**ART TWO OF ATOMIC JOB**—Captain A. E. Uehlinger, U.S.N., director of ordnance instrumentation, and Dr. R. A. Sawyer, technical director of "Operations Crossroads," are shown as they conferred during preparations for the July 1 atomic bomb test. With the smoke of that one hardly cleared away, they were busy planning the next test, when an A-bomb was exploded under water in Bikini lagoon yesterday.

## Submarine Atomic Blast Impressive

### Spectacle and Damage Is Not Beyond Expectations

**Some of Target Ships Sunk But Many Remain Afloat—Bikini Island Is Little Disturbed**

**KWAJALEIN (CP)**—Don Whitehead, Associated Press staff writer, reported that those who attended the underwater explosion of the atomic bomb from close range were impressed tremendously by its power.

One high ranking United States naval officer said:

"Frankly, if there had been men on those ships and they had seen tons of water hurled from the lagoon and pour down on the ships, and then seen mists and steam and water rush toward them, I don't believe they would have been fit for battle."

The submarine missile, detonating against a fleet of seventy-five ships, churned up a white water column half a mile wide. The column shot up for nearly a mile and then started to mushroom to two miles. Steam of the base of the great water spout spread over the entire target fleet in less than a minute, spreading faster than the waves.

The sub-surface bomb sank the battleship Arkansas, a concrete oil barge and a tank landing craft, first reports said. The old aircraft carrier Saratoga, near the target centre, was listing and a later report said she had gone beneath the waves.

Admiral Blandy, who was in charge of the test, said: "There is no reason to doubt the efficiency of this bomb."

Bikini Island was not inundated with waves from the bomb but a small island nearby was swamped. Waves seven to ten feet high rolled up on Bikini.

Many spectacular events, which might have been anticipated, did not occur. There were no 100-foot waves and the atomic geyser which shot up above the explosion came nowhere near the top predicted—an altitude of three miles.

Two of six submerged submarines, whose hulls were expected to crack under the shock, could be seen from the air, still in proper submerged position. Two other submarines, left on the surface, were still afloat. Several battleships were also left riding on the surface.

**Sockeye Average On Skeena Better**

Under improved weather conditions during the first of the week, the sockeye average per gillnetter on the Skeena River improved, according to report from the Dominion Fisheries office. The average rose to 65 fish per boat.

**THE WEATHER**

**Synopsis**

The weather system that moved over the Queen Charlottes and the northern portion of the province yesterday is followed by moist air giving cloudy skies over the North Coast and Prince George regions. The southern portion of the province remains clear except along the west coast of Vancouver Island where foggy conditions prevailed during the night and morning. Minimum temperatures last night over British Columbia ranged in the high forties and low fifties. There was considerable variation in maximum temperatures over the province yesterday—Lytton, 96; Vancouver, 74; Victoria, 70; Prince George, 77; Prince Rupert, 55.

**Forecast**

Prince Rupert, Queen Charlottes and North Coast—Overcast with widely scattered rain showers today and Friday. Winds southwest (15 miles per hour). Little change in temperature. Temperatures tonight and Friday: Port Hardy, minimum 54, maximum 60; Massett, minimum 50, maximum 60; Prince Rupert, minimum 51, maximum 58.

### Canada And Britain Sign Wheat Pact

**OTTAWA**—Trade Minister J. A. McKinnon announced in Commons today a four-year agreement under which Canada will sell Britain 600,000,000 bushels of wheat at a fixed price of \$1.55 per bushel for the first two years and at minimum prices of \$1.25 and \$1 for the third and fourth years, respectively.

The agreement becomes effective August 1. It provides that Britain will purchase 160,000,000 bushels of the Canadian wheat crop in the year 1946-47, 160,000,000 bushels in 1947-48, and 140,000,000 bushels in each of the crop years 1948-49 and 1949-50.

Britain may sell and dispose of the wheat and flour purchased under the agreement "in whatsoever manner the United Kingdom may deem, both in regard to destination and price."

**British Commons Cheers Pact**

**LONDON**—Food Minister Strachey, announcing the wheat agreement with Canada in a cheering Commons, said: "This agreement is of the greatest importance to ourselves and to our Canadian friends—and what friends they have been to us."

### Alaska Party Is Coming Here

Eight prominent business men from Ketchikan and two from Juneau form a southeastern Alaska delegation which is coming to Prince Rupert aboard the steamer Princess Norah on the afternoon of August 7 and will attend the convention of the Associated Boards of Trade commencing the following day. Arrangements are being made by the Prince Rupert Chamber of Commerce to transport them by car to Terrace so they may view the beauties of the new Prince Rupert Highway. They will be honored guests at Terrace.

### OUTRAGE ON LONG ISLAND

**Society Matron Shot and Killed and Daughter Raped and Wounded**

**PLANDOME, New York**—A Long Island north shore society matron, Mrs. Marjory Logan, 50, was shot and killed and her 26-year-old daughter, Marjory, was raped and wounded in their home by an intruder who entered and demanded money. The suspect is described as a young negro.

### Poles Will Come Here

**Four Thousand to Be Brought As Farm Workers, Acting Prime Minister Announces**

**OTTAWA**—Acting Prime Minister Louis St. Laurent announced in the House of Commons today that four thousand single veterans of the Polish Army who fought in Italy will be selected for immigration to Canada shortly.

Mr. St. Laurent said the Polish soldiers had served the Allied cause "faithfully and well." Many of them did not want to return to their native land because of political considerations. Bringing them to Canada would partly relieve their plight and partly relieve what appeared to be a permanent shortage in agricultural labor.

A mission would be sent overseas to select the four thousand single men, Mr. St. Laurent said. They would be brought to Canada conditionally and would have to be qualified agricultural workers.

### Many Seeking Jobs In Prince Rupert

Job seekers now available in the National Employment Office at Prince Rupert include the following, it is announced:

**Men**—Blacksmiths, bookkeepers, carpenters, clerks, cooks, diesel engineers, engine fitters, fish packers, janitors, kitchen helpers, laborers (heavy), laborers, loggers, machinists, metal workers, mill edgerman, mill sawyer, miners, painters, pile-driver men, pipe fitters, platers, riggers, salesmen, shipwrights, steam engineers, truck drivers, welders.

**Women**—Cooks, office clerks, personal service workers, sales clerks, stenographers, telephone operators, unskilled workers, workers, waitresses.

### WHALER RACE IS POSTPONED

The Whaler race between crews of H.M.C.S. Uganda and Crescent, scheduled for 2:30 this afternoon has been postponed until 6:30 this evening, P. M. Ray, Legion entertainment committee chairman announced at noon today.

**DIES FROM BEE STING**  
**CAMBRIDGE, Eng.**—Mrs. Lillian Mary Pottit, 48, died 15 minutes after she had been stung on the temple by a bee.

### Lost Pilot Is Located

**Bill MacKenzie Brought Jet Plane Safely Down on Lonely Lake Three Weeks Ago**

**OTTAWA**—Hon. Colin Gibson announced today that Flight Lieutenant Bill MacKenzie, pilot of a jet-propelled plane that disappeared several weeks ago, has been reported safe. Mr. Gibson said that MacKenzie had walked into Blind River, Ontario, this morning.

MacKenzie's plane had disappeared June 29. He reported that he brought the ship safely down on a small lake and had started fires to attract attention but rain had put them out.

MacKenzie, who lost 47 pounds during the three weeks he was lost, is now at a lodge where two doctors are attending him.

### "Sun" Vindicated; Local Firemen Use Garden Hose

The Vancouver Sun, a newspaper having some circulation in the south, has been vindicated. Several weeks ago, on the occasion of the tragic Pioneers' Home fire here, the Sun gave prominence to a story that the Prince Rupert fire department had fought the blaze with garden hoses.

Last night, a Daily News reporter caught the local fire department doing that very thing. "What will the Vancouver Sun think of such goings-on?" the reporter asked a fireman.

The fireman showed a notable lack of concern. He merely pointed at the large fire truck at the curb and continued squirting water from the one-inch line.

"The Sun knows all about our fire equipment now," he replied. "The mayor wired them all about it."

The "fire" which the boys were fighting was in the canvas awning at the front of Alex MacKenzie's furniture store, apparently ignited by a carelessly thrown cigarette stub. The hose had been plugged into a tap at the front of the Canadian Legion building prior to the arrival of the firemen.

### BOAT EXPLODES, THREE INJURED

Three men were admitted to Prince Rupert General Hospital shortly after 1 o'clock this afternoon suffering from burns resulting from an explosion which destroyed the gillnet boat "O.K." at Inverness cannery at 11 o'clock this morning. Two of the men were reported as only slightly burned, while the third, boat foreman at the cannery, was said to be in more serious condition.

The three men were brought in aboard the halibut boat Edward Lipsett, Capt. Olof Skog. They were Howard Bush, boat foreman, Beverly Riddle, "iron chink" operator and Nelson Wood, tally man. Riddle and Wood were said to be only slightly burned, while Bush's burns were more extensive.

The three were aboard the "O.K." and were starting the engine when it backfired causing it to go up in flames.

### JEW KILLED IN MUNICH RIOT

**FRANKFURT**—One Jew was killed and at least six persons were injured Wednesday night in fighting between Jewish displaced persons and German police near Munich, the United States Third Army announced. American troops were called to restore order.

### SPEDING THINGS UP

**CANBERRA**—Returned servicemen may apply direct to court for tenancy of vacant houses or flats without first serving notice on owners under newly-announced regulations in Australia. Intention of the regulations is to help the servicemen get accommodation despite shortage.

**BIRKENHEAD, Eng.**—A police-conducted road-safety exhibition here features a model car in which motorists can prove their skill.

### Local Tides

Friday, July 26, 1946

High 12:05 18.1 feet  
 23:54 21.8 feet

Low 5:44 2.3 feet  
 17:45 7.4 feet

**TO GET WAR GRATUITIES**  
**NEW DELHI**—All former members of the Women's Auxiliary Corps who served for at least six months in the Corps and who resigned their commissions honorably or were honorably discharged are eligible for war gratuity, it has been announced by general headquarters.

## Bulletins

### ANOTHER STEEL STRIKE

**HAMILTON**—The United Steel Workers of America has called 500 workers of the Canadian Tube and Steel Co. to walk out due to failure of the management to carry out recommendations of an arbitration board with respect to wage increases.

### NOT RECORDED

**OTTAWA**—The Dominion Observatory near here failed to record yesterday's submarine atomic bomb explosion at Bikini Island in the South Pacific.

### LATEST DEATH COUNT

**JERUSALEM**—The latest casualty count as a result of the explosion in the King David Hotel Monday is 63 killed, 35 missing and 47 injured.

### U.S. MARINES SAFE

**SHANGHAI**—Thirteen United States Marines, who had been missing for weeks in Manchuria, were released last night to a truce team.

### LESS COAL MINING

**VICTORIA**—Coal mine production in British Columbia this year amounted to 113,500 tons compared with 129,000 tons in the same month last year.

### BAKERS GET MORE PAY

**WINNIPEG**—Agreement has been reached whereby striking Winnipeg bakers will go back to work for more pay. One of the bakers, however, has refused to reopen until it is permitted to take a loaf more for bread.

### MORE COAL NEEDED

**LONDON**—Emmanuel Shinwell, minister of fuel, said today that British coal production must be increased if industry is not to be slowed up. The 300,000 men short, however, blamed the situation on the refusal of operators to work and on unofficial strikes.

### ROYAL PLANES

**OTTAWA**—Four twin-motorized Viking planes will be sent to the King and Queen on their forthcoming tour of South Africa. One will carry the King and another the Queen, the other two being for servicing purposes.

### BALLOON BOMBS

**OSAKA**—Of 9,000 Japanese balloons which were launched from Honshu Island during the war, three to five are said to have reached the North American continent, Major General H. J. Casey announced.

### STORM IN HAMILTON

**HAMILTON**—A freak electrical and wind storm here late yesterday caused thousands of dollars damage and injured a number of persons.

### ATOMIC DEATH SENTENCE

**WASHINGTON**—Over protests, Senate-House conferees have agreed on the death penalty for atomic energy workers who reveal secrets purposely to damage the United States. The death penalty would be optional with juries.

### BOY'S BODY FOUND

**VANCOUVER**—The body of an 11- or 12-year-old boy was found in Stanley Park yesterday, the lower part being naked. It was wedged between logs. The remains may be those of a boy who had been missing since July 1.

### NEW O.P.A. BILL

**WASHINGTON**—The new patchwork O.P.A. bill is before the President today and is expected to receive his signature. It provides for retention of ceiling on rents and a three-man price control board.

### ANTI-SOCIALISTS

**LONDON**—An anti-Socialist front, led by Winston Churchill and consisting of the Conservative members with some of the Liberals, is being promoted among members of Parliament. Promoting the move to pool voting strength in opposition to Britain's Labor government is being undertaken by some Conservatives. The plan is reported to have been discussed among some Conservative and Liberal members.

### TURKISH ELECTION

**ANKARA**—It is announced that the Republican People's (Inonu government) party won 396 seats in the Turkish election and the Democrats 62, with seven Independents.

### DROWNED WHILE BATHING

**VANCOUVER**—Douglas McLean, a Burnaby boy, was drowned while bathing in a lake yesterday.

### PRESS ATOMIC PLAN

**NEW YORK**—An authorized source said today that the United States would continue to press for adoption of the Baruch atomic control plan despite Russia's declaration through Andrei Gromyko that she could not accept the key American proposals.

### Fish Sales

**American**  
 Grant, 50,000, 24.2 and 21.3; Booth and Royal.  
 Nordby, 53,000, 24.3 and 21.5; Cold Storage.

**Canadian**  
 Cape Spencer, 3,000 halibut, 21,000 black cod; Co-op.

### NEWPORT, Essex, Eng.

Ex-servicemen returning here want to share their home-coming fund, put up by the town, among three service widows.

**A TIMELY VISIT**

SINCE MR. VAUGHAN, president and chairman of the board of the Canadian National Railways, who confers again this afternoon, was last here, there have been many changes in Prince Rupert. There has been a wartime boom due to the acceptance of the strategic position of this port in the emergency, producing a great volume of traffic for the local line of the railway. Now the emergency is over, the boom has receded and a critical point in relation to the future of the port and railway line has been reached. Prince Rupert people are very much concerned as to what the future has in store and feel that what policy and attitude the railway adopts will have a great deal to do with the shaping of that future—whether it shall be progressive and prosperous or reactionary and depressed.

Accordingly, Mr. Vaughan is going to receive from a delegation of the Prince Rupert Chamber of Commerce and Prince Rupert Industrial Committee, for which appointment has been made to meet him, protest at the course which the railway company has been following in such matters as railway service to Prince Rupert and the operation of the shipyard.

The visit of Mr. Vaughan comes after the minister of transport, who once indicated that the railway executives were his advisers, announced that the shipyard could not be operated on a peacetime economic basis—that is after the organization of the yard had been permitted to deteriorate to its present state while all the while the possibility was being held out officially that the company's new ships for coast service might be built here.

After delivering its protest, the local committee will seek the favor from Mr. Vaughan, who hinted recently that the shipyard might still be used to the mutual advantage of both the railway company and the city, of a more definite statement of intentions than has so far been available. We do not believe that Mr. Vaughan is given to equivocation or evasion and we feel that he can be counted upon for straight answers to straight questions concerning matters (not only the dry dock) pertaining to the future development of this line and port.

We feel, and we are sure that Mr. Vaughan will agree with us, that the railway company, in this line and port, has a valuable property and potential asset and that it would be good business to follow in regard to it a progressive and forward looking policy of development, not based solely on so-called sound business principles of committing outlay only if the business immediately offering ensures an immediate return of profit but on a long-time policy of investment in the future and development of the country as a whole, at the same time providing needed employment.

It is well for Mr. Vaughan to know that the people of Prince Rupert and this whole northern line of the railway for that matter are not very happy about what they are presently convinced is a definite lack of interest and concern in what appears to be an unwanted baby. We feel that the baby, instead of being starved to death, might fairly be nurtured and built into a healthy and creditable child.

As a result of Mr. Vaughan's visit and conferences here we hope that we may have some assurance of a reasonably sympathetic attitude of resolve and endeavour from the railway company to make use of our advantages and facilities in the end that the railway itself, the community, district and the nation may be the beneficiaries thereby. And maybe it is not asking too much of Mr. Vaughan for something more definite and more reassuring than we have been getting of late from the makers of policy on matters in which we here at Prince Rupert are vitally interested. Be it good, bad or indifferent, we think we are entitled to something frank and forthright from the leading railway executive, so we may proceed from there.

Accordingly, Mr. Vaughan is going to receive from a delegation of the Prince Rupert Chamber of Commerce and Prince Rupert Industrial Committee, for which appointment has been made to meet him, protest at the course which the railway company has been following in such matters as railway service to Prince Rupert and the operation of the shipyard.

**20 YEARS AGO**

July 25, 1926

Fred Stork, Liberal standard-bearer for Skeena riding for ten years, was named as candidate to contest the forthcoming election. It was expected that Stork would run up the greatest majority ever given a candidate, the Daily News editor averred.

A distinguished visitor to the city was Lord Marven Cavendish-Bentinck, son of the Duke of Devonshire. Arriving on the Cardena, he stopped overnight at the Prince Rupert Hotel, continuing east by train.

Exhibition Manager David Thompson announced that a boxing bout had been arranged between Vic Foley of Vancouver and Jack Newman of Edmonton as feature bout of an exhibition boxing show.

**MILITARY COLLEGE BEING CONVERTED**

**Plan to Turn Australian Institution Into Military University**

CANBERRY (C)—The Australian government is considering a plan to convert Duntroon Military College, the Australian equivalent of the Royal Military College at Kingston, Ont., into a national military university which would graduate men equipped for civilian life as well as soldiering.

Army authorities submitted the plan for Duntroon, established in 1911 at the suggestion of Lord Kitchener and operated on the basis of turning out officers after four years' training for careers in the permanent army.

Second Great War experience which showed that industry, engineering and transport were vital to a maximum war effort is responsible for the recommendation that Duntroon produce men fitted for key posts in civilian enterprise as well as in military organization.

So far Duntroon has trained 1,600 officers for purely military careers but the feeling is that a broader curriculum would fit graduates in years to come for a variety of positions in which they would be valuable in the event of war or in which they would gain valuable knowledge.

**Beet Sugar Industry Expanding in France**

PARIS (C)—Production of 600,000 tons of beet sugar is forecast for the 1946-47 season in France, almost a 50 per cent increase over the 1945-46 yield of 424,000 tons.

Forty per cent more beets were planted this year, first stage of the cabinet-approved reorganization for the whole industry.

Buy War Savings Certificates

**Nonagenarian Tutor Strong On Classics**

FAIRFORD, England (C)—Rev. Hubert Bancroft Allen, 90, "Tutor to the House of Lords," now lives alone with his collie dog in a Cotswold cottage in Gloucestershire surrounded by books in Greek and Latin.

One of the few survivors of days when clerics were also teachers, he has taught young aristocrats for 70 years. With blindness overtaking him, however, he was forced recently to send away his last pupil. Every week he gets letters with baronial crests. One of his former pupils is a woman—Lady Cynthia Asquith—whom he taught Greek. Of the aristocracy Mr. Allen said: "They are the most decent people on earth. The really snobbish people are the working class." Of the old school tie: "The English public school teachers boys to behave and leaves their minds ready to receive." Of the Labor government:

"I wish I could have taught some of them the classics. It might have been a more gentlemanly world today."

## Local News Items...

▲ Long trips or short, day or night, 99 Taxi at your service. (1f)

Mrs. C. L. Youngman and family are sailing tonight on the Prince Rupert for a trip to Vancouver.

▲ United Church Vacation School opens Friday morning at 9:30. All boys and girls welcome. (1t)

Stewart Birrell returned to the city on the flying boat Haida Queen yesterday afternoon from a trip to Allford Bay on War Assets Corporation business.

Rev. James B. Gibson D.D., Anglican Bishop of Caledonia, has been elected to honorary membership in the Prince Rupert Rotary Club.

Archie Thompson has returned to his law practice in Vancouver after spending a holiday visiting here with his parents, Mr. and Mrs. James H. Thompson.

▲ Any citizen willing to include one or more Officers or men of the visiting warships on their fishing or week-end outing, please phone Civic Centre, 241, giving necessary information. (174)

Eleven passengers arrived in the city Wednesday afternoon on the Haida Queen, which continued on this morning to make its regular weekly call to Stewart. Those who arrived from Vancouver were Miss E. Kenaid, Jack Deane, Palmer Cecil and N. Bentley. From Cumshewa came K. A. Craig; from Massett, Mrs. N. Antonsen and son and M. Sabbe, and from Allford Bay, S. Birrell and Mr. and Mrs. D. A. McLellan.

Mrs. James Kwapil and daughter, who lived in Prince Rupert many years ago and now make their home in San Francisco, revisited the city during the stay of the Princess Adelaide Monday afternoon. Miss Kwapil was born in Prince Rupert but left with her parents when she was but five months old. She was interested in seeing the house on Tatlow Street, now occupied by Mr. and Mrs. Jack Bulger, where she was born. During her brief stay, Mrs. Kwapil renewed a number of old acquaintances.

## CHURCH RITES AND RECEPTION

Marked Marriage Rites of Miss Lucille Ledovillier and William Harris

A quiet ceremony in the chapel of the Pro-Cathedral of the Annunciation with Rev. Father J. Carroll officiating and a reception at the home of Mr. and Mrs. Charles Sunberg, 314 Sixth Avenue West, marked the marriage on Saturday evening last of Miss Lucille Margaret Ledovillier of Mattis, Saskatchewan, and William Harris of Prince Rupert.

Given in marriage by Mrs. Charles Sunberg, the bride was a lovely figure in her white satin gown with floor-length veil. Her bouquet was of pink roses with white streamers.

Miss Ann Sunberg, the bridesmaid, wore a becoming gown of pink and white with bouquet of pink carnations and white asters.

Emil Bohn was groomsman.

For the reception the home of Mr. and Mrs. Sunberg was attractively decorated with evergreens and fresh mixed flowers, roses predominating. In one corner there was a lovely arch of evergreens and varicolored roses. It was there under a white wedding bell that the couple received the felicitations of their friends. Guests were received by Mrs. Sunberg and Mrs. L. Bohn.

A buffet supper was served by Mrs. William Geddes, Mrs. Mary Murray and Miss Kay Black, the feature of refreshments being a handsome three-tier wedding cake on a table with a white cut lace cloth. The cake was cut with a sword by bride and groom.

The evening was rounded out

## TERRACE INFANT SUCCUMBS HERE

Harry Terrace LaBarre, two-months-old son of Mr. and Mrs. Harry LaBarre of Terrace, passed away in the Prince Rupert General Hospital last night. The child had been in hospital for the last few days. It is expected that burial will take place at Terrace.

with dancing and singing, Miss Pauline Peachey providing piano music.

The couple will reside in Prince Rupert on Sixth Avenue, East. An overseas veteran of the First Battalion, Canadian Scottish Regiment, the groom is in the service of the War Assets Corporation here and the bride is a member of the staff of the Canadian Fish & Cold Storage Co.

## Interesting Basketball

Prince Rupert Defeated Navy By Score of 54-36

There was a large crowd in the Civic Centre last evening to see the basketball game between players from the visiting Navy ships and a local team. The locals won, 54 to 36, and actually were always in front but the Navy team played hard and well. Both teams found it difficult to get the range of the basket at first but the city scored the first basket with Uganda equalizing. At quarter time it was Prince Rupert 8, Uganda 4.

Uganda got two quick baskets after resuming and tied the score at 8 each but from then on Rupert was always ahead. Half-time the score was Rupert 22, Uganda 13. At three-quarter time Rupert had just doubled their opponents' score, it being 42-21. Play continued fast and at times rather rugged. Four minutes from the end it was Rupert 54, Uganda 28. The city team slowed up and the sailors ran in four baskets in quick succession to make the final score Rupert 54, Uganda 36.

The sailors showed lack of practice and, as players were from both the Uganda and the Crescent, they were not familiar with each other's play. Combination was good at times but they failed to capitalize on it. De Costa, the captain, played a hard game as did Greene. A full length floor dribble by De Costa with a good basket at the end was a feature, while a one-handed pivot shot by Province was very neat.

For Prince Rupert, the slick combination of Davis, Arney and Holkestad showed how familiarity with each other's play paid

## LINING UP FIGHT CARD

Five bouts out of a probable eight on the Canadian Legion boxing card which will be held at Roosevelt gym on Saturday night have been arranged so far, according to Jim Nicoll, fight committee chairman. Mr. Nicoll is busy matchmaking to find opponents for Alex Gomez, Leo Adolph and Ed LePacire to complete the card.

Local fighters will meet boys from the Uganda and Crescent, the feature bout being between welterweights Len Hitchens of Prince Rupert and Stoker Woolcott of Uganda. Both boys weigh 147 pounds.

Other fights which have been arranged to date are:

Terry McCarthy, 180, versus P/O Tapping, 176.

Benny Windle, 142, versus A/B Hallkowski, 147.

Len Carlson, 164, versus A/B Ayres, 164.

Jimmy McDougall, 138, versus Steward McIvor, 138.

## FASTBALL CALLED OFF

Fastball games arranged for yesterday evening between teams from H.M.C.S. Uganda and General Motors, and H.M.C.S. Crescent and 99 Taxi were called off on account of threatening weather. Actually the games might well have been played as the grounds were in good shape and it was not raining.

off. These boys were very smart. Davis scored freely at first and later Arney stole the show. Davis was very fast in dribbling.

Mel Holkestad also showed to advantage in combination plays. Pete Postuk played good ball but, not having played with the others, was unfamiliar with their plays at times. Rupert used only six players.

Teams:

H.M.C.S. Uganda and Crescent Woodburn, Bird, Jupp 2, De Costa 9, Greene 11, Newman 4, Blyth, Edge 2, Graser, Province 4, Wilson 4-36.

Prince Rupert—Davis 14, Arney 20, M. Holkestad 12, Postuk 4, Vuckovich, Gurvich 4-54.

Referee—Fred Leyland.

Before the start of the game Don Forward, director of the Civic Centre, introduced Mayor H. M. Daggett and Lieutenant C. Balfrey, sports officer of H.M.C.S. Uganda. Mayor Daggett and Mr. Balfrey "jumped" with the mayor, who played actively here in pioneer days, tipping the ball and then the game began.

## SMITHERS BASEBALL

Telkwa Beaten by 7 to 4 Score

SMITHERS — The Smithers senior ball team played a game in Telkwa on Sunday afternoon and took the measure of the Telkwa Seniors to the tune of 7 to 4. It was a wild game replete with errors on both sides. Smithers tallied 7 runs with 3 hits and Telkwa totalled 4 runs with 7 hits. Hetherington and Spicer shared mound honors for Smithers and Giddings hurled for the Telkwa nine.

Line-ups were:

Smithers—Aida 2b, Srynok 1f, Spiecer 3b and 9, Hetherington p, Delage ss, Paulis c, Carey 1b, J. Watson rf, Fowler cf, W. Watson spare.

Telkwa—A. George ss, Burke 3b, F. George 1b, Holland c, C. David 2b, Aleck cf, M. Tompkins lf, Johnson rf, Giddings p, L. George spare.

## SHORT SPORT

Big Bill Tilden was reinstated at Paris as a member of the United States Davis Cup team 18 years ago today by the U.S. Lawn Tennis Association after French tennis officials pleaded with the American ambassador. He had allegedly violated amateur rules. France won the challenge round 4-1, Tilden trimming Lacote but bowing to Henri Cochet for his first straight-set defeat in nine years of Davis Cup tennis.

Eleanor Holm Jarrett, United States swimming star, was dropped from her country's Olympic team 10 years ago. Shortly before her Berlin-bound steamer dropped anchor, the 22-year-old backstroke champion lost her place through alleged repeated violation of training rules aboard ship.

Babe Ruth showed how to hit home runs eight years ago when he drove out a 430 foot clout to win \$50 in a long-distance slugger contest at St. Louis. Joe Medwick, St. Louis Cardinal outfielder, was the \$25 second prize with a 425-foot drive.

## Baseball Scores

National League

Cincinnati 2, Boston 1.

Chicago 1, Brooklyn 2.

Pittsburgh 0, Philadelphia 2.

St. Louis 1, New York 3.

## Football—

### Crescent Team Downs Uganda

Close Soccer Game Played On Muddy Field

Football teams of H.M.C.S. Uganda and Crescent performed a competitive amphibious operation on Roosevelt Park playing field Wednesday afternoon and in spite of ankle-deep mud and a soggy ball they turned in a good game. Crescent emerged the victor by a score of 3 to 2.

Uganda's pretty white blouses with maple leaf embossed on the backs achieved an earthiness that would have made a laundryman's eyes light up in anticipation as player after player sprawled his length on the slippery field.

Undoubtedly the Crescent men got as muddy only it did not show up so spectacularly on their gold and blue uniforms. The navy is a hardy race.

Crescent, using the westerly goal during the first half, scored early. Then the play moved into their section where the Uganda mudders kept at it until the end of the half. Uganda scored midway in the half and the score remained at 1-all until half time.

Scorers during the first half were Miller for Uganda and Bayers for Crescent.

In the second half, Crescent scored during the first two minutes of play. They managed to keep the ball in Uganda territory until a drive by the cruiser men resulted in a goal midway in the half, which again equalized the score. Crescent's final and winning goal came within five minutes of the game's end.

Scorers during the second half were Blyth and Wilson of Crescent and Woolcott of Uganda.

Considering the wetness of the field and the downpour which drenched the players, the footwork and combination were neat and accurate. Given a dry field, either team could put on a show that would inspire the fans to hoarseness.

According to Lieut. C. A. Balfrey, Uganda sports officer, players from both teams will be chosen to meet the Prince Rupert team on Friday and Saturday.

Substitutions during the second half were: Crescent, Baldwin for Bishop at right half; Uganda, Zimmerman for Potts at centre-half.

The line-ups: Crescent—Goal Coates, right back Blythe, left back Roe, right halfback Bishop and Baldwin, centre-half Raferty, left half Lieut. Green, outside right Preece, inside right Blyth, centre Wilson, inside left Bayers.

## Port Edward Beats Regiment 14 to 0

Port Edward swamped Prince Rupert Regiment by a score of 14 to nothing in another softball game played Tuesday night at Port Edward. It was a five inning affair, the big hit of the evening being a three-bagger by A. Jacula. Team's were:

Reserve—Falmouth c, Mostad p, Carlson 1b, Andersen 3b, Basso ss, Morris rf, Sharp lf, Lawrie cf, F. MacDonald 2b.

Port Edward—Joe Podzorney c, Jim Birwell cf, Andy Jacula rf, Nick Bykowski 3b, Andy Kyle ss, Nick Palyuk lf, Amby Solway 2b, Harold Casey p.

## Sports Schedule

July 25—Kinettes vs. Moose, Macey's vs. Whirlwinds.

outside left Toller.

Uganda—Goal Campbell, right back Stewart, left back Walls, right halfback Hardy, centre-half Potts and Zimmerman, left halfback Milne, outside right Lieut. Balfry, inside right Miller, outside left Jupp, inside left Woolcott, centre Baker.

# Okanagan Valley

CANADA'S Pacific Orchard Empire, rich and fruitful, where eye-filling acres of pastoral beauty blend into mountainous horizons.

The scenic attractions of the world-famous Okanagan Valley beckon to every tourist traveller in richly endowed British Columbia. A visit to the orchards and packing plants of this great fruit producing district is an unforgettable experience.

B.C. will be host this year to thousands of American visitors. Mr. E. G. Rowebottom, B.C.'s Deputy Minister of Trade and Industry and President of the Canadian Association of Tourist Publicity Bureaus, predicts our greatest tourist season in history with benefits for every citizen of our province.

This message is the sixth of a series supporting the efforts of our Government's Travel Bureau and Provincial Tourist Associations. Offered in the public service by . . .

## UNITED DISTILLERS LIMITED

VANCOUVER AND GRIMSBY, CANADA

**PERT MAN,  
NCE GEORGE  
MARRIED**

Prince Rupert and Prince George families were joined in matrimony last evening with the marriage of Miss Phyllis Solomon, youngest daughter of Mr. and Mrs. John Simonson of Prince George, to Peter Petersen, son of Emil Petersen, 436 Sixth Avenue East. The ceremony was performed by Rev. A. Aasen.

The bride wore a floor-length gown of satin with net skirt, and was given in marriage by her mother, and carried a bouquet of American Beauty roses. She wore a white, floor-length veil.

Attendants were Mrs. B. Peterson, matron-of-honor, wearing a floor-length gown of blue and carrying a bouquet of carnations, and Miss Louise Inan, bridesmaid, gowned in white with a bouquet of white carnations.

The groom was Albert Peterson, while Arne Stegavig acted as the bridesmaid down the aisle. Jack Eastwood was best man and Peter Lien was officiating.

The reception at Valhalla following the ceremony was sat down to a wedding dinner and enjoyed dancing to the evening. Toast to the bride and groom was proposed by the groomsmen and responded to by the bride.

A three-tier wedding cake was cut by the bride in traditional manner. Dancing followed the dinner, with music by J. S. Black's orchestra. Mrs. Petersen will reside at 456 Sixth Avenue East. Petersen is employed at the Prince Rupert Fishermen's Cooperative plant at Westview.

**Seasonable Ideas for Housekeepers**

**Cool Drinks For Summer Days; Ice Cream and Variations**

"Cold Comfort" is an expression often used with a suggestion of unpleasantness. In the heat of summer days when comfort depends largely on coolness, a frozen dessert or iced drink contributes greatly to the pleasure and comfort of living.

The idea of having syrup for cold drinks made in quantity is not new, but home economists say it is surprising how few people look ahead far enough to make this preparation. With the sugar dissolved it is a simple matter to make a cool fruit or milk drink on a moment's notice.

The cream made with whipped cream is out of the question this summer, but with a custard base it is possible to make a smooth, rich, frozen dessert.

**Syrup For Cold Drinks**  
A 1/2 water to sugar in the proportion of 1 cup water to 1 cup sugar. Bring to boiling point, skim and store in covered glass jar in refrigerator.

**Summer Cooler**  
6 tablespoons cocoa  
1/2 cup sugar  
Few grains salt  
1 cup water  
4 cups milk  
6 drops peppermint extract  
or 3 drops all of peppermint

Combine cocoa, sugar and salt. Add water, blend until smooth. Boil 5 minutes, add milk and

**16TH CENTURY MODESTY**  
Italian ladies of the 16th century usually wore masks when in public places.

**KINDLY SUBTERFUGE**  
War vessels in the War of 1812 usually were black hulled with below-deck interiors painted dull red—to make less conspicuous blood spilled in an engagement.

heat in to of double boiler until steaming. Chill and add peppermint. Pour over cracked ice. Garnish with sprigs of mint. Yield: 5 cups.

**Blueberry Refresher**  
1/2 cup blueberries.  
1 cup water  
1/4 cup sugar  
1 egg well beaten  
Few grains salt  
Juice of 1/2 orange  
Juice of 1 lemon  
Cracked ice  
Whole berries for garnishing

Add water to blueberries and simmer slowly until tender. Press through a sieve, add sugar and stir well. Cool. Combine well beaten egg, salt and sieved fruit. Add orange and lemon juice. Beat or shake well. Pour into glasses half filled with cracked ice. Garnish with a few whole berries. Yield: 2 cups.

**Basic Recipe For Ice Cream**  
2 cups milk  
2 tablespoons flour  
1/4 cup sugar  
1/4 teaspoon salt  
2 egg yolks  
1 1/2 teaspoons vanilla  
2 egg whites  
2 tablespoons sugar

Scald milk in top of double boiler. Blend together the flour, sugar and salt. Gradually add to scalded milk stirring constantly until mixture thickens. Cook 10 minutes stirring occasionally. Blend a few spoonfuls of the hot mixture with beaten egg yolks and return to first mixture. Cook 2-3 minutes longer. Pour into refrigerator tray and freeze to a mush. Empty into a bowl, beat slightly, add vanilla and fold in egg whites, which have been beaten with 2 tablespoons sugar until stiff. Pour into freezing tray and freeze until firm, 2-3 hours, with temperature control set at lowest point. Stir mixture with a fork two or three times during the freezing period to give a smooth consistency. Six servings.

Variations:  
Chocolate Ice Cream—Melt 1 1/2 squares of unsweetened chocolate and add to basic recipe just before cooling the custard mixture.

Peanut Butter Ice Cream—Blend 1/2 cup peanut butter and 1/4 cup milk until smooth. Add to the cooled custard mixture of the basic recipe. Reduce the vanilla to 1 teaspoon.

Banana Ice Cream—Reduce milk in basic recipe by 1/2 cup and add 1 cup mashed bananas to the cooled custard mixture.

Raspberry Ice Cream—Reduce milk in basic recipe by 1/2 cup and add 1 cup crushed raspberries to cooled custard mixture. More sugar may be required.

**Edinburgh Plans Music Festivals**

EDINBURGH — The pre-war music festivals of Salzburg, which attracted musical pilgrims the world over, is to be emulated here.

Edinburgh plans to hold annual festivals along the same lines, and arrangements are already complete for the first—running three weeks through August and September of this year—which it is hoped will attract 100,000 visitors from all parts of the United Kingdom.

Three theatres, a royal castle and Holyrood Palace are to be used as settings for the Operas, symphony concerts, ballet and plays to be presented. Orchestras from all parts of Britain and Europe have been hired to perform while top-flight artists will include favorites of the American concert-halls.

A new note in international festivities of this type will be in the inclusion of folk and Scottish dancing—and bagpipe music.

**Better English**  
By D. C. WILLIAMS

1. What is wrong with this sentence? "The man is paid forty dollars per week."
2. What is the correct pronunciation of "galosh"?
3. Which one of these words is misspelled? Disposable, dispensation, dispeptic, disparity.
4. What does the word "peremptory" mean?
5. What is a word beginning with red that means "exceeding what is necessary"?

**Answers**

1. Say, "forty dollars a week."
2. Pronounce ga-losh, a as in ask unstressed, o as in of, accent last syllable.
3. Dyspeptic.
4. Taking away a right of action, debate, etc.; conclusive. "The officer's peremptory command was obeyed."
5. Redundant.

**HOW CAN I ???**  
By ANNE ASHLEY

Q. How can I set colors?  
A. To set blue, pink, green, lavender, red and purple, soak in alum water, two ounces to the tub. Black, grey and dark blues should be soaked in strong salt water.

Q. How can I make piquante mayonnaise dressing?  
A. Add to one cup of plain mayonnaise dressing two table-spoons each of finely chopped olives and pickles.

Q. How can I remove perspiration stains from garments?  
A. By mixing one part of oxalic acid to 20 parts of water and applying with a small brush.

**POST-ELIZABETHIAN SHOES**  
Mules became popular for general household wear after the reign of Queen Elizabeth.

**AN EYE FOR AN EYE**  
In ancient Egypt, if a man lost his life or an eye as a result of an operation, the surgeon's hand was cut off in retaliation.

**EXPERIMENTS IN COTTON**  
Russian scientists have reported experimental growths of cotton in natural rose, lemon, brown and green colors.

**LIFEBOATS BUSY**  
LONDON — During the first six months of 1946 British lifeboats put out 266 times to help vessels and aircraft in distress and rescued 381 persons.

**The Grand Old Recipes**

made more delicious with Carnation Milk

YOUR cream soups and sauces . . . desserts and creamy entrees—take on an entirely new and luxurious character when you make them with double-rich Carnation Milk. They're smoother, richer, finer in flavor. It's easy to use Carnation—if the recipe calls for milk, use half Carnation, half water; if cream is called for use Carnation undiluted as it pours from the can.

Carnation is just pure, whole, cow's milk, evaporated to double richness by removing part of the natural water, homogenized for smoothness, sterilized for absolute safety.

## SEASON OF HARVESTING

In the central British Columbia the season for harvesting grain and clover seed crops is very short. It is usually limited to the month of August and the first week or 10 days of September. During the remainder of September and October rainfall is high and temperatures are low. With the accompanying cloudy weather, drying is slow and difficult. Threshing during this period is slow and labor expensive. Losses from shattering and from sprouting are frequently excessive. Under such circumstances the cropping program should be planned in such a way that the job of harvesting coincides with the suitable weather as nearly as possible, says W. T. Burns, Dominion Experimental Station, Prince George.

There are a number of things that can be done to assist in accomplishing this objective and, at the same time, can be considered good cropping practice.

First of all the hay harvest should be completed early. Hay should be made during the early part of July to obtain good quality. Occasionally, due to weather conditions, it is necessary to delay the job. In no case should it be allowed to lap over into August and compete with the grain and clover seed harvest for time.

Clover seed crops should be cut as early as possible, so as to get good yields of high grade seed. After the first of August, cutting should be started as soon as the first ripened heads begin to drop. The clover seed should be cut not later than August 15.

Grain cutting should not be delayed. In an area such as Northern British Columbia it is not possible to wait until the seed is hard and the straw dry. In view of weather conditions it will usually be better to harvest when the seed is in the firm dough stage even though the stems contain considerable sap.

Another point of importance is to have all equipment thoroughly overhauled and repaired before it is needed. Mowers will need a complete checking over for knives, guards, bearings, etc. The binder should have the canvases, knife, rollers, knottor all checked for repairs and the thresher should be put in shape. It is wasteful to make such repairs after the crop is ready or to have a breakdown in the field.

In this district one must be ready for the harvest when it is ready. The season is too short for delays whatever the cause.

## Terrace Produce Is Trucked Here

Fine, clean full-headed cabbage and lettuce, free of blemish and beautifully graded, comprised the first commercial shipment of Terrace produce to be brought to the Prince Rupert market by truck over the highway which arrived on Tuesday afternoon. It was delivered by Lindsay Cartage and Storage which has instituted a regular trucking service between here and Terrace, carrying wholesale goods from here to the interior and planning to bring farm products as return loads. The shippers were Hamlin & Thomson of the well known Horseshoe Farm and the consignee, Ross Ingram's Fairway Market. William Gair was driver of the truck. Next week new potatoes from Terrace will be added to the list of produce being brought in.

## TERRACE

Many people in Terrace heard with regret that Harry McKenney had passed away last week at Prince George. Mr. McKenney was provincial constable here for several years until he was transferred to Prince George about six years ago. He leaves to mourn his passing, his widow with three young children. There are also two children of his former marriage.

Mrs. Vic Giraud drove from Smithers on Monday and is spending a short holiday with her parents, Mr. and Mrs. N. Sherwood.

Weather is still fine and warm. Tuesday's maximum was 81.

## A STRONG PUMP

## NEW GARAGE AT SMITHERS

SMITHERS—An addition is being built at Hoskins Garage in Smithers. When it is completed it will be a completely modern garage and will eventually have a modern wash-stand although this is not contemplated for some time. Bovill & Ham of Smithers are the contractors on this job. The repair shop is 60 by 60 with a concrete floor and lighted by fluorescent lights. Each mechanic will have his own bench and set of tools. The old garage which is 48 by 38 is being modernized and made into a stockroom and office, with ladies' and men's rest rooms partitioned off on one end. Behind the old garage there will be an addition 22 by 30 which will contain a welding, machine and blacksmith shop. The building has a modern hot air furnace in a special furnace room which will heat the entire building. Already installed is a hydraulic greasing area. The new addition was officially opened recently by a successful dance which was attended by a great number of people from Smithers and the surrounding district.

## Modern Etiquette

By ROBERTA LEE

Q. If an engagement is broken after the wedding invitations have been mailed, what form of announcement should be sent?

A. The announcement should read—

Mr. and Mrs. Charles Jones announce that the marriage of their daughter Jane and

Mr. James Smith will not take place.

Is it bad form to tip a soup bowl, or a plate containing liquid

## "FRONTIER GAL" SHOWING HERE

Technicolor Drama of Pioneer Town Coming to Capitol This Friday and Saturday

A thrilling and colorful drama in novel style, "Frontier Gal," with Yvonne De Carlo and Rod Cameron in the leading roles, comes as the feature offering to the screen of the Capitol Theatre here this Friday and Saturday. Taken in technicolor, the action of the story takes place in a pioneer settlement and was filmed against setting of picturesque wilderness. Miss De Carlo takes the role of the operator of a saloon. Rod Cameron is a fugitive from justice. Their romance extends over a period of six years. Miss De Carlo has two singing numbers. The supporting cast includes such favorites as Andy Devine, Fuzzy Knight, Sheldon Leonard, Andrew Tombes and a heart-winning juvenile newcomer, little Beverly Simmons.

food, when eating?

A. Yes; this should never be done.

Q. Is flat contradiction ever permissible?

A. No; any flat contradiction is always rude, and can be avoided if one is tactful.
