### Local Merchants Ponder How Placate Seekers of Hosiery Sale After Tuesday Next

With only one pair for every six customers at outside available, I would be tickled to death if I didn't have any at all," remarked a local ladies' merchant this morning when speaking on the long-awaited event of next week when nylon stockings goes on sale throughout Canada.

There are not enough stockings around, we are sure to be disappointed if we are not to be disappointed. The situation like that, who are we going to sell to?" asked the dealer as he pondered his brains to devise means of dealing out the new footwear.

Most Canadian stores have made arrangements for the sale of nylon stockings when they go on the shelves simultaneously across the country next Tuesday. Some stores have had customers sign up in advance. These cards are mailed, telling customers when they can make their purchases. Others will sell on the "first come, first served" basis.

Others are keeping nylons for their regular customers. The large Toronto department store plans to rope off sections of the main floor for nylon sales.

### MISSING OF WAYMAN

C. A. Cotterall, Long Identified C.P.R. in West, Dies in Vancouver

C. A. Cotterall, 63, veteran Canadian railwayman who rose from a telegrapher to become assistant general manager of the Canadian Pacific Railway, died today. He had been ill since October and died in December. He had spent 25 years in the west and was a former president of the Vancouver and Revelstoke Boards of Trade.

### Operation Musk-Ox Is Postponed

Operation Musk-Ox will not begin until next week. The 12 snowmobiles were due to start their three-month trek into the Arctic wastes today but unfavorable weather conditions forced a 24-hour postponement of the scheduled start.

### MARIO HAS GREAT STORM

Gales, Blizzards, Torrential Rain and Floods in Vancouver Province

TORONTO, ☉ — Gales that reached a velocity of 70 miles per hour developed into fierce, blizzards in some northern sections, swept Toronto with damage estimated at thousands of dollars. A business block was destroyed by fire in the village of Jamaica during the storm with damage estimated at \$50,000. At Longbranch there were floods as a result of heavy rains and snow and some people were stranded.

### FINES FOLLOW GIRL'S DEATH

John Samuel Wing was fined \$300 with an option of six months in jail by Magistrate W. D. Vance in city police court Wednesday afternoon after he had pleaded guilty to a charge of supplying liquor to Indians. Robert Gordon Robinson, who was found guilty of a charge of supplying liquor to Indians, also received a \$300 fine with an optional six months in jail. Both charges arose from a drinking party early Sunday in Robinson's cabin on Ninth Ave. which was followed by the death of an Indian girl.

Charges Navy Undersecretary Nominee With Not Speaking Truth

### PLANE CRASH KILLS EIGHTEEN

Canadian and British Planes Meet Disaster Wednesday

LONDON — Plane crashes in Britain took the lives of at least 18 persons yesterday. At least eight were killed and 13 injured when a R. C. A. F. transport plane struck a mist-concealed ridge south of London in an area known as the "Valley of Death." It is so called because of dangerous climatic conditions. The plane was carrying 20 British service personnel and a crew of four. The fate of three is not known.

The other plane crash happened off the channel coast near Southampton. Two British officers and eight other ranks were killed when a flying boat fell into the sea.

**Weather Forecast**  
Light to moderate winds, cloudy and cool with occasional light rain today, becoming partly cloudy with few scattered showers tonight and Friday.

BLACKLISTED BY AUSTRALIA UNIONISTS — Brig. Derek Schreiber, who was replaced as aide to the governor-general of Australia before the labor ban was lifted, was blacklisted by Canberra unionists over firing his ex-aide.

### LOCAL CHINESE IS INJURED IN CRASH

A local Chinese youth was injured last night in Eastern Canada when an airplane in which he was a passenger crashed while enroute to Three Rivers, Quebec, from North Bay, Ontario. He is Kim Yuen Lee, known as Kan Lee, age 24, who left Prince Rupert for Esatern Canada on January 27. The two-motored plane crashed north of Montreal. Extent of Kan's injuries nor the name of the pilot of the plane were not given in the Canadian Press dispatch this morning. He was recently discharged from the R.C.A.F. after service as a navigator. His family operates the Star Store on Third Avenue.

### WAREHOUSE ASSESSMENT SUSTAINED

Civic Court of Revision this morning heard an appeal by G. S. Keith, assistant tax commissioner for Canadian National Railways for reduction of assessments on wartime installations built by the United States Army on C.N.R. property, and on which the railway is now paying taxes.

Granted by the court were reductions totalling only \$2900 on total assessments of about \$1,000,000. Reductions granted were \$2,300 on the United States army electric power house, a \$500 reduction on a warehouse at Morse Creek and \$100 on a smaller building near the warehouse.

Basis of the appeal, which primarily involves the large waterfront warehouse, the U.S.-built cargo wharf, marine elevator, freight bridge and marine repair depot, was that, lacking present usefulness, the installations had only salvage value.

### LONDON TO GET OLYMPIC GAMES

LONDON, ☉ — The 1948 Olympic Games will be held in London, it was announced today. Lord Burghley, chairman of the British Olympic Council, said he had received a cable from the president of the Olympic committee stating that the majority of committee members had voted in favor of London.

Assessed value of the five installations is about \$965,000, which city assessor Arthur Brooksband said is between 20 and 25 percent of the actual structural value.

Mr. Keith said that, considering the potential usefulness of the buildings, the railway company is loath to see them torn down but that it objected to paying high taxation on them while they are standing idle.

### Bureau of Statistics Sees Twenty-One Per Cent Increase in British Columbia

OTTAWA (CP) — Canada's population, barring future wars, immigration and other unpredictable events, will reach a maximum of 15,000,000 around 1990 and thereafter will decline slowly, the Dominion Bureau of Statistics predicted today. The 1941 census counted 11,490,000 Canadians.

### CONVENTION AT PRINCE GEORGE

Biggest Motor Caravan Since War Expected to Converge Upon Interior Town

PRINCE GEORGE — The greatest motor caravan since the war is expected to converge upon Prince Rupert June 21 and 22 for the annual convention of the Junior Chamber of Commerce of British Columbia which is to be held here. At least 25 cars will leave Vancouver and "his number will be added to by others along the way."

### China Wants Wooden Boats

Millions of Dollars of Contracts for B.C. Yards

VANCOUVER, (CP) — Contracts worth millions of dollars may be obtained by Vancouver and Victoria wooden boat builders as a result of efforts of UNRRA to obtain vessels for China, it was announced by S. A. Lischinsky and H. K. Murphy, UNRRA representatives here from Washington.

They said they want 20 or 30 fishing boats built here in a hurry for the spring fishing in China which gets under way in April and May.

### BOYS AND DYNAMITE

ROSEDALE — Windows in stores and houses of this Alberta village were shattered yesterday when two small boys found a box of dynamite under a railway bridge and lit it off. The boys were not injured. Nor was the bridge damaged.

### PRICE RUPERT DOESN'T REALIZE WHAT IT HAS, GOVERNOR TELLS

Prinice Rupert Doesn't Realize What It Has, Governor Tells Installation Party

Fostering of co-operative and mutually beneficial friendships between nations and communities and within communities was the keynote theme of Ray Clark, Portland, Oregon, hotel operator and district governor of Gyro, in speaking last evening before the Prince Rupert Gyro Club whose installation of officers for 1946 he conducted. "Let's band together and boost for this part of the country," he urged. "This has been my first visit to Prince Rupert, my first trip up the coast," he said "but I can say it has been a sheer delight. I really think you people of Prince Rupert do not appreciate what you have here. You ought to tell the world about it. There is nothing for us to be ashamed about even if it does rain in Prince Rupert, like it does in Portland. Why, we can capitalize the rain! It's delightful!"

### UNITED NATIONS MEET WINDS UP

LONDON, ☉ — The United Nations general assembly, moving swiftly toward the close of its first session, was expected to clear the way for adjournment today by quick approval of New York City and nearby New York-Connecticut area as temporary and permanent homes of U.N.O. Other questions before the assembly are expected to be disposed of without difficulty.

### FIRE VICTIMS VISITED HERE

Mrs. Joseph Vigeant, who, with her two small children, was burned to death when fire swept her home at Zenon Park, Saskatchewan, was a niece of Mr. and Mrs. H. E. Wallace of this city who first learned of the shocking tragedy through reading the Daily News yesterday. It was only a Vigeant and the children six-year ago, in fact, that Mrs. Vigeant had just recently been discharged from the Canadian Army. He had been stationed at one time at Prince Rupert.

### HOME AFTER SERVICE IN INDIA AND BURMA

After having seen flying service with the Royal Canadian Air Force since 1943 in the Southeast Asia area, Warrant Officer John Johnson, well known Prince Rupert boy, who was with the Northern British Columbia Power Co. as meter reader here before enlistment, returned home on Tuesday night's train. An adventurous service career as a wireless air gunner took him, among other places, to the Ceylon and Burma theatres. He also was stationed for a time on Cocos Island of hidden treasure fame where his skipper died of infantile paralysis. He returned home via the United Kingdom. Mrs. C. Johnson, Eighth Ave. W., is his mother.

### DEVELOPING BENEFICIAL FRIENDSHIP

Prinice Rupert Doesn't Realize What It Has, Governor Tells Installation Party

Fostering of co-operative and mutually beneficial friendships between nations and communities and within communities was the keynote theme of Ray Clark, Portland, Oregon, hotel operator and district governor of Gyro, in speaking last evening before the Prince Rupert Gyro Club whose installation of officers for 1946 he conducted. "Let's band together and boost for this part of the country," he urged. "This has been my first visit to Prince Rupert, my first trip up the coast," he said "but I can say it has been a sheer delight. I really think you people of Prince Rupert do not appreciate what you have here. You ought to tell the world about it. There is nothing for us to be ashamed about even if it does rain in Prince Rupert, like it does in Portland. Why, we can capitalize the rain! It's delightful!"

### ELDORADO CHARGES

New Delegations Against Carl French—Two Alleged Accomplices Named

TORONTO, ☉ — Police have announced the laying of a new charge against a former official of the Eldorado Refining and Smelting Corporation, Carl B. French, the former secretary of the corporation, has been charged with conspiracy to defraud. Police say also that charges have been laid against two alleged accomplices, one of whom is under arrest.

TUGBOAT STRIKE OVER NEW YORK—The New York tugboat strike has been called off, pending arbitration of a wages and hours dispute. The ten-day walkout ended officially at 8 a.m. New York time, when 3500 workers went back to their jobs.

ARMY SITDOWN STRIKE LONDON—It has been disclosed that 500 Canadian Army men in Delmenhorst, Germany, went on a 5½-hour sitdown strike Monday. They were protesting against their food, living conditions and lack of definite word as to when they would return home. The strike ended when the occupation force commander, Major Chris Vokes, told the men that sitdown strikes in the army constituted mutiny.

AMERICANS EVACUATED CALCUTTA—One thousand American troops have been evacuated to safety because of recent rioting. The riots are in protest against the British and so far have taken the lives of 36 persons and caused injuries to nearly 400 British troops are attempting to put down the outbreak.

HOME STRIKE LOOMS NEW YORK—A general telephone strike in the United States looms darker. A vote on strike action may be taken in a meeting at Memphis next week.

my sailors. They took off half of the women and children that went in the first load to the Onondaga. They tell us now that one or two men are being held for stealing from some of the passengers. Even if this were the case it wouldn't be fair to condemn 125 men for the actions of one or two."

Norris Gomez, stationman, said that he was on lookout when the Yukon struck the rocks in Johnstone Bay. He said: "How we happened to go on the rocks, I don't know. There was no panic, though, and all hands from the skipper down got busy right away to try and get those people off."

### C.N.R. Getting Ships

The interesting announcement by Canadian National Steamships that three fine big up-to-date diesel driven vessels are under construction for the West Indies service may be expected to be followed soon by definite word from the company as to its intentions in regard to new ship construction to restore its service on the Pacific Coast between Vancouver and Prince Rupert and on to Alaska. There can be no complaint here at the action of the company in having one of its new West Indies ships built at Vancouver and two on the east coast. Possibly later there may be requirements for even more ships on the route between North and South America through the Indies.

It is to be recalled that the Minister of Transport has already announced the intention to build two new ships for the Pacific Coast with the suggestion that at least one would come to the company's own shipyard at Prince Rupert.

With the local yard's payroll rapidly diminishing as the current shipbuilding program there is about concluded, there is naturally impatience in awaiting some definite word as to future activity, particularly in view of the urgent need for ships for the C.N.R. service on this coast.

### World Food Crisis

The world is facing the greatest food crisis in modern times. Measures are urgently required to meet it. There is no time to lose.

The causes of a world-wide shortage of cereals are the devastation and dislocation of the war, both in Europe and Asia. Europe before

the war produced forty-two million tons of wheat but only twenty-three million tons last year. Serious repeated droughts have affected production in five continents. Droughts in 1944 to 1945 seriously reduced the harvests in Australia and Argentina; North African production was similarly affected; adverse weather also reduced in 1945-46 the harvest in South Africa. Another factor seriously affecting the 1946 crops is the shortage of fertilizers due to the war.

Although wheat exports from the new world and Australia this year will reach record high levels, even these supplies are quite insufficient to meet the world's needs. The countries that were net exporters before the war have now become net importers. The estimated wheat deficit for the first six months of this year is over five million tons. By harvest time, the stocks in the exporting countries will be nearly exhausted and requirements in 1946-47 will have to be met almost entirely from the current year's crop.

The rice situation is also serious and increases the demand for wheat or flour. Reports from India record the failure of the rains and other disasters which will reduce the rice crop and once more raise the spectre of famine. Adverse weather conditions since the liberation of the rice consuming countries from Japanese occupation, under which rice production was allowed to decline heavily, before rice production could be got into full swing have resulted in a deficit of exportable rice estimated for the first six months of this year at two million tons.

In the summer of 1945 it still seemed possible to meet the world wheat requirements on a carefully reduced scale if maximum efforts in regard to production, collection and transport could be made. Those hopes have not been fulfilled. The requirements of the wheat importing countries from January to June are a little over seventeen million tons. Exportable supplies available are twelve million tons.

In these circumstances, all the importing countries in the world must be prepared to make further sacrifices and further efforts must be made to maximize collection. Coarse grains will have to be used for bread instead of as feeding stuffs. All possible steps to encourage increased sowings of wheat will have to be taken.

ROME PREPARES ROBES FOR ELEVATION OF NEW CARDINALS ON FEBRUARY 18—The holy city of Rome is preparing for the elevation of 32 high-ranking prelates of the Roman Catholic church to the college of cardinals, Feb. 18. Among them will be a Canadian, Archbishop J. C. McGuigan, of Toronto, Ont., and four Americans. The villa Anastasia, former home of King Alfonso XIII of Spain, has been rented for use by the prelates, and the ancient firm of Tanfani & Bertarelli, special furnishers to the Holy See, is busily preparing the ecclesiastical raiment to be worn by the new cardinals. It is estimated that each set of such garments costs \$10,000.

### LABOR-PROGS FAVOR PICKET

Local Club Makes Some Changes in Officers

Paul Taranger was last night elected education-literature director of the George Henderson Club of the Labor-Progressive Party, replacing Norman Smith who has left for the south. Taking the place of Mr. Taranger, Harold Ponder was elected secretary-treasurer. A number of members volunteered to join the Jobs-for-All Association's picket

line demanding ship contracts from the C.N.R. if they should be called for. The feeling was unanimous among the members, many of whom have been laid off from the shipyard; that something more is called for in addition to the action already being taken by various city organizations.

The Egyptians created perfume in the fourth dynasty.

### ESSINGTON ELECTION

Reserve Leaders for Year Are Named

PORT ESSINGTON — The Essington Special Reserve annual election of officers resulted as follows:  
President, L. L. Starr.  
Vice-President, James Bolton.

**More Victory Bonds Stolen**

**when PROTECTION costs so little...**

Victory bond thieves struck again Tuesday night, when \$850 in negotiable Victory bonds were stolen from the home of Mrs. J. J. Jones, some time before 11 p.m. An attempted robbery was made on the home of Mrs. Jones, 227 1/2 St. George, when a pair of gold cuff links and a Masonic ring were included in the theft. Mrs. Jones, who had been out for the evening, returned home about 11 p.m. to find every light in the house completely extinguished. She was completely ransacked. Wednesday police stated the thieves were purely Victory Bond-conscious, as other articles of value were untouched in their search but left untouched. Mr. Jones told police that he had

## DAILY NEWS HONOR ROLL

Your Assistance Invited

The Daily News is completing a Roll of Honor which it is hoped may contain the name of every man and woman of this city to serve with the armed forces at sea, or land and in the air. To make this list complete, it is essential to obtain the co-operation of the public as a whole in submitting the names.

It is impossible for the Daily News or any one person to compile the list complete so we are asking YOU to be responsible for the submission of the name of YOUR boy, YOUR girl or YOUR friend.

The following is the information we would like you to fill in and send to—

ROLL OF HONOR EDITOR  
Daily News,  
Prince Rupert

Name \_\_\_\_\_  
Service (Army, Navy, Air Force) \_\_\_\_\_  
Rank \_\_\_\_\_  
Next of Kin \_\_\_\_\_  
Address \_\_\_\_\_  
Date of Enlistment \_\_\_\_\_  
Date of Discharge \_\_\_\_\_  
If Casualty, Nature and Date \_\_\_\_\_

Remember, if YOU do not submit a certain person's name, no one else may. You are responsible.

## I. O. D. E. LAUNCHES MEMORIAL FUND DRIVE WITH FOUNDER'S DAY TEA

Funds raised by the I.O.D.E. World War II Memorial drive, which began in Prince Rupert and elsewhere in Canada yesterday, will give opportunity for higher education to scores of children of deceased or disabled veterans of the recent war who might never have such opportunity except for the devoted work of the I.O.D.E. ladies.

The drive in Prince Rupert was inaugurated on Founder's Day yesterday by a tea and sale in the I.O.D.E. Hall which was formally opened by Mayor H. M. Daggett and to which a large number of ladies, and a few men, thronged in spite of a rainy, blustery afternoon. All four local groups co-operated.

Prince Rupert's share in the \$500,000 national drive is in excess of \$2,500, according to Mrs. D. C. Stuart, Regent, Municipal Chapter, I.O.D.E., who introduced Mayor Daggett at the opening of the event.

In a brief address, Mayor Daggett outlined the objective of the campaign and wished the I.O.D.E. groups success in their effort.

The second Memorial drive has aims similar to the one which followed the first World War and which provided \$1,200 bursaries to 251 sons and daughters of deceased or disabled servicemen of that conflict, and also provided post-graduate scholarships to 148.

Among graduates of the I.O.D.E. Memorial foundation are such outstanding Canadians as Matthew Halton, radio correspondent, Dr. Allie Douglas, M.B.E., Ph.D., dean of Women, Queen's University, and John L. Lindford, of Manitoba, who played an outstanding pioneer part in developing magnetic and electrical marine safeguards in England during the war.

Patrons of the Founder's Day tea were served at intimate tables centred with flowers by serviteurs drawn from the city's four chapters. Pouring were Mrs. Jens Munthe, Regent Cambria Chapter, Mrs. J. A. Teng, Regent Queen Mary Chapter, Mrs. James Hutchison, Regent Hill 60 Chapter, and Mrs. Moses, Regent, Galloway Rapids Chapter.

The pourers' table was spread with a lovely lace cloth, centred with a large bowl of daffodils, iris and gladioli.

Mrs. Munthe was convener of the tea and sale.

Serviteurs were Mrs. Neville Gerard, Mrs. T. Fraser, Mrs. William Noble, Mrs. S. Saville, Mrs. C. A. Brind, Mrs. J. R. Macey, Mrs. H. M. Foote, Mrs. F. M. Kempton, Mrs. D. Orchard McLeod, Mrs. Earl Becker, Mrs. W. M. Hall, Miss Barbara Teng, Miss Velma Hall, Miss Deshka Penoff, Miss Peggy Grogan and Miss Dorothy Hutchison.

Mrs. M. J. Keays and Mrs. H. A. Breen were in charge of the home cooking, while the raffle was directed by Mrs. Noble and Mrs. Donald.

In raffles, Mrs. D. Orchard McLeod was the winner of a centrepiece, Mrs. E. Pierce and Mrs. F. McRae won cakes and Mrs. W. W. Wrathall won a leg of lamb.

Cashier was Mrs. G. R. S. Blackaby.

Inspector H. H. Mansell of the provincial police left on last night's train on an inspection trip to Smithers.

▲ S.O.N. Brother's evening, 8 p.m. Friday, February 15, Odd-fellows' Hall. Members and invited guests only. (38)

**DID YOU GET A GOOD Night's Rest?**

If Not, Try This Tonight

When you awake in the morning do you feel vigorous and glad to be alive or do you feel weary and depressed? If the latter, try a cup of Ovaltine warm at bedtime.

Taken at bedtime, Ovaltine helps to relieve that feeling of nervous tension. Its special food elements, processed for easy digestion, and its rich supply of Vitamins A, B, and D and the minerals Calcium, Phosphorus and Iron help to replenish worn out muscle, nerve and body cells.

So why not try Ovaltine? See if it doesn't help you to wake up fresher and more buoyant. Get Ovaltine at your drug or food store. 177

### LEONA WHIFFIN IS PRETTY BRIDE

United in Marriage to Former Local U. S. Soldier

Leona Marie Whiffin, daughter of Mr. and Mrs. W. Whiffin, 708 Taylor Street, and Bonnie Sprinkle of Marion, Virginia, formerly of the United States Army, were united in marriage yesterday in the Chapel of the Annunciation by Father Carroll O.M.I., before a small gathering of family and friends.

The bride, who wore a powder blue street-length gown with matching accessories and a corsage of Talisman roses, entered the chapel on the arm of her father. She was attended by Miss Margaret Moran, who was attired in dusty rose and wore a corsage of sweetheart roses. Herbert Whiffin, brother of the bride, was groomsmen.

A reception was held at the home of Mr. and Mrs. I. M. Wick, 1215 Second Avenue, sister and brother-in-law of the bride. Under a beautifully decorated archway, the bride stood beside the groom to receive 50 or more guests who came to offer congratulations.

After the cake had been cut and flashlight photographs taken of the bridal party, Father

Carroll proposed a toast to the bride and groom in a beautifully expressed wish for their continued happiness. Lt. John O'Brien, U. S. Army, replied, stating that the union of these two young people seemed to embody the spirit of respect and good-will which exists between Canada and the United States.

An attractive luncheon was served at midnight by the hostess, after which revelry and good fellowship reigned.

Mr. and Mrs. Sprinkle will leave Prince Rupert shortly for Marion, Virginia, where they will make their home.

### ELIZABETH BACK TO LUXURY LINER

LONDON — The liner Queen Elizabeth shortly will be converted back to a luxury liner. At present the 85,000-ton vessel is being used to repatriate Canadian servicemen. There is no truth to reports that the giant vessel will be used to carry war brides and children to the Dominion.

TOOK OVER FINLAND  
The whole of Finland was annexed by Russia in 1809.

### GYRO CLUB (Continued from Page 1)

carry on the good work of his predecessors.

In the absence of the retiring president, Dr. John Gibson, now located at Penticton and from whom a wire of good wishes was received, Past President Frank Skinner occupied the chair during the early part of the proceedings.

There was an international atmosphere to the affair with a background of American flags and the singing of national anthems of both United States and Canada.

Decorations of the banquet hall were in the St. Valentine's pink and white theme and the adornments were the subject of congratulations to A. J. Dominato, convener of the affair, and his committee.

About 100 persons were in attendance. Music for dancing which followed the dinner was by Andy McNaughton.

During the evening souvenir spoons were presented, on behalf of the club, by Dr. R. G. Large as mementos of the occasion.

Following arrival of the visitors yesterday there was a luncheon of the club after which the guests were taken sight-seeing around the city. Later in the afternoon prior to the dinner, President-elect and Mrs. W. D. Lambie entertained at a reception for the visitors at their home on Fourth Ave. E.

This afternoon weather permitting, there will be a cruise with Dr. R. G. Large aboard the power yacht Fusilier followed by a party in the evening before the visiting group sails by the Prince Rupert on its return south.

DISPLAY NOTES—Among the 56 junior girls who attended last evening's class at the Y.M.C.A. some were "picked" to take part in the Rup-Rec display, to be held in the auditorium of the Civic Centre on March 6 and the remainder were merely pliqued. The instructor in charge, Mrs. E. Yelland and the four leaders had the difficult task of choosing 11 little girls, whom they thought were the most outstanding in the class. Naturally there was some disagreement among the members. Those who were selected to learn the display routine were enthusiastic while the remainder were somewhat disappointed. However, in the mass display which is now being planned to wind up the winter season, everyone will be given an opportunity to take part.

The 11 girls who were chosen for the display were Judy Felsenthal, Donna Moller, Marie Jurstad, Annette Windle, Mary Horne, Gwen Alger, Betty Birch, Anita Brue, Joan Saunders, Mary Doane and Alice Killas. In order to polish up their routine a special practice has been called on Friday afternoon in the "Y" building.

WHAT'S DOING AT PRINCE RUPERT RECREATION COUNCIL GYMS BY JIM NAST

POT POURRI—After ejecting a few of the rowdy members of the boys' classes at the "Y" there has been a marked improvement in attendance and in performance, according to Instructor E. Freeman and Assistant D. O'Neill. Instructresses M. Gogal and M. Jackson report that "what the ladies class lacks in quantity it makes up for in quality." We are not quite certain what these versatile young ladies refer to in this statement. Do they mean physically?

WHAT'S ON TONIGHT—Westview—7:30-9, intermediate boys. Y.M.C.A.—8-9, men's leaders class; 8:15-9:15, girls leaders class. St. Peter's Community Hall, 7:30-8:30, junior boys.

HOW CAN I ???  
By ANNE ASHLEY

Q. How can I make a blanket like new after laundering?  
A. After laundering, hang it on the clothes line and beat it with a carpet beater. This restores the wool and makes it like new. To prevent the weight of the water from tearing it, always hang the blanket lengthwise.

Q. How can I remove grease spots from carpets?  
A. Make a paste of boiling water poured on equal parts of magnesia and fuller's earth. Apply while hot, then wipe it off when dry.

Q. How can I keep the range from rusting during the summer?  
A. By painting it with a good lubricating oil. When winter comes, wipe off the oil before using the range.

### Three of the Many Reasons

THERE ARE a lot of good reasons why Carnation is so widely recommended for babies. Here are just three of the very important ones... digestibility, fine food values, and safety.

Easier digestibility because of heat-treatment and homogenization; all the fine food value of good, pasteurized milk plus an extra supply of "sunshine" vitamin D; and the complete safety of sterilization.

No matter where you buy Carnation Milk, no matter how long you keep it in the unopened can, even without refrigeration... it is always the same, always one of the finest foods for bottle-fed babies (and their brothers and sisters and parents, too).

## Two Way Tie In Top Spot

Montreal 5, Chicago 1.  
Boston 3, Detroit 0.

CHICAGO, ©—Montreal Canadiens and Boston Bruins went into a first place tie in the National Hockey League last night displacing the Chicago Black Hawks from the leadership. The Canadiens scored a five to one victory over the Black Hawks here while the Bostonians were scoring three goals to blank the Red Wings at Detroit. The margin of the Canadiens and Bruins over the Black Hawks is a single point or half a game.

Tonight the Bruins will have the chance to assume exclusive leadership in an appointment with the lowly New York Rangers.

The standings to date are as follows:

	W	D	L	F	A	Pts
Chicago	20	4	14	159	146	44
Boston	19	7	12	125	110	45
Canadiens	21	3	13	123	94	45
Detroit	15	6	15	97	105	36
Toronto	13	6	19	116	133	32
New York	8	6	23	98	145	22

## GAME CHIEFS INVITED HERE

Invitations have been extended by the Prince Rupert Rod and Gun Club to James Cunningham, chief game commissioner for British Columbia, and Inspector Thomas Van Dyk of Prince George to attend the annual banquet of the club as guests of honor on February 27. Catering is in the hands of R. G. Van der Slyps and the piece de resistance will be moose meat provided by local nimrods who made successful expeditions to the interior. E. J. Bacon is president of the club and F. W. Grimble, secretary.

## BASKETBALL POT SHOTS

Even though nothing definite has been arranged in regard to future games, the local senior basketball All-Stars are carrying out tri-weekly practices with hopes that something will turn up in the form of a suitable playing floor. It has been rumored that one of the stronger local organizations is taking the matter of gym shortages up with Ottawa and word is expected no later than this week-end on whether or not anything is to be done about the situation. If one of the suitable gyms is released shortly there will be the opportunity of seeing the well known New Metlakatla team in two weeks' time. Then the local boys will go north for a return series with New Metlakatla and will play Ketchikan at the same time. Ketchikan players are very anxious to visit Prince Rupert each year and they will show here around the end of March at the latest.

It looks as though the ladies may come into their own this year as negotiations are being carried out with the U.S. Coast Guard "Spars" at the first city and it seems there is just the difference in style of play to be ironed out before the trip is a cinch. The Coast Guard lassies play the more feminine six-a-side game which includes some rather strange rules as far as our girls are concerned but they are so anxious to make the trip they have assured coach Ed. Gladding that, to quote: "We'll learn anything."

The old argument of Seniors vs. Intermediates is still in the air and will continue until something is done about it. At present the intermediates claim they have enough young blood to form a team capable of representing the city more capably than their older brothers and this column insists they be given that opportunity. The intermediates have at present the largest following any league has boasted for many years and many in that following seem to think that the seniors are trying to get out of something until they have made a trip north. At any rate it seems that the only way the matter can be settled is to have the two teams meet for the right to represent the city and the winner take all the gate to help defray expenses while travelling. Since this is definitely amateur sport, money other than gate receipts should not be mentioned but liberty is requested to advise those that have been willing to take even money on the seniors that they'd be wise to look the situation over and take stock. With all due respect to the calibre of ball being played at the Armories it must be conceded that it will take a year or two to replace men like Houston, Lindsay, Dominato, Macphie, etc. and it might be stated that most of those boys will welcome replacements much sooner than that.

They are still packing them in at the Armories every Tuesday and Thursday where Carl Zarelli's Savoy's are currently the hot shots. With no less than two men who were picked for the senior game with the U.S. Coast Guard and bolstered by Ted Arney, recently returned from the service, the Savoy's should take all opposition in their stride but Tuesday night the High School squad, who are playing about normal ball now after a weak show against Kayhi, took them in an overtime by ten points. This should hardly happen judging from the line-ups

"GOVERNMENT LIQUOR ACT"  
NOTICE OF APPLICATION FOR  
CONSENT TO TRANSFER  
OF BEER LICENCE

NOTICE IS HEREBY GIVEN that on the 6th day of March next the undersigned intends to apply to the Liquor Control Board for consent to transfer of Beer Licence No. 7399 issued in respect of premises being part of a building known as Knox Hotel, situate at First Avenue in the City of Prince Rupert, Province of British Columbia, upon the lands described as Lots number Thirteen (13) and Fourteenth (14) of Block Two (2) of Section One (1) Map 923, Prince Rupert Land Registration District in the Province of British Columbia, from Knox Hotel Company Limited to Beaudoin Hotel Co. Ltd. of Prince Rupert, British Columbia, the Transferee.

DATED at Prince Rupert, B.C. this 29th day of January A.D. 1946.  
BEAUDOIN HOTEL CO. LTD.  
Jules Vanderbeck, President.

IN THE SUPREME COURT OF  
BRITISH COLUMBIA  
IN PROBATE  
IN THE MATTER OF THE  
"ADMINISTRATION ACT"  
and

IN THE MATTER OF THE ESTATE  
OF JOHN LAMBERT DECEASED  
INTERSTATE

TAKE NOTICE that by order of His Honor, W. E. Fisher, made on the 4th day of February, A.D. 1946, I was appointed Acting Official Administrator of the Estate of John Lambert, deceased, and all parties having claims against the said estate are hereby required to furnish same property verified to me on or before the 18th day of March, A.D. 1946, and all parties indebted to the Estate are required to pay the amount of their indebtedness to me forthwith. DATED at Prince Rupert, B.C. this 5th day of February, A.D. 1946.  
GORDON F. FOWLES  
Acting Official Administrator,  
Prince Rupert, B.C.

PHONES MAKE RADIOS  
ST. PETER PORT, Guernsey,  
©—So many telephone receivers and other parts were taken by Guernsey people during the war to make crystal receiving sets, enabling them to listen to the BBC news, that officials have appealed for the return of the parts so that the telephone system may be reconstructed.

## SHORT SPORT

Outlook for Britain's flat-racing season and professional golf tournaments this year is the brightest since 1939. During the first half of the flat-racing season, April-June, there will be 102 days of racing over 39 courses, compared with 39 days in the period last year over 10 courses. Sports writers are heralding the golf season as one of the brightest and biggest in the history of golf in this country with 13 tournaments already lined up and record prize money of more than \$90,000 with golfers from various parts of the world competing. Three open championships will be held, from the end of March until late in October, with tournaments every two weeks. After the open championship, which will be decided at historic St. Andrew's in July, will be the "grand slam"—the Dunlop masters competition at Southampton in October when winners of the various championships held during the year will be invited to participate. Bobby Locke, South African champion and one freely tipped to capture the "open," is a certain starter and it is hoped several American stars, including Byron Nelson, the ace U.S. money winner, will enter the field.

Gordon Richards, Britain's champion rider who has brought home more than 3000 winners in his quarter century of riding, hopes he will be able to continue in the game for at least another 10 years. He is now 41. "With ordinary luck I should by then bring my aggregate of winners to between 4000 and 5000," he said in an interview at his Marlborough home. "I believe such a total would remain an all-time record and I doubt if anyone will ever beat my record of 259 winners set up in 1932."

## AUSSIES GETTING FREE TREATMENT

Medical Service Available to All Income Groups  
CANBERRA ©—Patients of all income groups in public hospitals now are receiving free treatment in four Australian states. Cost is being borne by the Commonwealth government by means of grants to state governments which will administer

the scheme. Later the scheme will be extended to cover payment of treatment in private hospitals. The project is part of the Commonwealth government's plan for social services. The scheme is operating in only four states because of constitutional delay in New South Wales and South Australia. Provision for the scheme was contained in the Federal Benefits Act passed in federal parliament in September.

But the act did not give the Commonwealth government authority to put the scheme in operation. It merely gave power to make agreements with the states, preparatory to the introduction of the plan in the states. Neither the New South Wales nor the South Australian governments have yet ratified the agreements.

South Australia's delay is due to a hitch in administration, but New South Wales is delaying ratification until it receives an assurance in public works state hospitals.

GLASS IS SMOOTHEST  
Engineers recently prove scientifically that glass is some 300 times smoother than satin and about 475 times smoother than silk.

To a child the world was made for play. He spends little time thinking about what he is going to do next—and quite frequently does the most unexpected thing. Accident figures would indicate that most adults do not appreciate the limitations of motorists and motor vehicles. So how much less likely is it that children will? When you are approaching or passing children in your car particular vigilance is required. When you see children at play—play it safe. Slow down and be ready for the unexpected.

# C.N.R. Gets New Ships

**Modern Diesel Driven Cargo Vessels for West Indies Service**

MONTREAL—The augmenting of the present freight fleet of the Canadian National Steamships by the building of three new modern diesel-driven cargo vessels was announced yesterday by R. C. Vaughan, chairman and president, Canadian National system.

Delivery of these new vessels is anticipated by early summer. One is being constructed at Montreal by Canadian Vickers Limited; a second at Quebec by the Davie Shipbuilding and Repairing Company, while the third is being built at Vancouver by the Burrard Shipbuilding Company. Engines for all three vessels are being built by the Vickers organization at Montreal.

The new additions to the C.N.S. fleet will ply between Eastern Canadian ports and the eastern group of the British West Indies and Demerara, South America (British Guiana).

The overall length of these new cargo carriers will be 436 feet. The beam, 50 feet. Load draft, 25 feet, speed 15 knots. Deadweight, 7,500 tons.

Built primarily as cargo carriers, the vessels will have 16,000 cubic feet of refrigerator space for the carriage of refrigerated cargo southbound and for fruit northbound. This space will be divided into three chambers in order that the cargo may be carried in a variety of temperatures. In addition to the refrigerator space for general cargo, approximately 370,000 cubic feet of cargo space will be available. This space will be divided into five holds and served by electrically driven winches.

The main propelling machinery will be four cylinder Duxford engines, developing 6,000 horse power driving a single screw. A steam boiler will be fitted to supply heat to the accommodation. The auxiliary machinery will be electrically operated.

The new vessels will have accommodation for 12 passengers located in five two-berth and two single rooms. All rooms will have shower, toilet and hot and cold running water. All accommodation throughout will be air-conditioned. The space allocated to officers and crew is in the deckhouse amidships and will be well-fitted and insulated.

**FIRM AGAINST ENTRANCE OF JEWS TO PALESTINE**—Members of the Arab higher committee are shown in conference in Jerusalem at the session where the committee decided to reject the request of the British high commissioner for an agreement to permit a monthly immigration of 1,500 Jews into Palestine. Despite the Arab rejection, the British have announced that such a monthly immigration quota will be permitted. As a result the Arab higher committee decided to call a general strike throughout Palestine to protest this British decision.

inyery will be electrically operated.

The new vessels will have accommodation for 12 passengers located in five two-berth and two single rooms. All rooms will have shower, toilet and hot and cold running water. All accommodation throughout will be air-conditioned. The space allocated to officers and crew is in the deckhouse amidships and will be well-fitted and insulated.

## STUDY OF TAXATION

H. B. Cowan of Peterborough, Ont., Completes Survey For United States Bureau of Agricultural Economics

LONDON ©—H. B. Cowan, formerly a newspaperman in Ottawa and Montreal, has reached the point where he can visit a strange city, walk about its streets and without further evidence make a shrewd guess on how municipal taxation is applied.

He still calls Peterborough, Ont., home, but has been away a long time on research chores for the United States Bureau of Agricultural Economics. His latest was a five-year visit to Australia and New Zealand making a survey for the International Research Committee on Real Estate Taxation. Mr. Cowan first reports in the United Kingdom and later in the United States and Canada.

In Canada and the United States the "capital improved system" of taxation has been used, with municipal levies imposed on the value of land and buildings irrespective of whether they are occupied.

Weaknesses also had been found in this system he said, and in the United States municipalities had been asked to investigate the possibilities of adopting more or less extensively the site value rating as used in the Antipodes. Similar study by Canada was urged by the federation of mayors and municipalities in a memorandum to Dominion and provincial governments.

In his bundle of papers, maps and photographs, Mr. Cowan said he thought he had the answers to questions about how the site value rating works. When he went to a city like Wellington, New Zealand, his first act was to explore the city thoroughly, spotting situations like fine office buildings and small shacks side by side.

This sort of situation leads him to wonder why the owner of the site on which the poor building is placed has not made better use of his property and suspects tax problems. The next step is to go to city officials and tell them what he is after, often presenting them with his own estimate of local taxation conditions which usually is close to the truth.

If the site value rating method is adopted by British and North

American communities it will be a completely new departure, said Mr. Cowan. The effect on the individual would vary in different communities.

But Mr. Cowan says the application of his report is not his business. He has lived and talked site value rating for five years—and there's still nothing he'd rather talk about.

## PENTECOSTAL VISITORS ARE IN DISTRICT

Rev. C. B. Smith, superintendent of the Pentecostal Assemblies of Canada, and Rev. P. C. Jones, district superintendent, are visitors in the city.

Mrs. Smith met the Women's Missionary Pray Band of the local assembly and gave an interesting report of the work of society groups throughout the world.

Mrs. F. Kettles introduced the speakers and Mrs. R. Green moved a vote of thanks.

Rev. Smith, in company with Mr. Jones and Rev. J. Linney,

## Better English

By D. C. WILLIAMS

1. What is wrong with the sentence? "The company has decided to desert the project."
2. What is the correct pronunciation of "allopathy"?
3. Which one of these words is misspelled? Adolescent, adherence, adhesive.
4. What does the word "magnant" mean?
5. What is a word beginning with ag that means "to make great, as in size, power, or honor."

Answers  
1. Say, "has decided to abandon the project." 2. Pronounce a-lo-p-a-thy, first a in at, o as in mop, second a in ask unstress, i as in accent second syllable. 3. Adolescent, adherence, adhesive. 4. Quarrelsome; something. "She was a quarrelsome wife." 5. Aggrandize.
