performance of our troops in general." McNarney, in orders issued to unit commanders, said indications of deterioration can be found in participation in black market activities, indulgence in drunkenness, high absence without leave rate, high automobile accident rate, excessive venereal disease rate, general lack of smartness in appearance and complaining attitude toward constituted military authority.

Public Utilities Commission Will Probe Franchise

The B.C. Public Utilities Commission will hold hearings in Prince Rupert at an unannounced date into the city's proposal to grant an exclusive franchise to a private company to operate a bus line in the city. Council has been informed in a letter from the Commission that it would like the names and addresses of all the companies which have submitted tenders. Council recently accepted the tender of Black and White Transportation Co. as the most favorable and has signed an agreement in regard to the five-year franchise. The agreement is subject to approval of the property holders by plebiscite and also to approval by the Public Utilities Commission.

BEN CHAPPELL IS APPOINTED

Son of Former C.N.R. British Columbia Superintendent Named Engineer of Track

WINNIPEG—Benjamin Chappell, special engineer, Canadian National Railways, has been appointed engineer of track, western region, succeeding E. N. Johnson, now retired. It was announced today by J. L. Charles, chief engineer.

Mr. Chappell is the son of B. T. Chappell, former general superintendent of the British Columbia district of the C.N.R., who is living in retirement in Vancouver.

Starting his railway career in Saskatoon in 1919 in the local freight office of the C.N.R., Mr. Chappell was later brigeman, chairman and instrumentman before going to Regina as draftsman in 1926. The following year he returned to Saskatoon and in 1940 became assistant engineer. He moved to Winnipeg as division engineer in 1944 and in 1945 became special engineer.

Mr. Chappell is a native of Port Arthur. His headquarters as engineer of track will be in Winnipeg.

Prisoners Revolt, Threaten Hostages

MILAN, Italy. — Besieged and rioting convicts in San Vittore prison here threatened yesterday to hang all 25 of the hostages they have held since Sunday unless their demands for liberty are met by tomorrow. One thousand policemen, firing at the windows and walls, surrounded the prison and were met with sporadic fire from 2,500 prisoners. The police commissioner, carabinieri and auxiliaries were seized when the revolt erupted.

THANKED FOR HELP AT FIRE

A letter of thanks from H. F. Robins, manager of Nelson Bros. Fisheries Ltd. cannery at Port Edward, for the assistance given by city firemen at the fire there last week, was received by City Council last night. It was ordered acknowledged and filed. "I don't think we should even consider making any charge for helping a neighbor in distress," Alderman Rudderham commented.

Bulletins

BIG FOUR CONFERENCE LONDON—The conference of Big Four foreign ministers gets under way here tomorrow. Russia is sending its strongest diplomatic team headed by Foreign Commissar Molotov and Andrei Vichinsky.

TO ABANDON HARBIN CHUNGKING—The Chinese Nationalists are to abandon Harbin, great Manchurian industrial city, to the Communists owing to the impracticability of defending it.

QUIET AT SAN VITTORE MILAN—It was quiet at San Vittore Prison today following the surrender of 2500 rioting prisoners who had been holding out for four days. However, a small group of gangsters says it will hold out to the end.

GIFT TO BRITAIN WASHINGTON—Senator Robert Taft of Ohio criticized the Truman fiscal policy today, saying it would lead to inflation, boom and depression within four years. Instead of a loan, he would make an outright gift of \$12,500,000 to Britain, all to be spent in United States.

HART IN WINNIPEG WINNIPEG—Here on his way to the Ottawa conference, Premier Hart said that, if British Columbia does not obtain freight rate relief from Ottawa, the case will be taken to the Privy Council.

ROOSEVELT MEMORIAL OTTAWA—Prime Minister Mackenzie King today proposed the establishment of a memorial area among the "Thousand Islands" in honor of the late President Roosevelt.

THREE SUSPECTS ARE COMMITTED

OTTAWA—Three spy suspects, James Benning, Sgt. Ldr. Fred Poland, and Durnford Smith, were committed to trial yesterday. Defence lawyers learned that it will be impossible to serve a subpoena on the Russian embassy doorman, because of diplomatic immunity. The police cannot enter embassy grounds to serve the warrant.

GETS STIFF SENTENCE BURNABY—A stiff sentence of seven years' penitentiary was imposed on Monte Pullen for breaking and entering. He almost collapsed when the sentence was passed.

ROXAS LEADING MANILA—Manuel Roxas is leading President Osma a 119,000 to 62,000 in the Philippine presidential election.

DREAMS OF NEW WAR MOSCOW—The political dialectical journal of the Moscow committee of the Communist party charges that reactionaries in Britain and the United States are dreaming of a new war. The article declared that the Soviet Union now is the mightiest political and military economic force in the world.

GRANTS HIGHEST VANCOUVER—Highest educational grants in the history of the province are now being paid by the provincial government as a result of the implementation of the Cameron Report. Hon. George Weir, minister of education, told the British Columbia Teachers' Federation. The increase of grants this year is \$4,500,000.

MORE PAY FOR MAYOR WINNIPEG—The Winnipeg city council, after a five-hour session ending early Tuesday morning, decided to increase the salary of the mayor from \$5000 to \$8000 and that of the aldermen from \$1200 to \$1800 because of the higher cost of living and increased work.

Britain Is Criticized

Pravda Feels That Statesmen and Generals Directed Themselves Against Soviet Russia

LONDON. — Pravda, official newspaper of the Soviet Communist party, yesterday reviewed the book "Top Secret" by Ralph Ingersoll, editor of the newspaper P.M., which attacks Field Marshal Viscount Montgomery and General Eisenhower in the conduct of Allied operation on the western front, the Moscow radio said today. The radio quoted Pravda as saying in summing up the book: "Throughout the book Ingersoll stresses British statesmen, including Churchill, were bent during and after the war on furthering Britain's political interests which were directed against the Soviet Union—a fact which delayed the opening of the second front and hindered the execution of military operations."

FIND BODY IN HARBOR

A body believed to be that of Charles Jarrett, who disappeared three weeks ago and whose jacket was found on the C.N.R. wharf, was discovered floating alongshore near McNicholl Creek Tuesday afternoon by Douglas Macaulay and David Kristmanson, two youths who were spending the afternoon across the harbor. It is believed that Jarrett, a former shipwright charge hand at the dry dock, was drowned.

STEWART JOINS MUNICIPALITIES

The Central British Columbia Municipal Association, recently organized at Smithers with Mayor H. M. Daggett of this city as president, and membership consisting so far of Prince Rupert, Prince George, Smithers, Terrace, Burns Lake and Vanderhoof, has obtained a new member municipality. Yesterday the application and fee of Stewart, which is a village municipality, arrived.

City's Case Well Represented

Those who were responsible for the drawing up of the presentation on behalf of the city of Prince Rupert to the Goldenberg Royal Commission on provincial-municipal relations are to be congratulated not only on the comprehensiveness but on the meat of the document. It was a fair presentation of various claims which might concern the jurisdiction of the Royal Commissioner not only with direct respect to the city of Prince Rupert but also in an effective and, what we may hope to be, a persuasive way on a number of matters of general vital interest to all municipalities.

As far as the municipalities are concerned, the crux of their case is that they are saddled with financial burdens beyond their ability to permanently bear and that it would be fair that some of the load should be taken up on broader shoulders.

Mr. Goldenberg is an eminent authority on such problems as that which he is investigating on behalf of the provincial government. He

will weigh the representations fairly and practically, it is to be assumed, and, if that is done, the municipalities may well feel that some measure of relief for them will be recommended.

The communities of the province, speaking generally, have been given relief in connection with educational financing under the Cameron report and the resultant legislation. If the Goldenberg Commission report, in due course, is any way nearly as beneficial, it will have proven very helpful.

Importance of Mining

The northern mining camp of Stewart, which has been going through the dog days of war depression such as few communities had to suffer, is coming back. The people there are now in one of those phases of exhilarated optimism which are characteristic of the eve of big developments of a mining camp.

There is, no doubt, that Stewart is coming back. It is already on the way and the momentum of important events, now that conditions are at last favorable again, will become cumulatively large ere long.

What is happening in Stewart is but a forerunner of what may be expected in greater or lesser degree in the other important mining areas on all sides of Prince Rupert which were held in inactivity on account of war conditions during the past six years.

PIONEER HOME BOARD PLANNED

City Council Decides On Westview Site and Start of Construction Authorized

Proposal that a special Pioneer's Home board, similar to the civic library and parks boards, be established to take responsibility for the control of the new Pioneer's Home was made by Alderman Nora Arnold at last night's council meeting and received the unofficial sanction of the other aldermen.

Council officially approved the Westview site for the new home and authorized City Engineer Phillips to hire workmen on a day labor basis to begin construction.

Plans for the new building are already being drawn by James Hutchison, local architect. Official selection of the section Two site, on Atlin Avenue, was preceded by a statement by Alderman Arnold that she and City Clerk Thain had gone "all over town and visited every spot we could think of and could not find a suitable spot except Westview."

"Some people think that we should build downtown but if Prince Rupert is going to be a big city, there won't be any place downtown. We must get away from the 'parish pump' viewpoint and think in terms of our expanding future. If you lived in Vancouver the distance to Westview wouldn't seem out of town," Alderman Arnold said.

Council approved the Westview site by vote, with Alderman Ham dissenting and Alderman Youngs declining to vote.

In answer to a question by Alderman Youngs who wanted to know if Number Nine staff house, the former Wren barracks would not be suitable, City Engineer Phillips said: "Every one of those staff houses is a fire trap. I haven't seen one wartime building that is suitable for any city use whatsoever."

Mayor Daggett told the meeting that the inmates of the former Pioneer's quarters in the fire-damaged Dyer Block had been moved from the Salvation Army Citadel to their temporary quarters in an army hut on Sixth Avenue yesterday.

Alderman Arnold moved that \$50 be given to Mrs. J. Wilkie for her voluntary help in looking after the men while they were quartered at the Citadel and that the Salvation Army be reimbursed for its expenditures in helping the men.

A vote of thanks was also moved to Black and White Transportation for moving the men and their effects to the new temporary quarters yesterday.

Mayor Daggett said that the new Pioneer's Home would have to be built immediately, because it was doubtful if the army hut would be available for any great period.

What City Council Did

Council approved a licensing committee report which stated that business licences had been granted to John W. Sackner and S. Stelmachuk, building contractors; J. Greer and B. Bridden, building contractors; Arthur Lee painting and decorating; William Folz, painting and decorating.

Council adopted a finance committee recommendation that the firm of Crehan, Meredith and Co. be appointed city auditors for 1946 at a retaining fee of \$1,600 including travelling expenses.

Council approved an application by the Prince Rupert Kinsmen Club to hold a tag day on April 27 to raise funds for the club's proposed boys' summer camp at Lakelse Lake.

An application for an advance of \$12,000 from the school board to cover the cost of school operations for April was approved by City Council last night.

Finance committee reported the sale of lot 19, block 3, section 7 to J. W. Schroeder for \$109, and the sale of lot 1, block 3, section 5 to Melbourne Bussey and Mrs. Elsie L. Bussey for \$1,100, subject to a 50 per cent rebate allowed ex-servicemen. The report was approved by council.

Accounts totalling \$60,300 for the month of March were authorized by council to be paid on recommendation of the finance committee.

CANNERYMAN IS PROMOTED

W. E. Walker, Veteran Northern Manager, Becomes A.B.C. Production Manager

W. E. Walker, veteran canneryman of this district, for many years manager of Anandale Cannery on the Naas River and more recently manager of North Pacific on the Skeena, has assumed the position of production manager for Anglo-British Columbia Packing Co. with headquarters in Vancouver, succeeding Harry Lord who has left the service of A.B.C. to become manager of the net division of Edward Lipsett Ltd.

Ole Phillipson takes over as manager of North Pacific Cannery which will be the only operating plant of A.B.C. as far as salmon canning is concerned this year. C. E. Avis is accountant at North Pacific.

Thomas Young is again in charge at North Pacific on the Naas River which since 1943 has been operated as a collecting camp for North Pacific. Arrandale suffered some winter damage this year on account of heavy snow and repair work there is now being undertaken by the cannery crew. Douglas Campbell is the new accountant at Arrandale this year.

YOUR PERSONAL INCOME TAX IS \$50.00 MORE THAN IT NEED BE

It has been estimated that if Income and Excess Profits Taxes were collected from tax-exempt businesses, including co-operatives, crown companies, government and municipally owned commercial organizations, the total would amount to as much as 125 millions of dollars annually. This is the equivalent of \$50.00 for every one of the 2,450,000 individual Income Tax payers in the Dominion. In other words, if Income Tax were collected on tax-exempt organizations the government could, without decreasing its revenues, reduce the Income Tax of individuals by an average of \$50.00 each.

Co-operatives have escaped paying income tax
Though co-operatives carry on business in exactly the same way as privately owned companies, and derive income from buying and selling, employment of labor, from real estate and from government bonds and other securities, they have claimed they make no profits.

The earnings of co-operatives are profits in the same way as the earnings of any other business. A Royal Commission on Co-operatives has recommended that the profits of co-operatives be taxed. But this Royal Commission also recommends that profits paid out to customers in the form of "patronage dividends" shall be treated as an expense in computing taxable income.

Patronage dividends are not an expense of doing business
We are not attacking co-operatives nor "patronage dividends". But if "patronage dividends" are to be treated as an ordinary expense of doing business, and allowed to be deducted in computing taxable income, the door will be wide open for the payment of all profits as "patronage dividends", leaving nothing to tax.

Dangers to the individual income tax payer
We are convinced that if "patronage dividends" are allowed as a deductible item in computing income tax, the following results are inevitable.

1. Privately owned businesses, large and small, paying heavy Income Taxes, will be unable to compete against co-operatives paying little or no Income Tax.
2. The co-operatives, because of their favored tax position, will swallow up competitors or force them into bankruptcy.
3. Instead of many tax-paying businesses, Canada will be left with huge co-operatives and state monopolies paying no income tax.
4. The revenue thus lost to the Dominion Treasury Department will have to be collected from individuals.

The question now to be decided is whether or not patronage dividends are to be allowed as an expense of doing business when computing income tax; whether co-operatives shall thus be given the opportunity of escaping income tax; and whether the millions in taxation they would thus be able to escape are to be added to the personal income tax of individuals.

Revision of The Income War Tax Act, insofar as it concerns Co-operatives, will come before the current Session of Parliament. It is of utmost importance that such revisions shall bring tax equality to all groups. We urge that the income tax payers of Canada insist that their elected representatives in the House of Commons see that the heavy burden of income tax is shared fairly by all.

The Income Tax Payers Association has no objection to the principles of co-operative trading. It should be the right of every Canadian to trade as he desires. Our objective is to ensure that no section of business unloads its share of income taxation and cost of the war on other business or on individual income tax payers.

TERRACE P.T. SALE SUCCESS
The affair held on Saturday afternoon last
The very successful Easter tea sale was held on Saturday afternoon in the Orange Hall by the Terrace Parent-Teachers' Association. For the occasion, the hall had been tastefully decorated in a variety of Easter colors by Mrs. S. Campbell, Miss J. McDonald and Miss James. The wall was an attractive display of bunnies, flowers and chicks with pink and green paper curtains adorning the windows. Samples of work from both the High and elementary schools were arranged along the walls with an eye for balance and design. The tea tables were centred with flowers arranged in specially decorated vases.

Pearl Sekora, Colleen Whalen, Sarah and Margaret Mile, Iren Haugland, Mrs. Patrick, Mrs. Minshall and Mrs. F. Frank made the sandwiches. Those assisting in the kitchen were Mrs. Sparkes, Mrs. F. Frank, Mrs. F. Clifford, Mrs. C. W. Michiel, Mrs. H. Wold, Mrs. J. Haaland, Mrs. Lindberg and Mrs. N. Sekora were in charge of the sale of home cooking and work.

Timely TERRACE Topics

Mr. and Mrs. S. Craig and family of Prince Rupert have purchased Gordon Brookes' farm on Braun's Island and will soon arrive to take possession.

Sigurd Glaim has purchased a house and five acres of land in Dutch Valley from Sam Haudenschild.

W. R. Workman of Smithers was in town during the week.

Dr. and Mrs. Jens Munthe of Prince Rupert are spending a holiday in Terrace.

T. R. Tomlinson of Cedarvale drove to Terrace on Thursday and returned home the same day.

C. W. Michiel left on Thursday for a business trip to the south.

Matt Allard and his nephew, Henry, arrived in town a few days ago with a fine catch of beaver. They have been trapping around Kikum Lake.

Cecil Muirhead, game warden from Smithers, was in Terrace at the beginning of the week.

E. S. Laird and family arrived on Friday from Prince Rupert. The Lairds have purchased the Houlden farm on the Bench.

Mrs. Peter Simpson left on Thursday for Prince Rupert where she is spending about a week as the guest of Mr. and Mrs. M. Lemon.

CROWLEY, Yorkshire, Eng. (P)—The War Office ruled that 40 German prisoners of war stationed here could not accept an invitation from the local vicar to attend Sunday services.

Seasonable Ideas for Housekeepers

All through the war the British people, of necessity, had to make the best possible use of homegrown foods and are still having to do so even in these post-victory days. The British Ministry of Food, by timely suggestions, has continued to help the housewives throughout the country. The use of potatoes, carrots, cabbage and oatmeal has been especially stressed because these foods were relatively plentiful.

In Britain, oatmeal is used in much the same way as rolled oats is used in Canada. Both are made from the whole grain, cleaned and hulled. In making meal, the grain is chopped or ground, while for rolled oats, it is passed between heated rollers. For the more modern quick-cooking rolled oats, the grain is cut in pieces before rolling, thus speeding up cooking time in the home.

Home economists, while looking over British Ministry of Food publications, have jotted down the following practical suggestions:

"Fill up with potatoes rather than bread.

Oatmeal is another good 'filler' particularly for heavy workers and growing boys and girls.

Make the most of meat by first of all cooking it properly and secondly by knowing how to stretch the meat ration.

Food which has already been cooked only needs to be reheated and is spoiled if cooked too much a second time. This is especially important to remember when using up left-over meat, fish and vegetables.

Dishes using cooked vegetables should, as far as possible, be served with a fresh salad or a serving of freshly cooked greens to make up for the vitamin C lost in cooking and reheating.

All dishes using left-overs need more seasoning than when uncooked food is used. This is because some of the natural flavor of the food is lost with reheating.

Use oatmeal or rolled oats whenever possible in place of flour, because it is home-produced and by its use we shall be saving valuable shipping space."

The two tested recipes, Oatmeal Farls or Seones and Dockers Bake were also taken from booklets issued by the British Ministry of Food. Naturally, for use here, the recipes had to be changed from weights to measurements. In addition, certain liberty was taken with them and the amounts of some of the ingredients called for in the original recipes were increased.

Oatmeal Farls or Seones

Original Recipe:
4 ounces oatmeal
4 ounces flour
1 heaped teaspoonful baking powder
Small teaspoon salt
1 ounce margarine
Milk and water

Canadian Version:
1 cup sifted pastry flour
3 teaspoons baking powder
½ teaspoon salt

1 cup fine oatmeal
3 tablespoons mild-flavored fat
2-3 cup milk

Sift together the flour, baking powder and salt. Add oatmeal. Blend in the fat and add milk. Knead lightly on a floured board until smooth. Roll out ¼-inch thickness and cut into triangular shapes or rounds. Brush top of each with milk and bake in a hot oven, 425 degrees F., for 15 minutes. Makes 12 medium sized Farls or Seones.

Dockers Bake

Original Recipe:
1 pound potatoes
6 ounces oatmeal
2-3 ounces cooked minced meat
Salt and pepper
Mixed herbs

Canadian Version:
2 tablespoons fat
½ pound minced beef or left-over cooked meat
1 onion, sliced
2 cups grated raw potato (4-5 medium potatoes)
1 tablespoon vinegar
1 cup rolled oats (quick-cook)
1 teaspoon salt
¾ teaspoon poultry seasoning
Melt fat in frying pan, add

HOUSEHOLD TRACTOR

LONDON, (P)—A compact, enamelled cabinet which, it is claimed, will do more for the housewife than the tractor has done for the farmer was demonstrated here recently. It is an automatic, electric machine that washes both clothes and dishes. One kettleful of hot water is sufficient to wash a dinner service for six people. Similarly, eight pounds of clothes can be washed, double rinsed and dried in 30 minutes with the minimum of soap powder and attention.

minced meat and onion and brown. To the grated potatoes add the remaining ingredients, then add the cooked meat. Blend thoroughly. Press into a greased loaf pan and bake in a moderately hot oven, 375 degrees F., for 1¼ hours. Six servings.

What every housewife should know...

about SUGAR FOR CANNING

There is a world-wide shortage of sugar. Last year world sugar production was twenty-five percent below 1939. Reasons for the decrease are:

- Destruction of the sugar industries in Java and the Philippines.
- Shortages of labour and fertilizers in many sugar-producing countries.
- Last year's drought in the Caribbean area, especially Cuba.
- Damage to European sugar beet fields.

World sugar supplies are pooled for the benefit of the United Nations. Canada, the United States and Great Britain are allotted an equal share of sugar according to population. Available supplies must also be shared with other countries.

TEN POUNDS OF CANNING SUGAR PER PERSON

This year's canning sugar allowance is ten pounds per person—the same as last year. Instead of special canning sugar coupons, ten additional green "S" coupons are being made available for the purchase of canning sugar.

S8 to S12 inclusive become valid on May 2nd; S17 to S21 inclusive on July 4th. Each coupon is good for the purchase of one pound of sugar.

The ten "S" coupons for canning sugar are in addition

to the "S" coupons which regularly become valid each month for the purchase of sugar and preserves.

Those who do not wish to do home canning may use the extra coupons to buy commercially packed, jams, jellies, canned fruit, etc. or sugar to supplement the regular ration.

The ten "S" coupons for canning sugar need not be used immediately they become valid. You will be given ample notice of their expiry date.

AMOUNT OF SUGAR USED IN CANNING
Each housewife may use her canning sugar to fit the needs of her particular household. A common method is to allow ½ lb. sugar for each quart sealer of canned fruit; and 1½ lbs. sugar for each quart of jam or jelly.

SUGARLESS METHOD OF CANNING FRUIT
Many home economists recommend the sugarless method of canning fruit. Sugar can be added during the winter as the fruit is used. If you have not a copy already, write the Department of Agriculture, Ottawa, for "Wartime Canning" pamphlet.

MONOXIDE FUMES CLAIM LIVES OF ISLAND SEAMEN

Carbon monoxide fumes from the engine of the mission boat Western Hope were responsible for the deaths of two well known Queen Charlotte men who succumbed while the boat was towing a raft of logs near Massett recently. Their bodies were found in the smoke-filled vessel which had gone aground after the men had been overcome.

Victims of the fatal accident were Fred Bellis and James Roughton of Massett. Mr. Bellis was a machine shop operator at the Island town and a brother of Norman Bellis of Prince Rupert. He was well known here.

Bellis and Roughton in the Western Hope were assisting

John Patrick Locker to tow a raft of logs from Port Clements to Massett when they were overcome by the deadly gas. Locker, who left the Western Hope in his own boat before the voyage was completed, told a coroner's jury that while he had been aboard the mission vessel he had begun to feel sick, and that Bellis had begun to act strangely, presumably from the effect of the exhaust gas.

The fatalities occurred on the morning of April 16, near Wood- en River, about seven miles from Massett. Roughton was found lying in the wheelhouse of the beached vessel and Bellis in the engine room.

Funeral service for Mr. Bellis was held at Massett on April 19. Elija Jones, lay reader of the Massett Anglican Church conducted the service and there was a large turnout of Island residents who paid their final respects to an esteemed citizen.

TEEN-AGERS — Tonight is election night. Following the basketball game between Ocean Falls and Prince Rupert's Intermediates, the Teen-Agers are meeting in the auditorium of the Civic Centre and the big election for Teen-Town officials will take place. The election should provide plenty of excitement and result in close balloting as there are a large number of candidates for offices of mayor, police chief and twelve aldermen.

Following the election, there will be a dance in honor of the visiting girls' and boys' basketball teams. Admission to the auditorium for Prince Rupert Teen-Agers will be by Civic Centre membership card.

MEETINGS — The Civic Centre is certainly the "meetingest" place these days. Last night, meetings were held by the Junior Chamber of Commerce, Drama Club of Booth Memorial High, and the Legion Boxing Committee. In addition, the Teen-Age room was filled as usual with youngsters. There was a big crowd at the lacrosse game and patrons attended the National Film Board movie.

FIGHTERS — Len Hitchens and Terry McCarthy have already begun their training for the Canadian Legion Boxing Show to be held at Acropolis gym on May 23, working out in the boxing room at the Civic Centre.

FINAL RITES FOR MRS. MALANOSKI

Funeral service for the late Mrs. Cecile Ethel Malanoski, who passed away last Thursday was held at First United Church Monday afternoon. Rev. R. A. Wilson officiated and the church was filled to capacity with friends of the well known Prince Rupert family who passed away in her twentieth year.

Interment took place in Fairview cemetery. The congregation joined in singing the hymns "The King of Love My Shepherd Is" and "There is a Land of Pure Delight." H. T. Lock was organist.

Pallbearers were Spiro Gurvich, Dick Long, Robert Woods, Gus Stromdahl, Jack Smith and Dick Cameron.

The church was colorful with numerous floral tributes from the following sympathetic friends:

Your loving husband and Carol; Mother and Dad, Ralph, Glen, Allen and Flo; Uncle Ralph and Aunt Grace; Lil and George; Tommy, Marion and the boys; Grandad and Grandma Lowe; Grandad and Grandma Smith; G. W. Nickerson and Mrs. Kincaide; Art and Maydo Nickerson; Mel, Adela and family.

Style Show Is Stunning

Beautiful Display of Spring Wear Paraded from Capitol Theatre Stage

In an attractively arranged stage setting, a stunning display of spring fashions was presented last night at the Capitol Theatre before an audience which freely demonstrated its appreciation of the show which will be repeated this evening. The apparel displayed came from the Sweet Sixteen and Fashion Footwear.

Fourteen charming models effectively displayed a versatile array of fashions including lounging pajamas, afternoon and evening dresses, dressmaker and tailored suits, cloth and fur coats and ensembles, many of which were of breath-taking beauty in material and design. Accessories of headwear, gloves, bags and footwear were in smooth and telling harmony.

Culminating feature of the show was a lovely bridal group with Evelyn Alexander as the demure bride in lovely snow white gown with double net skirt and jersey top and floor length
